- B) 1975
- C) 1976
- D) 1977
- E) 1979

Answer

E) 1979

OBITUARY

Explanation

- Steven Weinberg, a theoretical physicist who discovered that two of the universe's forces are really the same, for which he was awarded the Nobel Prize, and who helped lay the foundation for the development of the Standard Model, a theory that classifies all known elementary particles in the universe, making it one of the most important breakthroughs in physics in the 20th century, died in a hospital in Austin, Texas.
- In 2015, Dr. Brian Greene, a theoretical physicist at Columbia University, invited Dr. Weinberg to be the inaugural speaker at a new lecture series at the university called "On the Shoulders of Giants."

OBITUARY

Explanation

- While introducing his guest, Dr. Greene related how, in the early 1980s, he was working at I.B.M. when he was invited to give a lecture at the University of Texas at Austin, where Dr. Weinberg was a professor.
- When he told his boss, John Cocke, a pioneer of computer science, that Dr. Weinberg would be at the talk, Dr. Cocke warned him, “You should know, there are Nobel laureates and then there are Nobel laureates.”

OBITUARY

Explanation

- Dr. Weinberg was in the second category.
- Gauge theory had been developed in the 19th century by James Clerk Maxwell, a British physicist, in his seminal work to explain electromagnetism.
- In the 1950s, it was used by Robert Mills and Chen Ning Yang, a Chinese American physicist, who later won the Nobel Prize, to understand strong-force interactions.

➤ **Which Bank announced the launch of an overdraft facility for small retailers in partnership with CSC SPV Known as 'Dukandar Overdraft Scheme'?**

- A) Federal Bank
- B) DBS Bank India
- C) Bank of Baroda
- D) RBL Bank
- E) HDFC Bank

Answer

E) HDFC Bank

Explanation

- HDFC Bank today announced the launch of an overdraft facility for small
- retailers in partnership with CSC SPV.
- Known as 'Dukandar Overdraft Scheme', this facility will help shopkeepers and merchants ease their cash crunch.
- Retailers operating for a minimum of three years can avail the overdraft facility by providing 6 months bank statement from any bank.
- Based on the statement, the bank may approve an overdraft limit from a minimum of Rs 50,000 to a maximum of Rs 10 lakhs.
- No collateral security, business financials and income tax returns would be required to apply for this facility.

Explanation

- Retailers, shopkeepers and village level entrepreneurs are eligible for this facility.
- The bank has simplified the process by minimizing paperwork and time required to avail of the scheme.
- The new scheme has been created keeping in mind the current situation of small traders.
- The upper limit for shops operational for less than 6 years is Rs 7.5 lakhs and Rs 10 lakh for establishments which have been in business for more than 6 years.
- Current Account with overdraft facility is significantly an advantageous service offered by the bank.
- It aids the business owner in terms of cash flow to meet their daily working capital expenses.

Explanation

- With the overdraft facility available through their Current Account, the account holder can settle the pending payments via cheques or pay-order in a trouble-free manner.
- This avoids a cheque dishonour and preserves the reputation of the business owner.
- Additionally, the RBI has maintained clean overdrafts for a small amount which are permitted at the discretion of the branch manager to the customers whose past dealings have been satisfactory.
- Banks may provide tailor-made schemes or services for every individual customer in this regard who maintains a Current Account with them.
