- In the match between Punia and Niyazbekov, the former went on to take a 2-0 lead in the first period and all the pressure was on the Kazakh opponent heading into the last three minutes.
- In the final three minutes, Bajrang managed to hold his own and he kept his opponent at bay walking away with a bronze medal.

## Neeraj Chopra ends India's 100-year wait for an Olympic medal in athletics, wins gold

- Javelin thrower Neeraj Chopra bagged the gold medal at the Tokyo Olympics, ending India's 100-year wait for an elusive athletics medal at the world's top sporting stage.
- A pre-tournament medal contender, the 23-year-old Chopra had fuelled country's expectations by topping the qualification round with a stunning first round throw of 86.59m.
- Chopra's medal is only India's second ever individual gold at the Olympics, the first coming in 2008 via Abhinav Bindra's 10-meter air rifle victory.

## **Neeraj Chopra ends India's 100-year wait for an Olympic medal in athletics, wins gold**

- Three track and field athletes were part of the five-member Indian team at the 1920 Olympics in Antwerp, Belgium -- the other two being wrestlers.
- Since then, no Indian had won a medal in athletics.

➤ **Asian Development Bank has approved a how much amount loan as additional financing for the ongoing Maharashtra Rural Connectivity Improvement Project that is upgrading rural roads and connecting remote areas with markets?**

- A) USD 200 million
- B) USD 400 million
- C) USD 500 million
- D) USD 600 million
- E) USD 300 million

**Answer**

**E) USD 300 million**

## Explanation

- Asian Development Bank said it has approved a USD 300 million loan as additional financing for the ongoing Maharashtra Rural Connectivity Improvement Project that is upgrading rural roads and connecting remote areas with markets.
- The ongoing project, approved in August 2019, has been improving and maintaining the condition and safety of 2,100 kilometres (km) of rural roads across Maharashtra, the Manila-based bank said in a statement.
- The additional financing will improve an additional 1,100 rural roads and 230 bridges for a total length of 2,900 km in 34 districts, the Multilateral funding agency added.

## Explanation

- The additional financing aims to help accelerate Maharashtra's economic recovery from COVID-19 devastation by generating rural employment and transforming agriculture, ADB Senior Rural Development Specialist for South Asia Masahiro Nishimura said.
- The state government is aiming to increase the average growth rate of agriculture and allied activities to more than 5 per cent per year by 2030, it said.
- The project will also provide last-mile connectivity to a large number of small villages, enhancing access to health and education facilities and greatly benefitting the poor and vulnerable population by increasing agriculture productivity, it added.

## Explanation

- The additional financing is expected to generate about 3.1 million person-days of employment for local communities, of which at least 25 per cent will be for women, over the construction and maintenance periods, the statement noted.
- The state government, acting through Maharashtra Rural Road Development Association as the executing agency, has developed a gender action plan, which focuses on the capacity development of women workers so that they can benefit from the semiskilled and unskilled labour opportunities, the bank said.

## Explanation

- The latest financing will rebuild and rehabilitate roads and bridges in Maharashtra destroyed by the devastating floods in August 2019, it said.
- The design incorporates flood and climate resilience measures, pilot test the use of environment-friendly materials on selected road segments, and utilise new technologies such as fibre-reinforced concrete and pre-cast concrete arch bridge, ADB added.
