Important Days

➤ **50th Vijay Diwas is observed on which date?**

- A) December 11
- B) December 16
- C) December 10
- D) December 12
- E) December 14

Answer

B) December 16

Important Days

Explanation

- To commemorate its victory over Pakistan during the 1971 war, India celebrates Vijay Diwas on December 16 every year as a tribute to the success of the Indian army.
- This war led to the creation of Bangladesh.
- Today, marks fifty years of the war.
- After India's independence, Pakistan was formed in two territories, east and west Pakistan.

Important Days

Explanation

- The Bengalis in the east were highly discriminated and their Bengali language wasn't accepted.
- There were economic disparities between the two regions, and the power helmed by west Pakistan had created tensions.
- In 1970, the Awami League led by Sheikh Mujibur Rahman won the elections wherein the Pakistan People's Party neglected to hand over the power.
- Later in mid-1971, Bangladesh declared independence from Pakistan.
- As violence started erupting, many refugees began entering India.

Important Days

International Tea Day:

- International Tea Day is observed on December 15 in many countries including Bangladesh, Sri Lanka, Nepal, Vietnam, Indonesia, Kenya, Malawi, Malaysia, Uganda, India, and Tanzania.
- Tea is an aromatic beverage that has a great demand in the world market.
- It is the second most used drink in the world after water.
- For some people, tea is an integral part of life which adds rhythm.
- China is currently the largest exporter of tea.
- According to a study conducted by the Tea Board of India in 2007, around 80 percent of the total tea produced in India is consumed by the domestic population.

Important Days

International Tea Day 2021: History

- The first ITD was held in New Delhi in India in 2005.
- However, in 2015, the Indian government proposed to the UN Food and Agriculture Organisation to expand International Tea Day across the world.
- The reason for the UN celebrating May 21 as International Tea Day is that the season of tea production begins in May in most of the tea-producing countries.

- The government had launched ABRY to incentivise employment generation in Employees' Provident Fund Organisation (EPFO) registered establishments during COVID-19 for a period from October 1, 2020 to March 31, 2022.

Explanation

- Under the ABRY, the government is paying both employees' and employers' contributions of 24% of wages (12% of wages for each) in respect of establishments having 1,000 employees and employees' contribution of 12 of wages to establishments employing more than 1,000 employees, the House was informed.
- As on December 4, 2021, employment opportunities have been created for 39.73 lakh new employees and benefits of ₹2612.10 crore were credited upfront in their accounts.

RANKING

Explanation

- The Minister also told the House that the average time taken to process the claims of the EPFO subscribers was 7.3 days during the current fiscal till December 6, 2021 during 2021-22.
- It was 8.4 days in 2020-21 and 11.5 days in 2019-20.

➤ **Which company has become the first payments platform to tokenise cards on all three major payment networks - Visa, Mastercard and Rupay?**

- A) BharatPe
- B) PhonePe
- C) FinBox
- D) Cashfree
- E) Innoviti

Answer

B) PhonePe

Explanation

- Walmart-owned digital payments firm PhonePe, said it has become the first payments platform to tokenise cards on all three major payment networks - Visa, Mastercard and Rupay.
- PhonePe's tokenisation solution will help businesses save significant time and effort by removing the need to integrate with multiple card networks while complying with RBI guidelines.

Explanation

- Tokenisation provides users an added layer of security by converting sensitive cardholder data to a string of randomly generated numbers known as a token. PhonePe's tokenisation solution, 'PhonePe Safecard', enables businesses to offer tokenisation on their own platforms via a simple API (application programming interface) integration and a minimum turnaround time.
- With this solution, businesses can create, process, delete and modify tokens for online card payments with customers' consent.

Explanation

- PhonePe SafeCard offers businesses a headstart over the competition by utilising access to millions of PhonePe customers' tokenized cards.
- PhonePe also takes care of any additional authentication for users, if needed.
- The firm said it enables a smooth and hassle-free experience for customers through login and payments with additional features.
- Merchants get a dedicated and secured vault in a PCI-DSS (Payment Card Industry - Data Security Standard) compliant environment.
