- Wizikey's News Score is world's first standardised metric to measure news visibility for brands and individuals using Artificial Intelligence, Big Data, Machine Learning and media intelligence.
- The News Score takes into account various key criteria like volume of news, headlines presence, the reach of publications, readership and the like.
- The score ranges from 0 to 100, and is based on monitoring of over 5000 publications. It represents the media presence of a brand in publications that matter.
- Global companies like Google and Facebook have a score above 90.
- Reliance has a News Score of 84.9 for 2021, followed by State Bank of India, Bharti Airtel, Infosys, Tata Motors.
