➤ NCLAT asks IL&FS to distribute how many crores to financial creditors?

- A) 1925
- B) 1592
- C) 1952
- D) 1295
- E) 1529

Answer
A) 1925

Explanation

- The **National Company Law Appellate Tribunal (NCLAT)** has directed IL&FS to distribute **Rs 1,925 crore** to its financial creditors from the payments received in connection with the Gurgaon metro project.
- The appellate tribunal also made it clear that the distribution of the amount to the lenders will also be subject to the final resolution of the IL&FS companies concerned.
- The amount is part of the termination compensation received from two IL&FS subsidiaries and **Special Purpose Vehicles (SPVs) -- Rapid Metro Rail Gurgaon Limited (RMGL) and Rapid Metro Rail Gurgaon South Limited (RMGSL) -- from Haryana Shehari Vikas Pradhikaran (HSVP).**
- The three entities and Haryana Mass Rapid Transport Corporation Ltd were part of the concession agreement for the Gurgaon metro project but the agreement was later terminated due to differences between **IL&FS subsidiaries and the two Haryana government entities.**

Explanation

- Rapid Metro Rail Gurgaon Limited (RMGL) and Rapid Metro Rail Gurgaon South Limited received **Rs 638.01 crore and Rs 1,287.90 crore**, respectively, as interim termination payments in their escrow accounts from HSVP, following the order of the Supreme Court.
- The total amount was **Rs 2,407.40 crore**.
- In the order, NCLAT has directed IL&FS to pay **Rs 1,925 crore**, which is 80 percent of the amount received from HSVP as interim termination payments to the financial creditors as per the interim distribution framework.
- A **three-member NCLAT bench** has passed the order on pleas by Canara Bank and Union Bank of India filed on behalf of IL&FS' consortium of lenders.

➤ Cos with over how many crore annual turnover will soon have to generate GST e-invoices for B2B transactions?

- A) 15
- B) 25
- C) 5
- D) 20
- E) 10

Answer
C) 5

Explanation

- GST-registered businesses with an annual turnover of more than **Rs 5 crore** will soon have to generate electronic invoices for **B2B transactions**.
- Central Board of Indirect Taxes and Customs (CBIC) **Chairman Vivek Johri** said the GST Council, comprising finance ministers of the Centre and states, had decided to implement it in a phased manner and with e-invoices being generated, for every B2B (Business-to-Business) transaction, invoice matching by tax authorities would not be required under Goods and Services Tax (GST).
- Currently, businesses with a turnover of over **Rs 20 crore** will have to generate e-invoices for B2B transactions.

Explanation

- Under GST, e-invoicing for B2B transactions was made mandatory for companies with a turnover of over **Rs 500 crore** from October 1, 2020, which was then extended to those with a turnover of over **Rs 100 crore** from January 1, 2021.
- From April 1 last year, companies with turnover over **Rs 50 crore** were generating B2B e-invoices, and the threshold was brought down to **Rs 20 crore** from April 1, 2022.

➤ Mobile imports down by how many percent in FY22 as local production rises?

- A) 19%
- B) 21%
- C) 50%
- D) 47%
- E) 33%

Answer
E) 33%

Explanation

- The phased manufacturing programme and the **production-linked incentive scheme** have gone a long way to cut mobile imports that fell by **33 percent** in fiscal 2022, and pushed local production up by around 26 per cent during the year.
- A Crisil report said that local production of mobile phones has been logging in a **33 per cent annual growth rate** between fiscals 2016 and 2021, the pace of which slowed a tad in FY22 to 24-26 per cent.
- This growth is in spite of the **ongoing chip shortage**, and three of the global manufacturers met the PLI production targets in FY22.

Explanation

- Crisil has projected the growth momentum in production to sustain, with a **22-26 per cent** annual growth rate between fiscals 2022 and 2024 to **Rs 4-4.5 lakh crore** in value terms.
- Growth will be led by the PLI scheme, which is in the second year for most players.
- Mobile imports fell **33 per cent** year-on-year in fiscal 2022 and the dependency on China came down to **60 per cent from 64 per cent in fiscal 2021**, and the same is expected to fall further in the medium-term.

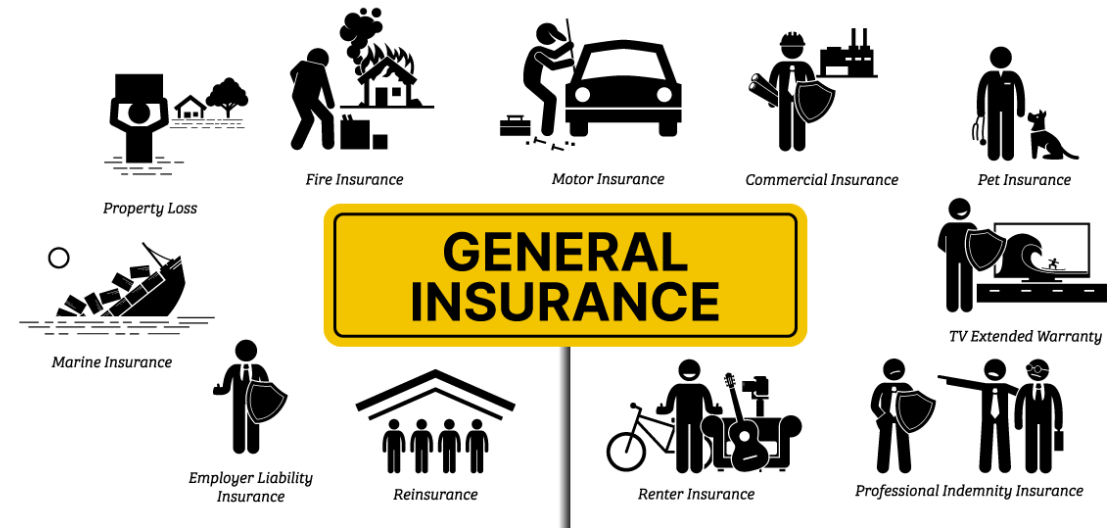

BUSINESS AND ECONOMY

➤ Non-life insurance industry reports a 21% YoY growth in premiums in June

- A) 19%
- B) 21%
- C) 50%
- D) 47%
- E) 33%

Answer
B) 21%

Explanation

- The non-life insurance industry reported a **21 per cent** year-on-year (YoY) growth in premiums in June, driven by healthy growth in premiums of private sector general insurers and standalone health insurers.
- Further, in April – June quarter (Q1FY23), the industry netted premiums to the tune of **Rs 54,492 crore, up 23 per cent** YoY over the corresponding period last year.
- In June, the gross direct premiums underwritten by the non-life insurers, which include general insurers, standalone health insurers, and specialised insurers, were to the tune of **Rs 17,810.51 crore**.
- General insurers, who operate in different lines of business such as motor, health, crop, etc., saw their premiums rise **19.93 per cent** in the month to **Rs 15,638.72 crore**.
- Similarly, the five standalone health insurers saw their premiums rise by **32.85 per cent** to **Rs 2,004.77 crore**.

➤ Govt asked companies to cut edible oils price by up to how many rupees per litre, maintain uniform MRP of same brand oil?

- A) 15
- B) 25
- C) 5
- D) 10
- E) 20

Answer
D) 10

Explanation

- Amid a fall in global prices, the government directed edible oil manufacturers to further cut the **maximum retail price (MRP) of imported cooking oils by up to Rs 10 per litre within a week**, and maintain a uniform MRP of the same brand of oil across the country.
- As India imports more than **60 per cent** of its edible oil requirement, retail prices came under pressure in the last few months taking cues from the global market.
- However, there has been a correction, resulting fall in global prices.
- Edible oil makers had cut prices by up to **Rs 10-15 per litre** last month and prior to that had also reduced the MRP taking cues from the global market.
- Taking note of a further drop in global prices, **Food Secretary Sudhanshu Pandey** called a meeting of all edible oil associations and major manufacturers to discuss the current trend and pass on the falling global prices to consumers by **reducing the MRP**.
