- A) January 1
- B) April 22
- C) June 5
- D) October 24
- E) December 10

**Answer**  
**D) October 24**

# Important Days

## Explanation

- **United Nations Day** is celebrated every year on **October 24**.
- The day marks the anniversary of the day when the UN Charter entered into force in 1945.
- On **October 24, 1945, the** United Nations was officially established.
- 2 years later, the United Nations General Assembly in 1947 announced the Charter of the United Nations as the one which “shall be devoted to making known to the people of the world the aims and achievements of the United Nations and to gaining their support for its work”.
- In 1971, the organisation adopted United Nations Resolution 2782 and declared that the United Nations Day ought to be an international observance.
- The resolution suggested that the United Nations’ member states observe October 24 as a public holiday too
- **Theme:** “The Frontlines of Climate Action”

# Important Days

## Explanation

### International Lead Poisoning Prevention Week 2023

- The **eleventh International Lead Poisoning Prevention Week (ILPPW)** will take place on **22-28 October 2023**
- The International Lead Poisoning Prevention Week (ILPPW) takes place every year during the **third week of October**
- The focus of this year's campaign "**End Childhood Lead Poisoning**" reminds governments, civil society organizations, health partners, industry and others of the unacceptable risks of lead exposure and the need for action to protect children's health.

# Important Days

## Explanation

### World Polio Day 2023

- **World Polio Day** is celebrated every year on **October 24** to create awareness around the importance of polio vaccination to protect children.
- In the year **1988**, there were around 3.5 lakh polio cases worldwide and the World Health Assembly resolved to eradicate the poliovirus.
- In 2002, WHO European Region was declared polio-free and from that time on October 24 every year, the World Polio Day is celebrated annually

# Important Days

## Explanation

### World Development Information Day

- The **United Nations** celebrates **World Development Information Day** every year on **October 24**.
- The **UN General Assembly in 1972** established the World Development Information Day to direct people's attention toward developmental problems and the need to strengthen international cooperation to solve them.
- The main aim of this day is to propagate information and mobilise public opinion in order to draw their attention and create awareness of the problems surrounding development, promoting efforts in the field of international cooperation for growth and development.
- The UN General Assembly in 1964 established The United Nations Conference on Trade and Development (UNCTAD), with the primary objective of formulating policies relating to all aspects of development including trade, transport, aid, finance, and technology. UNCTAD is a part of the UN secretariat.

# Important Days

## Explanation

- Prior to officially announcing **October 24 as World Development Information Day**, the UN Conference on Trade and Development (UNCTAD) proposed measures for dissemination of information and for the mobilization of public opinion, relative to trade and development problems on May 17th, 1972. It was then passed by the UN General Assembly on May 19th, 1972.

**What is the purpose of the USD 175 million loan granted by the Asian Development Bank (ADB) to Madhya Pradesh, India?**

- A) To support agricultural development in the region
- B) To improve education infrastructure in Madhya Pradesh
- C) To enhance road connectivity and climate resilience
- D) To fund healthcare initiatives in Madhya Pradesh
- E) To promote tourism in the state

**Answer**

**C) To enhance road connectivity and climate resilience**

## Explanation

- The **Asian Development Bank (ADB)** has granted approval for a **USD 175 million** loan to **enhance road connectivity and climate resilience in Madhya Pradesh, India.**
- ADB has played a pivotal role in supporting the development of road networks in Madhya Pradesh since 2002.
- This endeavour has led to the enhancement of over 9,000 kilometres of state highways and major district roads
- The current project aims to foster connectivity between rural areas and growth centres, bolstering industrial corridors and ensuring the creation of safer, more climate-resilient roads to stimulate Madhya Pradesh's inclusive, equitable, and sustainable economic growth, stated the press release by ADB.
- The project's key features involve upgrading approximately 500 kilometres of state highways and major district roads to a standard two-lane design.
- These upgraded roads will incorporate climate- and disaster-resilient aspects, innovative road safety elements, and facilities catering to the needs of the elderly, women, children, and individuals with disabilities.

## Explanation

- Furthermore, ADB plans to enhance the Madhya Pradesh Road Development Corporation Limited (MPRDC) in terms of climate change adaptation and mitigation, disaster resilience, and road safety in road network planning and management.
- The initiative will aid in formulating strategies and plans to utilize green technology in road construction and establish charging infrastructure for electric vehicles.
- Additionally, the project intends to support MPRDC in creating a strategy for gender equality and social inclusion and to institute an internship program to encourage female students to work in the road sector.
- It also aims to collaborate with women's self-help groups to raise awareness about road safety.
- Furthermore, the project will conduct livelihood and entrepreneurship training programs for women and girls and construct at least two roadside markets

- B) Formed a new department to investigate financial fraud
- C) Empaneled 12 entities to provide digital forensic services
- D) Banned the use of digital forensics in financial transactions
- E) Launched a national cybersecurity awareness campaign

**Answer**

**C) Empaneled 12 entities to provide digital forensic services**

## Explanation

- **Capital markets regulator Securities and Exchange Board of India (Sebi)** has empanelled 12 entities, including Ernst & Young LLP and KPMG Assurance and Consulting Services LLP, to provide assistance to its search team for onsite data acquisition during search and seizure operations
- The other empanelled entities are -- Baker Tilly Business Advisory Services, Cybermate Forensics & Data Security Solutions, Cyint Technologies, ECS Info Tech, Innefu Labs, Mahen Technologies, Nangia & Co LLP, Netrika Consulting India, Pelorus Technologies and Systools Software, according to a notice by Sebi last week.
- They have been empanelled for providing digital forensic services to the regulator following the completion of the empanelment process. The empanelment will be valid for a period of two years
- In August, Sebi invited applications for empanelment of service providers experienced in the field of digital forensic services.

## Explanation

- The applications were invited from eligible service providers experienced in digital forensic services for acquisition, extraction and analysis of digital evidence from mobile, computers, and tablets, among others, on an ongoing basis.
- As per the notice, the entities will be required to provide onsite and offsite assistance to the search team and onsite data acquisition during search and seizure operations.
- In addition, they will have to undertake forensic acquisition or imaging of different types of digital devices, such as laptops, mobile phones, tablets, hard drives, USB drives, CDs/DVDs, servers etc.
- Further, they will be required to do onsite acquisition of cloud data from cloud apps like Gmail, Facebook, Youtube, Instagram, Telegram, WhatsApp and any other app or database as decided by the search party.
- Last year, Sebi initiated a crackdown against entities allegedly involved in a front-running scam using messaging app Telegram
