➤ **What is one of the main reasons retail investments in Sovereign Gold Bonds (SGBs) have increased on the RBI's Retail Direct platform?**

- A) The platform charges low brokerage fees
- B) SGBs provide no interest but are safer than physical gold
- C) The platform is free and user-friendly
- D) The price of gold has decreased significantly
- E) The bonds offer lower returns than physical gold

Answer

C) The platform is free and user-friendly

Event and Context:

- **Event:** Retail investments in Sovereign Gold Bonds (SGBs) surged 63% year-on-year on the RBI Retail Direct portal as of September 9, 2024.
- **Platform:** RBI's Retail Direct platform offers a free and user-friendly way for retail investors to participate in SGB auctions and government securities without brokerage fees, making it an attractive option for investors.

SGBs Overview:

- **Substitute for Physical Gold:**
 - SGBs are issued in denominations of one gram of gold and multiples thereof, offering an alternative to holding physical gold.
 - Investors pay in cash and the bonds are redeemed in cash upon maturity.
- **Investment Limits:**
 - **Minimum investment:** 1 gram
 - **Maximum subscription:** 4 kg for individuals and 20 kg for trusts in a fiscal year.

SGBs Overview:

- **Advantages for Retail Investors:**
 - **Government-backed:** Safer than physical gold, eliminating concerns about storage and purity.
 - **Fixed Interest:** Investors receive 2.5% interest per annum on top of gold price appreciation, offering dual returns.
 - **Tax Benefits:** Capital gains on maturity are exempt from taxes.

Key Trends:

- **Gold Demand:**
 - As geopolitical tensions increase the price of gold, SGBs serve as a tax-efficient hedge against economic uncertainty.

Static GK Information:
