Important Days

➤ **What is the theme of World Quality Week in 2024?**

- A) Quality: Realising Your Competitive Potential
- B) Quality Conscience: Doing the Right Thing
- C) Navigating Complexity
- D) Sustainability: Improving our Products, People, and Planet
- E) Creating Customer Value

**WORLD
QUALITY WEEK 2024**

Answer

C) Navigating Complexity

Important Days

Event and Location:

- **Event:** World Quality Week
- **Date:** November 11–15, 2024

Important Days

Mandates and Objectives:

- **2024 Theme - Navigating Complexity:** This year's theme emphasizes the need for organizations to manage complex risks, maintain resilience, and adapt to rapidly evolving market conditions.

Important Days

Mandates and Objectives:

- **Key Focus Areas:**
 - **Quality Management:** Moving beyond compliance to deliver outstanding performance by fostering a culture of quality.
 - **Sustainability:** Incorporating environmental, social, and economic considerations to meet changing societal expectations and deliver sustainable value.
 - **Risk Management and Digital Transformation:** Managing risks associated with digital transformation and integrating Artificial Intelligence (AI) responsibly to enhance performance.
 - **Continuous Learning and Improvement:** Building a learning culture within organizations to ensure agility and the ability to adapt to market and customer needs.

Important Days

Important Terms Explained:

- **Quality Management:** A framework for ensuring that products, services, and processes meet customer expectations and organizational standards while promoting continuous improvement.
- **Sustainability in Quality:** Emphasizes the creation of products and services that are environmentally friendly, socially responsible, and economically viable, aligning with broader societal values.

Important Days

Static GK Information:

- **World Quality Week:**
 - **Organized By:** Chartered Quality Institute (CQI)
 - **Frequency:** Annual (every November)
 - **Objective:** To promote the principles and practices of quality management across industries globally

Important Days

Tabular Summary:

Details	Information
Event	World Quality Week 2024
Dates	November 11–15, 2024
Theme	Navigating Complexity
Focus Areas	Quality culture, sustainability, risk management, digital transformation
Objectives	Promote quality management and innovation for outstanding performance

OBITUARY

➤ **Who was the freedom fighter from Mewar Praja Mandal, Rajasthan, who recently passed away at the age of 102?**

- A) Narendrapal Chaudhary
- B) Rajendra Singh Chaudhary
- C) Madan Mohan Somtiya
- D) Babulal Chaudhary
- E) Narottam Chaudhary

Answer

C) Madan Mohan Somtiya

OBITUARY

Event and Location:

- **Event:** Death of freedom fighter Madan Mohan Somtiya
- **Location:** Rajsamand, Rajasthan
- **Date of Passing:** November 12, 2024

OBITUARY

Mandates and Objectives:

- **Role in Freedom Movement:** Madan Mohan Somtiya was a key member of the Mewar Praja Mandal, an organization instrumental in resisting British rule in the Mewar region of Rajasthan. He joined the freedom struggle at age 15 and was actively involved alongside his brothers, enduring multiple arrests and imprisonment.
- **Notable Contributions:**
 - Somtiya faced imprisonment during the Quit India Movement (1942) and actively participated in various forms of protest.
 - He contributed by working as a volunteer and taking part in processions, becoming deeply engaged in his daily life with the freedom movement activities.

OBITUARY

Mandates and Objectives:

- **Honors and Recognitions:** Throughout his life, Somtiya received numerous state and national awards for his contributions, including a felicitation by President Pranab Mukherjee in 2013 and a recent honor by former Chief Minister Ashok Gehlot.

OBITUARY

Important Terms Explained:

- **Mewar Praja Mandal:** Established in 1938, this organization advocated for independence from British rule in Rajasthan's Mewar region, involving local youth like Somtiya in the freedom struggle.
- **Quit India Movement:** A significant movement launched in 1942 demanding an end to British rule in India. Many freedom fighters, including Somtiya, were jailed and tortured by the British government during this period.

OBITUARY

Static GK Information:

- **Rajasthan:**
 - **Capital:** Jaipur
 - **Chief Minister:** Ashok Gehlot
 - **Governor:** Kalraj Mishra

OBITUARY

Tabular Summary:

Details	Information
Event	Death of freedom fighter Madan Mohan Somtiya
Age at Passing	102 years
Location	Rajsamand, Rajasthan
Role in Freedom Movement	Member of Mewar Praja Mandal; Quit India Movement participant
Notable Honors	Felicitated by Pranab Mukherjee, Ashok Gehlot, and others
Contribution	Imprisoned and tortured for participation in protests

OBITUARY

➤ **Who was the Mewar royal family member and former MP from Chittorgarh who recently passed away at the age of 83?**

- A) Maharana Bhagwat Singh Mewar
- B) Rajendra Singh Mewar
- C) Mahendra Singh Mewar
- D) Vishwajit Singh
- E) Maharana Pratap Singh

Answer

C) Mahendra Singh Mewar

OBITUARY

Event and Location:

- **Event:** Death of Mahendra Singh Mewar, member of the Mewar royal family and former MP
- **Location:** Ananta Medical College, Udaipur, Rajasthan
- **Date of Passing:** November 10, 2024

OBITUARY

Mandates and Objectives:

- **Political and Social Contributions:** Mahendra Singh Mewar, a former Member of Parliament from Chittorgarh (1989), was known for his dedication to public service and his role in preserving the heritage of Rajasthan. As a BJP candidate, he was elected as an MP and actively supported former PM Atal Bihari Vajpayee in multiple election campaigns.

OBITUARY

Mandates and Objectives:

- **Legacy and Family:**
 - Mahendra Singh was the eldest son of Maharana Bhagwat Singh Mewar, the last ruler of the princely state of Udaipur.
 - His family includes Nathdwara MLA Vishwajit Singh (his son) and Rajsamand MP Mahima Kumari (his daughter-in-law).
- **Condolences from PM Narendra Modi:** Prime Minister Narendra Modi expressed condolences, highlighting Mahendra Singh's lifelong commitment to social welfare and heritage preservation.

OBITUARY

Important Terms Explained:

- **Mewar Royal Family:** A historic royal family based in Udaipur, Rajasthan, known for its heritage preservation and long history of influence in Indian politics and culture.
- **Yatras:** Political or religious journeys often organized to gather support or raise awareness, frequently used in Indian election campaigns.

OBITUARY

Static GK Information:

- **Rajasthan:**
 - **Capital:** Jaipur
 - **Chief Minister:** Ashok Gehlot
 - **Governor:** Kalraj Mishra
- **Bharatiya Janata Party (BJP):**
 - **Founded:** 1980
 - **Current President:** J.P. Nadda
 - **Headquarters:** New Delhi, India

OBITUARY

Tabular Summary:

Details	Information
Event	Passing of Mahendra Singh Mewar
Age at Passing	83 years
Location	Udaipur, Rajasthan
Political Role	Former MP from Chittorgarh (1989)
Condolences by	Prime Minister Narendra Modi
Family Members	Son: Vishwajit Singh (Nathdwara MLA); Daughter-in-law: Mahima Kumari (Rajsamand MP)
Legacy	Promoted Rajasthan's heritage, contributed to social welfare

OBITUARY

- Which former top Indian polo player, also an Arjuna Awardee, recently passed away at the age of 86?

- A) Sawai Man Singh
- B) Bhawani Singh
- C) Harinder Singh Sodhi
- D) Ravinder Singh Sodhi
- E) Hanut Singh

Answer

C) Harinder Singh Sodhi

OBITUARY

Event and Location:

- **Event:** Death of Harinder Singh Sodhi, renowned Indian polo player
- **Location:** New Delhi, India
- **Date of Passing:** November 9, 2024

OBITUARY

Mandates and Objectives:

- **Career in Polo:** Known as "Billy" Sodhi in polo circles, Harinder Singh Sodhi was a leading Indian polo player who reached a handicap of plus-five in his career, an impressive mark in the sport.
- **Achievements:**
 - **Arjuna Award:** Sodhi was honored with the Arjuna Award for his excellence in polo.
 - **Olympic Role:** In addition to his playing career, he served as manager of the Indian equestrian team at the 1980 Moscow Olympics.
- **Family in Polo:** His younger brother, Ravinder Singh Sodhi, is also a polo player and an Arjuna Awardee, showcasing the family's significant contribution to Indian polo.

OBITUARY

Important Terms Explained:

- **Arjuna Award:** A prestigious sports award in India presented by the Ministry of Youth Affairs and Sports to recognize outstanding performance in national sports.
- **Handicap in Polo:** A measure of a player's skill level in polo, with a higher handicap indicating superior ability.

OBITUARY

Static GK Information:

- **Arjuna Award:**
 - **Established:** 1961
 - **Awarded by:** Ministry of Youth Affairs and Sports, Government of India
 - **Significance:** Recognizes exceptional achievement in sports

OBITUARY

Tabular Summary:

Details	Information
Event	Passing of former Indian polo player Harinder Singh Sodhi
Age at Passing	86 years
Location	New Delhi, India
Career Highlights	Handicap of plus-five, Arjuna Award recipient
Olympic Role	Manager of Indian equestrian team at 1980 Moscow Olympics
Family in Polo	Brother Ravinder Singh Sodhi, also an Arjuna Awardee

RANKING

➤ Which company was recently ranked in ISG's Top 15 Global Tech Services Providers for Q3 2024?

- A) Infosys
- B) Tata Consultancy Services
- C) Mastek
- D) Wipro
- E) Tech Mahindra

Answer
C) Mastek

RANKING

Event and Location:

- **Event:** Mastek's ranking in ISG's Top 15 Global Tech Services Providers
- **Quarter:** Q3 2024

RANKING

Mandates and Objectives:

- **Recognition by ISG:** Mastek was included in ISG's Booming 15 category, which highlights companies with substantial growth in tech services based on recent contract wins. The firm has achieved this ranking consistently in global, Americas, and EMEA markets.
- **AI Expansion:** Mastek has expanded its AI capabilities by launching iConnix, a GenAI portfolio that includes over 120 AI assets and 4 AI platforms. This portfolio focuses on enhancing digital solutions and data analysis for clients.

RANKING

Important Terms Explained:

- **ISG (Information Services Group):** ISG is a global technology research and advisory firm that evaluates and ranks tech services providers worldwide.
- **GenAI (Generative AI):** Refers to AI technology capable of generating new data or content, utilized here by Mastek in the iConnix portfolio to offer advanced solutions across various industries.

RANKING

Static GK Information:

- **Mastek:**
 - **Headquarters:** Mumbai, Maharashtra, India
 - **Founded:** 1982
 - **CEO:** Hiral Chandrana
- **Information Services Group (ISG):**
 - **Founded:** 2006
 - **Headquarters:** Stamford, Connecticut, USA
 - **Chairman & CEO:** Michael P. Connors

RANKING

Tabular Summary:

Details	Information
Event	Mastek ranked in ISG's Top 15 Global Tech Providers
ISG Category	Booming 15
Quarter	Q3 2024
Ranking Regions	Global, Americas, EMEA
New AI Portfolio	iConnix, featuring 120+ AI assets and 4 AI platforms
Significance	Recognized growth and innovation in AI capabilities

RANKING

➤ Which company was ranked as the world's most sustainable aluminium company in the 2024 S&P Global Corporate Sustainability Assessment?

- A) Vedanta Resources
- B) Alcoa Corporation
- C) Hindalco Industries
- D) Rio Tinto
- E) Norsk Hydro

Answer

C) Hindalco Industries

RANKING

Event and Location:

- **Event:** Ranking of Hindalco Industries as the world's most sustainable aluminium company
- **Date:** October 30, 2024

Mandates and Objectives:

- **Achievement and Recognition:** Hindalco Industries, the metals flagship of the Aditya Birla Group, has been ranked as the most sustainable aluminium company globally for the fifth consecutive year. The ranking is part of the S&P Global Corporate Sustainability Assessment (CSA), where Hindalco achieved an impressive 87 points, 22 points ahead of its closest peer.

Mandates and Objectives:

- **Sustainability Achievements:**
 - **Environmental Initiatives:** Hindalco leads in environmental action with 85% of operational waste recycled and plans to achieve zero waste to landfill by 2030. The company has achieved a 19.54% reduction in GHG emissions from its FY2011-12 baseline.
 - **Social Initiatives:** In FY24, Hindalco invested ₹154 crore in community programs, impacting 2.5 million lives.
 - **Governance Strength:** Hindalco scored 84% in governance, highlighting its focus on transparency and accountability.

RANKING

Mandates and Objectives:

- **S&P Global CSA and DJSI:** S&P Global's Corporate Sustainability Assessment (CSA) and Dow Jones Sustainability Indices (DJSI) evaluate companies globally based on ESG (Environmental, Social, and Governance) criteria, where only the most sustainable companies in each industry are recognized.

RANKING

Important Terms Explained:

- **S&P Global Corporate Sustainability Assessment (CSA):** An assessment evaluating the sustainability performance of companies worldwide based on ESG factors.
- **Dow Jones Sustainability Indices (DJSI):** Global sustainability benchmarks that rank publicly listed companies based on ESG criteria.

RANKING

Static GK Information:

- **Hindalco Industries Limited:**
 - **Headquarters:** Mumbai, Maharashtra, India
 - **Managing Director:** Satish Pai
 - **Parent Company:** Aditya Birla Group
- **S&P Global:**
 - **Founded:** 1860
 - **Headquarters:** New York City, New York, USA
 - **CEO:** Douglas L. Peterson

RANKING

Tabular Summary:

Details	Information
Event	Hindalco ranked world's most sustainable aluminium company
Assessment	S&P Global Corporate Sustainability Assessment (CSA)
Score	87 points
Key Achievements	85% waste recycled, 19.54% GHG reduction
Social Impact	₹154 crore invested, impacting 2.5 million lives
Consecutive Years Ranked	5 years (2020-2024)
Significance	Leading in ESG; aligns with global sustainability goals

APPOINTMENTS

Major Partnerships	Hero MotoCorp, Nike, Laureus

APPOINTMENTS

➤ **Who was re-elected as the President of World Sailing for a new four-year term in 2024?**

- A) Rodion Luka
- B) Philippe Rogge
- C) Li Quanhai
- D) Ozlem Akdurak
- E) Daniel Belcher

Answer
C) Li Quanhai

APPOINTMENTS

Event and Location:

- **Event:** Re-election of Li Quanhai as President of World Sailing
- **Location:** Annual General Meeting (AGM) of World Sailing, Singapore
- **Date:** November 9, 2024

APPOINTMENTS

Mandates and Objectives:

- **Li Quanhai's Re-election:** Li Quanhai, the first Chinese President of World Sailing, was re-elected with 55 votes. He will serve another four-year term after originally assuming the role in November 2020.

APPOINTMENTS

Mandates and Objectives:

- **Objectives and Vision:**
 - **Promotion of Sailing:** Li aims to make sailing more popular and accessible, particularly among young people, emphasizing the sport's values of peace, friendship, and cooperation.
 - **Environmental Commitment:** World Sailing will focus on ocean protection and sustainable growth of the sport.
 - **Governance Reforms:** Approved during the conference, the new Governance structure includes streamlined decision-making processes, a new Code of Ethics, and a more effective disciplinary system to align with modern governance standards.

APPOINTMENTS

Important Terms Explained:

- **World Sailing:** The international governing body for the sport of sailing, overseeing competitions, setting rules, and promoting the sport worldwide.
- **International Olympic Committee (IOC):** The governing body of the Olympic Games, recognizing World Sailing as the official federation for Olympic sailing competitions.

APPOINTMENTS

Governance Changes	Streamlined decision-making, new Code of Ethics, updated disciplinary procedure

AWARDS

➤ Which spiritual teacher was recently honored with a commemorative stamp by the Department of Posts?

- A) Swami Vivekananda
- B) Sri Aurobindo
- C) Dada Bhagwan
- D) Ramana Maharshi
- E) Jiddu Krishnamurti

Answer

C) Dada Bhagwan

AWARDS

Event and Location:

- **Event:** Issuance of a commemorative stamp to honor Pujya Dada Bhagwan
- **Location:** Navlakhi Ground, Vadodara, Gujarat
- **Date:** November 10, 2024

Mandates and Objectives:

- **Purpose of the Commemorative Stamp:** The Department of Posts issued this stamp to celebrate the 117th birth anniversary (Janma Jayanti) of Pujya Dada Bhagwan. The stamp highlights his teachings of Akram Vignan, a spiritual path aimed at self-realization and universal love.
- **Notable Attendees:** The event was attended by the Chief Minister of Gujarat, Shri Bhupendrabhai Patel, spiritual leader Pujyashree Deepakbhai Desai, and Post Master General Shri Dinesh Kumar Sharma.

Important Terms Explained:

- **Dada Bhagwan (Ambalal Muljibhai Patel):** A revered Indian spiritual teacher known for founding **the Akram Vignan path**, which focuses on non-traditional spirituality, promoting self-realization and inner peace.
- **Akram Vignan:** A path to self-realization and liberation introduced by Dada Bhagwan that emphasizes a direct approach to spirituality without traditional rituals.

Static GK Information:

- **Department of Posts (India Post):**
 - **Founded:** 1854
 - **Headquarters:** New Delhi, India
 - **CEO:** Vineet Pandey (Secretary, Department of Posts)
- **Gujarat:**
 - **Capital:** Gandhinagar
 - **Chief Minister:** Bhupendrabhai Patel
 - **Governor:** Acharya Devvrat

AWARDS

Tabular Summary:

Details	Information
Event	Commemorative Stamp Release on Dada Bhagwan
Date of Event	November 10, 2024
Location	Navlaksi Ground, Vadodara, Gujarat
Special Occasion	117th Janma Jayanti of Pujya Dada Bhagwan
Key Attendees	CM Bhupendrabhai Patel, Pujyashree Deepakbhai Desai, Shri Dinesh Kumar Sharma
Key Teaching Honored	Akram Vignan
Significance of Stamp	Tribute to Dada Bhagwan's spiritual impact

➤ **IIT Madras has recently partnered with ISRO to establish a research centre focused on which area?**

- A) Artificial Intelligence in Space
- B) Spacecraft & Launch Vehicle Thermal Management
- C) Advanced Robotics for Space Exploration
- D) Satellite Communication Technologies
- E) Astrobiology

Answer

B) Spacecraft & Launch Vehicle Thermal Management

Event and Location:

- **Event:** Partnership between IIT Madras and ISRO to establish a research centre
- **Location:** IIT Madras, Chennai
- **Date:** November 11, 2024

Mandates and Objectives:

- **Research Focus:** The newly established Centre of Excellence will specialize in Fluid and Thermal Sciences. It will function as a nodal centre to address thermal management issues related to the design, analysis, and testing of spacecraft and launch vehicle components.
- **ISRO's Contribution:** The Indian Space Research Organisation (ISRO) has committed a seed funding of ₹1.84 crore to support the centre's establishment and initial research activities.

Important Terms Explained:

- **Thermal Management:** Essential for spacecraft and launch vehicles, thermal management involves maintaining appropriate temperatures within the systems to ensure efficient functioning and prevent overheating or excessive cooling.
- **Centre of Excellence:** A dedicated research hub for advancing knowledge and technological innovations in a specific field, here focusing on fluid dynamics and thermal sciences for space applications.

Static GK Information:

- **Indian Space Research Organisation (ISRO):**
 - **Founded:** 1969
 - **Headquarters:** Bengaluru, Karnataka
 - **Chairman:** S. Somanath
- **IIT Madras:**
 - **Established:** 1959
 - **Location:** Chennai, Tamil Nadu
 - **Director:** Prof. V. Kamakoti

Tabular Summary:

Details	Information
Event	IIT Madras and ISRO establish a research centre
Research Focus	Spacecraft & Launch Vehicle Thermal Management
Centre Name	Centre of Excellence in Fluid and Thermal Sciences
ISRO's Seed Funding	₹1.84 crore
Location	IIT Madras, Chennai
Significance	Advances in thermal management for space missions

- Which institution recently developed a patented mechanical device for knee rehabilitation that operates without electricity?

- A) IIT Bombay
- B) AIIMS Delhi
- C) IIT Ropar
- D) NIT Trichy
- E) IIT Madras

Answer
C) IIT Ropar

Event and Location:

- **Event:** Development of a patented, mechanical knee rehabilitation device
- **Institution:** IIT Ropar
- **Patent Number:** 553407

Mandates and Objectives:

- **Device Purpose:** IIT Ropar has introduced a Completely Mechanical Passive Motion Machine for knee rehabilitation, designed to aid post-surgical patients. Unlike conventional motorized CPM (Continuous Passive Motion) machines, this mechanical device functions without electricity, relying on a piston and pulley system for smooth, controlled knee motion.

Mandates and Objectives:

- **Key Benefits:**
 - **Affordability:** By eliminating motorized components, the device is significantly cheaper than traditional electric CPM machines, making it accessible for a larger population.
 - **Off-Grid Functionality:** This device is lightweight, portable, and ideal for use in rural or off-grid areas where electricity may be unreliable.
 - **Environmental Impact:** Without motors or batteries, the device is a sustainable and eco-friendly solution for rehabilitation.

Important Terms Explained:

- **Continuous Passive Motion (CPM) Therapy:** A therapeutic technique involving a device that passively moves a patient's joint through a specific range of motion, beneficial for post-surgical recovery by reducing stiffness and enhancing mobility.
- **Patent:** A legal right awarded to an invention that allows the holder exclusive rights to the design, in this case, granted to IIT Ropar for this innovative rehabilitation device.

Static GK Information:

- **IIT Ropar:**
 - **Founded:** 2008
 - **Location:** Rupnagar, Punjab, India
 - **Director:** Prof. Rajeev Ahuja

Tabular Summary:

Details	Information
Event	Development of a patented mechanical knee rehab device
Institution	IIT Ropar
Patent Number	553407
Primary Function	Continuous passive motion therapy for knee rehabilitation
Unique Features	Mechanical, off-grid, piston and pulley system
Significance	Affordable, portable solution for off-grid rehabilitation

➤ Which agency is conducting India's first-ever space exercise, 'Antariksha Abhyas – 2024'?

- A) Indian Space Research Organisation (ISRO)
- B) Defence Research & Development Organisation (DRDO)
- C) Defence Space Agency
- D) Indian Air Force
- E) Defence Intelligence Agency

Answer

C) Defence Space Agency

DEFENCE

Event and Location:

- **Event:** First-ever space exercise, Antariksha Abhyas – 2024
- **Location:** New Delhi, India
- **Dates:** November 11–13, 2024

Mandates and Objectives:

- **Purpose of Antariksha Abhyas – 2024:** This three-day exercise, organized by the Defence Space Agency (DSA), is focused on war-gaming scenarios involving threats to and from space-based assets and services. It aims to enhance operational understanding and identify vulnerabilities related to India's space-based capabilities.
- **Significance for National Security:** The exercise, inaugurated by Chief of Defence Staff (CDS) General Anil Chauhan, emphasizes the importance of space as a critical enabler of national defense. It involves collaboration with DRDO, ISRO, and other defence units to ensure India's strategic objectives in space.

Mandates and Objectives:

- **Key Participants:** Besides the Defence Space Agency, participants include personnel from the Army, Navy, Air Force, Defence Cyber Agency, Defence Intelligence Agency, and Strategic Forces Command, with additional support from ISRO and DRDO experts.

Important Terms Explained:

- **Defence Space Agency (DSA):** An Indian defense organization responsible for enhancing and protecting military space assets and capabilities.
- **Space-Based Assets:** Satellites and other infrastructure used in space to support telecommunications, navigation, reconnaissance, and other strategic functions.
- **Chief of Defence Staff (CDS):** The top military officer in India, responsible for enhancing joint operations across the Army, Navy, and Air Force.

Static GK Information:

- **Defence Space Agency (DSA):**
 - **Established:** 2019
 - **Headquarters:** Bengaluru, Karnataka
 - **Primary Function:** To secure and manage India's military space assets
- **Indian Space Research Organisation (ISRO):**
 - **Founded:** 1969
 - **Headquarters:** Bengaluru, Karnataka
 - **Chairman:** S. Somanath

DEFENCE

Tabular Summary:

Details	Information
Event	First Space Exercise 'Antariksha Abhyas – 2024'
Organizer	Defence Space Agency (DSA)
Location	New Delhi, India
Dates	November 11–13, 2024
Chief Guest/Opening Remarks	CDS General Anil Chauhan
Collaborators	ISRO, DRDO, Defence Cyber Agency, Defence Intelligence Agency
Objective	Assess and secure India's space-based defence capabilities
Significance	National security in space; foster innovation in space technology

➤ **Where was the 7th Annual High-Level Meeting between the Indian and Sri Lankan Coast Guards held?**

- A) New Delhi
- B) Colombo
- C) Chennai
- D) Mumbai
- E) Kandy

Answer
B) Colombo

Event and Location:

- **Event:** 7th Annual High-Level Meeting between the Indian Coast Guard (ICG) and Sri Lanka Coast Guard (SLCG)
- **Location:** Colombo, Sri Lanka
- **Date:** November 11, 2024

Mandates and Objectives:

- **Purpose of the Meeting:** The annual meeting aims to enhance cooperation between India and Sri Lanka in combating transnational maritime crime and promoting regional maritime security.
- **Key Areas of Focus:**
 - **Joint Efforts Against Maritime Crime:** Includes combating drug trafficking, marine pollution, and ensuring the safety of mariners.
 - **Capacity-Building and Best Practices:** Sharing knowledge through capacity-building programs and adopting best practices in maritime safety.

Mandates and Objectives:

- **Institutional Framework:** This meeting follows the MoU signed in May 2018, establishing a structured framework for cooperation between the two Coast Guards. The next meeting (8th edition) will be hosted by the Indian Coast Guard in 2025.

Important Terms Explained:

- **Transnational Maritime Crime:** Refers to illegal activities such as drug trafficking, piracy, and smuggling that occur across national maritime boundaries.
- **MoU (Memorandum of Understanding):** A formal agreement between two parties, in this case, India and Sri Lanka, to establish cooperative efforts in maritime security.

Static GK Information:

- **Indian Coast Guard (ICG):**
 - **Founded:** 1977
 - **Headquarters:** New Delhi, India
 - **Director General:** DG S Paramesh
- **Sri Lanka Coast Guard (SLCG):**
 - **Founded:** 2009
 - **Headquarters:** Colombo, Sri Lanka
 - **Director General:** Rear Admiral YR Serasinghe

DEFENCE

Tabular Summary:

Details	Information
Event	7th Annual High-Level Meeting between ICG and SLCG
Date	November 11, 2024
Location	Colombo, Sri Lanka
ICG Delegation Leader	DG S Paramesh
SLCG Delegation Leader	Rear Admiral YR Serasinghe
Key Areas of Focus	Combatting drug trafficking, marine pollution, safety of mariners
Institutional Mechanism	Based on MoU signed in May 2018
Next Meeting	8th edition, hosted by ICG in 2025

➤ Which program, popular among Indian students for expedited study permit processing, was recently terminated by Canada?

- A) Express Entry Program
- B) Student Direct Stream (SDS)
- C) Canada Study Pathway Program
- D) Nigeria Student Express (NSE)
- E) Work and Study Program

Answer

B) Student Direct Stream (SDS)

Event and Location:

- **Event:** Termination of the Student Direct Stream (SDS) visa scheme
- **Location:** Canada

Mandates and Objectives:

- **Program Termination Purpose:** Canada's Student Direct Stream (SDS), introduced in 2018 for expedited study permit processing, was a popular option among students from India and 13 other countries. The Canadian government announced its discontinuation to promote equal application opportunities for all students, irrespective of nationality.
- **Affected Students:** Students from India, China, Pakistan, the Philippines, Vietnam, and other eligible countries are now required to apply through Canada's regular study permit process instead of the SDS.
- **Rationale for Termination:** Canada aims to strengthen program integrity and reduce student vulnerability by eliminating nationality-based fast-track options, thereby offering a fairer process to all applicants.

Important Terms Explained:

- **Student Direct Stream (SDS):** A program that provided expedited study permit processing for students from specific countries, including India, by allowing a quicker path to study in Canada.
- **Guaranteed Investment Certificate (GIC):** A type of financial proof required by some applicants to show their financial capability to cover expenses during studies in Canada. Although SDS is discontinued, applicants can still use GICs in the regular stream.

Static GK Information:

- **Canada:**
 - **Capital:** Ottawa
 - **Prime Minister:** Justin Trudeau
 - **Currency:** Canadian Dollar

INTERNATIONAL AFFAIRS

Tabular Summary:

Details	Information
Event	Termination of the Student Direct Stream (SDS) program
Country Affected Most	India, along with 13 other countries
Original Purpose of SDS	Faster study permit processing for international students
Reason for Termination	To provide equal opportunities, strengthen program integrity
Alternative Application Process	Regular study permit application process

➤ The ICAI recently launched two new international chapters to expand its global presence. Which cities were these chapters inaugurated in?

- A) Tokyo and Miami
- B) London and Paris
- C) Florida and Zurich
- D) Toronto and Sydney
- E) Dubai and Singapore

Answer

C) Florida and Zurich

NATIONAL AFFAIRS

Event and Location:

- **Event:** Launch of New ICAI Chapters
- **Location:** Florida, USA, and Zurich, Switzerland
- **Date:** November 11, 2024 (Announcement Date)

Mandates and Objectives:

- **Expansion Objective:** The Institute of Chartered Accountants of India (ICAI) is focused on expanding its international reach to assist and support Indian chartered accountants worldwide.
- **Global Presence:** With the addition of the Florida and Zurich chapters, ICAI's global network now includes 52 chapters and 29 representative offices in 81 cities across 47 countries.

Important Terms Explained:

- **ICAI (Institute of Chartered Accountants of India):** The ICAI is India's national accounting body, responsible for the regulation and advancement of the chartered accountancy profession.
- **ICAI Chapters:** These chapters are established in various global locations to serve Indian chartered accountants residing abroad, providing networking opportunities and professional resources.

Static GK Information:

- **ICAI:**
 - **Founded:** 1949
 - **Headquarters:** New Delhi, India
 - **President (2024):** Aniket Sunil Talati

NATIONAL AFFAIRS

Tabular Summary:

Details	Information
Event	Launch of New ICAI Chapters
New Chapters Location	Florida, USA, and Zurich, Switzerland
Announcement Date	November 11, 2024
ICAI Global Reach	81 cities in 47 countries
Total Chapters & Offices	52 Chapters, 29 Representative Offices
Significance	Support to global Indian CA community

NATIONAL AFFAIRS

➤ **The Centre recently approved projects worth ₹725.62 crore for disaster resilience in three Indian states. Which states are these?**

- A) Maharashtra, Gujarat, and Tamil Nadu
- B) Chhattisgarh, Odisha, and West Bengal
- C) Rajasthan, Karnataka, and Assam
- D) Bihar, Uttar Pradesh, and Punjab
- E) Kerala, Andhra Pradesh, and Haryana

Answer

B) Chhattisgarh, Odisha, and West Bengal

NATIONAL AFFAIRS

Event and Location:

- **Event:** Approval of Disaster Resilience Projects
- **Location:** Chhattisgarh, Odisha, and West Bengal
- **Date:** November 11, 2024

Mandates and Objectives:

- **Committee's Objective:** The high-level committee, chaired by Union Home Minister Amit Shah, aims to strengthen disaster resilience and fire safety in various Indian states.
- **Funding Allocation:** A total of ₹725.62 crore has been approved for projects aimed at the expansion and modernization of fire services in the selected states:
 - **Chhattisgarh:** ₹147.76 crore
 - **Odisha:** ₹201.10 crore
 - **West Bengal:** ₹376.76 crore

Important Terms Explained:

- **Disaster Resilience:** The ability of a region or community to withstand, adapt to, and quickly recover from disasters, especially natural and human-made hazards.
- **High-Level Committee (HLC):** A committee constituted by the government to make high-stakes decisions on national matters, in this case led by the Union Home Minister for disaster resilience funding and planning.

Static GK Information:

- **Chhattisgarh:**
 - **Capital:** Raipur
 - **Chief Minister:** Bhupesh Baghel
 - **Governor:** Biswabhusan Harichandan
- **Odisha:**
 - **Capital:** Bhubaneswar
 - **Chief Minister:** Naveen Patnaik
 - **Governor:** Ganeshi Lal
- **West Bengal:**
 - **Capital:** Kolkata
 - **Chief Minister:** Mamata Banerjee
 - **Governor:** C.V. Ananda Bose

NATIONAL AFFAIRS

Tabular Summary:

Details	Information
Event	Approval of Disaster Resilience Projects
States Benefiting	Chhattisgarh, Odisha, West Bengal
Total Approved Amount	₹725.62 crore
Allocation	Chhattisgarh - ₹147.76 crore
	Odisha - ₹201.10 crore
	West Bengal - ₹376.76 crore
Chairperson of Committee	Union Home Minister Amit Shah
Significance	Expansion and modernization of fire services

➤ **Who recently inaugurated the 25th Meeting of the South Asian Telecommunication Regulators' Council (SATRC)?**

- A) Mr. Anil Kumar Lahoti
- B) Dr. Chandra Sekhar Pemmasani
- C) Major General (Retd.) Mohammad Emdad Ul Bari
- D) Mr. Jyotiraditya M. Scindia
- E) Mr. Masanori Kondo

Answer

D) Mr. Jyotiraditya M. Scindia

NATIONAL AFFAIRS

Event and Location:

- **Event:** Inauguration of the 25th South Asian Telecommunication Regulators' Council (SATRC-25)
- **Location:** New Delhi, India
- **Date:** November 11, 2024

Mandates and Objectives:

- **Objective of SATRC-25:** The SATRC-25, inaugurated by India's Minister of Communications Jyotiraditya M. Scindia, focuses on knowledge-sharing and addressing policy and regulatory challenges in telecommunications across South Asia.

Mandates and Objectives:

- **Key Highlights from Minister Scindia's Address:**
 - India's leadership in digital infrastructure, aiming for a **digital economy comprising 20%** of the total economy by 2026-27.
 - **Non-Terrestrial Networks (NTNs)** as a solution to provide telecom coverage in remote regions, supporting **the United Nations Sustainable Development Goals (UN SDGs)**.
 - Encouraging collaboration among SATRC member countries for **digital inclusivity, sustainable network infrastructure, and consumer protection**.

Important Terms Explained:

- **SATRC (South Asian Telecommunication Regulators' Council):** A regional body under the Asia-Pacific Telecommunity (APT), facilitating collaboration and policy coordination on telecommunication regulation in South Asia.
- **Non-Terrestrial Networks (NTNs):** Innovative telecommunication networks that use satellites or other non-ground-based stations to provide connectivity, beneficial for remote and underserved areas.
- **Asia-Pacific Telecommunity (APT):** A regional organization that promotes telecommunications development in Asia and the Pacific, fostering cooperation among member states.

Static GK Information:

- **India:**
 - **Capital:** New Delhi
 - **Minister of Communications:** Mr. Jyotiraditya M. Scindia
 - **Telecom Regulatory Authority of India (TRAI)**
Chairman: Mr. Anil Kumar Lahoti
- **Asia-Pacific Telecommunity (APT):**
 - **Founded:** 1979
 - **Headquarters:** Bangkok, Thailand
 - **Secretary General:** Mr. Masanori Kondo

NATIONAL AFFAIRS

Tabular Summary:

Details	Information
Event	25th SATRC Meeting
Inaugurated by	Minister Jyotiraditya M. Scindia
Location	New Delhi, India
Dates	November 11–13, 2024
Participating Countries	Afghanistan, Bangladesh, Bhutan, India, Iran, Maldives, Nepal, Pakistan, Sri Lanka
Focus Areas	Telecom regulations, radio frequency, regulatory trends
Key Technologies Discussed	Non-Terrestrial Networks (NTNs)
Objective	Building a secure, inclusive, and digitally connected South Asia

- **Which DRDO laboratory recently developed indigenous technology for Silicon Carbide (SiC) wafers and GaN HEMT based MMICs?**
- A) Electronics and Radar Development Establishment (LRDE)
 - B) Solid State Physics Laboratory (SSPL)
 - C) Defence Materials and Stores Research and Development Establishment (DMSRDE)
 - D) Armament Research and Development Establishment (ARDE)
 - E) Defence Avionics Research Establishment (DARE)

Answer

B) Solid State Physics Laboratory (SSPL)

NATIONAL AFFAIRS

Event and Location:

- **Event:** Indigenous development of Silicon Carbide (SiC) wafers and Gallium Nitride (GaN) HEMT-based MMIC technology
- **Location:** Solid State Physics Laboratory (SSPL), a DRDO facility
- **Date:** November 11, 2024

Mandates and Objectives:

- **Objective of Development:** The Solid State Physics Laboratory (SSPL) has successfully developed 4-inch Silicon Carbide (SiC) wafers and GaN High Electron Mobility Transistors (HEMTs), which are essential for advanced X-band frequency applications used in defence and aerospace.
- **Significance of GaN/SiC Technology:** GaN/SiC technology is crucial for enhancing efficiency, reducing size and weight, and improving the performance of future combat systems, RADARs, electronic warfare, and green energy applications. This technology also supports 5G, satellite communications, and clean energy solutions like electric vehicles and renewable energy.

Important Terms Explained:

- **Silicon Carbide (SiC) Wafers:** SiC wafers are semiconductor materials that can operate at high power, temperature, and voltage, making them suitable for high-performance electronics.
- **Gallium Nitride (GaN) HEMT:** A transistor technology that offers high efficiency and power, commonly used in RF and microwave systems for military, aerospace, and commercial applications.
- **MMIC (Monolithic Microwave Integrated Circuit):** A type of integrated circuit that operates at microwave frequencies, essential for compact and efficient high-frequency applications.

Static GK Information:

- **Solid State Physics Laboratory (SSPL):**
 - **Affiliation:** Defence Research and Development Organisation (DRDO)
 - **Headquarters:** Delhi, India
 - **Primary Focus:** Research and development in advanced electronic materials and devices
- **Defence Research and Development Organisation (DRDO):**
 - **Founded:** 1958
 - **Headquarters:** New Delhi, India
 - **Chairman:** Dr. Samir V Kamat

NATIONAL AFFAIRS

Tabular Summary:

Details	Information
Event	Development of SiC wafers and GaN HEMT-based MMICs
Developed By	Solid State Physics Laboratory (SSPL), DRDO
Primary Applications	X-band, defence, aerospace, RADAR, green energy
Technology Benefits	Improved efficiency, reduced size and weight
Key Areas of Use	Future combat systems, 5G, satellite communications, renewable energy
Significance	Supports 'Aatmanirbhar Bharat' through self-reliance in semiconductor technology

QUICK RECALL

- **World Quality Week 2024 focuses on “Navigating Complexity” to promote quality-driven innovation and resilience.**
- **Freedom fighter Madan Mohan Somtiya of Mewar Praja Mandal passes away at 102 in Rajasthan.**
- **Mahendra Singh Mewar, former MP and Mewar royal, passes at 83; PM Modi offers condolences.**
- **Arjuna Awardee and top Indian polo player Harinder Singh Sodhi dies at 86 in New Delhi.**
- **Mastek ranked in ISG's Top 15 Global Tech Services Providers for Q3 2024.**
- **Hindalco ranked world’s most sustainable aluminium company for the fifth year in S&P Global CSA.**
- **Justice Sanjiv Khanna sworn in as the 51st Chief Justice of India at Rashtrapati Bhavan.**
- **Tayyab Ikram re-elected as FIH President at the 49th Congress in Muscat, Oman.**

QUICK RECALL

- **Li Quanhai re-elected as World Sailing President, prioritizing ocean sustainability and governance reforms.**
- **Department of Posts issues stamp honoring Dada Bhagwan on his 117th birth anniversary.**
- **IIT Madras partners with ISRO to set up a research centre on thermal management in spacecraft.**
- **IIT Ropar patents mechanical knee rehab device, offering affordable, electricity-free therapy solution.**
- **India's Defence Space Agency launches first space exercise, Antariksha Abhyas, to secure space assets.**
- **Indian and Sri Lankan Coast Guards hold 7th annual meeting in Colombo to strengthen maritime security cooperation.**

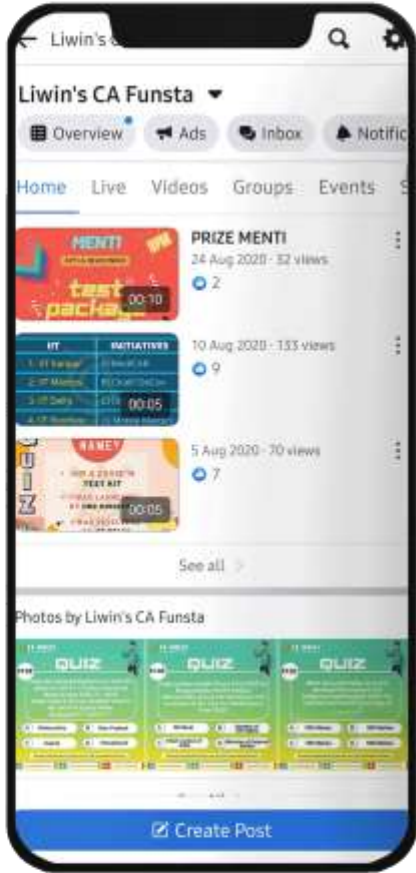

QUICK RECALL

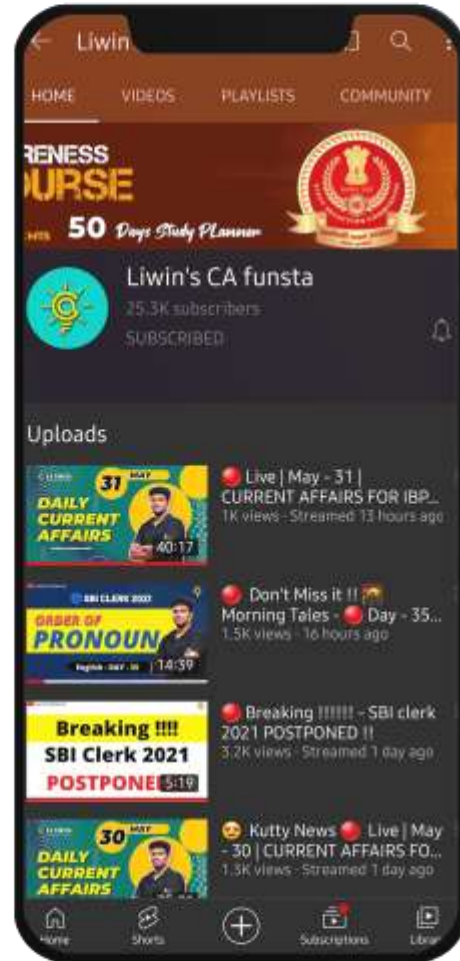

- **Canada ends SDS, affecting Indian students and equalizing study permit processing for all.**
- **ICAI opens chapters in Florida and Zurich, boosting international support for Indian CAs.**
- **Centre approves ₹725.62 crore for fire service expansion in Chhattisgarh, Odisha, and West Bengal.**
- **Minister Scindia inaugurates SATRC-25, focusing on telecom policy, NTNs, and regional cooperation in South Asia.**
- **DRDO's SSPL develops indigenous SiC wafers and GaN HEMT-based MMICs, boosting India's defence and tech self-reliance.**
