Important Days

➤ **What is the primary purpose of Global Family Day?**

- A) Promote economic growth worldwide
- B) Foster unity, peace, and appreciation for families
- C) Celebrate traditional family values only
- D) Encourage cultural festivals
- E) Highlight financial independence of families

Answer

B) Foster unity, peace, and appreciation for families

Important Days

Event and Location:

- **Event:** Global Family Day
- **Date:** January 1 (celebrated annually)
- **Location:** Observed worldwide

Important Days

Mandates and Objectives:

- **Unity and Peace:** Emphasize global harmony through familial bonds.
- **Conflict Resolution:** Encourage action-oriented approaches to address global conflicts.
- **Strengthening Families:** Promote traditions and practices that enhance family ties and support community well-being.

Important Days

Historical Background:

- Proposed in **November 1997**, inspired by the book One Day In Peace.
- Officially celebrated on **January 1, 2000**, to mark the start of the International Decade for the Culture of Peace and Non-Violence for the Children of the World.
- Recognized by the United Nations in **1999**.

Important Days

Significance:

- **Unity in Diversity:** Encourages harmony among different cultures and communities.
- **Promotion of Peace:** Raises awareness about reducing violence globally.
- **Community Engagement:** Inspires educational and celebratory activities that unite people for a common cause.
- **Global Awareness:** Highlights the role of families in fostering peace and resolving conflicts.

Important Days

Role of Family Traditions:

- Strengthen bonds through shared activities like family storytelling or creating family trees.
- Foster a positive atmosphere by exchanging New Year's wishes and setting goals.

Important Days

Importance:

- **Bridging Cultural Differences:** Encourages embracing diversity and learning about different traditions.
- **Promoting Cultural Exchange:** Offers a platform to experience and appreciate new customs.
- **Enhancing Family Bonds:** Highlights the significance of spending quality time with family.
- **Global Awareness:** Advocates for collective efforts to address pressing global challenges.

Important Days

Types of Families in India:

1. **Joint Family:** Multiple generations living together and sharing responsibilities.
2. **Nuclear Family:** A couple and their children living independently.
3. **Extended Family:** Includes several generations maintaining close connections.
4. **Patrilocal Family:** Wife moves to the husband's family post-marriage.
5. **Matrilocal Family:** Husband moves to the wife's family post-marriage.
6. **Bilocal Family:** Couple alternates between living with either partner's family.
7. **Neolocal Family:** Couple establishes a new household, separate from both families.

Important Days

Static GK Information:

- **Global Family Day:**
 - **First Observed:** January 1, 2000
 - **Purpose:** Promote peace, unity, and strong familial bonds worldwide
- **India**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

Important Days

Tabular Summary:

Key Detail	Information
Event	Global Family Day
Date	January 1 (celebrated annually)
Purpose	Foster unity, peace, and appreciation for families
History	Inspired by the book One Day In Peace, recognized by the UN in 1999
Significance	Promotes peace, harmony, cultural exchange, and global awareness
Types of Families in India	Joint, Nuclear, Extended, Patrilocal, Matrilineal, Bilocal, Neolocal

Important Days

➤ **What is the primary objective of the Open Network for Digital Commerce (ONDC)?**

- A) To regulate Big Tech companies
- B) To promote foreign investment in e-commerce
- C) To de-platformise e-commerce and empower small businesses
- D) To centralise logistics and delivery services
- E) To create a government-owned e-commerce platform

Answer

C) To de-platformise e-commerce and empower small businesses

Important Days

Event and Location:

- **Event:** ONDC celebrates three years of operations and 15 million monthly transactions.
- **Date:** December 31, 2024
- **Location:** New Delhi, India

Important Days

Mandates and Objectives:

- **ONDC, a government-promoted initiative, aims to:**
 - **De-platformise e-commerce** by separating key components like product discovery, seller operations, and logistics.
 - Provide an alternative to Big Tech platforms such as Uber, Ola, and major e-retailers.
 - Empower **small businesses** by offering a fair and inclusive digital commerce environment.
- **Use Cases:**
 - Food delivery.
 - E-retail ordering.
 - Cab and auto-hailing services.

Important Days

Significance:

- Promotes competition and reduces monopolistic practices by Big Tech.
- Enables small and medium businesses to access a broader market.
- Contributes to economic growth and prosperity by supporting entrepreneurship.

Important Days

Important Terms Explained:

- **ONDC (Open Network for Digital Commerce):**
 - A government-supported open network for digital commerce transactions.
 - Designed to unbundle services such as product listing, payment, and delivery to promote inclusivity.
- **De-platformisation:**
 - Reducing dependency on a few dominant platforms by creating decentralized ecosystems.
- **Big Tech Firms:**
 - Large technology companies that dominate certain industries, such as Amazon and Google in e-commerce.

Important Days

Static GK Information:

- **India**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

Important Days

Tabular Summary:

Key Detail	Information
Event	ONDC completes three years and achieves 15 million monthly transactions
Date	December 31, 2024
Location	New Delhi, India
Significance	Empowers small businesses, promotes inclusivity, and revolutionizes e-commerce
Primary Objective	To de-platformise e-commerce and reduce dominance of Big Tech firms

Important Days

➤ **When is the foundation day of DRDO celebrated?**

- A) January 2
- B) December 31
- C) January 1
- D) February 15
- E) March 5

Answer
C) January 1

Important Days

Event and Location:

- **Event:** DRDO's 67th Foundation Day celebrations.
- **Date:** January 1, 2025
- **Location:** DRDO Headquarters, New Delhi

Important Days

Mandates and Objectives:

- **Develop Indigenous Capabilities:** Equip Indian Armed Forces with advanced indigenous technologies and equipment.
- **Encourage Private Sector Collaboration:** Provide technologies and free access to DRDO patents to enhance private sector participation.
- **Focus on Start-ups:** Include start-ups in research efforts to foster innovation and create new defence technologies.
- **Promote Dual-Use Technologies:** Develop technologies for both defence and civilian use to create a transformative impact.

Important Days

Key Highlights:

- DRDO Chairman Dr. Samir V Kamat presented the achievements and roadmap for 2025.
- In 2024, 256 Licensing Agreements for Transfer of Technologies (ToTs) were signed.
- Over 18,000 tests have been conducted for private industries and Defence Public Sector Units (DPSUs) in three years.
- Raksha Mantri urged DRDO labs to identify and complete 100 critical projects by 2025.
- Felicitation of the design team of the Long-Range Hypersonic Anti-Ship Missile.

Important Days

Significance of 2025 as the 'Year of Reforms':

- DRDO's role is critical in aligning with evolving technological trends.
- Labs are to conduct two open days every month for interaction with industry and youth.

Important Days

Important Terms Explained:

- **DRDO (Defence Research and Development Organisation):**
 - Premier R&D agency for India's defence technologies.
- **Transfer of Technology (ToT):**
 - A process where DRDO shares its developed systems and technology with private industries to enable production.
- **Mission Mode Projects:**
 - Projects undertaken with a focus on meeting specific, critical defence needs.

Important Days

Static GK Information:

- **DRDO**
 - **Abbreviation:** Defence Research and Development Organisation
 - **Founded:** 1958
 - **Headquarters:** New Delhi, India
 - **Chairman:** Dr. Samir V Kamat

Important Days

Tabular Summary:

Key Detail	Information
Event	DRDO's 67 th Foundation Day
Date	January 1, 2025
Location	DRDO Headquarters, New Delhi
Significance	Celebration of DRDO's contributions to indigenous defence and technological development
Key Initiatives	Encouraging private sector, start-ups, and dual-use technologies

Important Days

➤ **What is the leading cause of cervical cancer?**

- A) Smoking
- B) Poor nutrition
- C) Human Papillomavirus (HPV) infection
- D) Genetic factors
- E) Stress

Answer

C) Human Papillomavirus (HPV) infection

Important Days

Event and Location:

- **Event:** January is Cervical Cancer Awareness Month, a time to spotlight awareness, prevention, and early detection of cervical cancer.
- **Date and Location:** January 2025, United States.

Important Days

Mandates and Objectives:

- **Cervical Cancer Overview:**
 - Over 14,000 cases diagnosed annually in the U.S.; nearly 300 deaths in Florida each year.
 - Cervical cancer is preventable through vaccinations and early screenings.
 - It is not genetic but is primarily caused by HPV.

Important Days

Mandates and Objectives:

- **Prevention and Screening Recommendations:**
 - HPV vaccine can prevent 90% of HPV-related cancers.
 - **Screenings recommended for women:**
 - **21–29 years:** Pap test every three years.
 - **30–65 years:** Pap test every three years or hrHPV testing every five years.
 - Programs like the Vaccines for Children (VFC) provide no-cost HPV vaccines to eligible adolescents.

Important Days

Mandates and Objectives:

- **Support Programs:**
 - **Breast and Cervical Cancer Early Detection Program:** Offers free screenings for low-income, uninsured women aged 50–64.
 - **Patient Navigation Programs:** Assist women in accessing and navigating healthcare services.

Important Days

Important Terms Explained:

- **Human Papillomavirus (HPV):**
 - A common virus that can lead to cervical and other cancers if persistent.
 - Spread through sexual contact; most infections clear naturally, but some lead to cancer.
- **Pap Test:**
 - Screening method to detect precancerous or cancerous cells on the cervix.

Important Days

Static GK Information:

- **United States**
 - **Capital:** Washington, D.C.
 - **Currency:** United States Dollar (USD)
 - **President:** Joe Biden (as of 2025)

Important Days

Tabular Summary:

Aspect	Details
Event	Cervical Cancer Awareness Month observed in January.
Date and Location	January 2025, United States.
Cause of Cancer	Primarily caused by persistent Human Papillomavirus (HPV) infection.
Prevention Methods	HPV vaccine; routine Pap and hrHPV screenings as per age guidelines.
Support Programs	Vaccines for Children (VFC), Breast and Cervical Cancer Early Detection Program.
Key Message	Early detection and vaccination are crucial for prevention.

- **What type of bank account is classified as dormant under RBI guidelines starting January 1, 2025?**
- A) Accounts with no transactions for 12 months
 - B) Accounts with zero balance for over 6 months
 - C) Accounts with no transactions for 24 months
 - D) Accounts with mismatched KYC details
 - E) Inactive accounts with minimum balance maintained

Answer

C) Accounts with no transactions for 24 months

Event and Location:

- **Event:** Closure of three specific types of bank accounts under new RBI guidelines (effective January 1, 2025).
- **Date and Location:** January 1, 2025, India.

Accounts Subject to Closure:

1. Dormant Accounts:

- Accounts with no transactions for two years or more.
- Vulnerable to hacking and fraud; closed to protect customer and banking security.

2. Inactive Accounts:

- Accounts with no transactions for the past 12 months.
- Customers must perform at least one transaction to avoid closure.

Accounts Subject to Closure:

3. Zero Balance Accounts:

- Accounts maintaining a zero balance for prolonged periods.
- Closure aims to reduce financial risks and reinforce KYC compliance.

Recommendations:

- **Reactivate Accounts:**
 - Dormant: Visit the bank branch and complete required formalities.
 - Inactive: Perform at least one transaction.
- **Maintain Balance:** Avoid prolonged zero balance to ensure account activity.

Important Terms Explained:

- **Dormant Account:**
 - An account with no customer-initiated transactions for 24 months or more.
 - Attracts additional scrutiny for fraud prevention.
- **KYC (Know Your Customer):**
 - A process ensuring banks verify and maintain updated customer information to prevent misuse.

Static GK Information:

- **Reserve Bank of India (RBI)**
 - **Headquarters:** Mumbai, Maharashtra
 - **Governor:** Sanjay Malhotra
 - **Founded:** April 1, 1935
 - **Act:** Reserve Bank of India Act, 1934

Tabular Summary:

Aspect	Details
Event	RBI to implement closure of specific bank accounts from January 1, 2025.
Accounts Affected	Dormant (no transactions for 24 months), inactive (12 months), and zero balance accounts.
Objective	Enhance security, reduce fraud, improve operational efficiency, and reinforce KYC compliance.
Action Required	Perform transactions or visit the bank branch to reactivate and maintain the account.

➤ **What was the amount of financial assistance India announced for earthquake-hit Vanuatu?**

- A) \$100,000
- B) \$300,000
- C) \$500,000
- D) \$1,000,000
- E) \$250,000

Answer
C) \$500,000

Event and Location:

- **Event:** India announces \$500,000 aid for earthquake relief in Vanuatu.
- **Date:** January 2, 2025
- **Location:** New Delhi, India

Mandates and Objectives:

- Provide financial assistance for relief, rehabilitation, and reconstruction after the 7.4 magnitude earthquake in Vanuatu on December 17, 2024.
- Demonstrate India's commitment to **Humanitarian Assistance and Disaster Relief (HADR)** and regional stability.
- Support Vanuatu under **the Indo-Pacific Oceans' Initiative (IPOI)** launched in 2019.

Significance of the Aid:

- Expresses solidarity with Vanuatu, a member of **the Forum for India-Pacific Islands Cooperation (FIPIC)**.
- Strengthens India's role as **a responsible responder** in the Indo-Pacific region.
- Reflects India's broader commitment to disaster risk reduction and management in the Asia-Pacific.

Important Terms Explained:

- **Indo-Pacific Oceans' Initiative (IPOI):**
 - Launched by PM Narendra Modi in 2019.
 - Aims to ensure stability, security, and prosperity in the Indo-Pacific region.
 - Disaster risk reduction and management is one of its pillars.
- **Humanitarian Assistance and Disaster Relief (HADR):**
 - India's framework for providing aid during natural disasters or emergencies.
 - Focuses on rehabilitation, reconstruction, and long-term recovery efforts.

Important Terms Explained:

- **Forum for India-Pacific Islands Cooperation (FIPIC):**
 - A grouping to strengthen India's relationship with Pacific Island nations.

Static GK Information:

- **Vanuatu**
 - **Capital:** Port Vila
 - **Currency:** Vanuatu Vatu (VUV)
 - **President:** Nikenike Vurobaravu
 - **Prime Minister:** Charlot Salwai
- **India**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

Tabular Summary:

Key Detail	Information
Event	India announces \$500,000 aid for earthquake-hit Vanuatu
Date	January 2, 2025
Location	New Delhi, India
Significance	Strengthens India's role in HADR and Indo-Pacific cooperation
Alignment	Aid is aligned with India's Indo-Pacific Oceans' Initiative launched in 2019

➤ **Which category contributed the largest share to India's textile and apparel exports during April-October FY 2024-25?**

- A) Cotton Textiles
- B) Ready-Made Garments (RMG)
- C) Man-Made Textiles
- D) Handicrafts
- E) Carpets

Answer

B) Ready-Made Garments (RMG)

Event and Location:

- **Event:** Update on India's textile and apparel trade statistics.
- **Date:** January 2, 2025
- **Location:** New Delhi, India

Mandates and Objectives:

- Highlight India's contribution to global textile and apparel trade (3.9%).
- Provide data on export and import trends for the textile and apparel (T&A) sector, including handicrafts.
- Showcase India as the **6th largest exporter of T&A** globally with a trade surplus in the sector.

Key Highlights:

1. Exports:

- Total T&A (incl. handicrafts) exports during April-October FY 2024-25: \$21,358 Mn, a 7% increase from \$20,007 Mn in the same period of FY 2023-24.
- **Largest export contributors:**
 - **Ready-Made Garments (RMG):** \$8,733 Mn (41% share).
 - **Cotton Textiles:** \$7,082 Mn (33% share).
 - **Man-Made Textiles:** \$3,105 Mn (15% share).

Key Highlights:

2. Imports:

- Total T&A (incl. handicrafts) imports during April-October FY 2024-25: \$5,425 Mn, a 1% decline from \$5,464 Mn in the same period of FY 2023-24.
- **Largest import contributors:**
 - **Man-Made Textiles:** \$1,859 Mn (34% share).
 - **Cotton Textiles:** \$1,721 Mn (31.7% share).

Key Highlights:

3. Trends and Observations:

- **Exports Growth:** Observed in most categories except wool (-19%) and handloom (-6%).
- **Imports Growth:** Increased for cotton textiles due to demand for long-staple cotton fibre.
- **Geopolitical Impact:** Initial export slowdown in FY 2024 due to Red Sea and Bangladesh crises.

Significance:

- Demonstrates India's rising self-reliance and increasing production capacity in textiles.
- Highlights efforts to balance demand-supply gaps, particularly in man-made and cotton textiles.

Important Terms Explained:

- **Ready-Made Garments (RMG):** Pre-stitched clothing directly ready for sale to consumers.
- **Man-Made Textiles:** Synthetic textiles such as polyester and nylon, often imported to meet domestic demand.
- **Long-Staple Cotton:** High-quality cotton with longer fibers, crucial for producing premium textiles.

Static GK Information:

- **India's Textile Industry:**
 - **Global Ranking:** 6th largest exporter of textiles and apparel.
 - **Share in India's Total Exports:** 8.21% (FY 2023-24).
- **India**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

Tabular Summary:

Key Detail	Information
Event	India's textile and apparel trade update
Date	January 2, 2025
Location	New Delhi, India
Largest Export Category	Ready-Made Garments (RMG) with \$8,733 Mn (41% share)
Largest Import Category	Man-Made Textiles with \$1,859 Mn (34% share)
Significance	7% growth in exports reflects resilience amidst geopolitical challenges

➤ **What percentage reduction in emission intensity of GDP did India achieve between 2005 and 2020?**

- A) 25%
- B) 30%
- C) 36%
- D) 40%
- E) 45%

Answer
C) 36%

Event and Location:

- **Event:** India reports a decline in greenhouse gas emissions and GDP emission intensity (January 1, 2025).

Mandates and Objectives:

- **Emission Reduction Achievements:**
 - Overall greenhouse gas (GHG) emissions decreased by 7.93% in 2020 compared to 2019.
 - Emission intensity of GDP reduced by 36% between 2005 and 2020, indicating successful decoupling of economic growth from emissions.

Mandates and Objectives:

- **Future Commitments:**
 - Aim to reduce GDP emission intensity by 45% by 2030 from 2005 levels.
 - Target to achieve 50% cumulative installed power capacity from non-fossil fuel sources by 2030.
 - Plan to create an additional carbon sink of 2.5–3 billion tonnes through forest and tree cover by 2030.

Important Terms Explained:

- **Emission Intensity of GDP:**
 - The amount of greenhouse gas emissions produced per unit of gross domestic product.
 - A lower emission intensity indicates a more efficient, lower-carbon economy.
- **LULUCF (Land Use, Land-Use Change, and Forestry):**
 - A sector that can act as a carbon sink, absorbing more CO₂ than it emits, thus reducing net national emissions.

Static GK Information:

- **India**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (INR)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

Tabular Summary:

Aspect	Details
Event	India reports a decline in greenhouse gas emissions and GDP emission intensity.
Date	January 1, 2025
Location	India
Emission Reduction	7.93% decrease in GHG emissions in 2020 compared to 2019.
GDP Emission Intensity	36% reduction between 2005 and 2020.
Future Targets	45% reduction in GDP emission intensity by 2030; 50% power capacity from non-fossil fuels by 2030.

APPOINTMENTS

➤ Who has been appointed as the CEO of UIDAI effective January 1, 2025?

- A) Amit Agrawal
- B) Bhuvnesh Kumar
- C) Arvind Kumar
- D) Ravi Shankar Prasad
- E) Kiran Kumar

Answer

B) Bhuvnesh Kumar

APPOINTMENTS

Event and Location:

- **Event:** Appointment of Bhuvnesh Kumar as CEO of UIDAI.
- **Date:** January 1, 2025
- **Location:** New Delhi, India

APPOINTMENTS

Mandates and Objectives:

- **New Leadership:**
 - **Bhuvnesh Kumar**, a 1995 batch IAS officer from the Uttar Pradesh cadre, assumed the role.
 - Kumar succeeds **Amit Agrawal**, who has been appointed Secretary, Department of Pharmaceuticals.
 - Kumar continues to hold the role of Additional Secretary at the Ministry of Electronics and Information Technology (**MEITY**).
- **UIDAI's Mission:**
 - Oversee India's Aadhaar digital identity infrastructure.
 - Enhance governance and service delivery through Aadhaar-based services.

APPOINTMENTS

Professional Background of Bhuvnesh Kumar:

1. Central Government Roles:

- Additional Secretary, MEITY.
- Joint Secretary, MEITY.

2. State-Level Roles (Uttar Pradesh):

- Principal Secretary, Departments of Animal Husbandry, Dairy Development, and Fisheries.
- Secretary, Finance and Technical Education.
- Secretary, Planning, Vocational Education, and Sports & Youth Welfare.

- **Event:** Announcement of the National Sports Awards 2024.
- **Date:** January 2, 2025
- **Location:** New Delhi, India

AWARDS

Mandates and Objectives:

- Recognize and reward excellence in sports, sportsmanship, and coaching.
- Encourage contributions to Indian sports at the national and international levels.

Key Highlights:

1. Major Dhyan Chand Khel Ratna Award 2024:

- Awarded for the most outstanding sports performance over four years.
- **Recipients:**
 - Gukesh D (Chess)
 - Harmanpreet Singh (Hockey)
 - Praveen Kumar (Para-Athletics)
 - Manu Bhaker (Shooting)

Key Highlights:

2. Arjuna Awards 2024:

- Awarded for consistent performance and leadership in sports.
- **Total Recipients: 32**
- **Notable Awardees:**
 - Jyothi Yarraji (Athletics)
 - Vantika Agrawal (Chess)
 - Abhay Singh (Squash)

3. Arjuna Awards (Lifetime):

- **Notable Recipients:**
 - Sucha Singh (Athletics)
 - Murlikant Rajaram Petkar (Para-Swimming)

AWARDS

Key Highlights:

4. Dronacharya Award 2024:

- Awarded to coaches for excellence in training athletes.
- **Regular Category:**
 - Deepali Deshpande (Shooting)
- **Lifetime Category:**
 - Armando Colaco (Football)

5. Rashtriya Khel Protsahan Puraskar 2024:

- **Recipient:** Physical Education Foundation of India

AWARDS

Key Highlights:

6. Maulana Abul Kalam Azad (MAKA) Trophy 2024:

- **Winner:** Chandigarh University
- **1st Runner-Up:** Lovely Professional University
- **2nd Runner-Up:** Guru Nanak Dev University

Important Terms Explained:

- **Major Dhyan Chand Khel Ratna Award:**
 - India's highest sporting honor for individual excellence over the previous four years.
- **Arjuna Award:**
 - Recognizes consistent sports performance and qualities of leadership.
- **Dronacharya Award:**
 - Given to coaches for their consistent efforts in training athletes for international success.
- **MAKA Trophy:**
 - Awarded to the overall top-performing university in the Khelo India University Games.

Static GK Information:

- **India:**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

AWARDS

Tabular Summary:

Key Detail	Information
Event	Announcement of National Sports Awards 2024
Date	January 2, 2025
Location	New Delhi, India
Award Ceremony Date	January 17, 2025
Top Honors	Gukesh D, Harmanpreet Singh, Praveen Kumar, Manu Bhaker (Khel Ratna 2024)
Top Performing University	Chandigarh University (MAKA Trophy 2024 Winner)

➤ **What did IIT Bombay researchers discover to address soil contamination?**

- A) A new type of fertilizer
- B) A bacteria capable of consuming toxic pollutants
- C) A chemical treatment for soil
- D) A genetically modified crop variety
- E) An advanced irrigation technique

Answer

B) A bacteria capable of consuming toxic pollutants

Event and Location:

- **Event:** Discovery of bacteria capable of cleaning pesticides from soil and improving crop yield.
- **Date:** January 2, 2025
- **Location:** IIT Bombay, Mumbai, India

Mandates and Objectives:

- Address soil contamination caused by toxic compounds.
- Enhance agricultural productivity by removing harmful pesticides.
- Provide a sustainable alternative to expensive and inadequate traditional methods.

Challenges with Traditional Methods:

- **Chemical treatments and soil removal:**
 - High cost.
 - Temporary solutions that fail to fully resolve soil contamination.

Significance of Discovery:

- The bacteria identified:
 - Consume **toxic pollutants** in the soil.
 - Release helpful nutrients as by-products, enhancing soil quality and plant growth.
- Potential to revolutionize sustainable farming practices.

Important Terms Explained:

- **Soil Contamination:** The presence of harmful substances like pesticides or heavy metals that reduce soil fertility.
- **Toxic Pollutants:** Harmful chemical residues, often from pesticides, that can damage crops and ecosystems.

Static GK Information:

- **IIT Bombay**
 - **Founded:** 1958
 - **Chairman:** Dr. Sharad Kumar Saraf
 - **Director:** Professor Shireesh B Kedare
 - **Headquarters:** Mumbai, Maharashtra, India

Tabular Summary:

Key Detail	Information
Event	Discovery of bacteria capable of cleaning toxic pesticides from soil
Location	IIT Bombay, Mumbai, India
Date	January 2, 2025
Significance	Bacteria clean pollutants, improve soil health, and enhance crop yield
Challenges Addressed	Traditional methods are expensive and inadequate to resolve soil contamination permanently

➤ **What is the role of nano-formulation of melatonin in treating Parkinson's disease?**

- A) Reverses dopamine-secreting neuron death
- B) Enhances antioxidative and neuroprotective properties
- C) Increases dopamine production directly
- D) Prevents all forms of neurodegeneration
- E) Treats sleep disorders without affecting PD

Answer

B) Enhances antioxidative and neuroprotective properties

Event and Location:

- **Event:** Discovery of the therapeutic potential of nano-formulation of melatonin for Parkinson's disease.
- **Date:** January 2, 2025
- **Location:** Institute of Nano Science and Technology (INST), Mohali

Mandates and Objectives:

- Investigate melatonin's neuroprotective role in managing Parkinson's disease (PD).
- Address the limitations of melatonin, such as poor bioavailability and brain delivery, using a nanocarrier.
- Study the molecular pathways melatonin regulates to reduce oxidative stress and improve neuron health.

Key Findings:

- **Melatonin** delivered through **Human Serum Albumin (HSA)** nano-formulation showed:
 - Sustained release and improved bioavailability.
 - Enhanced antioxidative and neuroprotective properties.
 - Better removal of unhealthy mitochondria (mitophagy) and mitochondrial biogenesis.
- Targeted delivery to the brain significantly reduced rotenone-induced toxicity in **an in vitro PD model**.

Key Findings:

- **Overexpression of BMI1 (epigenetic regulator):**
 - Induces mitophagy and reduces oxidative stress.
 - Protects neurons from degeneration.
- Published in **ACS Applied Materials & Interfaces**, demonstrating better neuroprotective effects in vitro and in vivo.

Significance:

- Nano-melatonin could be a potential therapeutic for PD and other disorders linked to dysregulated mitophagy.
- Safer and more effective than conventional melatonin for improving neuronal health.

Important Terms Explained:

- **Parkinson's Disease (PD):**
 - A neurodegenerative disorder caused by the death of dopamine-secreting neurons in the brain.
 - Symptoms include tremors, rigidity, and difficulty in movement.
- **Melatonin:**
 - A hormone secreted by the pineal gland in response to darkness.
 - Regulates sleep-wake cycles and shows potential as a neurotherapeutic drug.

Important Terms Explained:

- **Mitophagy:**
 - A process that identifies and removes damaged mitochondria, reducing oxidative stress.
- **BMI1:**
 - An epigenetic regulator that controls gene expression and influences mitophagy.

Static GK Information:

- **Institute of Nano Science and Technology (INST):**
 - **Location:** Mohali, Punjab
 - **Affiliation:** Department of Science and Technology (DST), Government of India
- **India**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

Tabular Summary:

Key Detail	Information
Event	Discovery of nano-formulation of melatonin as a therapeutic for Parkinson's disease
Date	January 2, 2025
Location	Institute of Nano Science and Technology, Mohali, Punjab
Significance	Enhances antioxidative and neuroprotective properties of melatonin
Key Finding	Overexpression of BMI1 induced mitophagy, reducing oxidative stress and protecting neurons

➤ **Where is the 18th edition of Exercise Surya Kiran being held?**

- A) Pithoragarh, Uttarakhand
- B) Kathmandu, Nepal
- C) Saljhandi, Nepal
- D) Shivalik Ranges, India
- E) Pokhara, Nepal

Answer

C) Saljhandi, Nepal

Event and Location:

- **Event:** 18th edition of India-Nepal Joint Military Exercise “Surya Kiran.”
- **Date:** December 29, 2024 – January 13, 2025
- **Location:** Nepal Army Battle School, Saljhandi, Western Nepal

Mandates and Objectives:

- **Enhance Interoperability:** Strengthen coordination between Indian and Nepalese armies.
- **Focus Areas:**
 - **Jungle Warfare:** Training for operations in dense forest regions.
 - **Counter-Terrorism:** Strategies for mountainous terrains.
 - **Humanitarian Assistance and Disaster Relief (HADR):** Preparedness for disaster response under the United Nations Charter.
- **Operational Preparedness:** Improve aviation, medical training, and environmental conservation skills.

Participating Forces:

- **Indian Army:** Kumaon Regiment (334 personnel).
- **Nepalese Army:** Tara Dal Battalion.

Historical Context:

- **Previous Edition:** 17th edition held in Pithoragarh, Uttarakhand, India (November 24 to December 7, 2023).
- **Significance:** Reflects the strong military ties and mutual security cooperation between India and Nepal.

Strategic Importance:

- **Bilateral Relations:** Reinforces trust and shared defense priorities.
- **Regional Stability:** Enhances collective capabilities to address common security and disaster challenges.

Important Terms Explained:

- **Surya Kiran Exercise:** Annual joint military training conducted alternately in India and Nepal, aimed at improving interoperability and disaster response capabilities.
- **Humanitarian Assistance and Disaster Relief (HADR):** Operations focused on providing aid and support during natural disasters or emergencies.

Static GK Information:

- **India:**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi
- **Nepal:**
 - **Capital:** Kathmandu
 - **Currency:** Nepalese Rupee (NPR)
 - **President:** Ram Chandra Poudel
 - **Prime Minister:** K. P. Sharma Oli

DEFENCE

Tabular Summary:

Key Detail	Information
Event	18 th edition of India-Nepal Joint Military Exercise "Surya Kiran"
Date	December 29, 2024 – January 13, 2025
Location	Nepal Army Battle School, Saljhandi, Nepal
Participating Forces	Indian Army's Kumaon Regiment and Nepalese Army's Tara Dal Battalion
Focus Areas	Counter-terrorism, jungle warfare, disaster relief, and regional stability
Previous Edition	17th edition held in Pithoragarh, Uttarakhand, India

➤ **What is the primary objective of Russia's newly introduced tourist tax, effective January 1, 2025?**

- A) To provide subsidies to hotel chains in Russia.
- B) To enhance regional tourism infrastructure and boost local economies.
- C) To reduce administrative burdens on tourists.
- D) To increase Russia's competitiveness in global tourism.
- E) To implement a new tax system for all businesses.

Answer

B) To enhance regional tourism infrastructure and boost local economies.

Event and Location:

- **Event:** Introduction of tourist tax and elimination of coal export taxes in Russia (January 1, 2025).

Mandates and Objectives:

- **Tourist Tax:**
 - Replace the resort fee with a new tax starting at 1%, increasing to 3% by 2027.
 - Minimum daily charge: 100 rubles (~\$0.9 USD).
 - Revenue directed towards regional tourism infrastructure and local economic growth.
- **Coal Export Tax Removal:**
 - Supports anthracite, coking coal, and thermal coal industries.
 - Balances economic development with sector-specific relief measures.

Important Terms Explained:

- **Tourist Tax:**
 - A structured levy incorporated into lodging costs.
 - Adopted through the Russian Tax Code amendments in July 2024.
- **Coal Export Tax Removal:**
 - Removal of export taxes on coal products effective January 1, 2025, to aid industry competitiveness.

Static GK Information:

- **Russia**
 - **Capital:** Moscow
 - **Currency:** Russian Ruble
 - **President:** Vladimir Putin
 - **Prime Minister:** Mikhail Mishustin

INTERNATIONAL AFFAIRS

Tabular Summary:

Aspect	Details
Event	Introduction of tourist tax and elimination of coal export taxes (January 1, 2025).
Location	Russia
Tourist Tax	Starts at 1% of lodging costs, increasing to 3% by 2027; minimum daily charge: 100 rubles.
Coal Export Tax Removal	Eliminates export duties on coal products.
Significance	Enhances tourism infrastructure and supports the coal industry for balanced growth.

➤ Which IIT became the first to offer MBBS and postgraduate medical programs?

- A) IIT Delhi
- B) IIT Bombay
- C) IIT Madras
- D) IIT Kharagpur
- E) IIT Kanpur

Answer

D) IIT Kharagpur

Event and Location:

- **Event:** IIT Kharagpur ventures into medical education.
- **Date:** December 30, 2024
- **Location:** IIT Kharagpur, West Bengal

Mandates and Objectives:

- **IIT Kharagpur is the first IIT in India to offer:**
 - MBBS and postgraduate medical programs.
 - Healthcare services.
- Achieved through strategic partnerships with **AIIMS Kalyani** and **AIIMS Delhi**.
- Plans to expand further with **the Dr. B.C. Roy Multi-Specialist Research Centre**.

Significance of the Initiative:

- Diversifies the academic scope of IITs.
- Strengthens India's healthcare education by leveraging IIT Kharagpur's interdisciplinary approach.
- Enhances healthcare services through collaborations with premier medical institutions.

Important Terms Explained:

- **MBBS (Bachelor of Medicine and Bachelor of Surgery):**
 - Undergraduate program for medical students, foundational to becoming a doctor.
- **Dr. B.C. Roy Multi-Specialist Research Centre:**
 - A medical facility and research center under IIT Kharagpur, named after Dr. Bidhan Chandra Roy, a renowned physician and freedom fighter.
- **AIIMS (All India Institute of Medical Sciences):**
 - Premier group of public medical colleges in India.

Static GK Information:

- **IIT Kharagpur**
 - **Founded:** 1951
 - **Chairperson of the Board of Governors:**
T.V. Narendran
 - **Director:** Prof. Virendra Kumar Tewari
 - **Location:** Kharagpur, West Bengal
- **West Bengal**
 - **Capital:** Kolkata
 - **Chief Minister:** Mamata Banerjee
 - **Governor:** C.V. Ananda Bose

NATIONAL AFFAIRS

Tabular Summary:

Key Detail	Information
Event	IIT Kharagpur ventures into medical education
Date	December 30, 2024
Location	IIT Kharagpur, West Bengal
Significance	First IIT to offer MBBS, postgraduate medical programs, and healthcare services
Collaborations	AIIMS Kalyani and AIIMS Delhi

➤ **What is the primary objective of the FAME-II scheme?**

- A) Promote hybrid vehicle manufacturing
- B) Incentivize electric mobility in India
- C) Provide subsidies for public transportation
- D) Establish state-level EV manufacturing hubs
- E) Fund traditional fuel-based vehicles

Answer

B) Incentivize electric mobility in India

NATIONAL AFFAIRS

Event and Location:

- **Event:** Progress update on the FAME-II Scheme.
- **Date:** January 2, 2025
- **Location:** New Delhi, India

Mandates and Objectives:

- Promote **electric mobility** through demand-side incentives.
- Support environment-friendly, affordable public transport.
- Reduce India's dependence on fossil fuels and enable sustainable mobility.

Key Highlights of FAME-II Scheme:

- Launched in 2019 with an outlay of ₹11,500 crore.
- **Supports:**
 - Electric 2-wheelers (e-2Ws), 3-wheelers (e-3Ws), 4-wheelers (e-4Ws), and buses (e-buses).
 - Electric Vehicle Public Charging Stations (EV PCS): 10,985 sanctioned, 8,812 allocated for installation.

Key Highlights of FAME-II Scheme:

- **Incentivized 16.15 lakh EVs as of October 31, 2024:**
 - **e-2Ws:** 14.27 lakh.
 - **e-3Ws:** 1.59 lakh.
 - **e-4Ws:** 22,548.
 - **e-buses:** 5,131.
- **Expenditure Breakdown:** ₹8,844 crore spent.
 - ₹6,577 crore for subsidies.
 - ₹2,244 crore for capital assets.
 - ₹23 crore for other expenses.

Significance:

- Phased manufacturing program to boost domestic EV production.
- Policy initiatives like reduced **GST on EVs** and **enabling state EV policies**.
- Contributes to India's **transition to sustainable mobility** and reduces environmental impact.

Important Terms Explained:

- **FAME (Faster Adoption and Manufacturing of Electric Vehicles):**
 - India's flagship scheme to promote electric and hybrid vehicles.
 - FAME-II focuses on EV demand, public transport, and charging infrastructure.
- **Public Charging Stations (PCS):**
 - Infrastructure to charge electric vehicles, crucial for EV adoption.
- **Sustainable Mobility:**
 - Transport solutions designed to reduce environmental and energy impacts.

Static GK Information:

- **FAME-II Scheme**
 - **Launched:** 2019
 - **Ministry:** Ministry of Heavy Industries
 - **Initial Outlay:** ₹11,500 crore
- **India**
 - **Capital:** New Delhi
 - **Currency:** Indian Rupee (₹)
 - **President:** Droupadi Murmu
 - **Prime Minister:** Narendra Modi

NATIONAL AFFAIRS

Tabular Summary:

Key Detail	Information
Event	Update on FAME-II Scheme
Date	January 2, 2025
Location	New Delhi, India
Significance	Incentivized 16.15 lakh EVs and supported sustainable mobility efforts
Expenditure	₹8,844 crore spent, with ₹6,577 crore on subsidies
Objective	Promote electric mobility and reduce reliance on fossil fuels

QUICK RECALL

- **Global Family Day promotes unity, peace, and familial appreciation.**
- **ONDC completes three years with 15 million monthly transactions.**
- **DRDO celebrates 67th Foundation Day on January 1, 2025.**
- **Cervical Cancer Awareness Month observed in January.**
- **RBI guidelines close dormant accounts (no transactions for 24 months) starting January 2025.**
- **India provides \$500,000 aid for quake-hit Vanuatu.**
- **India's T&A exports during Apr-Oct FY 2024-25 grew by 7% to \$21,358 Mn.**
- **India's GHG emissions dropped by 7.93% in 2020.**
- **Bhuvnesh Kumar appointed as UIDAI CEO, effective January 1, 2025.**
- **Rajendra Vishwanath Arlekar becomes 23rd Governor of Kerala.**
- **Arif Mohammad Khan becomes 42nd Governor of Bihar.**
- **National Sports Awards 2024 to be conferred on January 17, 2025.**

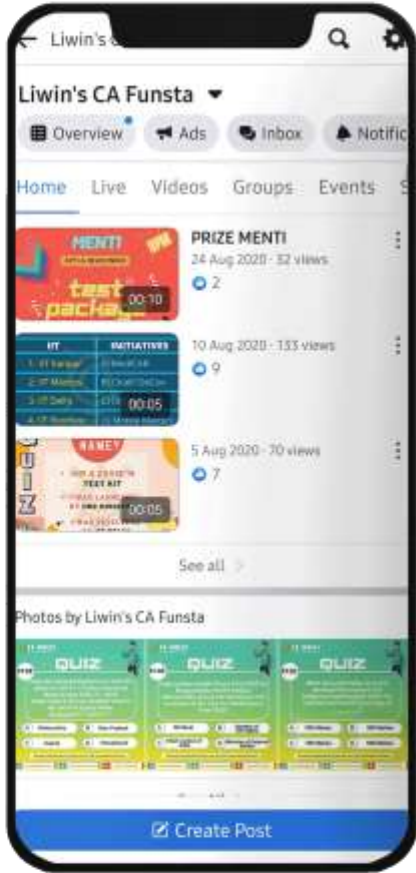

QUICK RECALL

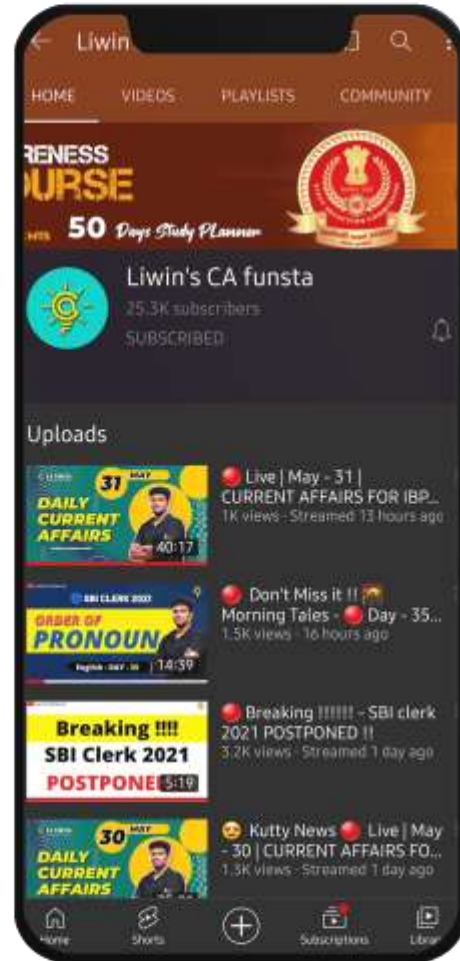

- **IIT Bombay discovers bacteria to clean soil pesticides.**
- **Nano-melatonin enhances antioxidative properties and mitigates Parkinson's disease symptoms.**
- **18th edition of Surya Kiran begins at Saljhandi, Nepal.**
- **Russia implements a new tourist tax starting January 1, 2025.**
- **IIT Kharagpur first IIT to offer MBBS and medical education programs.**
- **FAME-II Scheme incentivized 16.15 lakh EVs by October 31, 2024.**
