- **Which of the following was achieved by India through the SpaDeX mission?**
- A) Launching two satellites into a geostationary orbit.
 - B) Demonstrating spacecraft rendezvous, docking, and undocking technology.
 - C) Developing reusable space launch vehicles.
 - D) Establishing India's first private space station.
 - E) Deploying interplanetary probes to Mars and Venus.

Answer

B) Demonstrating spacecraft rendezvous, docking, and undocking technology.

Event and Location:

- **Event:** Successful Execution of SpaDeX Docking Experiment by ISRO
- **Date and Location:** January 16, 2025, Bengaluru

Key Achievements of SpaDeX Mission:

- India became the fourth nation in the world (after the USA, Russia, and China) to achieve space docking capabilities, a critical milestone for space exploration.
- The mission involved two satellites:
 - **SDX01 (Chaser)**
 - **SDX02 (Target)**
- These satellites successfully performed rendezvous, docking, and undocking maneuvers autonomously.

Significance of Space Docking Technology:

1. Space Station Operations:

- Enables assembly of space stations, such as the proposed Bharatiya Antariksh Station (BAS) by 2035.

2. Satellite Servicing:

- Allows repair and maintenance of satellites in orbit.

3. Sample Return Missions:

- Essential for retrieving samples from celestial bodies (e.g., Chandrayaan-4 Lunar Sample Return Mission).

4. Interplanetary Exploration:

- Supports human and robotic missions to the Moon, Mars, and beyond.

Technical Highlights:

- Launched on **December 30, 2024**, using the PSLV-C60 rocket from the Satish Dhawan Space Centre, Sriharikota.
- **Key stages of docking:**
 - Satellites reduced inter-satellite distance incrementally from 20 km to 3 meters, culminating in successful docking.
 - Post-docking, power transfer between the two satellites was validated.

Future Implications:

- Strengthens India's self-reliance in space technologies.
- Paves the way for advanced missions, including:
 - **Chandrayaan-4**
 - **Gaganyaan (Human Spaceflight)**
 - **Development of India's space station.**
