- **What recent recommendation has been made by the expert committee regarding the Yeshasvini Health Insurance Scheme in Karnataka?**
- A) To discontinue the scheme due to high operational costs
 - B) To expand it to all southern states of India
 - C) To revise rates for medical procedures and include new treatments
 - D) To convert it into a private-public partnership model
 - E) To merge it again with Arogya Karnataka permanently

Answer

C) To revise rates for medical procedures and include new treatments

Event and Location:

- **Event:** Expert committee recommends major revisions to Yeshasvini Health Insurance Scheme
- **Date:** April 2025
- **Location:** Karnataka, India

Mandates and Objectives:

- **Purpose of News:** A government-appointed expert committee submitted a report recommending substantial rate revisions and procedural upgrades to the Yeshasvini Health Insurance Scheme.
- **Primary Objectives:**
 - Improve healthcare access for rural populations
 - Attract more hospital participation through fair reimbursement rates
 - Expand coverage by including modern medical procedures

Mandates and Objectives:

- **Proposed Rate Revisions:**
 - 15% to 25% hike in most procedure rates
 - 50% hike for complex treatments like paediatric heart surgeries and oncology
- **Procedural Updates:**
 - 6 outdated procedures removed
 - 69 new procedures added to match current healthcare trends

Mandates and Objectives:

- **Budget Proposal:**
 - An additional ₹40 crore budget recommended
 - Estimated total cost of the revised scheme for FY 2025–26: ₹127.5 crore
- **Scheme Impact:**
 - Will improve rural access to quality healthcare
 - Aim to encourage private and multi-speciality hospital participation
 - Aligns with the state's broader universal health coverage goals

Important Terms Explained:

- **Yeshasvini Health Insurance Scheme:** A Karnataka government initiative launched in 2003 to provide cashless treatment for rural and low-income citizens via a cooperative health insurance model.
- **Cashless Treatment:** A facility where patients do not pay upfront at hospitals; instead, the cost is settled directly between the healthcare provider and the insurer.

Important Terms Explained:

- **Arogya Karnataka:** An umbrella scheme introduced in 2018, under which Yeshasvini was temporarily merged, aimed at universal health coverage.
- **Empanelled Hospitals:** Hospitals officially registered under a health scheme to offer treatment as per scheme benefits.
- **Universal Health Coverage (UHC):** A healthcare model where all individuals receive needed health services without financial hardship.

- A) Chilika
- B) Bhitarkanika
- C) Satkosia
- D) Similipal
- E) Nandankanan

Answer
D) Similipal

NATIONAL AFFAIRS

Event and Location:

- **Event:** Similipal accorded national park status
- **Date:** April 24, 2025
- **Location:** Similipal south and north divisions, Odisha

Mandates and Objectives:

- **Objective of Declaration:** The declaration of Similipal as a national park aims to enhance biodiversity protection, enforce stricter conservation laws, and secure national and international support for wildlife and forest conservation.
- **Legal Impact:** The new status empowers the Odisha government to implement stronger legal protections and access greater conservation funding, especially important for its tiger reserve.

Mandates and Objectives:

- **Conservation Vision:** This move is aligned with Odisha's goal of sustainable development and the national mission of "Viksit Bharat".
- **Human Relocation Requirement:** For the area to be declared a national park, it had to be free from human habitation, resulting in the relocation of four villages from the core zone.

Important Terms Explained:

- **National Park:** A protected area established by a government to conserve wildlife, flora, and fauna, with restricted human activity.
- **Tiger Reserve:** A legally protected area for conserving wild tigers and their habitats, as part of India's Project Tiger initiative.
- **Inviolate Area:** A term used in conservation where no human habitation or domestic animal activity is permitted.

Important Terms Explained:

- **Wildlife Sanctuary vs National Park:** A national park has stricter rules with no human activity allowed in its core zone, while wildlife sanctuaries allow limited human presence and activities.
- **Critical Tiger Habitat:** Core area of a tiger reserve, demarcated under the Wildlife Protection Act, where conservation is prioritized.
