➤ **Why did the Reserve Bank of India sell nearly \$400 billion in FY2024–25?**

- A) To repay external debt
- B) To finance government imports
- C) To stabilize the rupee amid global economic volatility
- D) To support domestic oil companies
- E) To increase gold reserves

Answer

C) To stabilize the rupee amid global economic volatility

Event and Location:

- **Event:** RBI records highest-ever forex sale to defend rupee in FY2024–25
- **Location:** India
- **Date:** FY2024–25 (April 2024 to March 2025)

Mandates and Objectives:

- **Mandates:** The Reserve Bank of India (RBI) sold a record \$398.71 billion in the foreign exchange market on a gross basis during FY2024–25 to counter sharp depreciation of the Indian rupee amid fears of global economic disruption, including speculation over the possible return of Donald Trump to the US presidency and associated protectionist policies.
- **Objectives:** The objective was to prevent excessive volatility in the rupee, protect domestic financial stability, maintain investor confidence, and limit imported inflation triggered by a weakening domestic currency.

Important Terms Explained:

- **Gross Forex Sale:** Total amount of foreign currency sold by the central bank, regardless of purchases made. Used to indicate the scale of intervention.
- **Net Forex Sale:** The difference between forex sales and purchases by RBI; reflects actual reduction in reserves due to intervention.
- **FCNR(B) Deposits:** Foreign Currency Non-Resident Bank deposits—used by RBI as a tool to attract foreign currency inflows during times of reserve pressure.
- **Rupee Depreciation:** A fall in the value of the Indian rupee against the US dollar, increasing the cost of imports and external debt servicing.

➤ What is the main purpose of the partnership between IPPB and Aditya Birla Capital?

- A) Launch a new payments app
- B) Offer investment advice to NRIs
- C) Expand digital credit access across rural and underbanked India
- D) Provide postal services through ABCL branches
- E) Merge to form a new payments bank

Answer

C) Expand digital credit access across rural and underbanked India

Event and Location:

- **Event:** Strategic partnership between IPPB and Aditya Birla Capital to expand nationwide credit access
- **Location:** India (national rollout with rural focus)
- **Date:** May 23, 2025

Mandates and Objectives:

- **Mandates:** The India Post Payments Bank (IPPB) and Aditya Birla Capital Limited (ABCL) have entered into a strategic partnership to deliver seamless digital loan services to millions of citizens through IPPB's extensive postal network and ABCL's lending expertise. IPPB will act as a referral partner, enabling credit access without taking on credit risk.

Mandates and Objectives:

- **Objectives:** The partnership aims to broaden financial inclusion, particularly for the underbanked and rural populations, by offering easy, low-documentation access to personal, business, and property loans via digital platforms, thus strengthening India's Digital India and Atmanirbhar Bharat missions.

Important Terms Explained:

- **IPPB (India Post Payments Bank):** A 100% Government of India-owned payments bank launched under the Department of Posts to provide banking services through post offices, especially in rural India.
- **Referral-Based Model:** A model where IPPB refers customers to ABCL's digital platforms for loan applications, without carrying credit risk itself.

Important Terms Explained:

- **Loan Against Property:** A secured loan product where property is pledged as collateral to access funds for business or personal needs.
- **Aditya Birla Capital Limited (ABCL):** A major financial services provider in India offering a range of lending and investment products across retail and business segments.

Tabular Summary:

- What is the proposed maximum Loan-to-Value (LTV) ratio for gold loans under the new RBI draft guidelines?

- A) 80%
- B) 60%
- C) 70%
- D) 75%
- E) 85%

Answer
D) 75%

Event and Location:

- **Event:** RBI releases draft guidelines to reform gold loan practices across banks and NBFCs
- **Location:** India
- **Date:** May 23, 2025

Mandates and Objectives:

- **Mandates:** The Reserve Bank of India (RBI) issued a draft regulatory framework on gold and silver-backed lending to standardize valuation, improve transparency, and enhance borrower protections across banks and NBFCs. This includes a uniform 75% Loan-to-Value (LTV) ratio, gold ownership verification, and detailed loan documentation requirements.
- **Objectives:** The RBI aims to protect borrowers, ensure consistent collateral valuation, curb misuse of bullet repayment structures, and standardize lending practices across financial institutions while promoting responsible and compliant lending.

Important Terms Explained:

- **Loan-to-Value (LTV) Ratio:** The ratio of a loan amount granted against the market value of the pledged asset—in this case, gold; capped at 75% under the proposed guidelines.
- **Bullet Repayment:** A loan structure where the borrower repays the entire principal and interest in one lump sum at maturity; now subject to stricter LTV computation rules.

Important Terms Explained:

- **22-Carat Gold:** A measure of gold purity commonly used in jewellery; RBI mandates valuations to be based on 22-carat rates to maintain consistency.
- **India Gold Coin (MMTC):** A government-minted, hallmarked coin eligible for gold loans when sold through banks.
- **Silver Loan Eligibility:** For the first time, loans against 925-purity silver coins are allowed under specific restrictions.

Tabular Summary:

Parameter	Details
Event name	RBI issues draft guidelines for gold and silver loan reforms
Announcement date	May 23, 2025
Location	India
Issuing authority	Reserve Bank of India
Policy/series name	Draft Guidelines for Gold and Silver-Backed Lending
Key figures	Shaktikanta Das, Sanjiv Bajaj, Sahil Kumar Gaba
Purpose/reason	To increase transparency and standardize gold loan practices

Validity or status	Draft open for feedback; final rules to follow after consultations
Strategic/significant value	Promotes borrower protection and transparency, curbs risky lending practices

➤ What is India's revised medium-term GDP growth outlook till FY2026 as per Fitch Ratings?

- A) 6.0%
- B) 6.2%
- C) 6.4%
- D) 5.9%
- E) 4.6%

Answer
C) 6.4%

Event and Location:

- **Event:** Fitch Ratings revises India's medium-term growth outlook upward to 6.4% till FY26
- **Location:** India (assessment by global agency Fitch Ratings)
- **Date:** May 2025

Mandates and Objectives:

- **Mandates:** Global rating agency Fitch Ratings has raised India's medium-term GDP growth forecast to 6.4% till FY2026, citing a rise in labour force participation and reduced long-term economic impact from the COVID-19 pandemic.
- **Objectives:** The forecast aims to provide guidance to investors and policymakers on India's structural economic potential and long-term performance trends, especially compared to other emerging markets.

Important Terms Explained:

- **Fitch Ratings:** A globally recognized credit rating and financial research agency that evaluates sovereign and corporate creditworthiness and macroeconomic trends.
- **Medium-Term Growth Outlook:** A 3–5 year projection of a country's potential economic expansion, focusing on structural capabilities rather than short-term fluctuations.

Important Terms Explained:

- **Labour Force Participation Rate (LFPR):** The proportion of working-age people who are employed or actively seeking work—a key driver of economic output.
- **Total Factor Productivity (TFP):** A measure of the efficiency with which labor and capital are used in production; a core component of long-term economic growth.

Tabular Summary:
