Important Days

➤ What is the date observed globally as World Thyroid Day each year?

- A) May 15
- B) May 25
- C) April 7
- D) June 5
- E) March 20

Answer
B) May 25

Important Days

Event and Location:

- **Event:** World Thyroid Day 2025 observed with focus on thyroid health awareness
- **Location:** Global (high focus in India due to large affected population)
- **Date:** May 25, 2025

Important Days

Mandates and Objectives:

- **Mandates:** World Thyroid Day is observed annually to raise awareness of thyroid diseases, promote timely diagnosis and treatment, and encourage preventive healthcare practices.
- **Objectives:** To improve understanding of thyroid function, highlight public health challenges caused by iodine deficiency and thyroid disorders, and support efforts for better screening, treatment, and nutrition.

Important Days

Important Terms Explained:

- **Thyroid Federation International (TFI):** A global alliance of thyroid societies that initiated World Thyroid Day in 2008 to support thyroid health worldwide.
- **Hypothyroidism:** A condition where the thyroid gland does not produce enough thyroid hormones, causing fatigue, weight gain, and other symptoms.
- **Iodine Deficiency Disorders (IDD):** Health conditions arising from insufficient iodine intake, including goitre and developmental issues.
- **Congenital Hypothyroidism:** A thyroid disorder present at birth that can affect a baby's growth and development if not detected early.

Important Days

Tabular Summary:

Parameter	Details
Event name	World Thyroid Day 2025
Announcement date	May 25, 2025
Location	Global (high focus in India)
Issuing authority	Thyroid Federation International (TFI)
Policy/series name	World Thyroid Day campaign
Key figures	WHO, TFI, Indian Endocrinologists
Purpose/reason	Promote awareness and prevention of thyroid-related health issues
Feature details	Early detection, nutrition, iodine intake, thyroid function testing
Validity or status	Observed annually since 2008
Strategic/significant value	Helps prevent and manage thyroid disorders through global and national campaigns

Important Days

- **From which date to which date does the United Nations annually observe the International Week of Solidarity with Non-Self-Governing Territories?**

- A) May 1–7
- B) May 15–21
- C) May 25–31
- D) June 1–7
- E) April 20–26

Answer
C) May 25–31

Important Days

Event and Location:

- **Event:** United Nations observes International Week of Solidarity with Non-Self-Governing Territories
- **Location:** United Nations (Global Observance)
- **Date:** May 25–31 (Annually since 1999)

Important Days

Mandates and Objectives:

- **Mandates:** The United Nations General Assembly annually observes this week to reaffirm the right of peoples in Non-Self-Governing Territories (NSGTs) to self-determination and to promote decolonization.
- **Objectives:**
 - Raise global awareness of the challenges faced by NSGTs
 - Advocate for their right to self-rule as per the UN Charter
 - Encourage dialogue, cooperation, and international support for political and economic progress
 - Monitor and track global progress toward full decolonization

Important Days

Important Terms Explained:

- **Non-Self-Governing Territory (NSGT):** A territory “whose people have not yet attained a full measure of self-government,” as defined under Chapter XI of the UN Charter.
- **UNGA Resolution A/RES/54/91:** The 1999 resolution that officially designated May 25–31 as the International Week of Solidarity with the Peoples of Non-Self-Governing Territories.
- **Self-Determination:** A principle in international law allowing peoples to determine their political status and pursue their own economic, social, and cultural development.

Important Days

Tabular Summary:

Parameter	Details
Event name	International Week of Solidarity with Non-Self-Governing Territories
Announcement date	Established by UNGA Resolution in 1999
Location	Global (UN General Assembly initiative)
Issuing authority	United Nations General Assembly
Policy/series name	UN Decolonization and Self-Determination Agenda
Key figures	17 Non-Self-Governing Territories (Western Sahara, Guam, Bermuda, etc.)
Purpose/reason	Promote global awareness and support for self-governance of NSGTs
Feature details	Rights-based advocacy, development focus, political solidarity
Validity or status	Observed annually (May 25–31)
Strategic/significant value	Upholds international law and equity by supporting decolonization

Important Days

➤ Which date has been officially designated by the United Nations as World Football Day?

- A) 7 July
- B) 25 April
- C) 25 May
- D) 1 June
- E) 24 October

Answer
C) 25 May

Important Days

Event and Location:

- **Event:** UN General Assembly declares 25 May as World Football Day
- **Location:** United Nations Headquarters, New York
- **Date:** Resolution adopted on May 7, 2024; Day to be observed every May 25

Important Days

Mandates and Objectives:

- **Mandates:** The United Nations General Assembly (UNGA) unanimously adopted a resolution to commemorate 25 May as World Football Day every year.
- **Objectives:** To celebrate football's centennial global representation in the Olympics, promote peace, inclusion, education, and development through sport, and recognize football's universal cultural impact.

Important Days

Important Terms Explained:

- **World Football Day:** An annual UN-recognized observance held on 25 May to honor football's global legacy and contribution to unity, health, and development.
- **UNGA Resolution:** A formal international declaration passed on 7 May 2024, introduced by Libya and co-sponsored by over 160 UN member states.
- **1924 Paris Olympics:** The first Olympic Games where football saw full global participation, symbolizing the sport's rise as a unifying global activity.

Important Days

Tabular Summary:

Parameter	Details
Event name	UN declares 25 May as World Football Day
Announcement date	May 7, 2024
Location	United Nations General Assembly, New York
Issuing authority	UNGA; proposed by Libya
Policy/series name	Global Commemoration of Football's Olympic Legacy
Key figures	Ambassador Taher El-Sonni, 160+ co-sponsoring nations
Purpose/reason	Celebrate 100 years of football's Olympic global representation
Feature details	Olympic debut in 1900; full global participation in 1924
Validity or status	Observed globally from 2024 onwards on May 25 annually
Strategic/significant value	Recognizes football's role in peace, education, and cross-cultural unity

SPORTS

➤ **Who announced the annual hosting of the Khelo India Northeast Games during the Rising Northeast Investors Summit 2025?**

- A) Anurag Thakur
- B) Kiren Rijiju
- C) Dr. Mansukh Mandaviya
- D) Sarbananda Sonowal
- E) Dharmendra Pradhan

Answer

C) Dr. Mansukh Mandaviya

Event and Location:

- **Event:** Annual hosting of the Khelo India Northeast Games announced
- **Location:** India (Announced at Rising Northeast Investors Summit, New Delhi)
- **Date:** May 27, 2025

Mandates and Objectives:

- **Mandates:** The Khelo India Northeast Games will be hosted annually on a rotational basis among the eight northeastern states of India.
- **Objectives:** To promote traditional and indigenous sports, nurture local talent, develop sports infrastructure, and integrate the Northeast region more fully into India's national sports ecosystem.

Important Terms Explained:

- **Khelo India Northeast Games:** A regional multi-sport event that will rotate among the eight northeastern states to showcase and develop sports talent from the region.
- **NSRS (National Sports Repository System):** A digital talent identification platform where citizens can upload videos of promising athletes for scouting by SAI (Sports Authority of India).
- **ASMITA League:** A flagship initiative under Khelo India focused on increasing girls' participation in sports; over 13,000 girls from the Northeast participated.

SPORTS

Tabular Summary:

Parameter	Details
Event name	Annual Hosting of Khelo India Northeast Games
Announcement date	May 27, 2025
Location	India (New Delhi – Rising Northeast Investors Summit 2025)
Issuing authority	Ministry of Youth Affairs and Sports, Government of India
Policy/series name	Khelo India – Northeast Games
Key figures	Dr. Mansukh Mandaviya, Sports Ministry, 8 Northeastern States
Purpose/reason	Strengthen regional sports, boost infrastructure, promote traditional games
Feature details	Annual rotation, NSRS portal, ASMITA League, KICs, KISCES, NCOEs
Validity or status	Active from 2025 onwards (Annual rotational games)
Strategic/significant value	Promotes inclusion, identifies talent, aligns with India's Olympic goals

SPORTS

➤ Which Indian driver made history in May 2025 by winning a Formula 2 race at the Monaco Grand Prix?

- A) Jehan Daruvala
- B) Narain Karthikeyan
- C) Kush Maini
- D) Arjun Maini
- E) Aditya Patel

Answer
C) Kush Maini

Event and Location:

- **Event:** Kush Maini wins the Formula 2 Sprint Race at Monaco Grand Prix
- **Location:** Monaco Grand Prix, Monte Carlo, Monaco
- **Date:** May 24, 2025

Mandates and Objectives:

- **Mandates:** Kush Maini became the first Indian to win a Formula 2 race, dominating the Monaco Sprint Race from pole position under the reverse-grid format.
- **Objectives:** To establish Indian presence in elite motorsport, inspire future racers, and boost the profile of India in the global racing circuit.

Important Terms Explained:

- **Formula 2 (F2):** The official feeder series to Formula 1, serving as a proving ground for emerging drivers aiming for F1 seats.
- **Sprint Race:** A shorter-format race during a Grand Prix weekend, often featuring a reverse-grid starting order based on qualifying results.
- **Reverse-grid rule:** A format where the top 10 qualifiers are reversed in grid positions for the Sprint Race, placing the 10th-place qualifier on pole.

SPORTS

Tabular Summary:

Parameter	Details
Event name	Formula 2 Sprint Race – Monaco Grand Prix
Announcement date	May 24, 2025
Location	Monte Carlo, Monaco
Issuing authority	FIA Formula 2 Championship
Policy/series name	Formula 2 2025 Season
Key figures	Kush Maini, Dams Lucas Oil, JK Racing, TVS Racing
Purpose/reason	First-ever F2 win by an Indian driver
Feature details	Victory from pole under reverse-grid, led all 30 laps
Validity or status	Race completed; official win
Strategic/significant value	Boosts Indian motorsport visibility and inspires new generation of racers

SPORTS

➤ Who scored the winning goal for Arsenal in the UEFA Women's Champions League 2025 final against Barcelona?

- A) Kim Little
- B) Beth Mead
- C) Stina Blackstenius
- D) Leah Williamson
- E) Frida Maanum

Answer

C) Stina Blackstenius

Event and Location:

- **Event:** Arsenal wins the UEFA Women's Champions League 2025 Final
- **Location:** Estadio Jose Alvalade, Lisbon, Portugal
- **Date:** May 24, 2025

Mandates and Objectives:

- **Mandates:** Arsenal defeated reigning champions FC Barcelona 1-0 in the Women's Champions League final, ending an 18-year title drought since their first UWCL win in 2007.
- **Objectives:** To reclaim European glory for English women's football, disrupt the dominance of Spanish and French clubs, and inspire global recognition for the Women's Super League (WSL).

Important Terms Explained:

- **UEFA Women's Champions League (UWCL):** Europe's premier club football tournament for women, governed by UEFA and featuring top-performing clubs across the continent.
- **Stina Blackstenius:** Swedish striker who scored the match-winning goal in the 75th minute, securing Arsenal's second UWCL title.
- **Beth Mead:** English winger who delivered the decisive assist for the goal, coming on as a second-half substitute.

Tabular Summary:

Parameter	Details
Event name	UEFA Women's Champions League Final 2025
Announcement date	May 24, 2025
Location	Estadio Jose Alvalade, Lisbon, Portugal
Issuing authority	UEFA (Union of European Football Associations)
Policy/series name	UEFA Women's Champions League
Key figures	Stina Blackstenius, Beth Mead, Jonas Eidevall
Purpose/reason	Arsenal's first UWCL title since 2007; ended Barcelona's title streak
Feature details	Final score 1–0; goal in 75th min; strategic substitutions
Validity or status	Match concluded; title awarded
Strategic/significant value	Breaks 18-year drought; boosts English women's football on the European stage

RANKING

- Which Indian state has the highest projected GSDP for FY 2024–25, making it the largest contributor to India's GDP?

- A) Tamil Nadu
- B) Gujarat
- C) Maharashtra
- D) Karnataka
- E) Uttar Pradesh

Answer
C) Maharashtra

RANKING

Event and Location:

- **Event:** Ranking of top 10 Indian states by contribution to India's GDP
- **Location:** India (National-level comparison)
- **Date:** May 27, 2025

RANKING

Mandates and Objectives:

- **Mandates:** A comparative report ranks Indian states based on their Gross State Domestic Product (GSDP), per capita income, and share in national GDP for FY 2024–25.
- **Objectives:** To provide clarity on regional economic strengths, identify key sectoral drivers, and assist aspirants and researchers in understanding India's state-level GDP landscape.

RANKING

State-wise GSDP & GDP Contribution Table (FY 2024–25):

Rank	State	Projected GSDP (₹ lakh crore)	GDP per Capita (₹ lakh)	Share of National GDP (%)
1	Maharashtra	42.67	2.89	13.30%
2	Tamil Nadu	31.55	3.50 (FY 2023–24)	8.90%
3	Karnataka	28.09	3.31	8.20%
4	Gujarat	27.90	3.13	8.10%
5	Uttar Pradesh	24.99	0.96	8.40%
6	West Bengal	18.80	1.57	5.60%
7	Rajasthan	17.80	1.67 (FY 2023–24)	5.00%
8	Telangana	16.50	3.83 (FY 2023–24)	4.90%
9	Andhra Pradesh	15.89	2.70	4.70%
10	Madhya Pradesh	15.22	1.56 (FY 2023–24)	4.50%

RANKING

Important Terms Explained:

- **Gross Domestic Product (GDP):** A standard economic indicator measuring the total value of goods and services produced in a country over a given period.
- **Gross State Domestic Product (GSDP):** The state-level equivalent of GDP, representing the economic output of a specific Indian state.
- **Per Capita NSDP:** The average income of an individual in a state, calculated by dividing the Net State Domestic Product by the population.

RANKING

Tabular Summary:

Parameter	Details
Event name	Ranking of Top 10 Indian States by GDP Contribution
Announcement date	May 27, 2025
Location	India (All States)
Issuing authority	Based on economic projections for FY 2024–25
Policy/series name	State GSDP and GDP Share Report
Key figures	Maharashtra, Tamil Nadu, Karnataka, Gujarat, Uttar Pradesh
Purpose/reason	Evaluate economic contribution and disparities across states
Feature details	GSDP size, per capita income, national GDP share
Validity or status	Based on FY 2024–25 estimates
Strategic/significant value	Useful for planning, policy, and competitive exam relevance

RANKING

➤ Which Indian state ranks first in defence sector contribution due to its aerospace, avionics, and drone development capabilities?

- A) Maharashtra
- B) Telangana
- C) Karnataka
- D) Tamil Nadu
- E) Gujarat

Answer
C) Karnataka

RANKING

Event and Location:

- **Event:** Release of analysis highlighting top 10 Indian states contributing to the defence sector
- **Location:** India (National overview)
- **Date:** May 27, 2025

Mandates and Objectives:

- **Mandates:** A state-wise analysis was conducted to identify India's top 10 contributors to the defence ecosystem based on manufacturing, R&D, aerospace capability, and military infrastructure.
- **Objectives:** To showcase the regional diversity of India's defence power, promote investment in defence corridors, and highlight progress in self-reliance through indigenous production.

RANKING

Top 10 Indian States in Defence Sector Contribution:

Rank	State	Key Contributions
1	Karnataka	Aerospace, avionics, drones, defence electronics
2	Telangana	Missile systems, UAVs, aerospace manufacturing
3	Uttar Pradesh	Defence Industrial Corridor, missile and drone manufacturing
4	Tamil Nadu	Armored vehicles, ammunition, Southern Defence Corridor
5	Maharashtra	Radar systems, armored vehicles, electronics
6	Gujarat	Aircraft assembly, defence aviation, private-sector growth
7	Andhra Pradesh	Aerospace ecosystem, defence electronics
8	Rajasthan	Military training grounds, testing and simulation environments
9	Madhya Pradesh	Ordnance factories, centralized logistics
10	Haryana	Precision manufacturing, electronics, defence training institutions

Important Terms Explained:

- **Defence Industrial Corridor:** A cluster-based development strategy by the Government of India to promote indigenous defence manufacturing, with key corridors in Uttar Pradesh and Tamil Nadu.
- **UAV (Unmanned Aerial Vehicle):** Aircraft systems operated remotely, widely used in surveillance, reconnaissance, and strategic military operations.
- **Aatmanirbhar Bharat in Defence:** India's mission to reduce reliance on imports by boosting local manufacturing and innovation in the defence sector.

RANKING

Tabular Summary:

Parameter	Details
Event name	Top 10 Indian States Powering India's Defence Sector
Announcement date	May 27, 2025
Location	India (State-wise analysis)
Issuing authority	Based on defence manufacturing and infrastructure contributions
Policy/series name	Aatmanirbhar Bharat – Defence Sector Focus
Key figures	Karnataka, Telangana, Uttar Pradesh, Tamil Nadu, Maharashtra
Purpose/reason	Identify leading states advancing India's defence manufacturing and R&D
Feature details	Corridors, aerospace clusters, ordnance factories, training centres
Validity or status	Ongoing contributions; based on current industrial and strategic capability
Strategic/significant value	Enhances India's global defence manufacturing position and self-reliance goals

RANKING

➤ Which Indian state recently became the 24th in the country to achieve 100% railway route electrification?

- A) Rajasthan
- B) Tamil Nadu
- C) Gujarat
- D) Karnataka
- E) Assam

Answer
C) Gujarat

RANKING

Event and Location:

- **Event:** Gujarat becomes fully electrified in terms of railway network
- **Location:** Gujarat, India (Announced during Dahod Locomotive Factory inauguration)
- **Date:** May 26, 2025

Mandates and Objectives:

- **Mandates:** Prime Minister Narendra Modi announced Gujarat's achievement of 100% rail electrification, making it the 24th state/UT in India to reach this milestone.
- **Objectives:** To reduce carbon emissions, cut fossil fuel dependence, lower rail transport costs, and align Indian Railways with the goal of net-zero carbon emissions by 2030.

RANKING

Electrification Status in Key States/UTs:

Category	States/UTs
Fully Electrified (24)	Gujarat, Andhra Pradesh, Bihar, Kerala, Maharashtra, Telangana, UP, etc.
Not Yet Fully Electrified	Rajasthan (98%), Karnataka (96%), Tamil Nadu (96%), Goa (88%), Assam (79%)
Top Global Electrified Countries	Switzerland (99%), India (98.83%)

RANKING

Important Terms Explained:

- **Rail Electrification:** The process of powering trains through electricity instead of diesel, making railways more efficient, cleaner, and cost-effective.
- **Central Organisation for Railway Electrification (CORE):** A key body under Indian Railways, based in Prayagraj, responsible for accelerating and coordinating rail electrification projects.
- **Net-Zero Target:** Indian Railways aims to achieve net-zero carbon emissions by 2030 as part of India's broader climate commitments.

RANKING

Tabular Summary:

Parameter	Details
Event name	Gujarat achieves 100% railway route electrification
Announcement date	May 26, 2025
Location	Dahod, Gujarat
Issuing authority	Prime Minister Narendra Modi / Indian Railways
Policy/series name	Indian Railways Green Mobility & Net-Zero Emissions Initiative
Key figures	PM Narendra Modi, Siemens, CORE, Indian Railways
Purpose/reason	Promote green transport and reduce rail operating costs
Feature details	Dahod Electric Locomotive Factory, 9000 HP locomotives, Siemens partnership
Validity or status	Achieved and officially announced
Strategic/significant value	Supports India's COP26 climate goals and net-zero railway emissions by 2030

➤ On which date did LIC set a Guinness World Record by selling over 5.8 lakh life insurance policies in a single day?

- A) January 1, 2025
- B) March 15, 2025
- C) January 20, 2025
- D) May 25, 2025
- E) April 10, 2025

Answer

C) January 20, 2025

Event and Location:

- **Event:** LIC sets Guinness World Record for most life insurance policies sold in 24 hours
- **Location:** India (Nationwide effort across LIC's agent network)
- **Date:** January 20, 2025 (Recognized on May 25, 2025)

Mandates and Objectives:

- **Mandates:** LIC organized a nationwide campaign called Mad Million Day, motivating its vast agent force to issue life insurance policies within a single day.
- **Objectives:** To demonstrate LIC's reach, agent engagement, and ability to deliver large-scale insurance solutions, while promoting financial inclusion and protection for all.

Important Terms Explained:

- **Mad Million Day:** A mass mobilization initiative launched by LIC on January 20, 2025, urging every agent to issue at least one policy to collectively reach a record-breaking milestone.
- **Guinness World Record:** A global recognition authority that certifies extraordinary achievements, including those in business and services like insurance.
- **Life Insurance Corporation of India (LIC):** A state-owned life insurance behemoth established in 1956, with the largest market share in India's life insurance segment.

Tabular Summary:

Parameter	Details
Event name	LIC's Guinness World Record for Insurance Sales
Announcement date	May 25, 2025 (Recognition)
Location	India (Nationwide)
Issuing authority	Guinness World Records
Policy/series name	Mad Million Day
Key figures	LIC, CEO Siddhartha Mohanty, 452,839 agents
Purpose/reason	Demonstrate agent strength and insurance outreach
Feature details	588,107 policies sold in 24 hours across India
Validity or status	Record officially recognized by Guinness
Strategic/significant value	Showcases LIC's operational scale and insurance sector leadership

➤ Which asteroid is the target of China's Tianwen-2 mission for a sample return operation?

- A) Ryugu
- B) Bennu
- C) Didymos
- D) Kamo'oalewa
- E) Apophis

Answer
D) Kamo'oalewa

Event and Location:

- **Event:** China to launch Tianwen-2 for asteroid sample-return mission
- **Location:** China / Target: Near-Earth asteroid Kamo'oalewa
- **Date:** Expected launch in the last week of May 2025

Mandates and Objectives:

- **Mandates:** China's space agency will launch the Tianwen-2 mission to survey and collect samples from the quasi-satellite asteroid Kamo'oalewa using advanced sampling technologies.
- **Objectives:** To retrieve samples from a near-Earth asteroid, investigate the object's composition and potential lunar origin, enhance understanding of quasi-satellite dynamics, and demonstrate technological capabilities comparable to missions like NASA's OSIRIS-REx and JAXA's Hayabusa2.

Important Terms Explained:

- **Tianwen-2:** China's second interplanetary space mission, aimed at asteroid exploration and sample return from the quasi-satellite Kamo'oalewa.
- **Quasi-Satellite:** A celestial body that orbits the Sun but remains near Earth, appearing to orbit Earth due to its synchronized elliptical path.
- **Touch-and-go technique:** A sampling method where the spacecraft briefly touches the surface of an asteroid to collect material.
- **Anchor-and-attach technique:** A backup sampling approach where the spacecraft anchors itself to the asteroid to extract samples.

SCIENCE AND TECHNOLOGY

Tabular Summary:

Parameter	Details
Event name	Tianwen-2 Mission to Quasi-Satellite Kamo'oalewa
Announcement date	May 2025
Location	China / Near-Earth Orbit
Issuing authority	China National Space Administration (CNSA)
Policy/series name	Tianwen Interplanetary Mission Series
Key figures	Tianwen-2 spacecraft, Kamo'oalewa asteroid
Purpose/reason	Retrieve asteroid samples, study quasi-satellite dynamics and lunar origins
Feature details	Touch-and-go sampling, anchor-and-attach backup, multi-phase mission plan
Validity or status	Launch scheduled for May 2025; post-sampling return and asteroid belt travel
Strategic/significant value	Advances China's position in deep space exploration and sample-return technology

➤ Which Indian-led platform was launched to promote startup collaboration at the 9th BRICS Industry Ministers' Meeting?

- A) Digital Startup Exchange
- B) BRICS Tech Incubator
- C) BRICS Startup Knowledge Hub
- D) India-BRICS Innovation Grid
- E) Sahyog Startup Portal

Answer

C) BRICS Startup Knowledge Hub

INTERNATIONAL AFFAIRS

Event and Location:

- **Event:** India promotes inclusive industrial growth at the 9th BRICS Industry Ministers' Meeting
- **Location:** Itamaraty Palace, Brasília, Brazil
- **Date:** May 21, 2025

Mandates and Objectives:

- **Mandates:** India participated in the 9th BRICS Industry Ministers' Meeting, advocating inclusive growth through MSMEs, digital innovation, and startup collaboration among Global South economies.
- **Objectives:** To strengthen cross-border startup synergy, promote Industry 4.0 integration, and reaffirm commitment to resilient global economic governance among BRICS and newly expanded members.

INTERNATIONAL AFFAIRS

BRICS Participation and Key Data Table:

Category	Details
New BRICS Members	Egypt, Ethiopia, Iran, Indonesia, Saudi Arabia, UAE
Key Indian Launch	BRICS Startup Knowledge Hub (Launched 31 Jan 2025)
MSME Contribution	5.93 crore MSMEs; 25+ crore employed; 45.73% of exports in FY 2023–24
Digital India Impact	954.40 million internet users (as of March 2024)

Important Terms Explained:

- **BRICS Startup Knowledge Hub:** A digital platform launched by India under the BRICS Start-Up Forum to promote best practices, collaboration, and innovation across BRICS nation startups.
- **Industry 4.0:** The Fourth Industrial Revolution marked by the fusion of digital, physical, and biological systems – including AI, IoT, and automation in industrial practices.
- **Sahyog, Samanjasya, Samagrata, Sarvasammati:** Sanskrit-rooted principles meaning Collaboration, Harmony, Inclusiveness, and Consensus, promoted by India for global industrial cooperation.

INTERNATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	9th BRICS Industry Ministers' Meeting
Announcement date	May 21, 2025
Location	Itamaraty Palace, Brasília, Brazil
Issuing authority	BRICS Chair (Brazil) and Industry Ministers from Member States
Policy/series name	BRICS Inclusive Industrial Growth and Cooperation Agenda
Key figures	Indian delegation, Brazil (Host), New BRICS members
Purpose/reason	Promote MSMEs, startups, digital innovation, and Global South solidarity
Feature details	Launch of Startup Knowledge Hub, Industry 4.0, MSME data, Digital India
Validity or status	Concluded with Joint Declaration and multi-lateral engagement
Strategic/significant value	Enhances Global South cooperation, economic inclusivity, digital transformation

➤ **Why has India revised its official coastline length from 7,516.6 km to 11,098.8 km?**

- A) Due to rising sea levels
- B) Because of land reclamation
- C) Owing to tectonic changes
- D) Due to improved measurement technology
- E) For updating territorial boundaries

Answer

D) Due to improved measurement technology

Event and Location:

- **Event:** India revised its official coastline length
- **Location:** National (India)
- **Date:** December 2024 (Announced in Ministry of Home Affairs Annual Report 2023–24)

Mandates and Objectives:

- **Mandates:** The Ministry of Home Affairs (MoHA) revised India's official coastline length using high-resolution geospatial technologies and advanced mapping methods developed by the Survey of India and the National Hydrographic Office.
- **Objectives:** To improve measurement accuracy, strengthen coastal security, redefine EEZ boundaries, enhance disaster preparedness, update climate models, and revise geographical data in academic and administrative frameworks.

Important Terms Explained:

- **Coastline Paradox:** A geographical concept that states coastline length increases with more detailed measurement scales due to its fractal nature, as proposed by Lewis Fry Richardson and Benoît Mandelbrot.
- **High Water Line (HWL):** The coastal boundary used during high tide, taken from 2011 electronic navigation charts to standardize coastline measurements.
- **GIS (Geographic Information Systems):** A spatial mapping tool used to collect and analyze geographical data for precise coastal measurement.

Important Terms Explained:

- **LIDAR-GPS:** A technology combining laser-based LIDAR scanning with GPS for accurate 3D mapping of coastal terrain.
- **Satellite Altimetry:** A remote sensing technique from satellites that measures sea surface height to define coastal elevation boundaries.
- **Drone-based Imaging:** Use of aerial drones to capture detailed and high-resolution images of the coastline for mapping accuracy.

NATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	Revision of India's official coastline length
Announcement date	December 2024
Location	India
Issuing authority	Ministry of Home Affairs
Policy/series name	Annual Report 2023–24
Key figures	Survey of India, National Hydrographic Office
Purpose/reason	Improve geospatial accuracy and redefine coastal boundaries
Feature details	GIS, Satellite Altimetry, LIDAR-GPS, Drone Imaging
Validity or status	Official length adopted; review cycle every 10 years
Strategic/significant value	Influences maritime security, EEZ rights, disaster response, and educational content

- Which Indian state launched a Space Industrial Policy in April 2025 to attract ₹10,000 crore in investments and generate 10,000 jobs?

- A) Gujarat
- B) Maharashtra
- C) Karnataka
- D) Tamil Nadu
- E) Andhra Pradesh

Answer
D) Tamil Nadu

Event and Location:

- **Event:** Tamil Nadu launched the Space Industrial Policy to enhance private sector involvement in the space economy
- **Location:** Tamil Nadu, India
- **Date:** April 17, 2025

Mandates and Objectives:

- **Mandates:** The Tamil Nadu Cabinet approved the Space Industrial Policy to promote investments, support innovation, and stimulate job creation in the space sector, with support from IN-SPACE.
- **Objectives:** To attract ₹10,000 crore in investments, create 10,000 jobs, foster space startups, promote R&D and precision manufacturing, and integrate space technology in governance sectors like health, agriculture, disaster management, and transport.

Important Terms Explained:

- **Tamil Nadu Space Industrial Policy (2025):** A state-level policy aimed at boosting Tamil Nadu's presence in the space sector through incentives, infrastructure, and ecosystem development.
- **IN-SPACE (Indian National Space Promotion and Authorization Center):** A nodal agency under the Department of Space promoting private participation in India's space program.
- **ISRO Propulsion Complex (IPRC):** A key ISRO facility in Mahendragiri, Tamil Nadu, involved in engine testing and propellant R&D for space missions.

NATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	Launch of Tamil Nadu Space Industrial Policy
Announcement date	April 17, 2025
Location	Tamil Nadu, India
Issuing authority	Tamil Nadu State Cabinet
Policy/series name	Tamil Nadu Space Industrial Policy (2025)
Key figures	Chief Minister M. K. Stalin, IN-SPACe, ISRO Propulsion Complex
Purpose/reason	Promote private sector participation and boost economic growth in the space sector
Feature details	R&D subsidies, green initiatives, space bays, housing incentives
Validity or status	Active; targets 5-year investment and job creation goals
Strategic/significant value	Enhances Tamil Nadu's role in India's private space economy and global competitiveness

➤ Which three companies are leading nearly two-thirds of India's 51.24 GW pumped storage hydropower capacity expansion by 2032?

- A) NTPC, THDC, SJVN
- B) Greenko, Adani Green, JSW Energy
- C) Tata Power, NHPC, TANGEDCO
- D) ReNew Power, Adani Green, NTPC
- E) Greenko, ReNew Power, SJVN

Answer

B) Greenko, Adani Green, JSW Energy

Event and Location:

- **Event:** India announces 51.24 GW pumped storage hydropower target by 2032
- **Location:** India (Led by Andhra Pradesh and Maharashtra)
- **Date:** May 27, 2025

Mandates and Objectives:

- **Mandates:** The Central Electricity Authority (CEA) plans to scale India's pumped storage capacity from <5 GW to 51.24 GW by 2032, with key contributions from Greenko, Adani Green, and JSW Energy.
- **Objectives:** To stabilize the national power grid, store excess renewable energy (especially solar and wind), and reduce dependence on fossil fuels by investing in long-duration energy storage infrastructure.

NATIONAL AFFAIRS

State-wise & Developer-wise Capacity Table:

Developer	Planned Capacity (GW)	Share in Total Planned Capacity (%)
Greenko	13.2	25%
Adani Green	11.4	22%
JSW Energy	7.7	15%

State	Planned Capacity (GW)
Andhra Pradesh	16
Maharashtra	13

Important Terms Explained:

- **Pumped Storage Hydropower:** A form of energy storage that uses gravity and water reservoirs to store and generate electricity by moving water between two elevations.
- **CEA (Central Electricity Authority):** The apex technical body under the Ministry of Power responsible for power system planning and operation.
- **BESS (Battery Energy Storage Systems):** Fast-deployable energy storage using lithium-ion or other battery technologies, but currently reliant on Chinese imports.

NATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	India's Pumped Storage Hydropower Expansion
Announcement date	May 27, 2025
Location	Pan-India (notably Andhra Pradesh and Maharashtra)
Issuing authority	Central Electricity Authority (CEA)
Policy/series name	National Energy Storage Expansion Plan
Key figures	Greenko, Adani Green, JSW Energy
Purpose/reason	Store excess renewable energy and stabilize grid operations
Feature details	51.24 GW planned capacity by 2032; 10 GW under construction
Validity or status	Long-term goal (till 2032); projects under various stages
Strategic/significant value	Boosts clean energy transition, reduces fossil fuel reliance, strengthens energy security

➤ Where did Prime Minister Narendra Modi lay the foundation stone for development projects worth over ₹24,000 crore on May 26, 2025?

- A) Vadodara
- B) Bhopal
- C) Dahod
- D) Surat
- E) Gandhinagar

Answer
C) Dahod

Event and Location:

- **Event:** PM Modi laid the foundation stone and inaugurated projects worth over ₹24,000 crore
- **Location:** Dahod, Gujarat
- **Date:** May 26, 2025

Mandates and Objectives:

- **Mandates:** PM Narendra Modi laid foundation stones and inaugurated a series of projects totaling more than ₹24,000 crore in Dahod across sectors like railways, education, tribal development, defense, and water infrastructure.
- **Objectives:** Strengthen Gujarat's connectivity, promote tribal welfare, boost indigenous manufacturing, and further India's mission of Aatmanirbharta and Viksit Bharat.

Important Terms Explained:

- **Viksit Bharat:** A vision for a developed India that emphasizes domestic capacity-building, infrastructure, education, and innovation for all sections of society.
- **PM Janman Yojana:** A welfare scheme focused on particularly vulnerable tribal groups (PVTGs), ensuring targeted delivery of infrastructure and services.

Important Terms Explained:

- **Dhartii Aaba Janjati Gram Utkarsh Abhiyan:** A massive ₹80,000 crore initiative to upgrade tribal villages with essential amenities like roads, electricity, schools, and hospitals.
- **Operation Sindoor:** A swift and strategic counter-terrorism operation conducted by Indian forces in response to a terror attack in Jammu & Kashmir, showcasing India's defense readiness.

NATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	PM Modi's visit to Dahod – ₹24,000 crore development push
Announcement date	May 26, 2025
Location	Dahod, Gujarat
Issuing authority	Prime Minister's Office, Government of India
Policy/series name	Viksit Bharat vision; PM Janman Yojana; Dharti Aaba Abhiyan
Key figures	PM Narendra Modi, Railway Ministry, Tribal Affairs Ministry
Purpose/reason	Boost infrastructure, tribal development, railway exports, and water access
Feature details	9,000 HP locomotives, tribal express trains, Vande Bharat, irrigation, schools
Validity or status	Foundation stone laid and implementation underway
Strategic/significant value	Strengthens Make in India, connectivity, defense readiness, and tribal welfare

➤ Which two Indian folk art forms were featured during the Artists-in-Residence programme (Kala Utsav) held at Rashtrapati Bhavan in May 2025?

- A) Warli and Kalamkari
- B) Madhubani and Gond
- C) Pattachitra and Saura
- D) Bhil and Tanjore
- E) Rogan and Miniature

Answer

B) Madhubani and Gond

Event and Location:

- **Event:** Kala Utsav – Artists-in-Residence Programme hosted to promote traditional folk art
- **Location:** Rashtrapati Bhavan, New Delhi
- **Date:** May 20–26, 2025

Mandates and Objectives:

- **Mandates:** The Rashtrapati Bhavan organized a week-long Artists-in-Residence programme titled Kala Utsav, bringing together prominent folk artists to celebrate and exhibit India's tribal and traditional art forms.
- **Objectives:** To preserve and promote indigenous art forms like Madhubani and Gond, recognize the contributions of traditional artists, foster cultural awareness, and provide a national platform for tribal artisans.

Important Terms Explained:

- **Kala Utsav (Artists-in-Residence Programme):** A cultural initiative hosted at Rashtrapati Bhavan that brings together India's traditional artists for a week-long residency, culminating in an exhibition and interaction with the President.
- **Madhubani Art:** Originating from Bihar's Mithila region, it is known for intricate floral, mythological, and geometrical patterns painted with natural dyes.
- **Gond Art:** Tribal art form from Madhya Pradesh, notable for its storytelling style using patterns of dots and lines to depict animals, trees, and village life.

NATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	Kala Utsav – Artists-in-Residence Programme
Announcement date	May 20, 2025
Location	Rashtrapati Bhavan, New Delhi
Issuing authority	Office of the President of India
Policy/series name	Artists-in-Residence Programme
Key figures	President Droupadi Murmu, folk artists from Bihar and Madhya Pradesh
Purpose/reason	Promote traditional art forms and honor indigenous artists
Feature details	Week-long residency, national recognition, cultural engagement
Validity or status	Successfully conducted from May 20 to May 26, 2025
Strategic/significant value	Supports cultural diplomacy and revitalization of Indian folk heritage

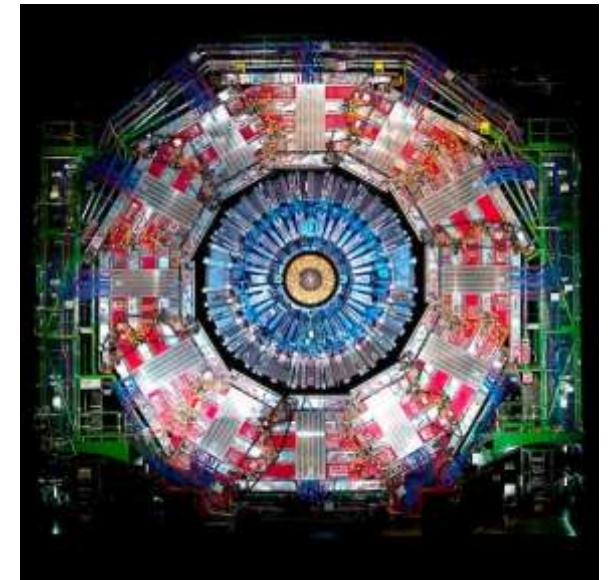

➤ Which two CERN experiments saw major Indian contributions and led to the 2025 Breakthrough Prize in Fundamental Physics?

- A) ATLAS and CMS
- B) LIGO and CMS
- C) ALICE and CMS
- D) ALICE and LIGO
- E) CMS and Belle II

Answer

C) ALICE and CMS

Event and Location:

- **Event:** India recognized for contributions to LHC experiments receiving the 2025 Breakthrough Prize
- **Location:** CERN, Geneva (Switzerland) – Indian collaboration from across India
- **Date:** May 2025

Mandates and Objectives:

- **Mandates:** Indian institutions contributed significantly to the ALICE and CMS experiments at CERN's Large Hadron Collider, resulting in global recognition through the 2025 Breakthrough Prize in Fundamental Physics.
- **Objectives:** To advance fundamental research in high-energy physics, study quark-gluon plasma, Higgs boson, top quark, and support global scientific collaboration through instrumentation, data analysis, and computing.

NATIONAL AFFAIRS

Top Indian Institutions & Contributions to ALICE & CMS:

Experiment	Institutions Involved	Key Contributions
ALICE	VECC, SINP, IOP-Bhubaneswar, IIT Mumbai, Panjab Univ., AMU, etc.	Photon Multiplicity Detector (PMD), Muon Spectrometer, Quark-Gluon Plasma research
CMS	TIFR, BARC, IISc, IITs, DU, NISER, IISERs, BIT Mesra, etc.	Trigger Systems, Silicon Preshower, Resistive Plate Chambers, Higgs and BSM research
Both	BARC, RRCAT, TIFR, VECC	Superconducting magnets, RF systems, cryogenics, WLCG Tier-2 computing (17.5M jobs)

Important Terms Explained:

- **Breakthrough Prize in Fundamental Physics:** A global award (also known as the “Oscars of Science”) established in 2012 to honor major contributions in science, especially physics, life sciences, and mathematics.
- **CERN – LHC:** CERN is the European Organization for Nuclear Research, and the Large Hadron Collider is the world’s largest particle accelerator used to explore the fundamental structure of the universe.

Important Terms Explained:

- **ALICE & CMS Experiments:** Major CERN-based physics experiments; ALICE focuses on heavy-ion collisions and quark-gluon plasma, while CMS is central to discovering the Higgs boson and studying BSM (Beyond Standard Model) physics.

NATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	India honored via 2025 Breakthrough Prize for CERN LHC contributions
Announcement date	May 2025
Location	Geneva, Switzerland (CERN) – with Indian national-level institutional support
Issuing authority	Breakthrough Prize Foundation
Policy/series name	ALICE and CMS experiments (LHC)
Key figures	Indian scientists from TIFR, BARC, IISc, IITs, VECC, etc.
Purpose/reason	Recognize Indian participation in major high-energy physics breakthroughs
Feature details	Detector development, computing systems, PhD training, global publications
Validity or status	Ongoing participation in CERN Phase-2 Upgrades
Strategic/significant value	Showcases India's global leadership in scientific collaboration and particle physics

- What percentage of MSMEs are classified as medium enterprises, according to NITI Aayog's 2025 policy report?

- A) 5%
- B) 10%
- C) 0.3%
- D) 2.7%
- E) 29%

Answer
C) 0.3%

Event and Location:

- **Event:** NITI Aayog released a strategic policy report for medium enterprises
- **Location:** India (National-level report release)
- **Date:** May 26, 2025

Mandates and Objectives:

- **Mandates:** NITI Aayog launched the report titled “Designing a Policy for Medium Enterprises”, proposing a targeted policy framework to empower medium-sized businesses.
- **Objectives:** To unlock the growth potential of medium enterprises, encourage innovation and exports, and align with India’s long-term Viksit Bharat @2047 vision by enabling these enterprises to become globally competitive and technologically advanced.

Important Terms Explained:

- **Medium Enterprises:** These are firms with higher revenue, workforce, and investment thresholds than micro and small enterprises, and they hold a high potential for scale, innovation, and exports.
- **Viksit Bharat @2047:** A long-term national vision aiming to make India a fully developed economy by its 100th year of independence.
- **Self-Reliant India Fund:** A government fund designed to promote innovation and self-reliance, especially in the MSME and startup ecosystem.
- **Udyam Portal:** A government platform for MSME registration and access to schemes and digital compliance tools.

NATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	Launch of strategic report on Medium Enterprises by NITI Aayog
Announcement date	May 26, 2025
Location	India (National-level)
Issuing authority	NITI Aayog
Policy/series name	Designing a Policy for Medium Enterprises
Key figures	Suman Bery, Dr. V.K. Saraswat, Dr. Arvind Virmani
Purpose/reason	Empower medium enterprises as growth engines for India
Feature details	Financial tools, SME 4.0 Centres, R&D units, digital portals, skill mapping
Validity or status	Released and open for stakeholder engagement
Strategic/significant value	Enhances industrial inclusivity and boosts India's export and innovation readiness

QUICK RECALL

- **World Thyroid Day is observed annually on May 25 to raise global awareness of thyroid disorders.**
- **The UN observes the International Week of Solidarity with Non-Self-Governing Territories from May 25 to 31 each year.**
- **The United Nations General Assembly declared 25 May as World Football Day starting from 2024.**
- **Dr. Mansukh Mandaviya announced the annual Khelo India Northeast Games at the Rising Northeast Investors Summit 2025.**
- **Kush Maini made history on May 24, 2025, by becoming the first Indian to win a Formula 2 race.**
- **Arsenal defeated FC Barcelona 1-0 in the 2025 UEFA Women's Champions League final in Lisbon.**
- **Maharashtra leads all Indian states with a projected GSDP of ₹42.67 lakh crore and contributes 13.3% to India's GDP.**

QUICK RECALL

- **Karnataka ranks first among Indian states in defence contribution, led by Bengaluru's aerospace and R&D ecosystem.**
- **Gujarat became the 24th Indian state/UT to achieve 100% railway electrification, announced on May 26, 2025.**
- **LIC created a Guinness World Record on January 20, 2025, by selling 588,107 life insurance policies in a single day.**
- **China is set to launch the Tianwen-2 mission in May 2025 to collect samples from the near-Earth asteroid Kamo'oalewa.**
- **India participated in the 9th BRICS Industry Ministers' Meeting in Brasília on May 21, 2025, hosted by Brazil.**
- **India officially revised its coastline length from 7,516.6 km to 11,098.8 km as per the Home Ministry's 2023–24 annual report.**

QUICK RECALL

- Tamil Nadu launched its Space Industrial Policy in April 2025 to attract ₹10,000 crore investments and generate 10,000 jobs.
- India plans to expand its pumped storage hydropower capacity to 51.24 GW by 2032 from the current <5 GW.
- PM Modi laid the foundation stone for development projects worth over ₹24,000 crore in Dahod on May 26, 2025.
- Rashtrapati Bhavan hosted the Kala Utsav as part of the Artists-in-Residence programme to promote traditional Indian folk art.
- India's contribution to CERN's ALICE and CMS experiments earned global praise through the 2025 Breakthrough Prize in Fundamental Physics.
- NITI Aayog released a national strategy titled "Designing a Policy for Medium Enterprises" on May 26, 2025.
