 - To simplify user access to railway services, improve booking and enquiry efficiency, and address app fragmentation by integrating multiple platforms into a single user-friendly solution.

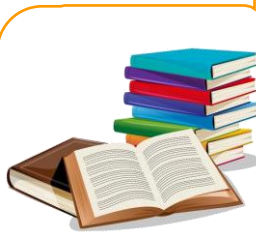

Important Terms Explained:

- **RailOne App:**
 - A new super app by Indian Railways, combining key services like IRCTC booking, unreserved tickets (UTS), PNR tracking, Rail Madad, and R-Wallet into one platform with a single-sign-on interface.
- **R-Wallet:**
 - A digital wallet linked to RailOne, allowing passengers to make cashless transactions for tickets and other railway services using biometric or mPIN login.

Important Terms Explained:

- **Tatkal Booking Authentication:**
 - From July 1, 2025, only verified users (via Aadhaar or DigiLocker) will be allowed to book Tatkal tickets, increasing transparency and reducing misuse.
