| Strategic/significant value | Gill joins elite global list; boosts India's position in the Test series |

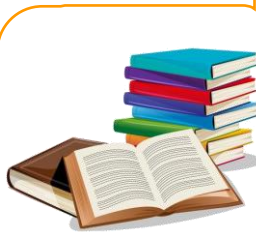

RANKING

➤ According to the World Bank, what is India's rank among the world's most equal societies based on the Gini Index?

- A) 1st
- B) 3rd
- C) 4th
- D) 5th
- E) 6th

Answer
C) 4th

RANKING

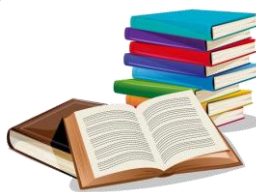

Event and Location:

- **Event:** India ranked 4th most equal society globally by World Bank based on Gini Index
- **Location:** Global (India-specific focus)
- **Date:** July 2025 (data released for 2022)

Mandates and Objectives:

- **Mandates:** The World Bank has released global Gini Index data placing India at the 4th position among 170 countries in terms of income equality, with a Gini Index of 25.5.
- **Objectives:**
 - Highlight India's progress in income equality and social equity
 - Measure how income and consumption are distributed among the population
 - Benchmark India's socioeconomic equity progress against global standards

Important Terms Explained:

- **Gini Index:** A measure of inequality in income distribution where 0 represents perfect equality and 100 represents perfect inequality. Lower scores mean more equal societies.
- **Moderately Low Inequality:** Countries with a Gini Index between 25 and 30. India, with 25.5, falls in this range but is close to entering the “low inequality” bracket (<25).
- **Low Inequality Countries:** Include the Slovak Republic (24.1), Slovenia (24.3), and Belarus (24.4)—ranked above India.

RANKING

Tabular Summary:

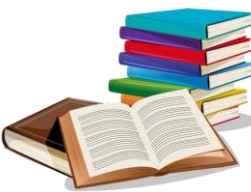

| Parameter | Details |
