- **Date:** September 17, 2025

Important Days

Mandates and Objectives:

- **Mandates:** The IDSE, a Group 'A' engineering cadre under the Ministry of Defence, celebrated its 76th Raising Day, highlighting its vital role in building and maintaining India's strategic defence infrastructure.
- **Objectives:** To recognise contributions of IDSE officers, promote technological modernisation, and reaffirm the need for infrastructure readiness in national security amid evolving threats.

Important Days

Important Terms Explained:

- **IDSE (Indian Defence Service of Engineers):** A central engineering service under the Ministry of Defence responsible for the planning, construction, and upkeep of military infrastructure across all defence wings.
- **MES (Military Engineer Services):** One of India's oldest government engineering services, established in 1923, through which IDSE officers serve; operates under the Engineer-in-Chief of the Indian Army.
- **Engineer-in-Chief (E-in-C):** The senior-most officer of the Corps of Engineers in the Indian Army who heads both MES and supervises IDSE operations across defence establishments.

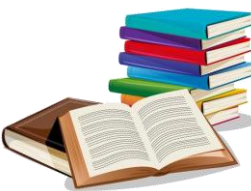

Important Days

Tabular Summary:

Parameter	Details
Event name	76th Raising Day of Indian Defence Service of Engineers (IDSE)
Date of celebration	September 17, 2025
Location	Manekshaw Centre, Delhi Cantt
Issuing authority	Ministry of Defence
Policy/series name	IDSE Infrastructure Excellence and Defence Preparedness
Key figures	Defence Secretary Rajesh Kumar Singh, Engineer-in-Chief (Army)

- A) Vaishali Rameshbabu
- B) Koneru Humpy
- C) Marium Fatima
- D) Divya Deshmukh
- E) Tania Sachdev

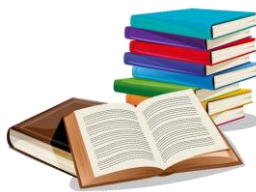

Answer

C) Marium Fatima

Event and Location:

- **Event:** Marium Fatima becomes Bihar's first Woman FIDE Master
- **Location:** Muzaffarpur, Bihar
- **Date:** September 19, 2025

Mandates and Objectives:

- **Mandates:** Marium Fatima, a young chess player from Muzaffarpur, has been awarded the title of Woman FIDE Master (WFM) by FIDE, making her the first woman from Bihar to receive this prestigious title in chess.
- **Objectives:** To recognize her international-level performance, promote women in intellectual sports, and encourage the chess ecosystem in Bihar by celebrating breakthrough achievements.

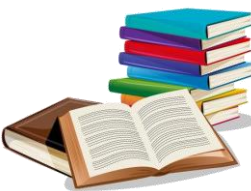

Important Terms Explained:

- **FIDE (Fédération Internationale des Échecs):** The International Chess Federation, the global governing body of chess responsible for awarding official player titles and maintaining the rating system.
- **Woman FIDE Master (WFM):** An international title given to female chess players by FIDE, typically awarded when a player achieves a FIDE rating of 2100 or more in recognized competitions.
- **Muzaffarpur:** A major city in north Bihar, now gaining recognition for its contribution to intellectual sports like chess.

Tabular Summary:

Parameter	Details
Event name	Marium Fatima becomes Bihar's first Woman FIDE Master
Announcement date	September 19, 2025
Location	Muzaffarpur, Bihar
Issuing authority	Fédération Internationale des Échecs (FIDE)
Policy/series name	International Chess Titles
Key figures	Marium Fatima, Ravindran Shankaran (DG, Bihar State Sports Authority)
Purpose/reason	To honour exceptional chess performance at international level

➤ **Why did the RBI conduct two Variable Rate Repo (VRR) auctions on September 19, 2025?**

- A) To increase CRR
- B) To control inflation
- C) To infuse liquidity due to advance tax outflows
- D) To issue sovereign bonds
- E) To reduce interest on deposits

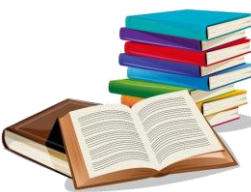

Answer

C) To infuse liquidity due to advance tax outflows

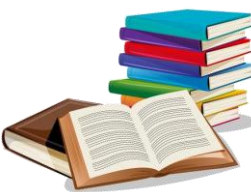

Event and Location:

- **Event:** RBI conducts two Variable Rate Repo (VRR) auctions to infuse liquidity
- **Location:** India
- **Date:** September 19, 2025

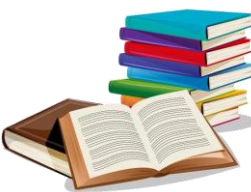

Mandates and Objectives:

- **Mandates:** The Reserve Bank of India (RBI) conducted two Variable Rate Repo (VRR) auctions—of 6-day and 3-day tenors—injecting liquidity into the banking system.
- **Objectives:** The goal was to counter liquidity tightening caused by higher-than-expected advance tax outflows and ensure smooth monetary policy transmission.

Important Terms Explained:

- **Variable Rate Repo (VRR):** A tool used by the RBI to inject liquidity into the banking system by allowing banks to borrow funds at rates determined through auction.
- **Advance Tax:** A system where income tax is paid in advance rather than at the end of the financial year; sudden large outflows can drain liquidity.
- **Cash Reserve Ratio (CRR):** The percentage of a bank's total deposits that must be kept as reserves with the RBI; lowering CRR releases liquidity into the system.

Tabular Summary:

Parameter	Details
Event name	RBI conducts two VRR auctions to infuse liquidity
Announcement date	September 19, 2025
Location	India
Issuing authority	Reserve Bank of India (RBI)
Policy/series name	Variable Rate Repo Auctions
Key figures	Governor Shaktikanta Das
Purpose/reason	Liquidity infusion amid advance tax-related outflows
Feature details	₹59,967 crore accepted in 6-day VRR; ₹390 crore accepted in 3-day VRR
Validity or status	Active; overnight VRR for ₹1 lakh crore planned on next working day
Strategic/significant value	Maintains liquidity buffer, supports rate transmission, and financial stability

➤ Which credit rating agency recently upgraded India's long-term sovereign rating to 'BBB+' in September 2025?

- A) Moody's
- B) Fitch Ratings
- C) Rating and Investment Information Inc.
- D) Morningstar DBRS
- E) S&P Global

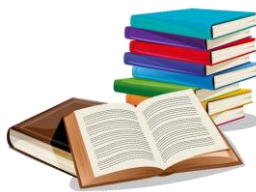

Answer

C) Rating and Investment Information Inc.

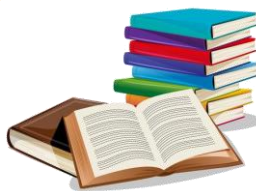

Event and Location:

- **Event:** R&I upgrades India's sovereign credit rating to 'BBB+'
- **Location:** India (Global implications)
- **Date:** September 19, 2025

Mandates and Objectives:

- **Mandates:** Rating and Investment Information Inc. (R&I), a Japanese credit rating agency, upgraded India's long-term sovereign credit rating from 'BBB' to 'BBB+', while maintaining a stable outlook.
- **Objectives:** The upgrade recognizes India's economic resilience, fiscal consolidation, and external stability, aiming to bolster investor confidence and support sustained growth.

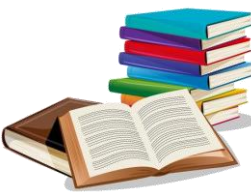

Important Terms Explained:

- **Sovereign Credit Rating:** An evaluation of a country's creditworthiness to repay debts, influencing borrowing costs and investor sentiment.
- **Fiscal Deficit:** The shortfall when a government's total expenditures exceed its total revenues, excluding borrowings. A reduction implies better financial management.
- **Current Account Deficit (CAD):** A measure of a country's trade where the value of goods and services it imports exceeds the value of exports, affecting external stability.

Tabular Summary:

Parameter	Details
Event name	India's sovereign credit rating upgraded to BBB+ by R&I

Event and Location:

- **Event:** IIT Roorkee deploys landslide warning system in Kanichar under Living Lab project
- **Location:** Kanichar Panchayat, Kannur district, Kerala
- **Date:** September 19, 2025

Mandates and Objectives:

- **Mandates:** A nine-member team from IIT Roorkee has initiated the setup of a landslide early warning system in Kanichar, including automated weather stations and ground sensors for real-time monitoring.
- **Objectives:** To forecast landslide-prone conditions 3–4 hours in advance, ensuring disaster preparedness, community safety, and scientific intervention in high-risk zones.

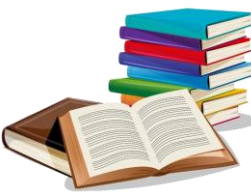

Important Terms Explained:

- **Landslide Warning System:** A system using soil sensors, rainfall data, and geological models to predict landslides and issue early warnings to prevent loss of life and property.
- **Living Lab Project:** A real-time, field-based experimental setup where innovations are co-created, tested, and validated in real-world environments with community participation.
- **Automated Weather Station (AWS):** An instrument that monitors weather parameters like rainfall, humidity, wind speed, and temperature, crucial for disaster prediction.

Tabular Summary:

Parameter	Details
Event name	IIT Roorkee landslide warning system setup in Kanichar
Announcement date	September 19, 2025
Location	Kanichar Panchayat, Kannur, Kerala
Issuing authority	IIT Roorkee
Policy/series name	Living Lab Project
Key figures	D.P. Kanungo, Kaushik Pandit, Anindya Pain, Prof. Panigrahi
Purpose/reason	To install real-time landslide prediction systems and reduce disaster risk
Feature details	Automated weather station + landslide sensors with 3–4 hours early warning
Validity or status	Under implementation in Kanichar, Kerala
Strategic/significant value	Enhances disaster preparedness and community safety in high-risk areas

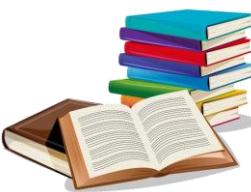

➤ **Which Indian institution is set to launch an AI-powered audit system using a Large Language Model (LLM)?**

- A) NITI Aayog
- B) Reserve Bank of India
- C) Ministry of Finance
- D) Comptroller and Auditor General (CAG) of India
- E) Election Commission of India

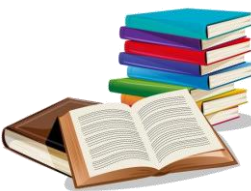

Answer

D) Comptroller and Auditor General (CAG) of India

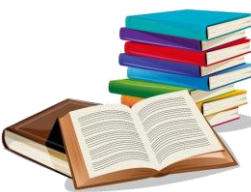

Event and Location:

- **Event:** Launch of AI-based audit system using Large Language Model
- **Location:** India (nationwide coverage through CAG)
- **Date:** September 19, 2025 (announcement)

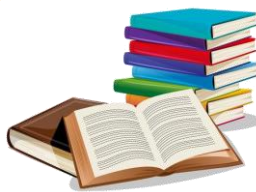

Mandates and Objectives:

- **Mandates:** The Comptroller and Auditor General (CAG) of India will deploy an AI-powered Large Language Model (LLM) to automate and enhance auditing functions for improved oversight of government transactions.

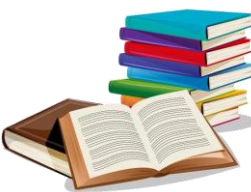

Mandates and Objectives:

- **Objectives:**
 - To increase efficiency, consistency, and risk detection in public auditing
 - To enable real-time data analysis and oversight using AI
 - To reduce manual field visits and support remote and hybrid auditing
 - To modernize audit practices in line with Digital India and e-Governance goals

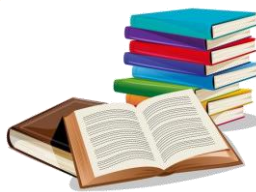

Important Terms Explained:

- **CAG (Comptroller and Auditor General of India):** The constitutional authority responsible for auditing all government receipts and expenditures to ensure accountability and transparency in public financial management.
- **Large Language Model (LLM):** A type of AI model trained on massive volumes of text data that can understand, summarize, predict, and generate language-based outputs. It improves decision-making by analyzing patterns in large, unstructured datasets.

Important Terms Explained:

- **Digital Audit System:** A technology-driven audit mechanism that uses software, AI, and analytics to examine digital records, detect anomalies, and streamline the audit process remotely.

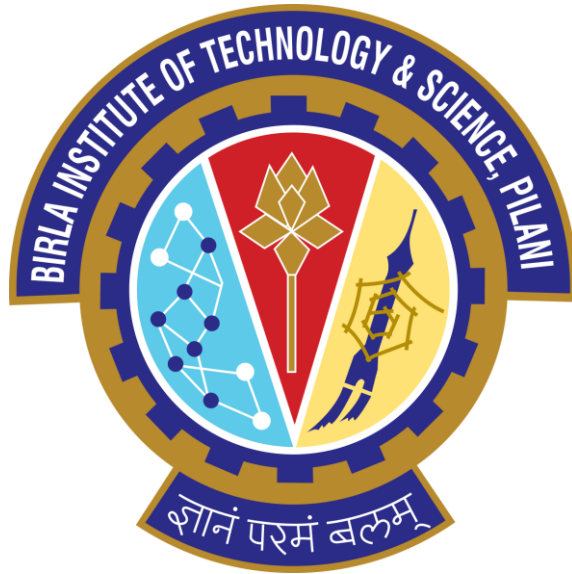

Tabular Summary:

Parameter	Details
Event name	Launch of AI-powered audit using LLM by CAG
Announcement date	September 19, 2025
Location	India (CAG coverage is pan-India)
Issuing authority	Comptroller and Auditor General (CAG) of India
Policy/series name	Digital Audit Reform under e-Governance
Key figures	Girish Chandra Murmu (CAG of India)
Purpose/reason	To enhance audit efficiency, consistency, and risk detection
Feature details	Uses LLM to analyze documents, detect anomalies, and generate summaries
Validity or status	Pilot launch phase; to be scaled across departments
Strategic/significant value	Strengthens public financial oversight and aligns with global audit standards

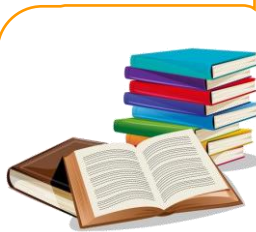

- What biomolecule does the new portable sensor developed by BITS Pilani and IIT Bombay detect to assess brain health?

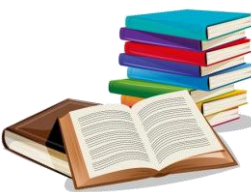

- A) Dopamine
- B) Glucose
- C) L-tyrosine
- D) Serotonin
- E) Cortisol

Answer
C) L-tyrosine

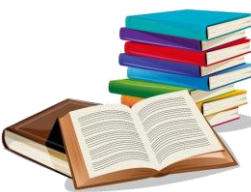

Event and Location:

- **Event:** BITS Pilani and IIT Bombay develop portable fiber-optic sensor for brain health monitoring
- **Location:** India (Joint research between BITS Pilani and IIT Bombay)
- **Date:** September 19, 2025

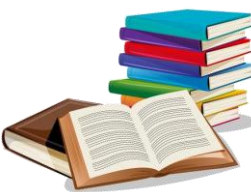

Mandates and Objectives:

- **Mandates:** Researchers from BITS Pilani and IIT Bombay have created a handheld fiber-optic sensor that can detect L-tyrosine levels in blood or serum with high sensitivity and accuracy.
- **Objectives:** To enable quick, portable, and reliable brain health assessment, especially for detecting early signs of neurological and endocrine disorders like Parkinson's disease and thyroid issues.

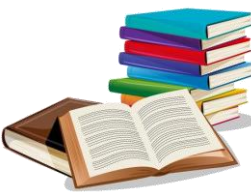

Important Terms Explained:

- **L-tyrosine:** An amino acid essential for the production of neurotransmitters (like dopamine) and hormones; abnormal levels are linked to neurological and metabolic conditions.
- **Fiber-optic Sensor:** A light-based sensor using optical fibers to detect substances at micromolar concentrations, enabling non-invasive diagnostics.
- **Biomarker:** A measurable biological molecule used as an indicator of health or disease, often found in blood, serum, or tissues.

Tabular Summary:

Parameter	Details
Event name	Launch of portable brain health sensor by BITS Pilani & IIT Bombay
Announcement date	September 19, 2025
Location	India (BITS Pilani & IIT Bombay)
Issuing authority	Research teams at BITS Pilani & IIT Bombay
Policy/series name	Brain Health Biomarker Detection Research
Key figures	Research teams from BITS Pilani and IIT Bombay
Purpose/reason	To detect L-tyrosine levels for early diagnosis of neurological conditions
Feature details	Detects 0.36 μmol of L-tyrosine, 104% accuracy, reusable, portable design
Validity or status	Working prototype; findings published in IEEE journal
Strategic/significant value	Enables on-the-go health diagnostics and opens avenues for broader biomarker detection

➤ What is Vyommitra, as recently announced by ISRO for the Gaganyaan mission?

- A) India's first woman astronaut
- B) A Mars rover prototype
- C) An AI-enabled half-humanoid robot
- D) A deep space communication satellite
- E) A reusable launch vehicle prototype

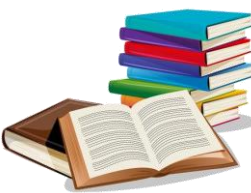

Answer

C) An AI-enabled half-humanoid robot

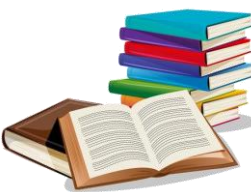

Event and Location:

- **Event:** Deployment of Vyommitra in uncrewed Gaganyaan mission
- **Location:** ISRO, India (launch scheduled from Sriharikota)
- **Date:** Launch planned for December 2025

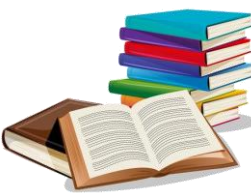

Mandates and Objectives:

- **Mandates:**
 - ISRO will deploy Vyommitra, an AI-powered half-humanoid robot, aboard an uncrewed test flight under the Gaganyaan mission.
 - The robot will simulate human physiological and operational responses in space to prepare for India's first manned mission.

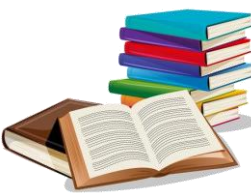

Mandates and Objectives:

- **Objectives:**
 - To assess crew module environmental conditions and life-support systems
 - To validate safety protocols, communication systems, and re-entry procedures
 - To collect real-time data on spaceflight conditions prior to human space travel

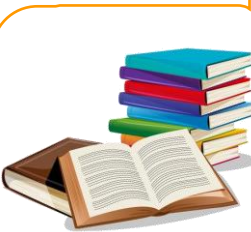

Important Terms Explained:

- **Vyommitra:**
 - Derived from Sanskrit words Vyoma (sky) and Mitra (friend)
 - AI-enabled female half-humanoid robot developed by ISRO
 - Capable of speech, environmental monitoring, and operating onboard systems
 - Mimics key astronaut functions in space for simulation purposes

Important Terms Explained:

- **Gaganyaan Mission:**
 - India's first human spaceflight mission under ISRO
 - Targets sending 3 astronauts to Low Earth Orbit (400 km) for 3 days
 - Collaboration with Indian Air Force, Navy, DRDO, and other agencies
- **Uncrewed Test Flight:**
 - A preparatory mission before actual human launch
 - Used for testing crew module, escape system, landing safety, and life support mechanisms

Tabular Summary:

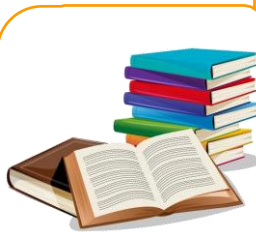

Parameter	Details
Event name	ISRO to deploy Vyommitra in Gaganyaan mission
Announcement date	September 2025
Location	ISRO – India (Launch site: Sriharikota, Andhra Pradesh)
Issuing authority	Indian Space Research Organisation (ISRO)
Policy/series name	Gaganyaan Human Spaceflight Mission
Key figures	Dr. V. Narayanan (ISRO Chairman)
Purpose/reason	To simulate astronaut presence and test life-support systems
Feature details	AI robot monitors temperature, CO ₂ , interacts with control, speaks
Validity or status	Uncrewed mission scheduled for Dec 2025
Strategic/significant value	Prepares India for first crewed space mission in 2026

➤ **Where is India's first overseas defence manufacturing facility being inaugurated in September 2025?**

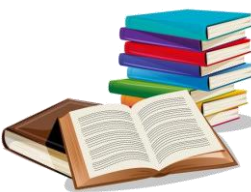

- A) South Africa
- B) Egypt
- C) Morocco
- D) UAE
- E) France

Answer
C) Morocco

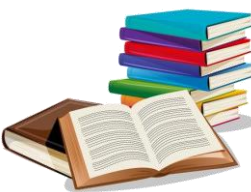

Event and Location:

- **Event:** Inauguration of India's first overseas defence factory in Morocco by Defence Minister Rajnath Singh
- **Location:** Casablanca (Berrechid), Morocco
- **Date:** September 22–23, 2025

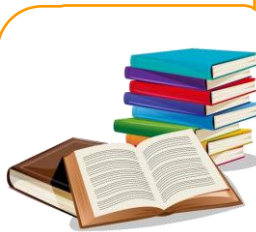

Mandates and Objectives:

- **Mandates:** Tata Advanced Systems Ltd (TASL), in collaboration with Morocco's Royal Armed Forces, is establishing India's first international defence manufacturing plant, which will assemble the Wheeled Armoured Platform (WhAP) 8x8.
- **Objectives:** To boost India's defence exports, expand its strategic footprint in Africa, and promote Make in India for the world through international defence collaboration and co-production.

Important Terms Explained:

- **Tata Advanced Systems Ltd (TASL):** The defence and aerospace arm of the Tata Group, involved in the development and manufacturing of military platforms and technologies.
- **Wheeled Armoured Platform (WhAP) 8x8:** An amphibious infantry combat vehicle jointly developed by TASL and DRDO; designed for mobility in diverse terrain including water bodies.
- **DRDO (Defence Research and Development Organisation):** India's premier agency under the Ministry of Defence responsible for military R&D and indigenous defence technology development.

Policy/series name	Defence Export Expansion & Strategic Partnerships
Key figures	Defence Minister Rajnath Singh, TASL, DRDO, Moroccan Royal Armed Forces
Purpose/reason	To increase India's defence manufacturing footprint and exports to Africa
Feature details	Facility to assemble WhAP 8x8 combat vehicles with Moroccan collaboration
Validity or status	Plant to be inaugurated on September 22, 2025
Strategic/significant value	Strengthens India-Africa defence ties and boosts Atmanirbhar Bharat globally

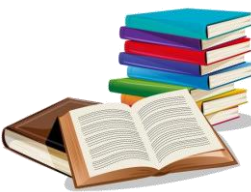

➤ **What major reform was announced at the Combined Commanders' Conference 2025 to enhance education in the Indian Armed Forces?**

- A) Setting up of a National Defence University
- B) Merging of military schools under the Ministry of Education
- C) Formation of Tri-Services Education Corps
- D) Inclusion of foreign language in NDA curriculum
- E) Establishment of cyber warfare units

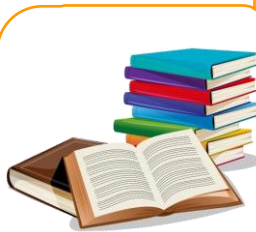

Answer

C) Formation of Tri-Services Education Corps

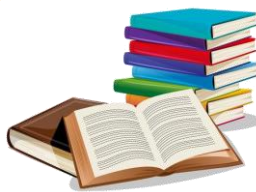

Event and Location:

- **Event:** Key defence reforms announced at Combined Commanders' Conference 2025
- **Location:** India
- **Date:** September 19, 2025 (date of announcement)

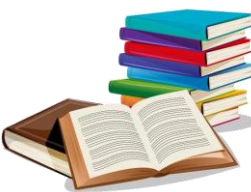

Mandates and Objectives:

- **Mandates:** The Indian Armed Forces announced the formation of a Tri-Services Education Corps by merging the education branches of the Army, Navy, and Air Force, and the establishment of three new Joint Military Stations.
- **Objectives:** To promote defence integration, avoid redundancy, standardize military education, improve joint training, and move toward a theatre command structure and future-ready joint warfare capabilities.

Important Terms Explained:

- **Tri-Services Education Corps:** A newly proposed unified body to integrate the educational infrastructure of the Army, Navy, and Air Force—focusing on training, academic development, and literacy support for armed forces personnel.
- **Joint Military Stations:** Integrated military bases that will host personnel, equipment, and operations from all three services, enhancing inter-operability, logistics, and combat preparedness.

Important Terms Explained:

- **Combined Commanders' Conference (CCC):** An annual high-level meeting of India's military leadership, including Chiefs of the Army, Navy, and Air Force, CDS, and senior defence officials to review strategic policies and military readiness.

Policy/series name	Defence Integration and Jointness Reforms
Key figures	COAS, CNS, CAS, CDS, Defence Minister Rajnath Singh
Purpose/reason	Enhance jointness, eliminate redundancy, modernize military structure
Feature details	Tri-Services Education Corps; 3 Joint Military Stations announced
Validity or status	Announced; implementation timelines under review by CDS
Strategic/significant value	Prepares India for theatre commands, hybrid warfare, and inter-service synergy

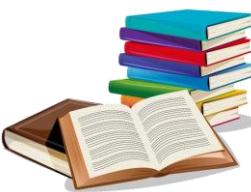

➤ **What major immigration-related policy did President Donald Trump announce in September 2025?**

- A) Free H-1B renewals for tech workers
- B) Automatic Green Card after 3 years
- C) Annual \$100,000 fee for H-1B visa and launch of Gold Card
- D) Ban on Indian tech workers
- E) Green Card only for scientists

Answer

C) Annual \$100,000 fee for H-1B visa and launch of Gold Card

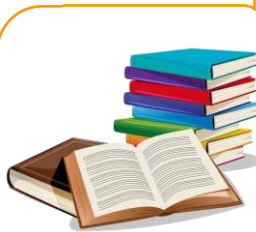

INTERNATIONAL AFFAIRS

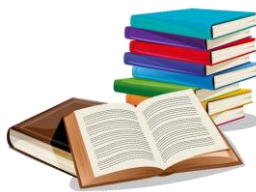

Event and Location:

- **Event:** Trump announces \$100,000 H-1B visa fee and launches Gold Card visa
- **Location:** United States
- **Date:** September 19, 2025

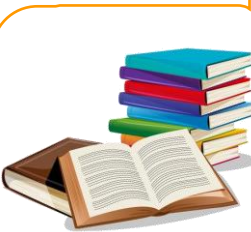

Mandates and Objectives:

- **Mandates:** The Trump administration has imposed an annual \$100,000 fee on H-1B visas and introduced a new Gold Card visa pathway for highly skilled individuals.
- **Objectives:** The primary goal is to ensure that only top-tier global talent enters the United States and to protect American jobs by discouraging the overuse of the H-1B visa program.

Important Terms Explained:

- **H-1B Visa:** A non-immigrant visa that allows US employers to hire foreign workers in specialty occupations, especially in sectors like IT and engineering.
- **Gold Card Visa:** A new immigration route allowing individuals of extraordinary ability to gain expedited visas and a path to Green Card by paying \$1 million individually or \$2 million via corporate sponsorship.
- **Green Card:** A document that grants lawful permanent residence in the United States, allowing foreign nationals to live and work permanently.

➤ **What is the total quantity of Hilsa fish Bangladesh allowed to export to India for Durga Puja 2025?**

- A) 800 metric tonnes
- B) 1,200 metric tonnes
- C) 2,000 metric tonnes
- D) 1,500 metric tonnes
- E) 900 metric tonnes

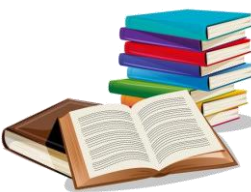

Answer

B) 1,200 metric tonnes

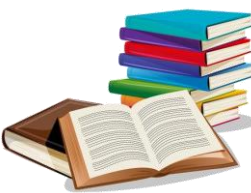

Event and Location:

- **Event:** Arrival of first Hilsa fish consignment from Bangladesh for Durga Puja 2025
- **Location:** Petrapole Border, West Bengal (India–Bangladesh trade route)
- **Date:** September 17, 2025

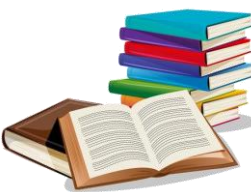

Mandates and Objectives:

- **Mandates:**
 - Bangladesh has approved the export of 1,200 metric tonnes of Hilsa fish to India
 - The export window is fixed between September 16 to October 5, 2025
 - First consignment of around 32 tonnes arrived via Petrapole border

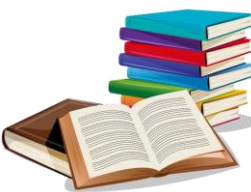

Mandates and Objectives:

- **Objectives:**
 - Facilitate seasonal export of the culturally significant Hilsa fish ahead of Durga Puja
 - Strengthen India-Bangladesh bilateral ties through goodwill trade
 - Address consumer demand amid limited domestic supply of quality Hilsa in India

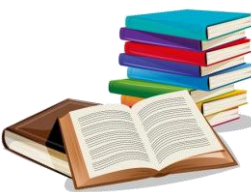

Important Terms Explained:

- **Hilsa (Ilish) Fish:**
 - Popularly known as the "Queen of Fish", it is a culturally and gastronomically significant species, especially in eastern India and Bangladesh
 - The Padma River Hilsa is considered premium due to its superior texture and taste
- **Petrapole Border:**
 - India's largest land port on the India–Bangladesh border located in North 24 Parganas, West Bengal
 - Major entry point for cross-border trade

Important Terms Explained:

- **Hilsa Diplomacy:**
 - A soft diplomacy tool where Bangladesh exports Hilsa to India during festive seasons, strengthening bilateral goodwill

Policy/series name	Anbu Karangal (Hands of Love)
Key figures	CM M. K. Stalin
Purpose/reason	Provide monthly aid and support to orphaned and unsupported children
Feature details	₹2,000 monthly aid, laptops to Class 12 pass-outs
Validity or status	Active (Phase 1 covers 6,082 children)
Strategic/significant value	Promotes child welfare, inclusive governance, digital empowerment

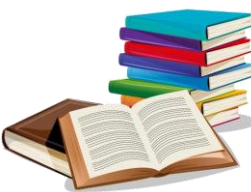

➤ **What is the primary objective of the newly launched i-Passport by AMTZ?**

- A) To promote international tourism
- B) To offer overseas internships to Indian medical students
- C) To fast-track healthcare innovation and market-readiness
- D) To digitize patient records across hospitals
- E) To regulate medical product imports

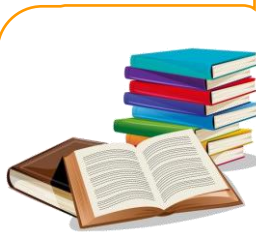

Answer

C) To fast-track healthcare innovation and market-readiness

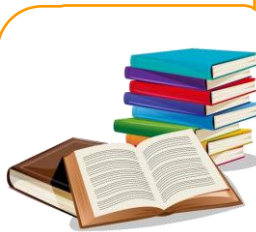

Event and Location:

- **Event:** Launch of i-Passport by AMTZ to accelerate MedTech innovation
- **Location:** Visakhapatnam, Andhra Pradesh
- **Date:** September 16, 2025

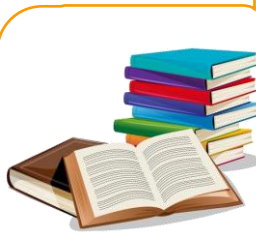

Mandates and Objectives:

- **Mandates:** The Andhra Pradesh MedTech Zone (AMTZ) launched the i-Passport, a single-access gateway for startups to use AMTZ's R&D, manufacturing, and regulatory infrastructure.
- **Objectives:** To support healthcare, MedTech, and AI innovators by offering rapid prototyping, validation, funding access, and incubation—ultimately reducing time-to-market and promoting global competitiveness of Indian startups.

Important Terms Explained:

- **AMTZ (Andhra Pradesh MedTech Zone):** India's premier integrated medical device manufacturing park that supports healthcare innovation through infrastructure and services.
- **i-Passport:** An Innovation Passport initiative launched by AMTZ to provide seamless access to testing labs, fabrication units, and mentorship to healthcare startups.
- **Plug-and-Play Facilities:** Ready-to-use labs and workspaces enabling startups to begin operations instantly without needing to set up from scratch.

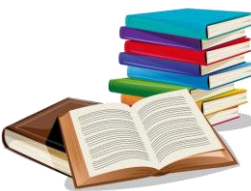

NATIONAL AFFAIRS

Tabular Summary:
