- A) Jodhpur
- B) Jaisalmer
- C) Pugal, Bikaner
- D) Barmer
- E) Jaipur

Answer
C) Pugal, Bikaner

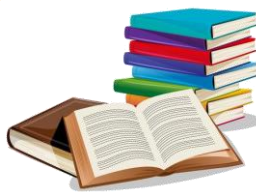

Event and Location:

- **Event:** Foundation stone laid for India's largest Battery Energy Storage System (BESS) and associated solar power projects
- **Location:** Pugal, Bikaner, Rajasthan
- **Date:** 26 September 2025

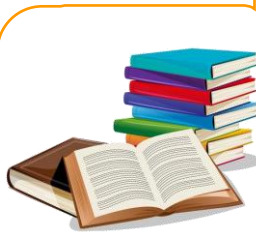

Mandates and Objectives:

- **Mandates:** PM Narendra Modi laid the foundation for a 2,500 MWh battery storage project and a 1,560 MWp solar power plant by Avaada Group in Rajasthan, along with the inauguration of a separate 282 MWp solar project in Bikaner.
- **Objectives:** To boost India's renewable energy capacity, ensure round-the-clock green power, support grid reliability, create green jobs, and promote Make in India clean tech manufacturing.

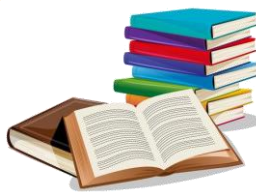

Important Terms Explained:

- **Battery Energy Storage System (BESS):** A large-scale electrical energy storage solution that stores renewable energy (e.g., solar) and dispatches it when needed, enhancing grid stability and enabling firm power delivery.
- **MWp (Megawatt-peak):** The maximum capacity of a solar power system under standard test conditions; used to measure peak output of solar PV installations.

Important Terms Explained:

- **TOPCon N-Type Bifacial PV Modules:** Advanced, high-efficiency solar photovoltaic modules, capable of generating power from both sides, improving output and water efficiency via robotic cleaning systems.
