 - The NASA-ISRO Synthetic Aperture Radar (NISAR) satellite, launched on 30 July 2025, has sent its first radar images of Earth ahead of its 90-day schedule. The satellite uses L-band SAR imaging to study Earth's surface.
- **Objectives:**
 - To deliver high-resolution radar imagery for monitoring climate change, earthquakes, glacier movement, deforestation, and agricultural activity, with full science operations scheduled to begin from November 2025.

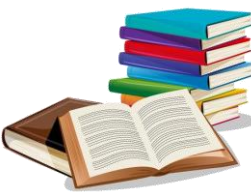

Important Terms Explained:

- **NISAR (NASA-ISRO Synthetic Aperture Radar):**
 - A joint Earth observation mission between NASA and ISRO equipped with L-band and S-band Synthetic Aperture Radars to study Earth's dynamic surface. It is the first satellite mission fully devoted to radar imaging for climate and environmental monitoring.
- **L-band SAR (Synthetic Aperture Radar):**
 - A radar system operating in the 1–2 GHz frequency range, capable of penetrating vegetation, soil, and snow to provide detailed structural information. Useful for forest mapping, agriculture, and hydrology.

Important Terms Explained:

- **Synthetic Aperture Radar (SAR):**
 - An advanced imaging technology that uses radar to create high-resolution 2D and 3D images of landscapes, regardless of cloud cover or time of day.
- **NASA-JPL (Jet Propulsion Laboratory):**
 - A NASA research centre managing the US portion of the NISAR mission. JPL will receive 35 TB of data from the satellite.

➤ Which state has reintroduced the Bhavantar Yojana for soybean farmers in 2025?

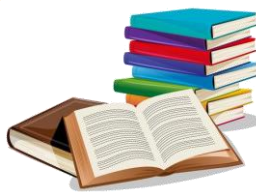

- A) Rajasthan
- B) Gujarat
- C) Uttar Pradesh
- D) Maharashtra
- E) Madhya Pradesh

Answer
E) Madhya Pradesh

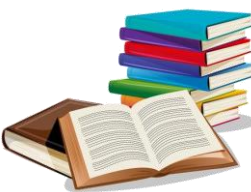

Event and Location:

- **Event:** Announcement of Bhavantar Yojana for soybean in 2025
- **Location:** Madhya Pradesh, India
- **Date:** 26 September 2025

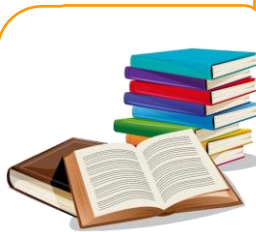

Mandates and Objectives:

- **Mandates:**
 - Madhya Pradesh CM Mohan Yadav announced the Bhavantar Yojana for soybean farmers, ensuring payment of the differential amount between Minimum Support Price (MSP) and market price.
- **Objectives:**
 - To provide price support to farmers in the event of a market crash, protect their incomes, reduce distress sales, and promote price stability in the agricultural sector, particularly for soybean cultivators.

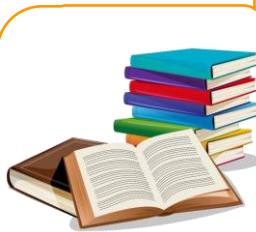

Important Terms Explained:

- **Bhavantar Yojana (Bhavantar Bhugtan Scheme):**
 - A price deficiency payment scheme, under which farmers are compensated by the government for selling their produce below MSP. The difference is calculated between the modal price (average market price) and MSP, not the individual sale price.
- **Minimum Support Price (MSP):**
 - A floor price announced by the government for procurement of agricultural produce, ensuring a minimum return to farmers irrespective of market fluctuations. The MSP for soybean in 2025–26 is ₹5,328/quintal.

Important Terms Explained:

- **Modal Price:**
 - A representative market price determined based on average market prices across locations during a given period. In Bhavantar, compensation is based on this price, not the actual sale price, leading to concerns of under-compensation.

➤ Where was India's first Integrative Oncology Research and Care Centre (IORCC) inaugurated on the occasion of the 10th National Ayurveda Day?

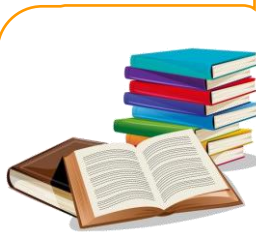

- A) AIIA Delhi
- B) AIIMS Bhopal
- C) AIIA Goa
- D) NIMHANS Bengaluru
- E) PGI Chandigarh

Answer
C) AIIA Goa

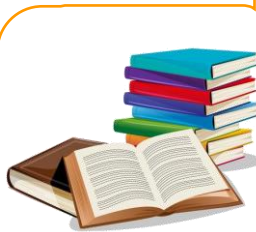

Event and Location:

- **Event:** Inauguration of India's first Integrative Oncology Research and Care Centre (IORCC)
- **Location:** All India Institute of Ayurveda (AIIA), Dhargal, Goa
- **Date:** 27 September 2025 (10th National Ayurveda Day)

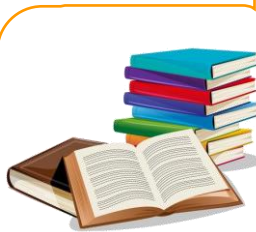

Mandates and Objectives:

- **Mandates:**
 - The Ministry of Ayush inaugurated the Integrative Oncology Research and Care Centre (IORCC) at AIIA Goa, making it India's first dedicated centre combining Ayurveda, Yoga, Panchakarma, Diet Therapy, and modern oncology under one roof.
- **Objectives:**
 - To offer holistic, patient-centric cancer rehabilitation, improve recovery outcomes, reduce side effects of conventional treatment, and promote evidence-based integrative medicine through research, training, and clinical services.

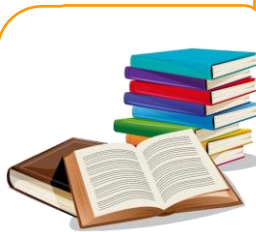

Important Terms Explained:

- **Integrative Oncology Research and Care Centre (IORCC):**
 - A first-of-its-kind multidisciplinary institute combining traditional systems (Ayurveda, Yoga, Panchakarma) with modern oncology treatments such as chemotherapy, surgery, and radiation to support cancer rehabilitation.
- **AIIA (All India Institute of Ayurveda):**
 - A premier national institute under the Ministry of Ayush that promotes education, research, and practice of Ayurveda and allied systems. The Goa campus hosts the IORCC.

Important Terms Explained:

- **ACTREC – Tata Memorial Centre:**
 - Advanced Centre for Treatment, Research and Education in Cancer, a part of the Tata Memorial Centre, renowned for cancer research and treatment in India. It has partnered with AIIA Goa for the IORCC.
- **National Ayurveda Day:**
 - Celebrated annually by the Ministry of Ayush to promote Ayurveda as a system of wellness and public health. The 10th edition was observed on 27 September 2025.
