➤ Which South African player scored his maiden Test half-century and helped script a late-order comeback against Pakistan in the second Test in October 2025?

- A) Keshav Maharaj
- B) Tristan Stubbs
- C) Senuran Muthusamy
- D) Kagiso Rabada
- E) Marco Jansen

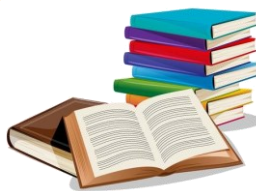

Answer

D) Kagiso Rabada

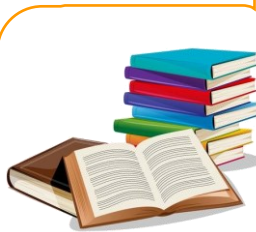

Event and Location:

- **Event:** Kagiso Rabada scores maiden Test fifty, leads South Africa's lower-order comeback
- **Location:** Second Test, South Africa tour of Pakistan
Date: 22 October 2025 (Day 3)

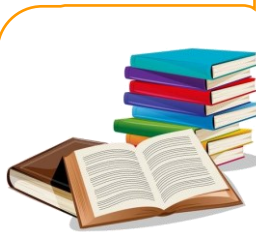

Mandates and Objectives:

- **Mandates:** South Africa, trailing in the series, staged a remarkable comeback on Day 3 of the second Test against Pakistan after being reduced to 235-8, thanks to an explosive 71 by No. 11 Kagiso Rabada and a career-best 89 by Senuran Muthusamy*, forming a 98-run last-wicket stand.
- **Objectives:** To fight back from a near-collapse and gain a first-innings lead, keeping the series alive. The late-order heroics flipped the match momentum, allowing South Africa to regain control after a dominant bowling effort by debutant Asif Afridi.

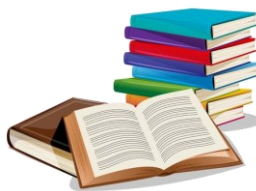

Important Terms Explained:

- **Kagiso Rabada:** South African fast bowler known for his lethal pace, claimed his first Test fifty with a belligerent 71 off 61 balls, hitting 4 sixes and 4 boundaries, batting at No. 11.
- **Asif Afridi:** 38-year-old Pakistani left-arm spinner, became the oldest player to take a five-wicket haul on Test debut, claiming 6-79, and surpassing the record held by Charles Marriott (England) since 1933.

Important Terms Explained:

- **Senuran Muthusamy:** South African all-rounder who remained unbeaten on 89 off 155 balls, forming crucial lower-order partnerships with Maharaj and Rabada.
- **CL: Collaborative Last-wicket Partnership:** A key aspect of this match where both ninth and tenth-wicket partnerships crossed 50+ runs — a rare feat in Test cricket.

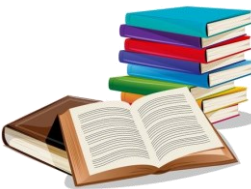

SPORTS

Tabular Summary:

Parameter	Details
Event name	Rabada scores maiden Test fifty; South Africa's comeback vs Pakistan
Announcement date	22 October 2025
Location	Second Test match, South Africa tour of Pakistan
Issuing authority	Match update reported by PTI and AFP
Policy/series name	2-match Test Series – ICC World Test Championship 2023–25
Key figures	Kagiso Rabada (71), Senuran Muthusamy (89*), Asif Afridi (6-79), Simon Harmer (3-26)
Purpose/reason	To recover from collapse and gain first-innings lead
Feature details	SA: 404 all out after 185-4 → 235-8 → 306-9 → 404; 98-run 10th wicket stand
Validity or status	Day 3 complete; Pakistan at 94-4 in second innings
Strategic/significant value	Keeps South Africa alive in series; rare record for debutant Afridi; rare 50+ stands for 9th & 10th wickets

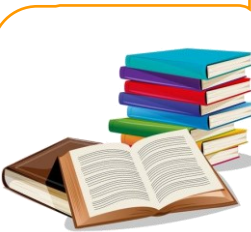

➤ **What new requirement has SEBI proposed for creating mutual fund folios under the updated KYC norms?**

- A) PAN verification through banks
- B) Direct RBI approval
- C) KRA-verified and active KYC status
- D) Investor consent through mobile OTP only
- E) Investment cap on new folios

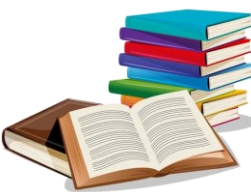

Answer

C) KRA-verified and active KYC status

Event and Location:

- **Event:** SEBI proposes new KYC norms for mutual fund folios
- **Location:** PAN India
- **Date:** 23 October 2025

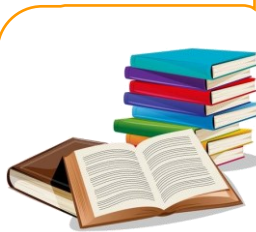

Mandates and Objectives:

- **Mandates:** SEBI has released a draft framework proposing stricter Know Your Client (KYC) requirements for mutual fund folios. As per the proposal, new folios can be created only after the KYC Registration Agency (KRA) provides an explicit approval confirming active KYC status.
- **Objectives:** The objective is to reduce operational inefficiencies, prevent delays in redemptions, and eliminate issues arising from unverified or inconsistent investor data, ultimately improving investor experience and regulatory compliance.

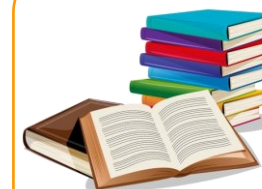

Important Terms Explained:

- **SEBI (Securities and Exchange Board of India):** The statutory regulatory body for securities and capital markets in India, responsible for protecting investor interests and regulating market intermediaries.
- **KYC (Know Your Client):** A compliance process used by financial institutions to verify the identity of clients, aimed at preventing fraud, money laundering, and illegal financial activities.
- **KRA (KYC Registration Agency):** Entities registered with SEBI that maintain investor KYC records across intermediaries and validate submitted documents before approving investor participation in financial products.

Tabular Summary:

Parameter	Details
Event name	Proposal to tighten KYC norms for mutual fund folios
Announcement date	23 October 2025
Location	Across India
Issuing authority	Securities and Exchange Board of India (SEBI)
Policy/series name	Draft KYC Framework for Mutual Funds
Key figures	SEBI, KRAs, AMCs
Purpose/reason	Reduce blocked folios and delayed redemptions due to compliance gaps
Feature details	New folios only after KRA-verified active KYC; investor notifications
Validity or status	Open for public comments until 14 November 2025
Strategic/significant value	Enhances transparency, investor protection, and operational efficiency

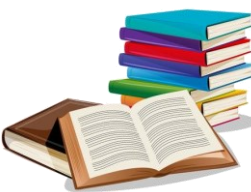

➤ **How much is the second tranche of World Bank funding expected for the Amaravati Capital Phase-I project?**

- A) \$150 million
- B) \$300 million
- C) \$100 million
- D) \$200 million
- E) \$250 million

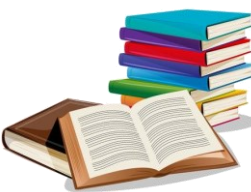

Answer
D) \$200 million

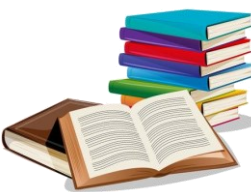

Event and Location:

- **Event:** World Bank to release second tranche of funding for Amaravati Capital Project
- **Location:** Amaravati, Andhra Pradesh
- **Date:** By December 2025 (announcement on 23 October 2025)

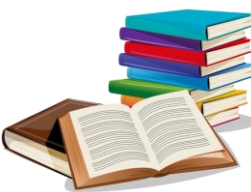

Mandates and Objectives:

- **Mandates:** The World Bank and the Asian Development Bank (ADB) have each committed \$800 million (total \$1.6 billion / ₹13,600 crore) towards Phase-I development of Amaravati Capital City. The second tranche of \$200 million from the World Bank is expected to be released by December 2025.
- **Objectives:** To facilitate infrastructure development of Andhra Pradesh's new capital city through global financial support, enabling the creation of smart governance infrastructure, housing, environmental systems, and social facilities as part of Amaravati's master plan.

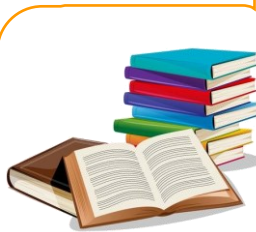

Important Terms Explained:

- **World Bank:** A global financial institution that provides loans and grants to governments for development projects aimed at reducing poverty and boosting shared prosperity.
- **ADB (Asian Development Bank):** A regional development bank that works to promote social and economic development in Asia. Both ADB and World Bank are co-funding the Amaravati Capital Project.

Important Terms Explained:

- **DLR (Disbursement Linked Result):** A performance-based funding mechanism where funds are released upon achieving pre-agreed results. For Amaravati, DLR 7.1 and 1.2(i) relate to construction commencement and environmental/social safeguards.
- **IBRD (International Bank for Reconstruction and Development):** The lending arm of the World Bank Group that provides loans to middle-income and creditworthy low-income countries.

➤ **What is the name of the new term plan launched by Tata AIA Life Insurance that offers both lump-sum and monthly income benefits?**

- A) Tata AIA Family Secure
- B) AIA Life Protect Plus
- C) Shubh Family Protect
- D) Tata Secure Term
- E) Smart Life Assure

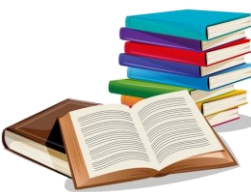

Answer

C) Shubh Family Protect

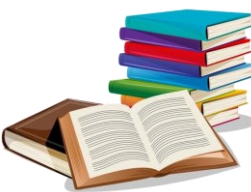

Event and Location:

- **Event:** Launch of Shubh Family Protect term plan by Tata AIA Life Insurance
- **Location:** PAN India
- **Date:** 23 October 2025

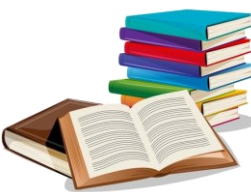

Mandates and Objectives:

- **Mandates:** Tata AIA Life Insurance has launched a new term insurance plan called Shubh Family Protect, combining an immediate lump-sum payout with a monthly income for beneficiaries, payable over 10 to 30 years. The product also includes terminal illness coverage, with upfront payment of 50% of the sum assured and waiver of future premiums.
- **Objectives:** To provide enhanced financial flexibility and security for families, especially in managing large payouts over time, while offering features such as multiple beneficiary nomination, monthly income options, and tax-efficient premium payments.

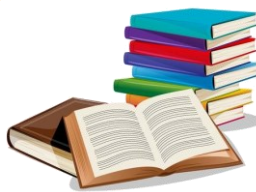

Important Terms Explained:

- **Term Insurance Plan:** A type of life insurance that provides a death benefit to the nominee if the insured dies during the policy term. No maturity benefit is payable if the insured survives.
- **Shubh Family Protect:** A first-of-its-kind term plan offering a combination of lump-sum and regular income, allowing beneficiaries to receive steady financial support rather than a single payout.

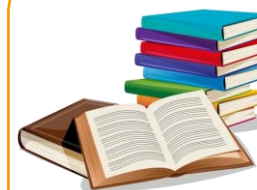

Important Terms Explained:

- **Terminal Illness Benefit:** A rider/feature that allows early claim payout (50% in this case) if the policyholder is diagnosed with a terminal illness, and waives future premiums to ease financial stress.
- **IWNBP (Individual Weighted New Business Premium):** A metric used in the insurance industry to assess new business performance in individual life insurance, factoring in policy size and premium mode.

Tabular Summary:

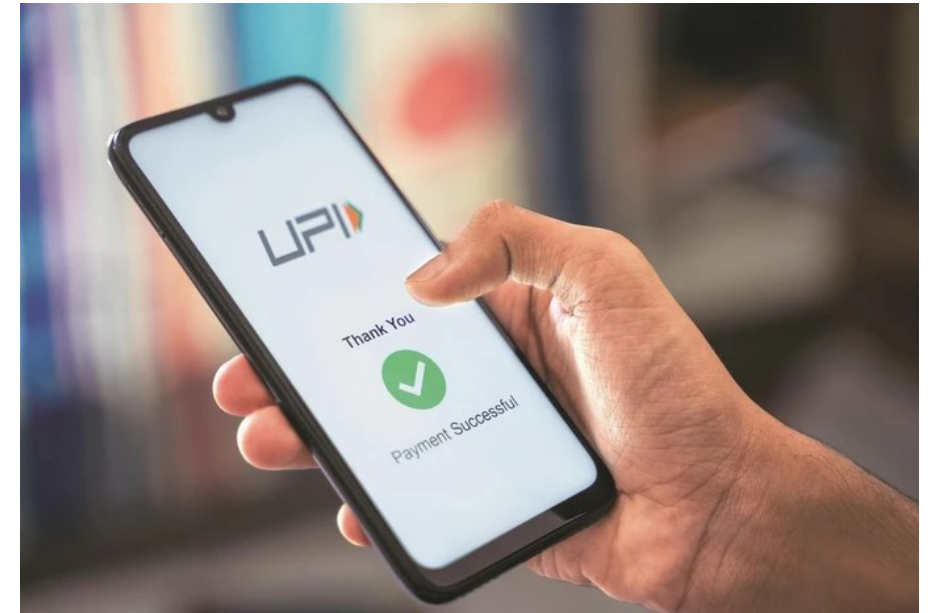

Parameter	Details

➤ According to ISRO Chairman V Narayanan, what percentage of the Gaganyaan mission development has been completed as of October 2025?

- A) 75%
- B) 80%
- C) 85%
- D) 90%
- E) 95%

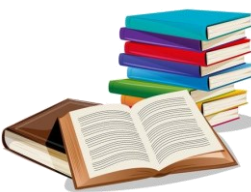

Answer

D) 90%

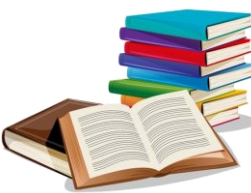

Event and Location:

- **Event:** ISRO confirms 90% completion of Gaganyaan mission development
- **Location:** ISRO Headquarters, Bengaluru
- **Date:** 23 October 2025

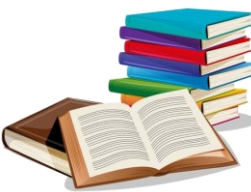

Mandates and Objectives:

- **Mandates:** ISRO Chairman V Narayanan announced that 90% of development work for the Gaganyaan mission – India's first human spaceflight programme – has been completed. The next steps include three uncrewed missions before the final crewed mission, targeted for early 2027.
- **Objectives:** To demonstrate India's capability in human spaceflight by developing human-rated rockets, crew escape and parachute systems, and an orbital module that ensures astronaut safety and mission success, making India the fourth country to send humans into space.

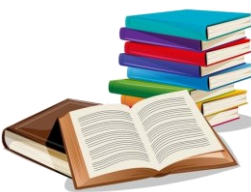

Important Terms Explained:

- **Gaganyaan Mission:** India's first human spaceflight mission undertaken by ISRO, aimed at sending Indian astronauts into Low Earth Orbit (LEO) and bringing them back safely. The mission includes uncrewed test flights before a crewed launch by 2027.
- **ISRO (Indian Space Research Organisation):** India's national space agency responsible for space research, satellite development, launch vehicles, and interplanetary missions.

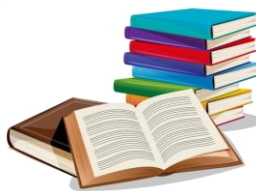

Important Terms Explained:

- **Vyommitra:** A female humanoid robot developed by ISRO to simulate human functions and behavior in space for uncrewed missions before actual astronaut flights in the Gaganyaan programme.
- **Integrated Air Drop Test:** A critical test to validate the parachute-based deceleration system of the Gaganyaan crew module, ensuring safe splashdown post re-entry by simulating real mission scenarios.

Tabular Summary:

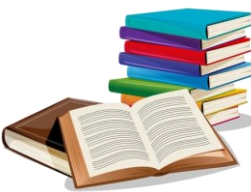

Parameter	Details
Event name	ISRO announces 90% completion of Gaganyaan development
Announcement date	23 October 2025
Location	ISRO Headquarters, Bengaluru
Issuing authority	ISRO (Indian Space Research Organisation)

Key figures	V Narayanan (ISRO Chairman), Rajarajan A (VSSC), M Ganesh Pillai (ISRO)
Purpose/reason	Provide update on progress and timeline of India's first human spaceflight
Feature details	Human-rated rocket, orbital module, parachute systems, crew escape system
Validity or status	Development 90% completed; three uncrewed missions scheduled before 2027
Strategic/significant value	Establishes India as a human spaceflight-capable nation

- Which institute is partnering with the Delhi government to conduct artificial rain trials using cloud seeding?

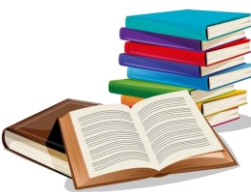

- A) IIT Bombay
- B) IIT Delhi
- C) IIT Kanpur
- D) IIT Madras
- E) IMD Pune

Answer
C) IIT Kanpur

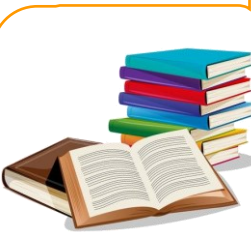

Event and Location:

- **Event:** Cloud seeding project for artificial rain
- **Location:** Delhi, specifically northwest Delhi

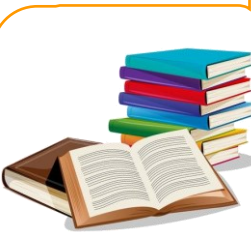

Mandates and Objectives:

- **Mandates:**
 - The Delhi government, in collaboration with IIT Kanpur, has planned five cloud seeding trials using a specially-equipped aircraft to create artificial rain. The trial is currently on hold due to lack of suitable cloud conditions as informed by the India Meteorological Department (IMD).
- **Objectives:**
 - To assess the viability of artificial rain as a solution to reduce air pollution levels in Delhi during the winter months, particularly post-Diwali, when smog and poor air quality peak.

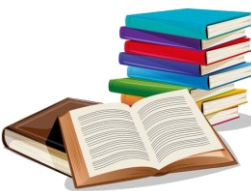

Important Terms Explained:

- **Cloud Seeding:**
 - A weather modification technique where substances like silver iodide or potassium iodide are dispersed into clouds to encourage precipitation (rainfall).
 - It requires specific atmospheric conditions, especially moisture-laden clouds.
- **IIT Kanpur:**
 - One of India's premier engineering institutes, IIT Kanpur is conducting the cloud seeding experiment using its Department of Aerospace Engineering and a Cessna 206-H aircraft (VT-IIT).

Tabular Summary:

Parameter	Details
Event name	Artificial Rain (Cloud Seeding) Trials in Delhi
Announcement date	October 22, 2025
Location	Northwest Delhi, aircraft stationed in Meerut
Issuing authority	Delhi Government in collaboration with IIT Kanpur and IMD
Policy/series name	Cloud Seeding for Pollution Control
Key figures	Manjinder Singh Sirsa (Delhi Environment Minister), IIT Kanpur Aerospace Dept
Purpose/reason	Combat post-Diwali air pollution via artificial rain
Feature details	5 trials using a Cessna 206-H aircraft (VT-IIT), MoU signed with IIT Kanpur
Validity or status	On hold due to lack of suitable clouds, window open till Nov 30, 2025
Strategic value	Potential long-term climate and pollution control strategy for urban areas

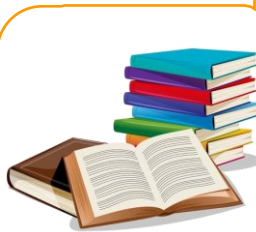

➤ Which of the following systems was approved for acquisition by the Indian Army under the recent ₹79,000 crore DAC clearance?

- A) Rafale Jets
- B) Nag Missile System Mk-II
- C) S-400 Missile Systems
- D) Predator UAVs
- E) Pinaka Rocket Systems

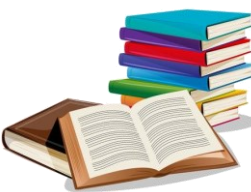

Answer

B) Nag Missile System Mk-II

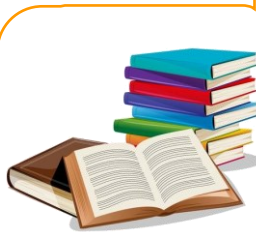

Event and Location:

- **Event:** DAC approves ₹79,000 crore worth of defence procurement proposals
- **Location:** New Delhi, India
- **Date:** 23 October 2025

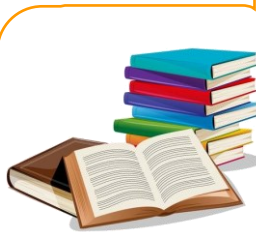

Mandates and Objectives:
