- **What relief has the RBI recently provided to support exporters from sectors like leather and apparel?**
- A) Export duty waived for 6 months
 - B) Special export-linked incentives introduced
 - C) Moratorium on loan repayments from Sep to Dec 2025
 - D) Increase in interest rates on export credit
 - E) Direct subsidy on foreign shipments

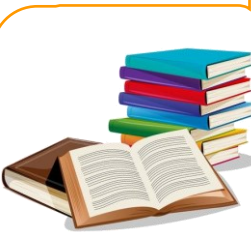

Answer

C) Moratorium on loan repayments from Sep to Dec 2025

Event and Location:

- **Event:** RBI announces moratorium and relief measures for exporters
- **Location:** India
- **Date:** November 14, 2025

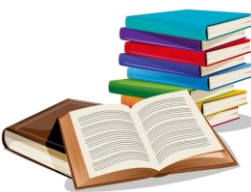

Mandates and Objectives:

- **Mandates:** The Reserve Bank of India (RBI) has allowed banks and NBFCs to offer a loan moratorium to exporters from select sectors including leather, apparel, gems and jewelry, and chemicals. The moratorium applies to repayments due between September 1, 2025 and December 31, 2025.
- **Objectives:** To ease financial stress faced by exporters during a challenging global trade environment and ensure liquidity and continuity in operations during a short-term slowdown.

Important Terms Explained:

- **Moratorium:** A temporary suspension of loan repayments granted by lenders, allowing borrowers to defer EMI payments without being marked as defaulters.
- **NBFC (Non-Banking Financial Company):** Financial institutions that offer banking services like loans and credit facilities but do not hold a banking license.
- **Exporters:** Businesses or individuals who sell goods or services to foreign countries; often sensitive to global demand fluctuations and currency volatility.

Tabular Summary:

Parameter	Details
Event name	RBI relief measures and moratorium for exporters
Announcement date	November 14, 2025
Location	India
Issuing authority	Reserve Bank of India
Policy/series name	Exporter Moratorium Relief 2025
Key figures	Shaktikanta Das (RBI Governor)
Purpose/reason	To ease financial burden on exporters facing global demand constraints
Feature details	Moratorium on repayments from Sep 1 to Dec 31, 2025 via banks and NBFCs
Validity or status	Applicable for loans under specific export sectors during the 4-month period
Strategic/significant value	Supports continuity of export business and preserves sectoral employment

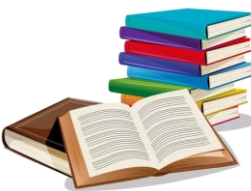

➤ **How much credit guarantee support has India planned to allocate for exporters in FY26?**

- A) Rs 45,060 crore
- B) Rs 10,000 crore
- C) Rs 5,000 crore
- D) Rs 20,000 crore
- E) Rs 2,000 crore

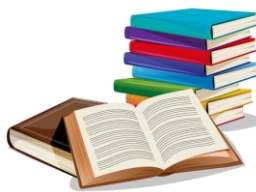

Answer

D) Rs 20,000 crore

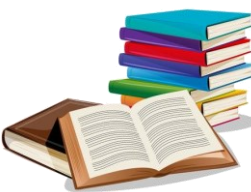

Event and Location:

- **Event:** India to allocate credit guarantees for exporters under new FY26 financial package
- **Location:** India
- **Date:** November 13, 2025

Mandates and Objectives:

- **Mandates:** The Union Cabinet approved a financial support package worth Rs 45,060 crore for exporters. Within this, Rs 20,000 crore is allocated towards credit guarantees on bank loans to ease access to finance for export-oriented businesses.
- **Objectives:** The goal is to enhance the credit flow to exporters, reduce the risk for banks, and boost India's foreign trade competitiveness by ensuring funding support for small and large export enterprises.

Important Terms Explained:

- **Credit Guarantee:** A government-backed assurance to banks or lenders that a loan will be repaid, even if the borrower defaults. It reduces lender risk and improves borrower access to credit.
- **Exporters:** Individuals or businesses that sell goods and services to other countries. They are often exposed to financial and trade-related risks.
- **Union Cabinet:** The highest decision-making body in India's executive branch that approves major financial, trade, and economic policies.

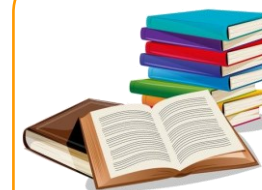

BANKING AND FINANCE

Tabular Summary:

Parameter	Details
Event name	Exporters' credit guarantee allocation under FY26 package
Announcement date	November 13, 2025
Location	India
Issuing authority	Union Cabinet of India
Policy/series name	Export Credit Guarantee Support Scheme FY26
Key figures	Narendra Modi (Prime Minister)
Purpose/reason	To promote international trade by improving access to affordable credit

Strategic/significant value	Strengthens export sector resilience and enhances credit availability

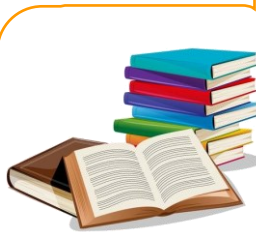

➤ What is the primary challenge faced by the RBI according to the recent SBI Research report?

- A) Rising gold imports
- B) Weak GDP performance
- C) Negative retail inflation excluding gold amid strong growth
- D) Declining bank credit demand
- E) Widening fiscal deficit

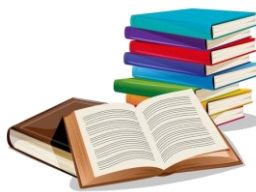

Answer

C) Negative retail inflation excluding gold amid strong growth

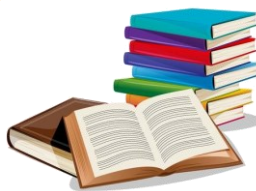

Event and Location:

- **Event:** Retail inflation excluding gold expected to remain negative for two more months
- **Location:** India
- **Date:** November 15, 2025

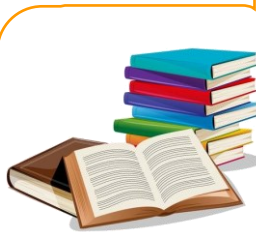

Mandates and Objectives:

- **Mandates:** SBI Research reported that retail inflation excluding gold turned negative in October 2025 and may remain so for the next two months. The Consumer Price Index (CPI) dropped to -0.57% year-on-year without gold's influence.
- **Objectives:** The aim is to highlight the current low-inflation environment and its impact on monetary policy, stressing the Reserve Bank of India (RBI)'s challenge in balancing price stability with economic growth, given a GDP expansion above 7% in Q2 FY26.

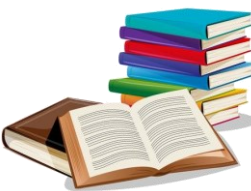

Important Terms Explained:

- **Retail Inflation (CPI):** Measures changes in the price level of a basket of retail goods and services purchased by households, reflecting consumer cost of living.
- **Core CPI:** A measure of inflation that excludes volatile items such as food and fuel, offering a clearer picture of underlying inflation trends.
- **GST Rationalisation:** The process of modifying Goods and Services Tax slabs or structures to simplify compliance and reduce consumer prices, contributing to lower inflation.

Tabular Summary:

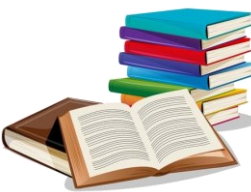

Parameter	Details
Event name	Retail inflation excluding gold remains negative
Announcement date	November 15, 2025
Location	India
Issuing authority	SBI Research
Policy/series name	CPI Inflation Analysis Report
Key figures	Shaktikanta Das (RBI Governor), Dinesh Kumar Khara (SBI Chairman)
Purpose/reason	To assess inflation trends and guide future RBI policy actions
Feature details	CPI at -0.57% YoY excluding gold, Core CPI at 2.6%, GST helped inflation moderation
Validity or status	To continue into next two months per forecast
Strategic/significant value	Highlights a policy dilemma for RBI due to high growth and low inflation

➤ How much did Berkshire Hathaway invest in Alphabet Inc. during Q3 of FY25?

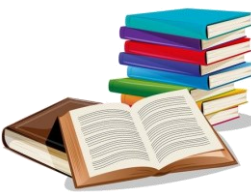

- A) \$60.7 billion
- B) \$9.7 billion
- C) \$4.9 billion
- D) \$1.6 billion
- E) \$382 billion

Answer
C) \$4.9 billion

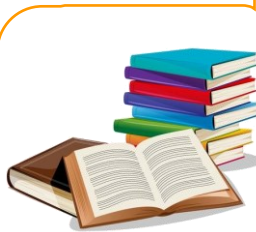

Event and Location:

- **Event:** Berkshire Hathaway acquires \$4.9 billion stake in Alphabet Inc.
- **Location:** United States (New York, Omaha, California)
- **Date:** November 15, 2025

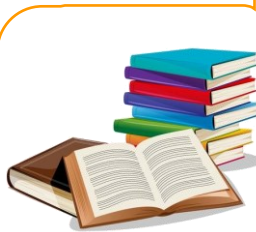

Mandates and Objectives:

- **Mandates:** Berkshire Hathaway Inc., led by Warren Buffett, disclosed the acquisition of 17.9 million shares in Alphabet Inc., the parent company of Google, during Q3 FY25, amounting to a \$4.9 billion investment.
- **Objectives:** The acquisition reflects Berkshire's strategy to diversify its tech portfolio and deploy its record \$382 billion cash reserve into strong, long-term growth-oriented businesses, while reducing exposure in Apple, Bank of America, and other holdings.

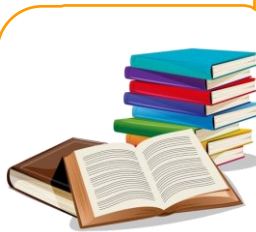

Important Terms Explained:

- **Berkshire Hathaway Inc.:** A multinational conglomerate holding company led by Warren Buffett, known for strategic investments in public and private companies.
- **Alphabet Inc.:** The parent company of Google and its subsidiaries, involved in technology, advertising, and AI services.

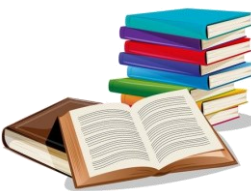

Important Terms Explained:

- **Stake Acquisition:** The purchase of ownership shares in a company, providing financial interest and potential influence in business strategy.
- **Equity Portfolio:** The collection of stock investments held by a firm or investor; Berkshire's portfolio includes significant stakes in tech and financial firms.

➤ **Where is Reliance planning to set up a 1-gigawatt AI data centre in India?**

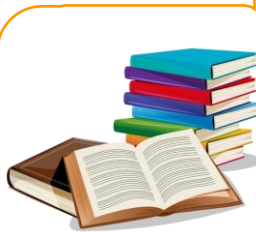

- A) Gujarat
- B) Maharashtra
- C) Tamil Nadu
- D) Andhra Pradesh
- E) Karnataka

Answer
D) Andhra Pradesh

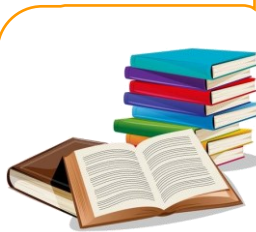

Event and Location:

- **Event:** Reliance to set up 1-gigawatt AI data centre in Andhra Pradesh
- **Location:** Andhra Pradesh, India
- **Date:** November 14, 2025

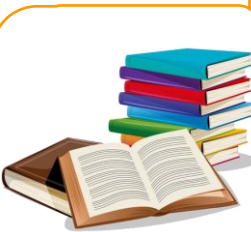

Mandates and Objectives:

- **Mandates:** Reliance Industries Ltd., led by Mukesh Ambani, has announced plans to establish a 1-gigawatt AI data centre in Andhra Pradesh, complementing its existing gigawatt-scale data centre in Jamnagar, Gujarat. The announcement was made by Andhra Pradesh Chief Minister Chandrababu Naidu.
- **Objectives:** The initiative aims to build one of Asia's strongest AI infrastructure networks to meet growing demand for AI computing power, position India as a hub for next-gen data infrastructure, and attract global investments from leading technology companies.

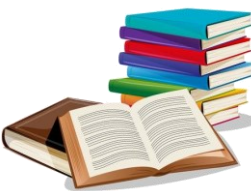

Important Terms Explained:

- **AI Data Centre:** A specialised facility that provides computing infrastructure required for Artificial Intelligence operations, capable of handling massive data and processing workloads.
- **Gigawatt-scale:** A unit indicating power capacity; in this context, it refers to the energy-intensive nature of data centres designed to handle AI workloads requiring high-performance computing infrastructure.

- A) UTRA-14
- B) AI-TrafficNet
- C) UVH-26
- D) IN-VehicleSet
- E) SafeCity-Vision

Answer
C) UVH-26

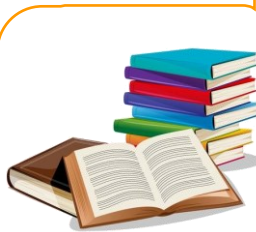

Event and Location:

- **Event:** Release of UVH-26 dataset and vision models for Indian traffic
- **Location:** Bengaluru, Karnataka
- **Date:** November 15, 2025

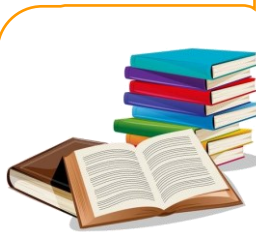

Mandates and Objectives:

- **Mandates:**
 - The AIM@IISc initiative has released UVH-26, a publicly accessible, high-resolution traffic image dataset along with fine-tuned object detection models. These resources are trained specifically for Indian urban traffic conditions.
- **Objectives:**
 - To enable AI-driven research and development in traffic surveillance, urban planning, smart mobility, and automated vehicle recognition systems tailored for Indian roads, using real-world data from the Bengaluru Safe City project.

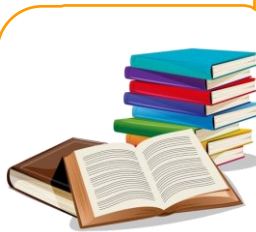

Important Terms Explained:

- **AIM@IISc:**
 - Short for AI for Integrated Mobility at IISc, this is an artificial intelligence initiative by the Indian Institute of Science aimed at developing AI-based mobility and transport solutions tailored to Indian urban environments.

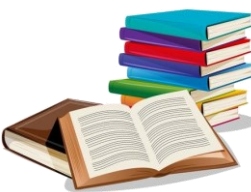

Important Terms Explained:

- **UVH-26:**
 - A large-scale traffic dataset consisting of 26,646 high-resolution images with 1.8 million bounding-box annotations across 14 Indian-specific vehicle types, such as two-wheelers, autorickshaws, and buses.
 - The dataset was created from images collected under the Bengaluru Safe City Project.

Important Terms Explained:

- **Bengaluru Safe City Project:**
 - A government-funded initiative under the Nirbhaya Fund aimed at making Bengaluru safer through surveillance and AI-enabled analytics, especially to enhance women's safety and public infrastructure monitoring.
