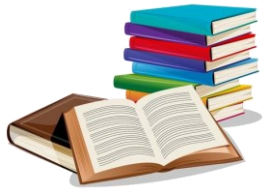
➢ **What is the total number of obligated entities under the Indian Carbon Market after the latest GEI target notification?**

A) 208
B) 312
C) 490
D) 402
E) 521

Answer
C) 490

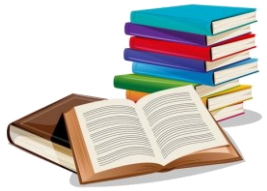
Event and Location:

- **Event:** Government expands Carbon Credit Trading Scheme with new GEI targets
- **Location:** India (Nationwide implementation)
- **Date:** January 2026



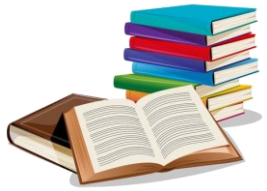
Mandates and Objectives:

- **Mandates:** The Ministry of Environment, Forest and Climate Change has notified Greenhouse Gas Emission Intensity (GEI) targets for 208 additional carbon-intensive entities under the Carbon Credit Trading Scheme (CCTS).
- **Objectives:** To strengthen India's carbon market, promote industrial decarbonisation, incentivise cleaner technologies, and align emission-intensive sectors with national climate action goals.



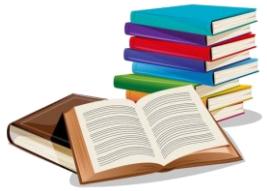
Important Terms Explained:

- **Greenhouse Gas Emission Intensity (GEI):** Refers to the amount of greenhouse gas emissions per unit of output; GEI targets aim to reduce emission intensity rather than total emissions, allowing economic growth with improved efficiency.
- **Carbon Credit Trading Scheme (CCTS):** A market-based mechanism in which obligated entities either meet GEI targets or trade carbon credits. Entities reducing emissions beyond targets can sell credits, while those falling short must buy them.



Important Terms Explained:

- **Carbon Credit:** A tradeable certificate representing the reduction or removal of one tonne of carbon dioxide equivalent; promotes cost-effective emissions control and investment in low-carbon technologies.



Tabular Summary:

Parameter	Details
Event name	Expansion of Carbon Credit Trading Scheme with new GEI targets

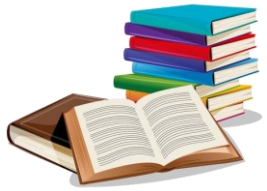
Key figures	Bhupender Yadav (MoEFCC), 208 new entities, total 490 obligated entities
Purpose/reason	To promote low-carbon industrial growth and improve emission accountability
Feature details	GEI-based targets, carbon trading, incentives for clean tech adoption
Validity or status	Newly notified and active under compliance framework
Strategic/significant value	Strengthens India's carbon market and supports long-term climate commitments



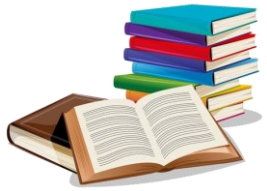
➢ **Which district in Rajasthan will host a new biological park featuring 81 wildlife species and multiple safaris?**

A) Jaipur
B) Alwar
C) Udaipur
D) Bikaner
E) Jodhpur

Answer
B) Alwar

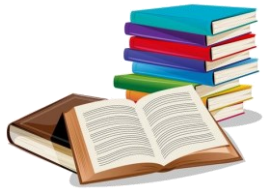
Event and Location:

- **Event:** Rajasthan to develop a major biological park with 81 wildlife species
- **Location:** Alwar district, Rajasthan
- **Date:** January 2026 (project update and planning phase)



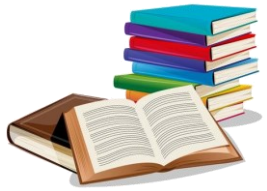
Mandates and Objectives:

- **Mandates:** A new biological park is planned between Kati Ghati and Jaisamand in Alwar, spanning nearly 100 hectares, featuring safaris, rescue centres, and a veterinary hospital.
- **Objectives:** To promote wildlife conservation, provide modern animal care, enhance eco-tourism in the NCR region, and offer educational and research opportunities through interaction with 81 wildlife species and 400+ animals.



Important Terms Explained:

- **Biological Park:** A specially planned area for wildlife conservation and public awareness, combining animal housing, safaris, rescue operations, veterinary care, and educational zones.
- **Safari:** A guided tour in a protected area where visitors can observe wild animals in natural or semi-natural settings; the park will include lion, tiger, and herbivore safaris.
- **Animal Rescue Centre:** A facility that rehabilitates and treats injured or distressed animals, often modeled on established centres like the one at Gir National Park, Gujarat.



Tabular Summary:

Parameter	Details

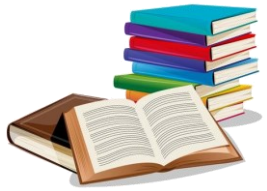
➢ **From which date will higher GST and excise duties on tobacco and pan masala products come into effect in India?**

A) January 1, 2026
B) March 1, 2026
C) February 1, 2026
D) April 1, 2026
E) December 31, 2025

Answer
C) February 1, 2026

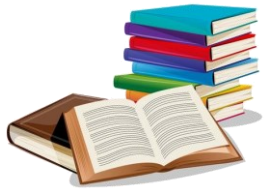
Event and Location:

- **Event:** Odisha announces a complete ban on gutkha, pan masala, and all tobacco and nicotine products
- **Location:** Odisha, India
- **Date:** January 2026 (Ban announcement); effective tax changes from February 1, 2026



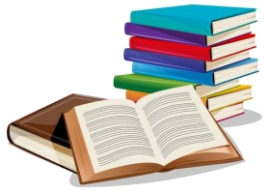
Mandates and Objectives:

- **Mandates:** The Odisha Health and Family Welfare Department has issued a complete ban on the manufacturing, sale, storage, transport, and distribution of gutkha, pan masala, and all tobacco/nicotine-based products, including both packaged and unpackaged forms.
- **Objectives**: To protect public health, ensure compliance with Supreme Court directives, prevent misuse of chewable tobacco products, and align with national anti-tobacco initiatives through legal enforcement and higher taxation.



Important Terms Explained:

- **Gutkha and Pan Masala Ban:** A complete prohibition on all forms of chewable tobacco or flavored areca nut mixtures (gutkha), covering production, storage, and sale to curb health hazards.
- **GST on Tobacco Products:** From February 1, 2026, GST will be 40% on pan masala and cigarettes, and 18% on beedis. Additional Health & National Security Cess and excise duty will also apply.
- **SC Tobacco Ban Compliance:** The move aligns Odisha with Supreme Court directions calling for strict enforcement of the pan-India ban on gutkha and similar harmful products.



Tabular Summary:

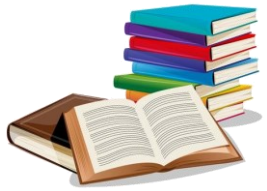
Feature details	Covers manufacturing, sale, transport, storage of all tobacco/nicotine items
Validity or status	Active; tax changes from February 1, 2026
Strategic/significant value	Strengthens public health policy and discourages harmful consumption patterns



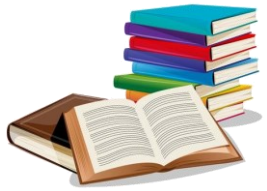
➢ **Which city has become the first in Uttar Pradesh to achieve 100% scientific processing of fresh municipal waste?**

A) Kanpur
B) Varanasi
C) Ghaziabad
D) Lucknow
E) Prayagraj

Answer
D) Lucknow

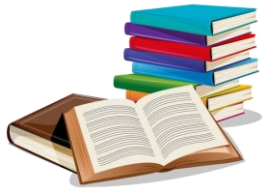
Event and Location:

- **Event:** Lucknow achieves 100% scientific processing of fresh municipal waste
- **Location:** Lucknow, Uttar Pradesh
- **Date:** January 2026



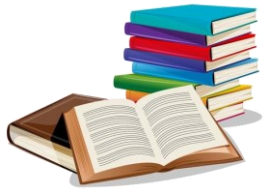
Mandates and Objectives:

- **Mandates:** The Lucknow Municipal Corporation (LMC) commissioned its third fresh waste processing plant at Shivari, enabling complete scientific treatment of all newly generated municipal solid waste and eliminating open dumping.
- **Objectives**: To establish a zero fresh waste dump city, promote sustainable urban waste management, implement circular economy principles, and improve environmental quality and public health.



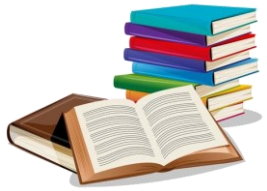
Important Terms Explained:

- **Scientific Waste Processing:** Treatment of municipal waste using environmentally safe methods such as composting, biomethanation, recycling, and fuel recovery instead of open dumping.
- **Refuse Derived Fuel (RDF):** Fuel produced from non-biodegradable waste fractions, supplied to cement and paper industries for co-processing as an alternative energy source.



Important Terms Explained:

- **Legacy Waste:** Old accumulated waste stored at dumping sites; Lucknow has scientifically processed a major portion to reclaim land and reduce environmental hazards.
- **Waste-to-Energy (WtE) Plant:** A facility that generates electricity from processed waste; Lucknow plans a 15 MW WtE plant at Shivari using RDF.



Tabular Summary:

Parameter	Details
