- Which Indian state was praised by the World Bank for including PSU and SPV borrowings in its official liabilities since 2014?

- A) Tamil Nadu
- B) West Bengal
- C) Maharashtra
- D) Karnataka
- E) Gujarat

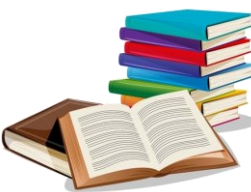

Answer
D) Karnataka

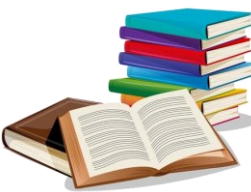

Event and Location:

- **Event:** World Bank highlights Karnataka's fiscal reform as a model for other states
- **Location:** India (State-level fiscal governance)
- **Date:** 7 February 2026

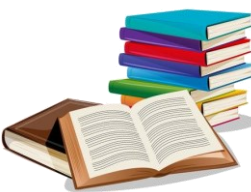

Mandates and Objectives:

- **Mandates:** In 2014, Karnataka amended its Fiscal Responsibility Legislation to include the borrowings of Public Sector Undertakings (PSUs) and Special Purpose Vehicles (SPVs) within the state's official debt.
- **Objectives:** To improve fiscal transparency, reduce off-budget borrowings (OBB), strengthen budgetary discipline, and present a more realistic picture of state-level liabilities.

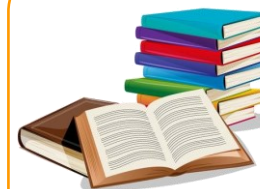

Important Terms Explained:

- **Off-Budget Borrowing (OBB):** Loans or obligations incurred by PSUs or SPVs on behalf of the government that do not appear in the official budget, leading to hidden liabilities.
- **PSUs and SPVs:** Government-owned corporations and project-specific entities that often raise funds for infrastructure and welfare schemes outside of the formal budget.
- **Fiscal Responsibility Legislation (FRL):** A law aimed at ensuring fiscal discipline by setting targets for debt, deficits, and reporting for governments.

Tabular Summary:

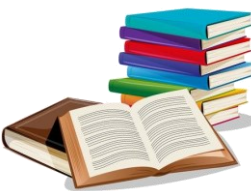

Parameter	Details

- B) 14 July 2026
- C) 27 December 2025
- D) 1 March 2026
- E) 14 January 2026

Answer
D) 1 March 2026

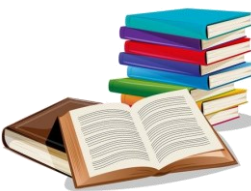

Event and Location:

- **Event:** Discontinuation of UTS app and rollout of RailOne super app
- **Location:** Nationwide (India – Indian Railways network)
- **Date:** Effective from 1 March 2026

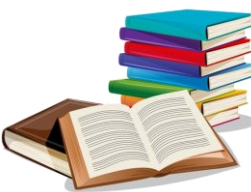

Mandates and Objectives:

- **Mandates:** Indian Railways will discontinue the UTS app (Unreserved Ticketing System) from March 1, 2026, and replace it with RailOne, a consolidated super app integrating all ticketing and support services.
- **Objectives:** To simplify digital railway services, promote cashless travel, improve passenger experience, and unify ticketing platforms under one app for efficiency and convenience.

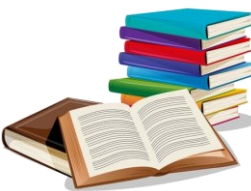

Important Terms Explained:

- **UTS App:** Launched in 2014, UTS allowed booking of unreserved and platform tickets; it will be phased out from March 2026 as its features shift to RailOne.
- **RailOne Super App:** A unified mobile platform offering reserved/unreserved ticket booking, live train tracking, PNR management, food ordering, Rail Madad, and more.
- **Digital Incentive Scheme:** A 3% discount on digital payments for unreserved tickets booked via RailOne (valid from 14 Jan 2026 to 14 July 2026), aimed at encouraging cashless travel.

Tabular Summary:

Feature details	Reserved/unreserved booking, live train status, PNR, food, complaints
Validity or status	UTS app discontinued from 1 March 2026; RailOne active
Strategic/significant value	Supports Digital India, enhances user convenience, reduces app fragmentation

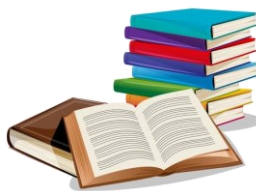

➤ Which Indian port became the first to deploy an advanced anti-drone system in 2026?

- A) Cochin Port
- B) Chennai Port
- C) Visakhapatnam Port
- D) V.O. Chidambaranar Port
- E) Mormugao Port

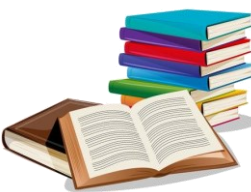

Answer

D) V.O. Chidambaranar Port

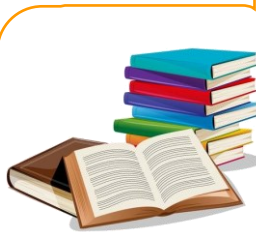

Event and Location:

- **Event:** Deployment of India's first anti-drone system at a major port
- **Location:** V.O. Chidambaranar Port, Thoothukudi, Tamil Nadu
- **Date:** 7 February 2026

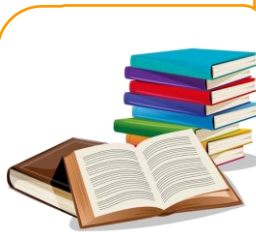

Mandates and Objectives:

- **Mandates:** VOC Port became the first port in India to deploy an advanced anti-drone system with integrated RF and radar technologies.
- **Objectives:** To enhance coastal security, prevent unauthorised drone intrusions, protect critical infrastructure, and align with national maritime safety strategies.

Important Terms Explained:

- **Anti-Drone System:** A layered electronic security solution using radio frequency (RF) and radar technology for real-time drone detection, tracking, classification, and neutralisation.
- **Maritime India Vision 2030:** A strategic roadmap by the Ministry of Ports, Shipping and Waterways to modernise ports, improve maritime logistics, and enhance safety and digital governance.
- **Amrit Kaal Vision 2047:** India's long-term development strategy aiming at becoming a developed nation by 2047, emphasizing resilience, innovation, and national security.

Tabular Summary:

Parameter	Details

Purpose/reason	Enhance surveillance and drone threat neutralisation in coastal zones
Feature details	Radar + RF system with 5 km range, real-time tracking, man-pack jammer
Validity or status	Agreement signed; full deployment expected within three months
Strategic/significant value	Boosts port security, sets model for maritime drone defence, supports India's coastal governance vision

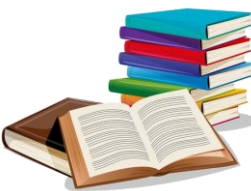

➤ **Why did the United States lift the additional 25% tariff on Indian goods in February 2026?**

- A) India agreed to import more Russian oil
- B) India reduced tariffs on US automobiles
- C) India committed to stop importing Russian oil
- D) India signed a defense pact with Russia
- E) India exited the Indo-Pacific Economic Framework

Answer

C) India committed to stop importing Russian oil

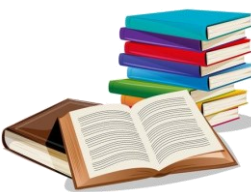

INTERNATIONAL AFFAIRS

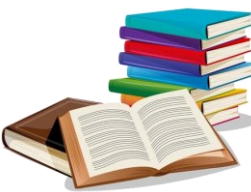

Event and Location:

- **Event:** US removed additional 25% tariff on Indian goods
- **Location:** Bilateral trade agreement between India and the United States
- **Date:** 7 February 2026

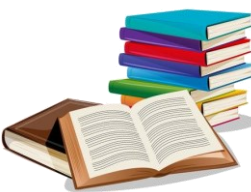

Mandates and Objectives:

- **Mandates:** The US lifted an additional 25% duty on Indian goods following India's agreement to cease importing Russian oil and commit to expanded defense and trade cooperation.
- **Objectives:** The aim was to normalize trade relations, reduce tariff burdens, and enhance bilateral cooperation across energy, defense, and aviation sectors while curbing indirect support to the Russia-Ukraine conflict.

Important Terms Explained:

- **25% Tariff:** An additional import duty imposed by the US under Donald Trump on Indian goods due to India's oil trade with Russia during the Ukraine conflict, now lifted.
- **Reciprocal Tariffs:** Mutually agreed tariffs on goods traded between two countries; India and the US agreed to reduce these from 25% to 18%.
- **\$500 Billion Purchase Commitment:** India's five-year agreement to purchase US goods including energy, aviation parts, metals, and coal, supporting trade balance and bilateral economic ties.

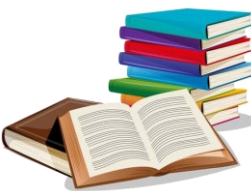

INTERNATIONAL AFFAIRS
