➤ **According to IRENA, what was India's global rank in renewable energy capacity in 2025?**

- A) 1st
- B) 2nd
- C) 3rd
- D) 4th
- E) 5th

**Answer**  
**C) 3rd**

## Event and Location:

- **Event:** India became the third-largest renewable energy market globally in 2025 with a total installed renewable energy capacity of 250.5 GW, according to IRENA
- **Location:** India
- **Date:** 2025

## Mandates and Objectives:

- **Mandates:** India expanded its renewable energy base through major additions in solar energy, wind energy, hydropower, and pumped hydro storage, resulting in a significant rise in total installed clean energy capacity
- **Objectives:** The expansion aims to strengthen energy security, reduce dependence on fossil fuels, promote sustainable growth, and advance India's clean energy transition amid global uncertainty

## Important Terms Explained:

- **IRENA:** It stands for the International Renewable Energy Agency, an international organisation that promotes the adoption and sustainable use of renewable energy worldwide
- **Renewable energy capacity:** It refers to the total installed power generation capacity from renewable sources such as solar, wind, hydropower, and other clean energy technologies
- **Solar energy:** It is electricity generated from sunlight using solar panels and has been the largest contributor to India's renewable energy expansion

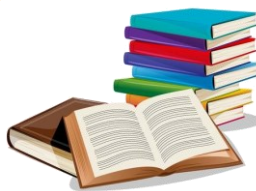

## Important Terms Explained:

- **Wind energy:** It is power generated through wind turbines and forms a major part of India's clean energy mix
- **Pumped hydro storage:** It is a method of storing energy by moving water between reservoirs at different elevations, helping balance electricity supply and demand

## Tabular Summary:

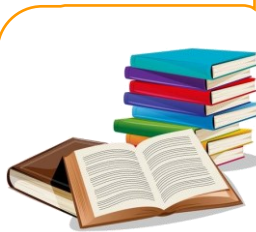

Parameter	Details
Event name	India ranks 3rd globally in renewable energy capacity
Announcement date	2025
Location	India
Issuing authority	International Renewable Energy Agency
Policy/series name	Renewable energy capacity update
Purpose/reason	To highlight India's strong growth in clean energy capacity and global renewable energy position
Feature details	India reached 250.5 GW renewable capacity in 2025 with about 45 GW added in one year, led mainly by solar and wind energy
Strategic/significant value	The achievement strengthens India's energy security and supports its long-term clean energy and sustainability goals

- Which of the following insurers has been retained by IRDAI as a Domestic Systemically Important Insurer (D-SII) for FY2025-26?

- A) SBI Life Insurance
- B) ICICI Lombard
- C) LIC
- D) HDFC Ergo
- E) Star Health

**Answer**  
**C) LIC**

## Event and Location:

- **Event:** IRDAI retained Life Insurance Corporation of India (LIC), General Insurance Corporation of India (GIC Re), and New India Assurance Company Limited as Domestic Systemically Important Insurers (D-SIIs) for FY2025-26
- **Location:** India
- **Date:** FY2025-26

## Mandates and Objectives:

- **Mandates:** The Insurance Regulatory and Development Authority of India (IRDAI) continued the classification of LIC, GIC Re, and New India Assurance as D-SIIs, subjecting them to closer regulatory oversight, stronger governance standards, and enhanced risk management requirements
- **Objectives:** The move aims to protect financial stability, safeguard policyholders, ensure that critical insurers remain financially resilient, and reduce the risk of disruption to India's insurance and financial system

## Important Terms Explained:

- **Domestic Systemically Important Insurers (D-SIIs):** These are insurers whose size, market importance, and interconnectedness make them critical to the stability of the domestic financial system
- **Too Big To Fail (TBTF):** It refers to institutions whose failure could cause serious disruption to the broader economy and financial markets, requiring stronger regulatory supervision
- **IRDAI:** It stands for the Insurance Regulatory and Development Authority of India, the statutory regulator responsible for the insurance sector in India

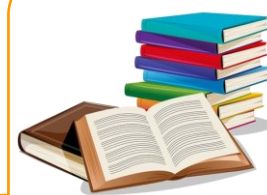

## Important Terms Explained:

- **GIC Re:** It is the General Insurance Corporation of India, the country's state-owned reinsurer that supports insurers by sharing and managing risk
- **Reinsurer:** It is an insurance company that provides insurance to other insurance companies by taking on part of their risks

## Tabular Summary:

Parameter	Details
Event name	IRDAI retains LIC, GIC Re, and New India Assurance as D-SIIs
Announcement date	FY2025-26
Location	India
Issuing authority	Insurance Regulatory and Development Authority of India
Policy/series name	Domestic Systemically Important Insurer classification
Purpose/reason	To ensure financial stability and stronger oversight of critical insurers
Feature details	LIC, GIC Re, and New India Assurance were retained as D-SIIs due to their large size, market share, and systemic importance
Strategic/significant value	The classification strengthens resilience in the insurance sector and protects the broader economy from potential insurer failure

# APPOINTMENTS

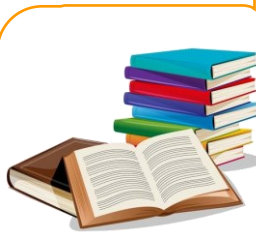

➤ Who has been appointed as the brand ambassador for Census 2027 in India?

- A) Raghurajpur Mohapatra
- B) Sudarshan Pattnaik
- C) Sonal Mansingh
- D) Jatin Das
- E) Paresh Maity

**Answer**

**B) Sudarshan Pattnaik**

## Event and Location:

- **Event:** Renowned sand artist Sudarshan Pattnaik was appointed as the brand ambassador for Census 2027 to promote public participation in India's first-ever digital census
- **Location:** India
- **Date:** April 3, 2026

## Mandates and Objectives:

- **Mandates:** The Government of India appointed Sudarshan Pattnaik as brand ambassador for Census 2027 to spread awareness, encourage citizen participation, and support outreach for the nationwide digital census exercise through public messaging
- **Objectives:** The appointment aims to improve awareness about the importance of census data, increase public participation, support adoption of digital enumeration methods, and ensure wider engagement in India's first digital census

## Important Terms Explained:

- **Census 2027:** It is India's upcoming nationwide population census, which will be conducted in digital mode with mobile applications and self-enumeration features
- **Digital census:** It refers to a census process in which data is collected using digital tools such as smartphone applications and online portals instead of relying only on paper-based methods
- **Self-enumeration:** It is a process that allows citizens to enter their own census information online before the visit of enumerators

## Important Terms Explained:

- **Houselisting and Housing Census (HLO):** It is the first phase of the census that collects information on housing conditions, household assets, and availability of amenities
- **Population Enumeration:** It is the second phase of the census that gathers individual-level information such as demographics, education, migration, and fertility details

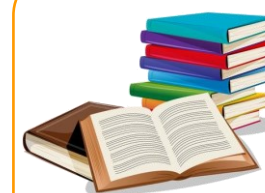

# APPOINTMENTS

## Tabular Summary:

Parameter	Details
Event name	Sudarshan Pattnaik appointed brand ambassador for Census 2027
Announcement date	April 3, 2026
Location	India
Issuing authority	Ministry of Home Affairs
Policy/series name	Census 2027
Purpose/reason	To encourage citizen participation in India's first-ever digital census
Feature details	Census 2027 will use mobile applications, a self-enumeration portal, and multilingual digital access
Strategic/significant value	It marks a major shift toward technology-driven demographic data collection with wider public participation

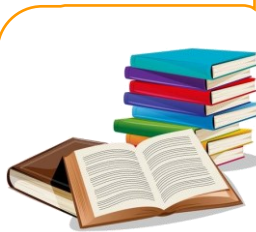

➤ **Who has taken charge as the Secretary of the Ministry of Information and Broadcasting in April 2026?**

- A) Sanjay Jaju
- B) Chanchal Kumar
- C) Rajiv Gauba
- D) Tuhin Kanta Pandey
- E) Vivek Joshi

**Answer**

**B) Chanchal Kumar**

## Event and Location:

- **Event:** Senior IAS officer Chanchal Kumar has taken charge as the Secretary of the Ministry of Information and Broadcasting
- **Location:** India
- **Date:** April 1, 2026

## Mandates and Objectives:

- **Mandates:** Chanchal Kumar has assumed charge as the administrative head of the Ministry of Information and Broadcasting, which oversees media, broadcasting, digital communication, public broadcasters, and government outreach
- **Objectives:** The appointment aims to strengthen policy implementation, improve media and digital communication governance, and enhance administration in the information and broadcasting sector

## Important Terms Explained:

- **Ministry of Information and Broadcasting:** It is the central ministry responsible for media regulation, broadcasting policy, digital communication oversight, and public information dissemination in India
- **IAS:** It stands for Indian Administrative Service, the premier civil service responsible for policy implementation and public administration in India
- **Doordarshan:** It is India's public service television broadcaster functioning under the information and broadcasting framework

## Important Terms Explained:

- **All India Radio:** It is India's public service radio broadcaster and an important medium for government communication and public outreach
- **NHIDCL:** It stands for National Highways and Infrastructure Development Corporation Limited, a government company involved in strategic highway and infrastructure development projects

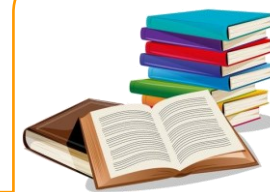

# APPOINTMENTS

## Tabular Summary:

Parameter	Details
Event name	Chanchal Kumar takes charge as I&B Secretary
Announcement date	April 1, 2026
Location	India
Issuing authority	Government of India
Policy/series name	Secretary-level bureaucratic appointment
Purpose/reason	To lead the Ministry of Information and Broadcasting and strengthen governance in media and communication
Feature details	Chanchal Kumar is a 1992 batch IAS officer of the Bihar cadre and succeeds Sanjay Jaju
Strategic/significant value	The appointment is important for policy execution in media, broadcasting, and digital communication sectors

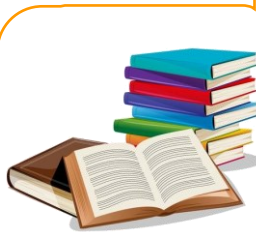

# APPOINTMENTS

► **Nitish Kumar is set to take oath as a Rajya Sabha Member of Parliament on which date?**

- A) April 1, 2026
- B) April 5, 2026
- C) April 10, 2026
- D) April 12, 2026
- E) April 15, 2026

**Answer**  
**C) April 10, 2026**

## Event and Location:

- **Event:** Nitish Kumar is set to take oath as a Rajya Sabha Member of Parliament and is expected to resign as Chief Minister of Bihar soon after, marking a major political transition in the state
- **Location:** Bihar, India
- **Date:** April 10, 2026

## Mandates and Objectives:

- **Mandates:** Nitish Kumar will enter the Rajya Sabha as a Member of Parliament and is expected to step down from the post of Chief Minister of Bihar, leading to a change in the state's top political leadership
- **Objectives:** The move is seen as a transition from state-level leadership to national-level parliamentary politics and is expected to reshape leadership dynamics in Bihar

## Important Terms Explained:

- **Rajya Sabha:** It is the upper house of the Parliament of India and represents the states and union territories in the national legislature
- **Member of Parliament (MP):** It is an elected or selected representative who serves in either the Lok Sabha or the Rajya Sabha and participates in national lawmaking
- **Chief Minister:** It is the head of the elected government in a state and is responsible for state administration and policy implementation

## Important Terms Explained:

- **Bihar Legislative Assembly:** It is the lower house of the state legislature in Bihar where elected representatives make state laws
- **Bihar Legislative Council:** It is the upper house of the Bihar state legislature and forms part of the state's bicameral legislative system

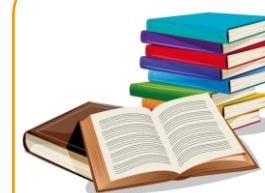

# APPOINTMENTS

## Tabular Summary:

Parameter	Details
Event name	Nitish Kumar to take Rajya Sabha oath
Announcement date	April 3, 2026
Location	Bihar, India
Issuing authority	Political development relating to Rajya Sabha and Bihar leadership
Policy/series name	Rajya Sabha transition and Bihar leadership change
Purpose/reason	To shift Nitish Kumar from state leadership to national parliamentary politics
Feature details	Nitish Kumar is set to take oath as Rajya Sabha MP on April 10, 2026 and is expected to resign as Bihar Chief Minister afterward
Strategic/significant value	The move may end a long phase of Nitish Kumar's leadership in Bihar and open a new chapter in the state's politics

# APPOINTMENTS

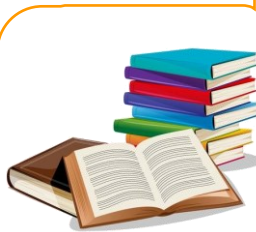

➤ Who was elected as the President of Myanmar after securing a majority vote in the Union Parliament in April 2026?

- A) U Nyo Saw
- B) Nan Ni Ni Aye
- C) Min Aung Hlaing
- D) Aung San Suu Kyi
- E) Win Myint

**Answer**

**C) Min Aung Hlaing**

## Event and Location:

- **Event:** Min Aung Hlaing was elected as the President of Myanmar after winning a majority vote in the Union Parliament, marking a major political development in the country
- **Location:** Nay Pyi Taw, Myanmar
- **Date:** April 3, 2026

## Mandates and Objectives:

- **Mandates:** The Union Parliament of Myanmar conducted a presidential election through the Presidential Electoral College system, in which Min Aung Hlaing secured the highest number of votes and was elected President
- **Objectives:** The election was aimed at formally selecting the country's President through the parliamentary electoral process, while also shaping the next phase of political leadership in Myanmar amid continuing instability and military influence

## Important Terms Explained:

- **Union Parliament:** It is the national legislature of Myanmar, consisting of members from both houses and playing a central role in the presidential election process
- **Presidential Electoral College:** It is Myanmar's system for electing the President, in which lawmakers and military-linked representatives participate in choosing among nominated candidates

## Important Terms Explained:

- **Lower House:** It is one of the two houses of Myanmar's Parliament and takes part in nominating a presidential candidate
- **Upper House:** It is the second chamber of Myanmar's Parliament and also nominates a candidate in the presidential election process
- **Vice President:** In Myanmar's presidential system, the two candidates who do not receive the highest vote count become **Vice Presidents**

# APPOINTMENTS

## Tabular Summary:

Parameter	Details
Event name	Min Aung Hlaing elected President of Myanmar
Announcement date	April 3, 2026
Location	Nay Pyi Taw, Myanmar
Issuing authority	Union Parliament of Myanmar
Policy/series name	Myanmar presidential election 2026
Purpose/reason	To elect the President of Myanmar through the parliamentary electoral system
Feature details	Min Aung Hlaing won 429 votes out of 584, defeating U Nyo Saw and Nan Ni Ni Aye
Strategic/significant value	The result marks a major political shift and highlights the continuing role of the military in Myanmar's governance

# APPOINTMENTS

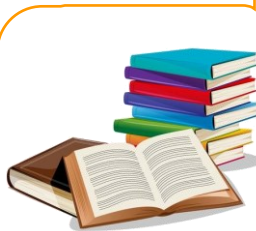

► Who was appointed as the new Prime Minister of Mongolia amid political turmoil in April 2026?

- A) Zandanshatar Gombojav
- B) Khurelsukh Ukhnaa
- C) Uchral Nyam-Osor
- D) Luvsannamsrai Oyun-Erdene
- E) Damdin Tsogtbaatar

**Answer**

**C) Uchral Nyam-Osor**

## Event and Location:

- **Event:** Uchral Nyam-Osor was appointed as the new Prime Minister of Mongolia after the resignation of Zandanshatar Gombojav amid political deadlock and legislative gridlock
- **Location:** Mongolia
- **Date:** April 3, 2026

## Mandates and Objectives:

- **Mandates:** The Mongolian Parliament appointed Uchral Nyam-Osor as Prime Minister following a leadership transition triggered by political tensions, parliamentary boycott, and internal divisions within the ruling establishment
- **Objectives:** The appointment aims to restore political stability, resolve legislative deadlock, re-establish governance continuity, and manage the country's political and economic challenges ahead of future elections

## Important Terms Explained:

- **Prime Minister:** It is the head of government in a parliamentary system and is responsible for leading the executive branch and managing administration and policy implementation
- **Mongolian Parliament:** It is the national legislature of Mongolia that elects or approves the Prime Minister and plays a central role in governance and lawmaking
- **Legislative gridlock:** It refers to a situation in which lawmaking and parliamentary functioning are blocked because of political disagreement, boycott, or lack of consensus

## Important Terms Explained:

- **Political deadlock:** It is a condition in which competing political forces prevent decision-making or smooth governance
- **Mongolian People's Party:** It is a major political party in Mongolia and has played a leading role in the country's recent government formation and internal political developments

# APPOINTMENTS

## Tabular Summary:

Parameter	Details
Event name	Uchral Nyam-Osor appointed Prime Minister of Mongolia
Announcement date	April 3, 2026
Location	Mongolia
Issuing authority	Mongolian Parliament
Policy/series name	Prime Ministerial leadership change
Purpose/reason	To address political deadlock and restore government functioning after the resignation of the previous Prime Minister
Feature details	Uchral Nyam-Osor secured 88 votes out of 107 lawmakers in Parliament and took office after a period of boycott and internal political conflict
Strategic/significant value	The appointment is important for political stability, governance continuity, and economic decision-making ahead of the 2027 presidential election

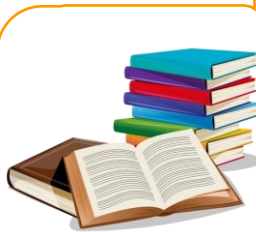

➤ **Mission Mitra launched under the Gaganyaan Mission is primarily aimed at testing what?**

- A) Satellite launch vehicles
- B) Lunar landing systems
- C) Astronaut endurance and psychological strength
- D) Deep-sea communication systems
- E) Space tourism modules

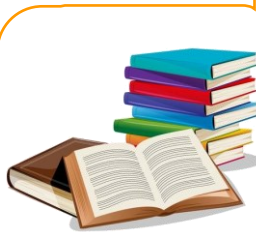

**Answer**

**C) Astronaut endurance and psychological strength**

## Event and Location:

- **Event:** ISRO launched Mission Mitra under the Gaganyaan Mission to test astronaut endurance, teamwork, and psychological resilience in space-like conditions
- **Location:** Ladakh, India
- **Date:** April 3, 2026

## Mandates and Objectives:

- **Mandates:** Mission Mitra is being conducted by ISRO's Human Space Flight Centre (HSFC) in Ladakh to simulate space-like isolation and stress conditions and assess astronauts' endurance, coordination, communication, and mental resilience under extreme environmental conditions
- **Objectives:** The mission aims to prepare astronauts for long-duration human spaceflight by testing psychological strength, team reliability, adaptability, and performance in conditions similar to those faced during space missions

## Important Terms Explained:

- **Mission Mitra:** It is an experimental programme under the Gaganyaan Mission designed to study astronaut behaviour, endurance, teamwork, and psychological reliability in isolated and extreme Earth-based environments
- **Gaganyaan Mission:** It is India's first human spaceflight programme aimed at sending Indian astronauts into space and bringing them back safely to Earth
- **ISRO:** It stands for the Indian Space Research Organisation, India's national space agency responsible for space research, satellite launches, and human spaceflight missions

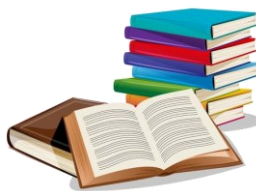

## Important Terms Explained:

- **Human Space Flight Centre (HSFC):** It is the ISRO centre responsible for human spaceflight activities, including astronaut training, crew systems, and mission preparation for Gaganyaan
- **Psychological resilience:** It refers to the mental ability of individuals to cope with stress, isolation, uncertainty, and difficult conditions without losing effectiveness

## Tabular Summary:

Parameter	Details
Event name	ISRO launches Mission Mitra under Gaganyaan
Announcement date	April 3, 2026
Location	Ladakh, India
Issuing authority	Indian Space Research Organisation
Policy/series name	Gaganyaan Mission
Purpose/reason	To test astronaut endurance, teamwork, and psychological strength in extreme conditions
Feature details	The experiment is being conducted in Ladakh's high-altitude and low-oxygen environment with astronaut monitoring and simulation-based assessment
Strategic/significant value	It strengthens India's preparation for long-duration human space missions and improves astronaut readiness under realistic stress conditions

# SCHEMES & INITIATIVES

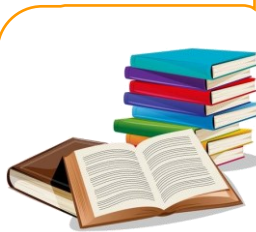

- ▶ **The RoSCTL scheme extended by the Ministry of Textiles till September 2026 is mainly intended to support which sector?**

- A) Automobile exports
- B) Textile exports
- C) Pharma exports
- D) Electronics exports
- E) Steel exports

**Answer**

**B) Textile exports**

## Event and Location:

- **Event:** The Ministry of Textiles extended the Rebate of State and Central Taxes and Levies (RoSCTL) scheme till September 30, 2026 to support textile exporters amid global demand uncertainty
- **Location:** India
- **Date:** April 3, 2026

## Mandates and Objectives:

- **Mandates:** The government extended the RoSCTL scheme for exporters of garments and made-ups so that they continue to receive rebate support for embedded state and central taxes and levies not refunded through other mechanisms
- **Objectives:** The extension aims to boost textile export competitiveness, provide stability to exporters during global uncertainty, support labour-intensive sectors, protect employment, and strengthen India's position in international textile markets

## Important Terms Explained:

- **RoSCTL:** It stands for Rebate of State and Central Taxes and Levies, a scheme that reimburses exporters for embedded taxes and duties that are not refunded through other channels
- **RoSL Scheme:** It was the earlier Rebate of State Levies scheme that covered only state-level taxes before being replaced by the broader RoSCTL scheme
- **Duty scrips:** These are electronic instruments issued to exporters under the scheme that can be used to pay Basic Customs Duty and are transferable as a whole unit

## Important Terms Explained:

- **Embedded taxes and levies:** These are indirect taxes and charges, such as VAT on fuel and electricity duties, that remain built into export costs and are not otherwise refunded
- **Duty drawback mechanism:** It is a system through which exporters receive refunds on certain duties paid on imported or domestically sourced inputs used in exported goods

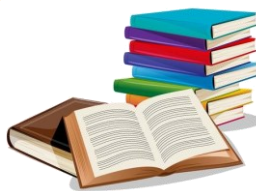

# SCHEMES & INITIATIVES

## Tabular Summary:

Parameter	Details
Event name	Ministry of Textiles extends RoSCTL scheme
Announcement date	April 3, 2026
Location	India
Issuing authority	Ministry of Textiles
Policy/series name	Rebate of State and Central Taxes and Levies
Purpose/reason	To support textile exporters and improve export competitiveness amid global uncertainty
Feature details	The scheme provides rebate through electronic duty scrips for embedded taxes and levies on garments and made-ups
Strategic/significant value	It supports export growth, protects employment in labour-intensive sectors, and strengthens India's textile trade position

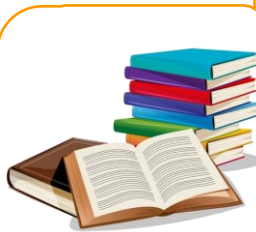

➤ The CBSE curriculum on Computational Thinking and Artificial Intelligence launched in April 2026 is designed for which classes?

- A) Classes 1 to 5
- B) Classes 3 to 8
- C) Classes 6 to 10
- D) Classes 9 to 12
- E) Classes 11 to 12

**Answer**

**B) Classes 3 to 8**

## Event and Location:

- **Event:** The CBSE launched a new curriculum on Computational Thinking (CT) and Artificial Intelligence (AI) for students of Classes 3 to 8 to build future-ready digital skills from an early stage
- **Location:** Vigyan Bhawan, New Delhi, India
- **Date:** April 2, 2026

## Mandates and Objectives:

- **Mandates:** The Central Board of Secondary Education (CBSE) introduced a structured curriculum on Computational Thinking and Artificial Intelligence for Classes 3 to 8, supported by teacher handbooks, student assessment frameworks, and activity-based learning modules for implementation from the 2026-27 academic session
- **Objectives:** The curriculum aims to develop logical thinking, problem-solving ability, pattern recognition, digital literacy, responsible use of technology, and early exposure to emerging technologies in alignment with future-ready learning goals

## Important Terms Explained:

- **Computational Thinking (CT):** It is a problem-solving approach that involves breaking complex problems into smaller parts, identifying patterns, and designing step-by-step solutions
- **Artificial Intelligence (AI):** It refers to technology that enables machines and computer systems to perform tasks that normally require human intelligence, such as learning, reasoning, and decision-making
- **CBSE:** It stands for the Central Board of Secondary Education, the national school education board that prescribes curriculum and academic standards for affiliated schools in India

## Important Terms Explained:

- **NEP 2020:** It refers to the National Education Policy 2020, which promotes skill-based, technology-oriented, and multidisciplinary learning in India's education system
- **NCF 2023:** It stands for the National Curriculum Framework 2023, which provides guidance on learning goals, competencies, and outcomes for school education

## Tabular Summary:

Parameter	Details
Event name	CBSE launches AI and Computational Thinking curriculum for Classes 3 to 8
Announcement date	April 2, 2026
Location	Vigyan Bhawan, New Delhi
Issuing authority	Central Board of Secondary Education
Policy/series name	CBSE Curriculum on Computational Thinking and Artificial Intelligence
Purpose/reason	To introduce structured AI and digital skills learning at an early school stage
Feature details	The curriculum includes CT skills, AI learning, teacher handbooks, student assessments, and activity-based learning modules
Strategic/significant value	It supports future-ready education and aligns school learning with technology, innovation, and national education reforms

► The National Council of Educational Research and Training (NCERT) has been granted which new status by the government?

- A) Central university status
- B) Institute of national importance status
- C) Deemed to be university status
- D) State university status
- E) Autonomous college status

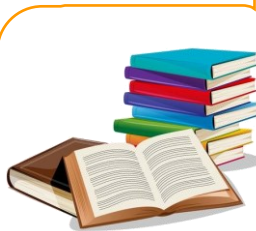

**Answer**

**C) Deemed to be university status**

विद्यया ऽ मृतमश्नुते

NCERT

## Event and Location:

- **Event:** The Ministry of Education granted deemed to be university status to NCERT, giving it greater academic autonomy to expand research and doctoral programmes in school education
- **Location:** India
- **Date:** April 3, 2026

## Mandates and Objectives:

- **Mandates:** The government granted NCERT the status of deemed to be university on the recommendation of the University Grants Commission (UGC), enabling it to design advanced academic programmes, offer PhD courses, and strengthen its role as a research-driven institution in school education
- **Objectives:** The decision aims to improve educational research, promote evidence-based policymaking, enhance teacher training and curriculum design, encourage innovation in school education, and expand academic excellence in the field of education

## Important Terms Explained:

- **NCERT:** It stands for the National Council of Educational Research and Training, an autonomous institution that supports school education, curriculum development, textbook preparation, and educational research in India
- **Deemed to be university:** It is a special academic status granted to high-performing institutions that allows greater autonomy in designing courses, conducting research, and awarding advanced degrees
- **UGC:** It stands for the University Grants Commission, the statutory body that regulates higher education standards and recommends academic recognition for institutions in India

## Important Terms Explained:

- **PhD programmes:** These are doctoral-level research programmes that allow institutions to promote advanced academic study and original research in specialised areas
- **Academic autonomy:** It refers to the freedom given to an institution to design courses, frame research programmes, and introduce innovations in teaching and learning
