► **Who became the oldest player ever to score in a men's FIFA World Cup knockout match?**

- A) Cristiano Ronaldo
- B) Lionel Messi
- C) Luka Modrić
- D) Roger Milla
- E) Lothar Matthäus

Answer
A) Cristiano Ronaldo.

Event and Location:

- **Event: Cristiano Ronaldo** became the oldest goalscorer in a men's **FIFA World Cup** knockout match as Portugal defeated Croatia **2-1**.
- **Location: FIFA World Cup Round of 32** match between **Portugal and Croatia**.
- **Date: July 3, 2026.**

Mandates and Objectives:

- **Mandates:** The match recorded a historic football milestone as Ronaldo scored a penalty at the age of **41** years and **147** days during the knockout stage.
- **Objectives:** The result helped Portugal advance to the Round of **16** and highlighted Ronaldo's continued leadership and record-breaking impact in international football.

Important Terms Explained:

- **FIFA World Cup:** It is the premier international football tournament contested by national teams under **FIFA**.
- **Knockout match:** It is a stage in a tournament where the losing team is eliminated and the winning team advances to the next round.

Important Terms Explained:

- Round of **32**: It is the knockout stage in which **32** teams compete for qualification to the Round of **16**.
- **Penalty**: It is a direct shot awarded from the penalty spot after a foul or rule violation inside the penalty area.

Tabular Summary:

Parameter	Details
Event name	Ronaldo becomes oldest FIFA World Cup knockout goalscorer.
Date	July 3, 2026.
Match	Portugal defeated Croatia 2-1 in the Round of 32.
Record holder	Cristiano Ronaldo achieved the milestone at 41 years and 147 days.
Key goal	Ronaldo scored through a penalty against Croatia.
Previous benchmark	Ronaldo surpassed the previous knockout-stage age benchmark held by Lionel Messi.
Next match	Portugal advanced to the Round of 16 to face Spain.
Overall record context	Ronaldo became the second-oldest goalscorer in FIFA World Cup history after Roger Milla.

➤ Which regulator partnered with the Institute of Public Auditors of India to identify dark patterns in the insurance sector?

- A) Reserve Bank of India
- B) Securities and Exchange Board of India
- C) Insurance Regulatory and Development Authority of India
- D) Pension Fund Regulatory and Development Authority
- E) National Financial Reporting Authority

Answer

C) Insurance Regulatory and Development Authority of India.

Event and Location:

- **Event:** IRDAI partnered with IPAI to identify and monitor dark patterns in the insurance sector.
- **Location:** India.
- **Date:** July 3, 2026.

Mandates and Objectives:

- **Mandates:** The partnership will independently monitor deceptive digital practices in insurance platforms for nine months and recommend corrective measures.
- **Objectives:** The move aims to curb mis-selling, improve transparency, protect consumers, and strengthen trust in digital insurance platforms.

Important Terms Explained:

- **IRDAI:** It stands for **Insurance Regulatory and Development Authority of India**, the regulator responsible for overseeing and developing the insurance sector in India.

Important Terms Explained:

- **IPAI:** It stands for **Institute of Public Auditors of India**, which will support independent monitoring of dark patterns in the insurance sector.

Important Terms Explained:

- **Dark patterns:** These are deceptive website or app design practices that manipulate users into taking actions they may not have intended.

Important Terms Explained:

- Mis-selling: It refers to selling financial or insurance products through misleading claims, hidden terms, unsuitable recommendations, or unfair sales practices.

Important Terms Explained:

- **Consumer protection framework:** It refers to regulatory safeguards designed to ensure fair treatment, transparency, and informed decision-making for customers.

Tabular Summary:

Parameter	Details
Event name	IRDAI-IPAI partnership to monitor dark patterns in insurance.
Date	July 3, 2026.
Location	India.
Regulator involved	Insurance Regulatory and Development Authority of India.
Partner institution	Institute of Public Auditors of India.
Monitoring period	The monitoring exercise will continue for nine months.
Key concern	The initiative targets deceptive digital practices, mis-selling, hidden charges, forced data sharing, and difficult policy cancellation.
Upcoming reform	IRDAI is expected to release a consultation paper in July 2026 on insurance distribution reforms.

AWARDS

➤ **The International Booker Prize will be renamed as what from 2027?**

- A) Global Booker Prize
- B) Bukhman International Booker Prize
- C) Booker Translation Prize
- D) World Literature Booker Prize
- E) International Fiction Prize

Answer

B) Bukhman International Booker Prize.

Event and Location:

- **Event:** The International Booker Prize will be renamed as the **Bukhman International Booker Prize** with doubled prize money.
- **Location:** United Kingdom and Ireland publication eligibility framework.
- **Date:** From **2027**.

Mandates and Objectives:

- **Mandates:** The **Booker Prize Foundation** announced a **10-year** title sponsorship agreement with **Bukhman Philanthropies** from **2027** to **2036**.
- **Objectives:** The partnership aims to strengthen support for translated literature, promote cultural exchange, and recognise the role of authors and translators.

Important Terms Explained:

- **International Booker Prize:** It is a major literary award that recognises translated fiction published in English.

Important Terms Explained:

- **Bukhman International Booker Prize:** It is the new name of the **International Booker Prize** from **2027** under the sponsorship of **Bukhman Philanthropies**.

Important Terms Explained:

- **Bukhman Philanthropies:** It is a philanthropic organisation founded by **Daria Bukhman and Dmitri Bukhman**, supporting areas such as health, education, literature, and culture.

Important Terms Explained:

- **Translated literature:** It refers to literary works translated from one language into another to make global stories accessible to wider readers.

Important Terms Explained:

- **Booker Prize Foundation:** It is the organisation that administers the **Booker Prizes** and promotes literary excellence.

AWARDS

Tabular Summary:

Parameter	Details
Event name	Renaming of the International Booker Prize.
Date	From 2027.
New name	Bukhman International Booker Prize.
Sponsoring organisation	Bukhman Philanthropies.
Funding period	The sponsorship agreement will run from 2027 to 2036.
Prize money	The winner will receive £100,000, shared equally between the author and translator.
Shortlisted prize	Each shortlisted title will receive £5,000, divided equally between the author and translator or translators.
2027 jury chair	Katie Kitamura will chair the judging panel for the 2027 prize.

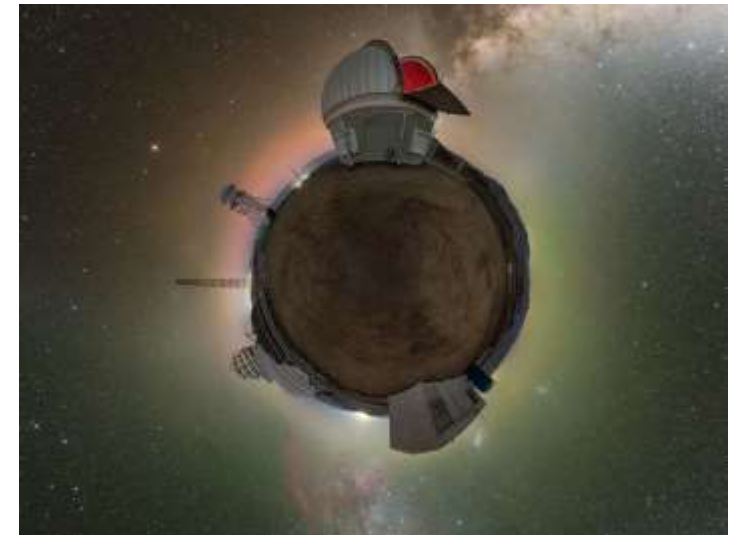

➤ Which observatory launched the 10-year Legacy Survey of Space and Time mission to map the Universe?

- A) Hubble Space Telescope
- B) James Webb Space Telescope
- C) Vera C. Rubin Observatory
- D) Chandra X-ray Observatory
- E) Keck Observatory

Answer

C) Vera C. Rubin Observatory.

Event and Location:

- **Event:** The **Vera C. Rubin Observatory** launched the **10-year LSST** mission to repeatedly scan the southern sky and map the dynamic Universe.
- **Location:** Chile.
- **Date:** July 3, 2026.

Mandates and Objectives:

- **Mandates:** The observatory will use the world's largest astronomy camera to capture repeated images of the southern sky and generate a time-lapse map of billions of celestial objects.

Mandates and Objectives:

- **Objectives:** The mission aims to advance research on galaxies, dark matter, black holes, supernovae, gravitational lenses, and the evolution of the Universe.

Important Terms Explained:

- **Legacy Survey of Space and Time:** It is a **10-year** astronomical survey by the **Rubin Observatory** to create a detailed time-lapse map of the Universe.

Important Terms Explained:

- **LSST camera:** It is a **3,200**-megapixel digital camera described as the world's largest digital camera built for astronomy.

Important Terms Explained:

- **Dark matter:** It is an invisible form of matter whose presence is inferred from its gravitational effects on galaxies and cosmic structures.

Important Terms Explained:

- **Gravitational lensing:** It is a phenomenon in which a massive object bends light from a distant galaxy or star, as predicted by Einstein's **General Theory of Relativity**.

Important Terms Explained:

- **Alert brokers:** These are automated systems that process astronomical alerts and help scientists identify new or unusual cosmic events quickly.

Tabular Summary:

Parameter	Details
Event name	Launch of the Legacy Survey of Space and Time mission.
Date	July 3, 2026.
Location	Chile.
Observatory	NSF–DOE Vera C. Rubin Observatory.
Mission duration	The LSST mission will run for 10 years.
Camera capacity	The observatory uses a 3,200-megapixel digital camera.
Data generation	The observatory is expected to produce around 10 terabytes of data every night.
Scientific significance	The mission will study nearly 20 billion galaxies and discover more than 10,000 gravitational lenses.

➤ What is the name of India's first privately developed orbital launch vehicle by Skyroot Aerospace?

- A) Vikram-S
- B) Vikram-1
- C) PSLV-C60
- D) SSLV-D3
- E) GSLV Mk III

Answer
B) Vikram-1.

Event and Location:

- **Event: Skyroot Aerospace** is set to launch India's first privately developed orbital launch vehicle, **Vikram-1**, under **Mission Aagaman**.
- **Location: Satish Dhawan Space Centre**, Sriharikota, **Andhra Pradesh**, India.
- **Date: July 12 to August 4, 2026.**

Mandates and Objectives:

- **Mandates:** The mission will launch Vikram-1 as a privately built orbital rocket carrying payloads from Indian startups and international customers.
- **Objectives:** The mission aims to collect real-time flight performance data, validate orbital launch capabilities, and support affordable commercial small satellite launches.

Important Terms Explained:

- **Vikram-1**: It is India's first privately developed orbital launch vehicle built by Hyderabad-based **Skyroot Aerospace** for launching small satellites into orbit.

Important Terms Explained:

- **Mission Aagaman:** It is the maiden orbital mission of Vikram-1 and symbolises the arrival of India's private sector into orbital space launches.

Important Terms Explained:

- **Skyroot Aerospace:** It is a Hyderabad-based private space company that developed Vikram-1 and earlier launched the Vikram-S sub-orbital demonstration rocket in **2022**.

Important Terms Explained:

- **Low Earth Orbit:** It is an orbit close to Earth where small satellites are commonly placed for communication, imaging, and scientific missions.

Important Terms Explained:

- Sun-**Synchronous Orbit**: It is a near-polar orbit that allows satellites to pass over the same region at nearly the same local solar time.

Tabular Summary:

Parameter	Details
Event name	Launch of Vikram-1 under Mission Aagaman.
Date	July 12 to August 4, 2026.
Location	Satish Dhawan Space Centre, Sriharikota.
Developed by	Skyroot Aerospace.
Rocket type	India's first privately developed orbital launch vehicle.
Payload capacity	Up to 350 kg to Low Earth Orbit and up to 260 kg to Sun-Synchronous Orbit.
Key technologies	All-carbon composite structure, 3D-printed engines, and indigenous guidance, navigation, and control systems.
Significance	The mission marks a major milestone for India's private space sector and commercial launch capabilities.

➤ What is the name of the undersea cable system being developed by Microsoft and Lightstorm to connect India with Southeast Asia?

- A) SEA-ME-WE 6
- B) I-2SEA
- C) MIST Cable
- D) Blue-Raman Cable
- E) Asia Connect

Answer
B) I-2SEA.

Event and Location:

- **Event:** Microsoft and Lightstorm partnered with global firms to build the I-2SEA undersea cable linking India, Malaysia, and Singapore.
- **Location:** India, Malaysia, and Singapore.
- **Date:** July 3, 2026.

Mandates and Objectives:

- **Mandates:** The consortium will develop a **3,600-kilometer** submarine fiber-optic cable system to provide high-capacity and low-latency digital connectivity between **India and Southeast Asia**.

Mandates and Objectives:

- **Objectives:** The project aims to strengthen regional digital infrastructure, support AI expansion, boost hyperscale cloud services, and enhance data centre connectivity across Asia.

Important Terms Explained:

- **I-2SEA**: It stands for India-**2-Southeast Asia**, a next-generation undersea cable system connecting India with **Malaysia and Singapore**.

Important Terms Explained:

- **Undersea cable:** It is a submarine fiber-optic cable laid under the sea to carry international internet traffic, cloud data, communications, and digital services.

Important Terms Explained:

- **Hyperscale cloud services:** These are large-scale cloud computing services designed to support massive data processing, storage, AI workloads, and enterprise applications.

Important Terms Explained:

- **AI and cloud zones:** These are digital infrastructure regions that support artificial intelligence workloads, cloud computing services, and high-speed data connectivity.

Important Terms Explained:

- **Data centre:** It is a facility that houses servers, storage systems, and networking equipment for processing and managing digital data.

Tabular Summary:

Parameter	Details
Event name	Microsoft-Lightstorm partnership for I-2SEA undersea cable.
Date	July 3, 2026.
Location	India, Malaysia, and Singapore.
Lead partners	Microsoft and Lightstorm.
Other partners	Tata Communications, Singtel, ASEAN Cables, and NEC Corporation of Japan.
Cable length	The I-2SEA cable will span around 3,600 kilometers.
Key landing station	One major landing station will be located in Machilipatnam, Andhra Pradesh.
Expected operation	The cable system is expected to become operational in the fourth quarter of 2029.

- India and Japan unveiled a strategic roadmap during the official visit of which Japanese Prime Minister to India?

- A) Fumio Kishida
- B) Shinzo Abe
- C) Sanae Takaichi
- D) Yoshihide Suga
- E) Taro Aso

Answer
C) Sanae Takaichi.

Event and Location:

- **Event: India and Japan** unveiled a comprehensive strategic roadmap to strengthen cooperation in energy, technology, AI, economic security, and defence.
- **Location:** India.
- **Date:** July 2, 2026.

Mandates and Objectives:

- **Mandates: Prime Minister Narendra Modi and Japanese Prime Minister Sanae Takaichi** announced key bilateral initiatives under the **India-Japan Special Strategic and Global Partnership**.

Mandates and Objectives:

- **Objectives:** The roadmap aims to build resilient supply chains, promote clean energy, deepen AI cooperation, secure critical minerals, and strengthen defence and maritime cooperation.

Important Terms Explained:

- **Special Strategic and Global Partnership:** It refers to the high-level India-Japan bilateral framework covering strategic, economic, technological, security, and global cooperation.

Important Terms Explained:

- **Economic security:** It means protecting critical industries, supply chains, technologies, and resources from disruptions and strategic vulnerabilities.

Important Terms Explained:

- **Artificial Intelligence:** It refers to advanced digital technologies that enable systems to learn, analyse data, automate tasks, and support innovation.

Important Terms Explained:

- **GOBARdhan initiative:** It is a **Government of India** initiative focused on converting organic waste and cattle dung into biogas, bio-**CNG**, and organic fertiliser.

Important Terms Explained:

- **Critical minerals:** These are minerals essential for semiconductors, electric vehicles, renewable energy systems, advanced electronics, and strategic technologies.

Important Terms Explained:

- **Free and Open Indo-Pacific:** It is Japan's strategic vision promoting maritime security, freedom of navigation, connectivity, sovereignty, and rules-based regional cooperation.

INTERNATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	India-Japan strategic roadmap on energy, technology, AI, economic security, and defence.
Date	July 2, 2026.
Location	India.
Key leaders	Prime Minister Narendra Modi and Japanese Prime Minister Sanae Takaichi.
Major agreements	Joint Declaration on Economic Security, Joint Statement on Cooperation in Artificial Intelligence, and Joint Statement on Energy Resilience.
Technology focus	The roadmap covers semiconductors, quantum technologies, advanced materials, critical minerals, and emerging manufacturing technologies.
Clean energy initiative	India and Japan announced plans for around 1,000 biogas and organic fertiliser plants across India.
Strategic significance	The summit strengthened India-Japan cooperation amid geopolitical uncertainties, supply chain disruptions, and evolving security challenges.

➤ Which global commission was joined by Mukesh Ambani, Sunil Bharti Mittal, Lakshmi N. Mittal, and Vishal Talwar to promote responsible AI worldwide?

- A) Global AI Safety Council
- B) AI for Good Global Commission
- C) World Digital Inclusion Forum
- D) Responsible Technology Alliance
- E) Global AI Governance Board

Answer

B) AI for Good Global Commission.

Event and Location:

- **Event:** The AI for **Good Global Commission** was launched with four prominent Indian business leaders as founding members.
- **Location:** Global initiative, with the first meeting scheduled in Geneva, Switzerland.
- **Date:** July 3, 2026.

Mandates and Objectives:

- **Mandates:** The commission brings together more than **40** global leaders from governments, businesses, academia, and international organisations to promote responsible artificial intelligence.

Mandates and Objectives:

- **Objectives:** The initiative aims to build trust in AI, expand access to AI technologies, reduce digital inequalities, and use AI for sustainable development.

Important Terms Explained:

- **AI for Good Global Commission:** It is an international leadership platform launched by **ITU** and Salesforce to promote responsible and inclusive artificial intelligence worldwide.

Important Terms Explained:

- **International Telecommunication Union:** It is a **United Nations** specialised agency for information and communication technologies and is one of the lead organisations behind the commission.

Important Terms Explained:

- **Responsible AI:** It refers to the ethical, transparent, safe, accountable, and inclusive development and use of artificial intelligence systems.

Important Terms Explained:

- **Digital divide:** It refers to the gap between people who have access to digital technologies and internet services and those who do not.

Important Terms Explained:

- **AI for Good Global Summit:** It is a global event where governments, technology firms, researchers, startups, and policymakers discuss AI solutions for development challenges.

INTERNATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	Launch of AI for Good Global Commission.
Date	July 3, 2026.
Location	Global initiative, with inaugural meeting in Geneva, Switzerland.
Launched by	International Telecommunication Union and Salesforce.
Indian members	Mukesh Ambani, Sunil Bharti Mittal, Lakshmi N. Mittal, and Vishal Talwar.
Global leadership	Paul Kagame will serve as Co-Chair and Doreen Bogdan-Martin will serve as Vice-Chair.
Key purpose	The commission will promote trustworthy AI, digital inclusion, sustainable development, and global collaboration.
First meeting	The inaugural meeting will be held during the AI for Good Global Summit 2026 from July 7 to 10 in Geneva.

► Under the EPF Scheme 2026, what minimum balance must EPFO members retain before making partial withdrawals?

- A) 10%
- B) 15%
- C) 20%
- D) 25%
- E) 30%

Answer
D) 25%.

Event and Location:

- **Event:** The Central Government notified the **EPF Scheme 2026** with revised partial withdrawal rules and new digital member services.
- **Location:** India.
- **Date:** June 29, 2026.

Mandates and Objectives:

- **Mandates:** The scheme introduces a mandatory minimum balance rule, expands eligible purposes for partial withdrawals, and prepares digital facilities such as **UPI**-based withdrawals and WhatsApp services.

Mandates and Objectives:

- **Objectives:** The scheme aims to protect retirement savings, provide flexibility during genuine financial needs, speed up claim settlement, and improve member convenience.

Important Terms Explained:

- **EPF Scheme 2026:** It is the revised provident fund framework notified by the **Central Government** for **EPFO** members with updated withdrawal rules and member services.

Important Terms Explained:

- **Employees Provident Fund Organisation:** It is the organisation that manages provident fund accounts, contributions, withdrawals, and retirement savings for eligible employees in India.

Important Terms Explained:

- **Partial withdrawal:** It refers to the withdrawal of a portion of provident fund savings for approved purposes such as housing, medical treatment, education, marriage, or special needs.

Important Terms Explained:

- **Unified Payments Interface:** It is a real-time digital payment system that will enable faster provident fund withdrawals directly into members' bank accounts.

Important Terms Explained:

- WhatsApp-enabled member services: It refers to **EPFO**'s planned service through which members can check PF balance, transactions, claim status, and access services in regional languages.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Scheme name	EPF Scheme 2026.
Date	June 29, 2026.
Location	India.
Notified by	Central Government.
Implementing organisation	Employees Provident Fund Organisation.
Minimum balance rule	Members must retain at least 25% of their EPF balance before partial withdrawal.
Eligible withdrawal purposes	Withdrawals are allowed for housing, medical treatment, higher education, marriage, and family needs.
Digital services planned	EPFO is preparing UPI-based PF withdrawals and WhatsApp-enabled member services.

➤ From which state did Union Minister Shivraj Singh Chouhan launch the nationwide Viksit Bharat G-Ram G Act initiative?

- A) Uttar Pradesh
- B) Madhya Pradesh
- C) Andhra Pradesh
- D) Rajasthan
- E) Bihar

Answer
C) Andhra Pradesh.

Event and Location:

- **Event:** Union Minister Shivraj Singh Chouhan launched the nationwide **Viksit Bharat** G-Ram G Act initiative to strengthen rural employment and village development.
- **Location:** Mukkavaripalli village, **Andhra Pradesh**, India.
- **Date:** July 3, 2026.

Mandates and Objectives:

- **Mandates:** The initiative provides a legal guarantee of **125** days of wage employment every financial year to eligible rural households willing to perform unskilled manual work.

Mandates and Objectives:

- **Objectives:** The mission aims to improve rural livelihood security, provide better wages, strengthen legal safeguards, support **Gram Sabha**-led planning, and build village infrastructure.

Important Terms Explained:

- **Viksit Bharat G-Ram G Act:** It refers to the **Viksit Bharat – Guarantee for Rozgar and Ajeevika Mission Gramin**, a statutory rural employment programme focused on livelihood security and rural development.

Important Terms Explained:

- **Gram Sabha:** It is a village-level body consisting of registered voters that participates in local decision-making and prioritisation of development works.

Important Terms Explained:

- **Gram Panchayat:** It is the elected local self-government institution responsible for planning and implementing development activities at the village level.

Important Terms Explained:

- **Unemployment allowance:** It is a payment made to eligible workers when guaranteed employment is not provided within the prescribed time.
- **Pradhan Mantri Awas Yojana-Gramin:** It is a rural housing scheme aimed at providing pucca houses to eligible rural households.

Important Terms Explained:

- **Pradhan Mantri Gram Sadak Yojana:** It is a rural connectivity scheme focused on building roads and bridges to improve access in villages.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Event name	Nationwide launch of Viksit Bharat G-Ram G Act initiative.
Date	July 3, 2026.
Location	Mukkavaripalli village, Andhra Pradesh.
Launched by	Union Minister Shivraj Singh Chouhan.
Key attendees	Chief Minister N. Chandrababu Naidu and Deputy Chief Minister Pawan Kalyan.
Employment guarantee	Eligible rural households will receive 125 days of wage employment every financial year.
Financial commitment	The Centre will contribute more than ₹95,000 crore in the first year, with combined expenditure of around ₹1.51 lakh crore including states' share.
Andhra Pradesh package	Andhra Pradesh will receive ₹7,707 crore under the mission, along with 74,212 PMAY-G houses and 146 roads and 19 bridges under PMGSY-IV.

SCHEMES & INITIATIVES

➤ **Operation Surakshit Cyberspace was launched by which state police to strengthen online safety for women and children?**

- A) Maharashtra Police
- B) Gujarat Police
- C) Rajasthan Police
- D) Karnataka Police
- E) Delhi Police

Answer

B) Gujarat Police.

Event and Location:

- **Event: Operation Surakshit Cyberspace** was launched as a **28-day** cyber safety campaign for women and children.
- **Location:** Gujarat, India.
- **Date:** July 1, 2026.

Mandates and Objectives:

- **Mandates:** Gujarat Police launched the statewide campaign with technology-driven policing, cyber awareness programmes, victim outreach, and coordinated enforcement.
- **Objectives:** The campaign aims to prevent cybercrimes against women and children, improve cyber awareness, support victims, and ensure timely police action.

Important Terms Explained:

- **Operation Surakshit Cyberspace:** It is a statewide cyber safety campaign launched by **Gujarat Police** to make digital spaces safer for women and children.

Important Terms Explained:

- **Cyberstalking:** It refers to repeated online tracking, harassment, or intimidation of a person through digital platforms.

Important Terms Explained:

- **National Cyber Helpline:** It is a reporting mechanism used to help citizens quickly report cybercrime-related complaints and seek assistance.

Important Terms Explained:

- **SHE Teams:** These are special police teams focused on women's safety, prevention of harassment, and public outreach.

Important Terms Explained:

- **Cyber Safety Pledge:** It is a public awareness commitment encouraging students and citizens to follow safe and responsible online behaviour.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Event name	Operation Surakshit Cyberspace.
Date	July 1, 2026.
Location	Gujarat, India.
Launched by	Gujarat Police.
Campaign duration	The campaign will continue for 28 days till July 28, 2026.
Coordinating agency	CID Crime-Women Cell under the guidance of DGP G.S. Malik.
Target groups	Women, children, students, adolescent girls, and vulnerable online users.
Key targets	The campaign aims to educate 25 lakh citizens, involve 20 lakh students in the Cyber Safety Pledge, and conduct awareness in 10,000 schools and 1,500 colleges.

QUICK RECALL

- **Cristiano Ronaldo scored his first FIFA World Cup knockout-stage goal against Croatia.**
- **IRDAI partnered with IPAI to identify dark patterns in the insurance sector.**

QUICK RECALL

- The International Booker Prize will be renamed as the Bukhman International Booker Prize from 2027.
- The Rubin Observatory has started a decade-long mission to map the southern sky.
- Vikram-1 is named after Dr. Vikram Sarabhai, the father of India's space programme.
- Microsoft and Lightstorm are leading the I-2SEA undersea cable project.
- Japanese Prime Minister Sanae Takaichi visited India on July 2, 2026.
- The AI for Good Global Commission was announced on July 3, 2026.
- The EPF Scheme 2026 came into effect from June 29, 2026.
- The Viksit Bharat G-Ram G Act initiative was launched nationwide from Mukkavaripalli village in Andhra Pradesh.
- Gujarat Police launched Operation Surakshit Cyberspace on July 1, 2026.
