# Important Days

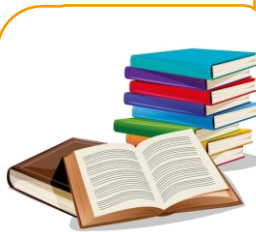

➤ **Where will the main celebration of NAMASTE Day 2026 be held?**

- A) Vigyan Bhawan, New Delhi
- B) Rabindra Sadan, Kolkata
- C) Bharat Mandapam, New Delhi
- D) Biswa Bangla Convention Centre, Kolkata
- E) Victoria Memorial, Kolkata

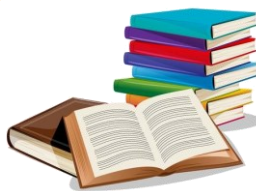

**Answer**  
**B) Rabindra Sadan, Kolkata.**

## Event and Location:

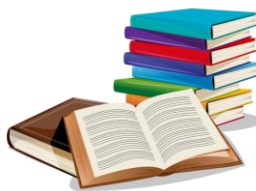

- **Event:** India will observe the third **NAMASTE** Day to honour sanitation workers and mark three years of the **National Action for Mechanized Sanitation Ecosystem Scheme**.
- **Location:** The main celebration will be held at **Rabindra Sadan in Kolkata, West Bengal**, with related programmes organised across India.
- **Date:** **14 July 2026**.

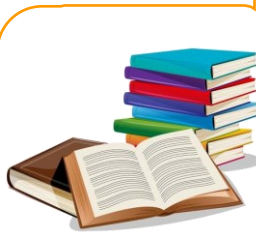

## Mandates and Objectives:

- **Mandates: The Ministry of Social Justice and Empowerment and Urban Local Bodies** will organise safety training, health camps, welfare-benefit facilitation, equipment demonstrations and sanitation-worker felicitation programmes.
- **Objectives:** The observance aims to promote mechanised sanitation, prevent hazardous manual practices and improve the safety, dignity, livelihood and social inclusion of sanitation workers.

## Important Terms Explained:

- **National Action for Mechanized Sanitation Ecosystem:** A flagship initiative launched during the **2023–24** financial year to replace hazardous manual sanitation work with safer and mechanised systems.
- **Urban Local Bodies:** Local government institutions responsible for municipal services such as sanitation, waste management and public health in urban areas.
- **Personal Protective Equipment:** Specialised safety equipment, including gloves, masks, boots and protective clothing, used to reduce occupational hazards.
- **Mechanised Sanitation:** The use of machines and modern equipment for sewer, septic-tank and waste-cleaning operations instead of hazardous manual methods.

# Important Days

## Tabular Summary:

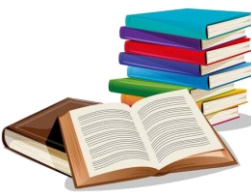

| Parameter            | Details                                                                                                              |
|----------------------|----------------------------------------------------------------------------------------------------------------------|
| Observance           | The third NAMASTE Day will recognise the contribution of sanitation workers.                                         |
| Date                 | The observance will be held on 14 July 2026.                                                                         |
| Main venue           | The principal event will take place at Rabindra Sadan in Kolkata.                                                    |
| Lead ministry        | The Ministry of Social Justice and Empowerment will lead the nationwide celebration.                                 |
| Scheme launch period | The NAMASTE Scheme was launched during the 2023–24 financial year.                                                   |
| Beneficiaries        | Sewer workers, septic-tank workers, waste pickers and former manual scavengers are among the intended beneficiaries. |
| Planned activities   | Health camps, safety training, welfare facilitation and mechanised-equipment demonstrations will be organised.       |
| Core significance    | The initiative promotes safer, technology-driven and dignified sanitation services.                                  |
|                      |                                                                                                                      |
|                      |                                                                                                                      |

► At what age did former Qatar Emir Sheikh Hamad bin Khalifa Al Thani reportedly die?

- A) 70 years
- B) 72 years
- C) 74 years
- D) 76 years
- E) 78 years

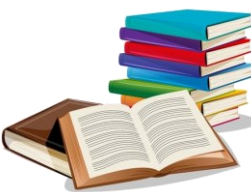

**Answer**  
**C) 74 years.**

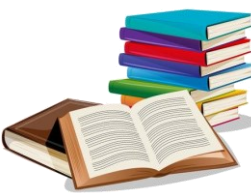

## Event and Location:

- **Event: Former Qatar Emir Sheikh Hamad bin Khalifa Al Thani** reportedly died at the age of **74**, according to an announcement cited from Qatari authorities.
- Location: Qatar.
- Date: **12 July 2026**.

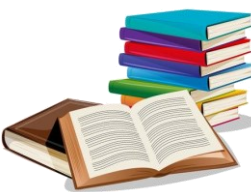

## Mandates and Objectives:

- **Mandates:** Qatar announced official mourning measures, including lowering flags, closing government facilities, suspending public-sector activities, and organising mourning events.
- **Objectives:** The measures were intended to honour the former Emir's leadership and his contribution to Qatar's economic development and international prominence.

## Important Terms Explained:

- **Liquefied Natural Gas:** Natural gas cooled to a liquid state for easier storage and transportation, especially through specialised ships.
- **North Field:** Qatar's major offshore natural gas field that supported the country's emergence as a leading global gas producer and exporter.
- **Sovereign Wealth Fund:** A state-owned investment fund that manages national financial assets and invests them domestically and internationally.
- **Qatar Investment Authority:** Qatar's sovereign wealth fund, established to invest the country's surplus revenues and diversify its long-term financial assets.

## Tabular Summary:

| Parameter                          | Details                                                                                                                            |
|------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Event name                         | Reported death of former Qatar Emir Sheikh Hamad bin Khalifa Al Thani.                                                             |
| Date                               | 12 July 2026.                                                                                                                      |
| Location                           | Qatar.                                                                                                                             |
| Age                                | He reportedly died at the age of 74.                                                                                               |
| Period as Emir                     | He ruled Qatar from 1995 to 2013.                                                                                                  |
| Economic contribution              | His leadership expanded Qatar's natural gas production, global investments, and infrastructure development.                        |
| Major institutions and initiatives | His tenure was associated with the establishment of Al Jazeera and the Qatar Investment Authority.                                 |
| Official response                  | Qatar announced mourning measures, while the article also reported international tributes and a day of national mourning in India. |
|                                    |                                                                                                                                    |
|                                    |                                                                                                                                    |

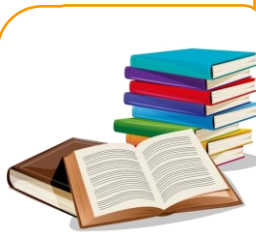

➤ For how long will the EPFO Amnesty Scheme 2026 remain open to eligible establishments?

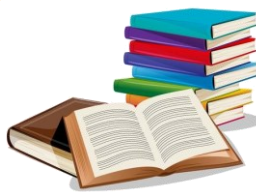

- A) Three months
- B) Four months
- C) Six months
- D) Nine months
- E) Twelve months

**Answer**  
**C) Six months.**

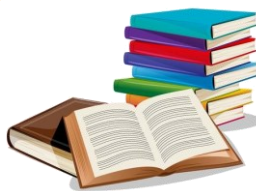

## Event and Location:

- **Event: The Employees' Provident Fund Organisation Amnesty Scheme 2026** provides a one-time opportunity to regularise eligible employer-managed provident fund trusts.
- Location: India.
- Date: **13 July 2026**.

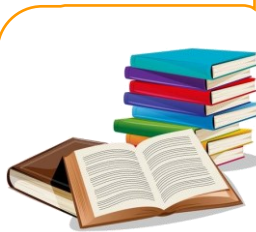

## Mandates and Objectives:

- **Mandates:** Eligible establishments must submit an application with supporting documents by email to the concerned **EPFO Regional Office** within the six-month compliance window.
- **Objectives:** The scheme aims to regularise exempted provident fund trusts, promote uniform statutory compliance, strengthen governance and protect employees' retirement savings.

## Important Terms Explained:

- **Exempted Provident Fund Trust:** An employer-managed trust that administers employees' provident fund contributions independently while providing benefits equal to or better than those available under EPFO.
- **Retrospective Regularisation:** The process of granting legal recognition or compliance status from an earlier date after completing prescribed statutory requirements.
- **Statutory Compliance:** Adherence to obligations prescribed under applicable laws, regulations and official provident fund requirements.
- **Amnesty Scheme:** A limited-period regulatory initiative that allows eligible entities to correct past non-compliance under specified conditions.

## Tabular Summary:

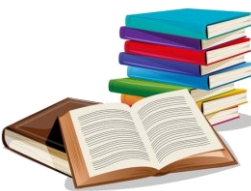

| Parameter               | Details                                                                                                               |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Scheme name             | EPFO Amnesty Scheme 2026.                                                                                             |
| Implementing authority  | The Employees' Provident Fund Organisation under the Ministry of Labour and Employment.                               |
| Validity period         | The scheme will remain open for six months.                                                                           |
| Eligible establishments | Establishments operating provident fund trusts recognised under the Income Tax Act, 1961, subject to EPFO conditions. |
| Primary purpose         | The scheme enables retrospective regularisation of eligible exempted provident fund trusts.                           |
| Application method      | Applications and supporting documents must be submitted by email to the concerned EPFO Regional Office.               |
| Employer benefits       | The scheme offers regulatory clarity, simplified administration and a one-time compliance opportunity.                |
| Employee benefits       | It strengthens legal certainty, governance and protection of retirement benefits.                                     |
|                         |                                                                                                                       |
|                         |                                                                                                                       |

➤ Which platform connects rural producers, women entrepreneurs, SHGs and FPOs with customers across India through digital commerce?

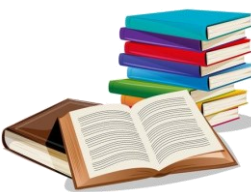

- A) GeM
- B) eSaras
- C) DigiLocker
- D) BharatNet
- E) eNAM

**Answer**  
**B) eSaras.**

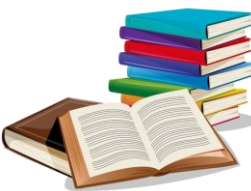

## Event and Location:

- **Event:** The eSaras digital commerce platform is empowering rural women entrepreneurs, Self-Help Groups and Farmer Producer Organisations as the Digital India programme completes 11 years.
- Location: India.
- Date: 13 July 2026.

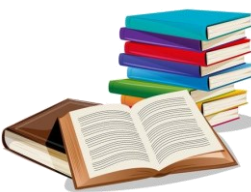

## Mandates and Objectives:

- **Mandates:** The platform enables verified rural producers to register as sellers, catalogue products, manage inventory, receive digital payments, access logistics services and sell through **ONDC**-enabled buyer applications.
- **Objectives:** The initiative aims to provide direct national market access, reduce dependence on intermediaries, diversify rural incomes and create sustainable livelihood opportunities for women-led enterprises.

## Important Terms Explained:

- **eSaras:** A government-backed digital marketplace developed by the **Digital India Corporation** under MeitY in collaboration with the **Ministry of Rural Development** to connect rural sellers with customers across India.
- **Self-Help Groups:** Small community-based groups, primarily comprising women, that promote savings, credit access, collective enterprise and livelihood development.
- **Farmer Producer Organisations:** Collective entities formed by farmers to improve production, processing, marketing, bargaining power and access to agricultural markets.
- **Open Network for Digital Commerce:** An interoperable digital commerce network that allows buyers and sellers to transact through different

## Tabular Summary:

| Parameter                 | Details                                                                                                                |
|---------------------------|------------------------------------------------------------------------------------------------------------------------|
| Initiative                | eSaras digital commerce platform.                                                                                      |
| Programme linkage         | It operates under the Digital India initiative and DAY-NRLM.                                                           |
| Developing institutions   | It was developed by the Digital India Corporation under MeitY in collaboration with the Ministry of Rural Development. |
| Primary beneficiaries     | Rural producers, women entrepreneurs, Self-Help Groups and Farmer Producer Organisations.                              |
| Platform reach            | It supports more than 8.99 crore registered Self-Help Group members.                                                   |
| Products and applications | More than 1,400 rural products are available through over 11 ONDC-enabled buyer applications.                          |
| Technology support        | The platform integrates LokOS, BHASHINI, UMANG, digital payments, logistics and API-based verification services.       |
| Policy significance       | It supports the target of creating 6 crore Lakhpati Didis by 2029 and promotes non-farm rural livelihoods.             |
|                           |                                                                                                                        |
|                           |                                                                                                                        |

► How many saplings did Ahmedabad plant in one hour to create a Guinness World Record?

- A) 2.61 lakh
- B) 3.11 lakh
- C) 3.61 lakh
- D) 4.01 lakh
- E) 4.61 lakh

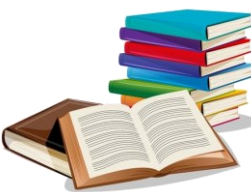

**Answer**  
**C) 3.61 lakh.**

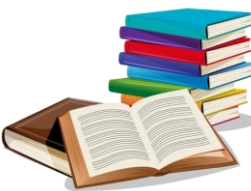

## Event and Location:

- **Event:** Ahmedabad created a **Guinness World Record** by planting **3.61 lakh** saplings in one hour through a large-scale Miyawaki plantation drive.
- **Location:** Bhadaj near the Gota-**Godhavi Canal** in **Ahmedabad**, Gujarat.
- **Date:** **12 July 2026**.

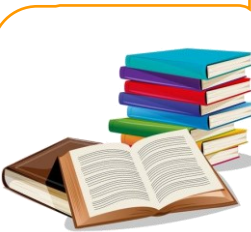

## Mandates and Objectives:

- **Mandates: The Ahmedabad Municipal Corporation** organised the plantation drive with more than **25,000** volunteers and planted **35** indigenous tree species across the selected site.
- **Objectives:** The initiative aimed to increase Ahmedabad's green cover, restore the local ecosystem, promote biodiversity and address the environmental effects of climate change.

## Important Terms Explained:

- **Guinness World Record:** An internationally recognised record awarded for exceptional achievements that meet prescribed verification standards.
- **Miyawaki Method:** An afforestation technique developed by Japanese botanist Dr. **Akira Miyawaki** that uses dense planting of diverse native species to create fast-growing forests in limited areas.
- **Indigenous Species:** Plant or animal species that occur naturally in a particular geographical region and are adapted to its local climate and ecosystem.
- **Afforestation:** The process of creating a forest by planting trees on land that previously had little or no tree cover.

## Tabular Summary:

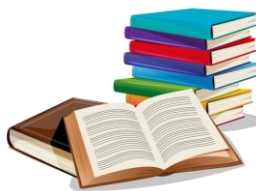

| Parameter                  | Details                                                                                          |
|----------------------------|--------------------------------------------------------------------------------------------------|
| Record achieved            | Largest Miyawaki plantation action completed in one hour.                                        |
| Saplings planted           | A total of 3,61,000 saplings were planted.                                                       |
| Date                       | The plantation drive was conducted on 12 July 2026.                                              |
| Location                   | Bhadaj near the Gota-Godhavi Canal in Ahmedabad, Gujarat.                                        |
| Organiser                  | The Ahmedabad Municipal Corporation organised the initiative.                                    |
| Volunteer participation    | More than 25,000 volunteers participated in the drive.                                           |
| Area and species           | The core plantation area covered 76,000 square metres and included 35 indigenous species.        |
| Environmental significance | The drive sought to expand green cover, improve biodiversity and support ecological restoration. |
|                            |                                                                                                  |
|                            |                                                                                                  |

➤ Which organisation successfully conducted three critical qualification tests for the Gaganyaan Crew Module?

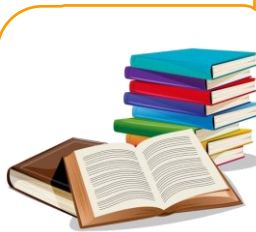

- A) DRDO
- B) HAL
- C) ISRO
- D) NASA
- E) IN-SPACE

**Answer**  
**C) ISRO.**

## Event and Location:

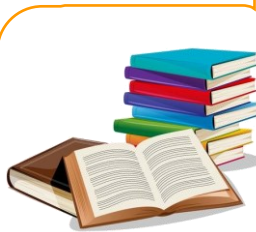

- **Event: The Indian Space Research Organisation** successfully completed three critical qualification tests for the **Gaganyaan Crew Module**.
- Location: India.
- Date: **12 July 2026**.

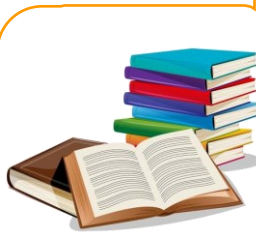

## Mandates and Objectives:

- **Mandates:** The tests validated the **Crew Module Uprighting System**, **Crew-Service Umbilical Unit** separation mechanism and apex cover structural integrity.
- **Objectives:** The tests aimed to ensure astronaut safety during atmospheric re-entry, parachute deployment, ocean splashdown and post-landing recovery operations.

## Important Terms Explained:

- **Crew Module Uprighting System:** A stored cold-gas-based safety system that inflates flotation devices to keep the **Crew Module** upright after it lands in the sea.
- **Crew-Service Umbilical Unit:** A physical interface connecting the **Crew Module** with the **Service Module** for power, propulsion support and other mission functions before separation.
- **Apex Cover:** A protective structure positioned above the **Crew Module** to safeguard parachutes, deployment mechanisms and recovery subsystems during launch and orbital flight.
- **Atmospheric Re-entry:** The phase in which a spacecraft returns from space and passes through Earth's atmosphere before landing or splashdown.

## Tabular Summary:

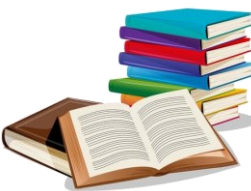

| Parameter                   | Details                                                                                                                 |
|-----------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Event name                  | Qualification testing of three critical Gaganyaan Crew Module systems.                                                  |
| Date                        | The tests were conducted on 12 July 2026.                                                                               |
| Conducting organisation     | The Indian Space Research Organisation conducted the tests.                                                             |
| Systems tested              | The tests covered the uprighting system, CSU-2 separation mechanism and apex cover structure.                           |
| Uprighting system function  | It keeps the Crew Module upright after ocean splashdown by inflating flotation devices.                                 |
| Umbilical separation result | CSU-2 separated cleanly while the Crew Module structure remained stable.                                                |
| Apex cover result           | The cover maintained structural integrity and separated as intended before parachute deployment.                        |
| Mission significance        | The tests strengthened astronaut safety and mission readiness for India's first indigenous human spaceflight programme. |
|                             |                                                                                                                         |
|                             |                                                                                                                         |

► How many countries jointly reaffirmed the 2016 South China Sea arbitration ruling on its tenth anniversary?

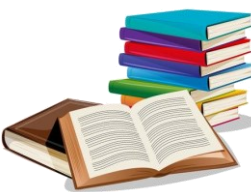

- A) 10
- B) 12
- C) 14
- D) 16
- E) 18

**Answer**  
**C) 14.**

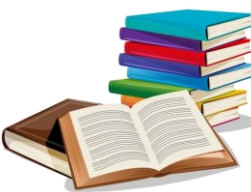

## Event and Location:

- **Event:** Fourteen countries reaffirmed the **2016 South China Sea** arbitration ruling and rejected the legal basis of China's broad maritime claims.
- **Location:** **The South China Sea and The Hague,** Netherlands.
- **Date:** **12 July 2026.**

## Mandates and Objectives:

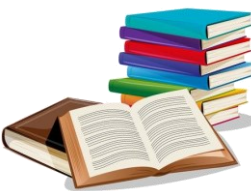

- **Mandates:** The joint statement described the arbitral award as final and legally binding, opposed coercive maritime actions and called for respect for freedom of navigation and overflight.
- **Objectives:** The declaration aimed to uphold international maritime law, support peaceful dispute resolution and reinforce a rules-based order in the Indo-Pacific region.

## Important Terms Explained:

- **United Nations Convention on the Law of the Sea:** An international legal framework that defines the rights and responsibilities of countries concerning oceans, maritime zones and marine resources.
- **Nine-Dash Line:** A boundary used by China to assert historical claims over a large portion of the **South China Sea**, which the **2016** tribunal found to have no legal basis under **UNCLOS**.
- **Arbitral Award:** A legally binding decision issued by an arbitration tribunal after examining a dispute between parties.
- **Freedom of Navigation and Overflight:** The right of ships and aircraft to travel through international waters and airspace in accordance with international law

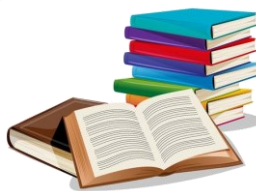

## Tabular Summary:

| Parameter               | Details                                                                                                                         |
|-------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| Event                   | Fourteen countries reaffirmed the 2016 South China Sea arbitral award.                                                          |
| Statement date          | The joint statement was issued on 12 July 2026.                                                                                 |
| Occasion                | It marked the tenth anniversary of the tribunal's decision delivered on 12 July 2016.                                           |
| Participating countries | The signatories included the United States, United Kingdom, Philippines, Japan, Australia, Canada and eight European countries. |
| Legal position          | The countries stated that China's broad maritime claims and claimed historic rights lacked a legal basis under UNCLOS.          |
| China's response        | China continued to reject the award as null and void and refused to recognise its binding force.                                |
| Dispute background      | The Philippines initiated arbitration proceedings against China in 2013 following escalating maritime tensions.                 |
| Strategic significance  | The statement supported peaceful dispute resolution, regional stability and a rules-based maritime order.                       |
|                         |                                                                                                                                 |
|                         |                                                                                                                                 |

➤ What maximum subsidy rate is generally offered under the UP Khet Suraksha Yojana 2026 for installing solar fencing?

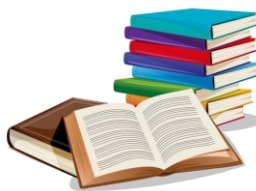

- A) 40%
- B) 50%
- C) 60%
- D) 75%
- E) 90%

**Answer**  
**C) 60%.**

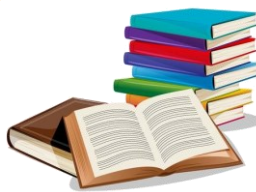

## Event and Location:

- **Event:** The **Uttar Pradesh** government introduced the **UP Khet Suraksha Yojana 2026** to provide financial assistance for installing solar-powered fencing around agricultural land.
- **Location:** **Uttar Pradesh**, India.
- **Date:** **13 July 2026**.

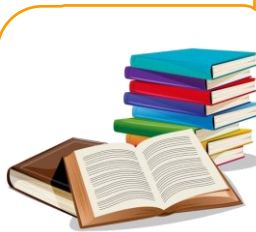

## Mandates and Objectives:

- **Mandates: The Uttar Pradesh Agriculture Department** provides eligible farmers with a subsidy of up to **60%** of the solar fencing installation cost, subject to a maximum assistance of **₹1.43 lakh** per kilometre.
- **Objectives:** The scheme aims to protect crops from stray cattle, nilgai, wild boars and other animals while reducing crop losses and promoting renewable-energy-based agricultural protection.

## Important Terms Explained:

- **Solar Fencing:** A crop-protection system powered by solar energy that produces low-voltage electric pulses to deter animals without causing serious injury.
- **Direct Benefit Transfer:** A system through which government subsidies and financial benefits are transferred directly to beneficiaries' Aadhaar-linked bank accounts.
- **Khatauni:** An official land record containing details of agricultural holdings, landholders and cultivation rights in a village.
- **Small and Marginal Farmers:** Farmers operating comparatively small agricultural holdings who may receive additional assistance under government welfare schemes.

# SCHEMES & INITIATIVES

## Tabular Summary:

| Parameter              | Details                                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------|
| Scheme name            | UP Khet Suraksha Yojana 2026.                                                                                                                      |
| Implementing authority | Uttar Pradesh Agriculture Department.                                                                                                              |
| Primary beneficiaries  | Farmers owning or leasing eligible agricultural land in Uttar Pradesh.                                                                             |
| General subsidy        | Up to 60% of the solar fencing installation cost.                                                                                                  |
| Maximum assistance     | Up to ₹1.43 lakh per kilometre of fencing.                                                                                                         |
| Enhanced support       | Subsidy may increase to around 70% for SC, ST, small and marginal farmers in specified cases.                                                      |
| Basic eligibility      | Applicants must be permanent Uttar Pradesh residents and own or lease at least 0.5 hectares of agricultural land.                                  |
| Application process    | Farmers must register on the Agriculture Department portal, upload documents and obtain approval before installation through an authorised vendor. |
|                        |                                                                                                                                                    |
|                        |                                                                                                                                                    |

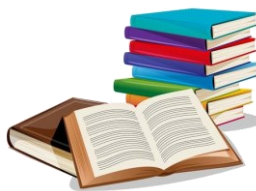

# QUICK RECALL

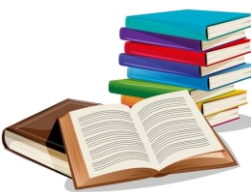

- **NAMASTE Day recognises the contribution of sanitation workers to public health and environmental cleanliness.**
- **Sheikh Hamad bin Khalifa Al Thani served as the Emir of Qatar from 1995 to 2013.**
- **The scheme applies to eligible establishments operating employer-managed provident fund trusts.**
- **The eSaras platform gives rural sellers direct access to customers across India.**

# QUICK RECALL

- **Ahmedabad planted 3.61 lakh saplings within exactly one hour.**
- **The Crew Module Uprighting System uses compressed cold gas to inflate flotation devices after splashdown.**
- **The tribunal delivered its landmark South China Sea award on 12 July 2016.**
- **The scheme seeks to protect agricultural fields from nilgai, stray cattle, wild boars and other crop-damaging animals.**
