➤ **What is India's wind energy capacity target by 2030 as highlighted during Global Wind Day 2026?**

- A) 75 GW
- B) 80 GW
- C) 90 GW
- D) 100 GW
- E) 150 GW

Answer
D) 100 GW.

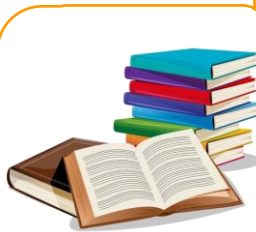

Important Days

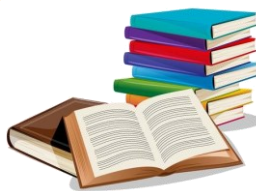

Event and Location:

- **Event:** India marked **Global Wind Day 2026** with a roadmap to expand wind energy capacity from **56.09 GW** to **100 GW** by **2030**.
- **Location:** The **Global Wind Day 2026** Conference was hosted in Goa, India.
- **Date:** The observance was held on June **15, 2026**.

Mandates and Objectives:

- **Mandates:** India focused on expanding wind power generation through capacity addition, domestic manufacturing, offshore wind development, resource assessment, and global partnerships.

Important Days

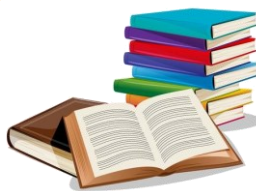

Mandates and Objectives:

- **Objectives:** The objective was to accelerate clean energy transition, strengthen grid stability, reduce import dependence, and achieve **100 GW** of wind energy capacity by **2030**.

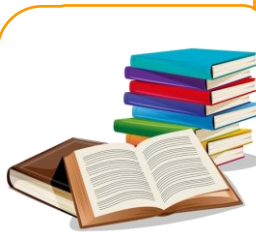

Important Terms Explained:

- **Wind energy:** Wind energy is electricity generated by converting the kinetic energy of wind into power through wind turbines.

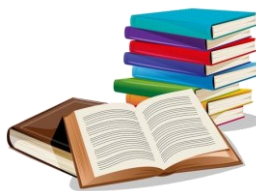

Important Terms Explained:

- **Offshore wind:** Offshore wind refers to wind energy projects developed in water bodies, usually seas, where stronger and more consistent winds can support large-scale power generation.

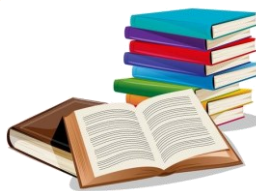

Important Terms Explained:

- **Indigenization:** Indigenization means increasing domestic production of equipment and components to reduce dependence on imports and strengthen local manufacturing.

Important Terms Explained:

- AI-driven forecasting: AI-driven forecasting uses artificial intelligence to predict wind power generation more accurately and support better grid management.

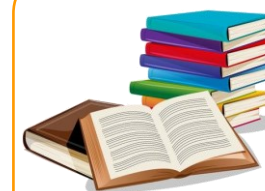

Important Days

Tabular Summary:

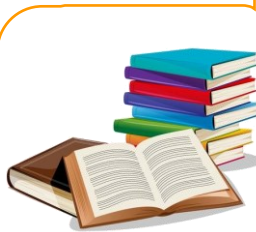

Parameter	Details
Event name	Global Wind Day 2026.
Date	June 15, 2026.
Location	Goa, India.
Theme	Wind Energy: From Ambition to Acceleration.
Current capacity	India's installed wind energy capacity reached 56.09 GW in March 2026.
Target capacity	India aims to achieve 100 GW of wind energy capacity by 2030.
Key achievement	India added a record 6.05 GW of new wind capacity in 2025-26.
Strategic value	Wind power supports clean electricity generation, peak demand management, and renewable energy integration.

➤ Which therapy became India's first approved radioligand therapy for advanced prostate cancer?

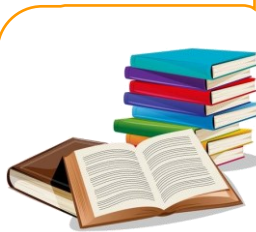

- A) Keytruda
- B) Opdivo
- C) Pluvicto
- D) Herceptin
- E) Avastin

Answer
C) Pluvicto.

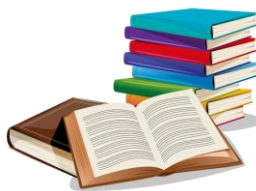

Event and Location:

- **Event:** India received its first approved radioligand therapy, Pluvicto, for advanced prostate cancer.
- **Location:** The therapy was launched in India through selected hospitals and nuclear medicine centres.
- **Date:** The news was reported on June **15, 2026**.

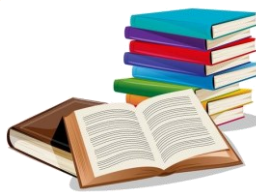

Mandates and Objectives:

- **Mandates:** Novartis introduced Pluvicto as a targeted radioligand therapy for eligible patients with **PSMA**-positive metastatic prostate cancer.
- **Objectives:** The objective was to provide precision cancer treatment by delivering radiation directly to cancer cells while reducing damage to healthy tissues.

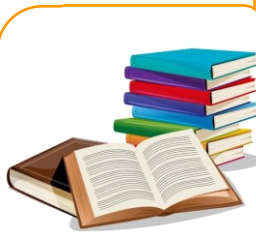

Important Terms Explained:

- **Pluvicto:** Pluvicto is a radioligand therapy developed for eligible patients with **PSMA**-positive metastatic prostate cancer.

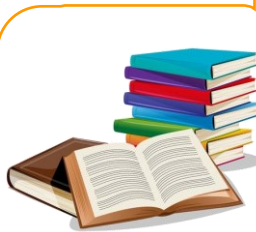

Important Terms Explained:

- **Radioligand therapy:** Radioligand therapy is a targeted cancer treatment that combines a targeting molecule with a radioactive isotope to deliver radiation directly to tumour cells.

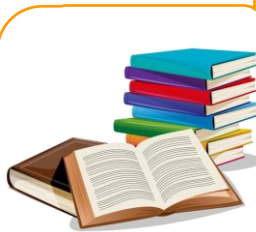

Important Terms Explained:

- **Prostate-Specific Membrane Antigen:** Prostate-Specific Membrane Antigen is a protein found in large quantities on many prostate cancer cells and is used as a target for precision therapy.

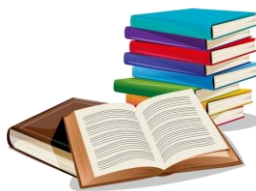

Important Terms Explained:

- **Lutetium-177:** Lutetium-177 is a radioactive isotope used in Pluvicto to deliver radiation to cancer cells after the therapy binds to the target tumour site.

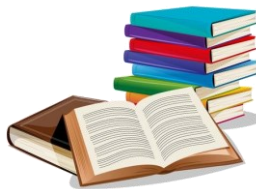

Important Terms Explained:

- **Precision oncology:** Precision oncology is a cancer treatment approach that uses specific tumour characteristics to provide more targeted and personalised therapy.

Tabular Summary:

Parameter	Details
Event name	Launch of India's first approved radioligand therapy for advanced prostate cancer.
Date	June 15, 2026.
Location	India.
Company involved	Novartis introduced Pluvicto for eligible patients.
Target condition	The therapy is meant for PSMA-positive metastatic prostate cancer.
Treatment method	It delivers targeted radiation directly to cancer cells using Lutetium-177.
Infrastructure base	India has more than 250 nuclear medicine centres supporting advanced targeted therapies.
Strategic / significant value	The launch strengthens India's precision oncology and nuclear medicine ecosystem.

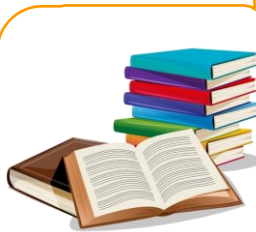

➤ Which event was jointly inaugurated by Prime Minister Narendra Modi and French President Emmanuel Macron in Nice, France?

- A) Viva Technology 2026
- B) Bharat Innovates 2026
- C) India Tech Summit 2026
- D) Global AI Forum 2026
- E) France Innovation Expo 2026

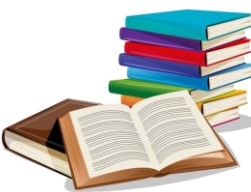

Answer

B) Bharat Innovates 2026.

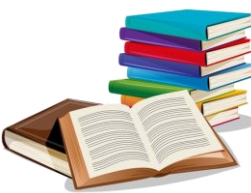

Event and Location:

- **Event:** Prime Minister Narendra Modi and French President Emmanuel Macron jointly inaugurated **Bharat Innovates 2026** to showcase India's deep-tech startup ecosystem.
- **Location:** The event was held at the Palais des Expositions in Nice, France.

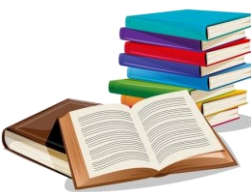

Event and Location:

- **Date:** The event was inaugurated on June **14, 2026**.

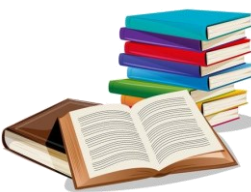

Mandates and Objectives:

- **Mandates:** The event brought together Indian startups, research institutions, investors, technology experts, and global innovation organisations under the India-**France Year of Innovation** celebrations.

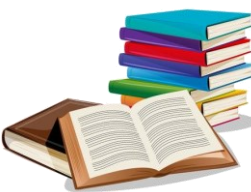

Mandates and Objectives:

- **Objectives:** The objective was to promote India's deep-tech capabilities, strengthen India-France innovation cooperation, and create global opportunities for funding, partnerships, and technology commercialisation.

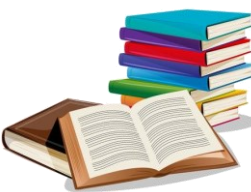

Important Terms Explained:

- Deep-tech startups: These are startups that build solutions based on advanced scientific or engineering innovation in areas such as artificial intelligence, quantum computing, biotechnology, semiconductors, space, defence, and clean energy.

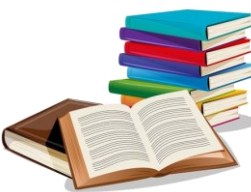

Important Terms Explained:

- **India-France Year of Innovation:** It refers to a collaborative celebration aimed at strengthening innovation, technology, research, and startup partnerships between **India and France**.

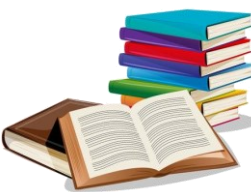

Important Terms Explained:

- **International Solar Alliance:** It is a major India-France backed initiative that promotes global cooperation for solar energy adoption and climate action.

Important Terms Explained:

- Human-centric technology: It means technology designed to remain trusted, inclusive, ethical, and focused on improving human lives rather than only increasing market valuation.

Tabular Summary:

Parameter	Details
Event name	Bharat Innovates 2026.
Date	June 14, 2026.
Location	Palais des Expositions, Nice, France.
Inaugurated by	Prime Minister Narendra Modi and French President Emmanuel Macron.
Participation	The event featured 120 Indian deep-tech startups and more than 20 Institutes of Excellence.
Investor presence	More than 350 global investors and venture capitalists attended the event.
Technology focus	The event showcased innovations across 13 critical technology pillars.
Strategic value	The event strengthened India-France cooperation in innovation, climate action, artificial intelligence, and global technology partnerships.

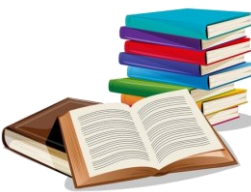

➤ What was the major roadmap adopted during Prime Minister Narendra Modi's visit to France?

- A) India-France Trade Roadmap 2028
- B) India-France Innovation Roadmap 2030
- C) India-France Defence Roadmap 2035
- D) India-France Digital Payments Pact
- E) India-France Space Vision 2040

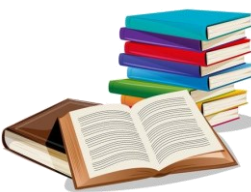

Answer

B) India-France Innovation Roadmap 2030.

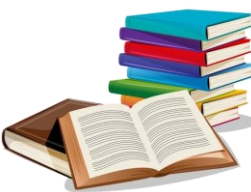

Event and Location:

- **Event:** India and France announced **13** key outcomes during **Prime Minister Narendra Modi's** visit to France.
- **Location:** The outcomes were announced in France.
- **Date:** The news was reported on June **15, 2026**.

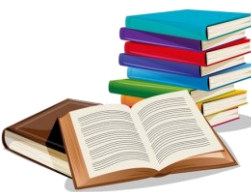

Mandates and Objectives:

- **Mandates: India and France** adopted agreements and initiatives covering artificial intelligence, innovation, digital payments, startups, trade, railways, defence, healthcare, education and space exploration.

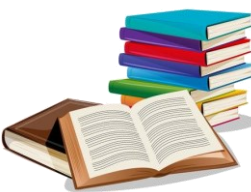

Mandates and Objectives:

- **Objectives:** The objective was to strengthen the India-France **Special Global Strategic Partnership** and expand cooperation in critical technologies, economic security, research, startups and strategic sectors.

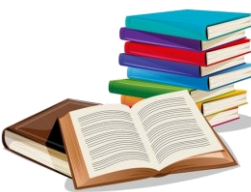

Important Terms Explained:

- **India-France Innovation Roadmap 2030:** India-France **Innovation Roadmap 2030** is a long-term framework to guide bilateral cooperation in technology, research, innovation, education, skilling and startup ecosystems.

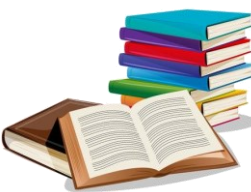

Important Terms Explained:

- **Joint India-France AI Working Group:** Joint India-France AI **Working Group** is a bilateral mechanism focused on artificial intelligence governance and responsible AI development.

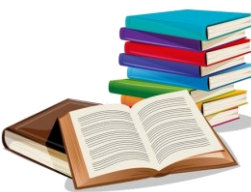

Important Terms Explained:

- **Unified Payments Interface: Unified Payments Interface** is India's real-time digital payment system that enables instant money transfers through mobile platforms.

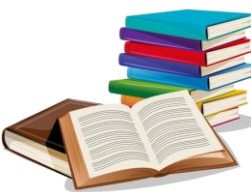

Important Terms Explained:

- **Economic Security Dialogue: Economic Security Dialogue** is a cooperation mechanism aimed at strengthening supply chains, critical sectors and economic resilience between **India and France**.

Important Terms Explained:

- **Microgravity research:** Microgravity research studies physical and biological processes in near-weightless space conditions to support human space exploration and scientific advancement.

Tabular Summary:

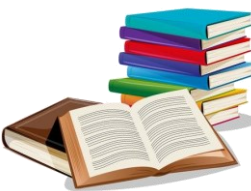

Parameter	Details
Event name	PM Modi's France visit outcomes.
Date	June 15, 2026.
Location	France.
Number of outcomes	India and France announced 13 key outcomes.
Key roadmap	India and France adopted the India-France Innovation Roadmap 2030.
Major sectors covered	The agreements covered AI, startups, trade, digital payments, railways, healthcare, defence and space.
Key institutions involved	DST, INRIA, ICMR, Health Data Hub, ISRO and CNES were part of specific cooperation areas.
Strategic / significant value	The outcomes expanded India-France cooperation beyond traditional defence ties into future-oriented technology and economic sectors.

► **Where did the 52nd G7 Summit begin on June 15, 2026?**

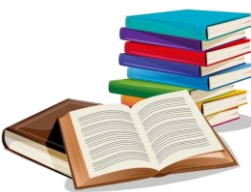

- A) Paris, France
- B) Evian, France
- C) Nice, France
- D) Lyon, France
- E) Marseille, France

Answer
B) Evian, France.

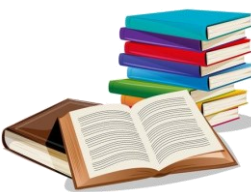

Event and Location:

- **Event:** The **52nd G7 Summit** began with leaders focusing on global security, economic stability, trade and geopolitical challenges.
- **Location:** The summit was held in Evian, France.
- **Date:** The summit began on June **15, 2026**.

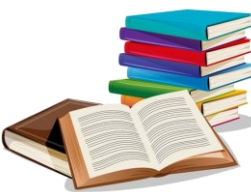

Mandates and Objectives:

- **Mandates:** The summit brought together G7 leaders, **European Union** representatives and invited partner countries to discuss economic stability, critical supply chains, global security and international partnerships.

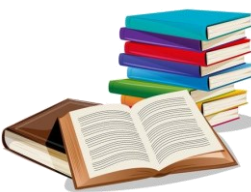

Mandates and Objectives:

- **Objectives:** The objective was to strengthen coordinated action on macroeconomic imbalances, supply chain resilience, maritime security, geopolitical tensions and sustainable global growth.

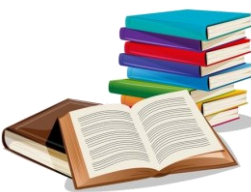

Important Terms Explained:

- **G7 Summit:** The G7 Summit is a meeting of leaders from major advanced economies, including the **United States, United Kingdom, Canada, Germany, France, Italy and Japan.**

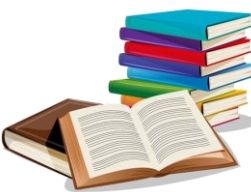

Important Terms Explained:

- **Strait of Hormuz:** The Strait of Hormuz is a major maritime chokepoint through which nearly one-fifth of global oil supplies pass.

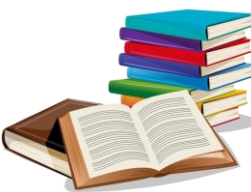

Important Terms Explained:

- **Critical minerals:** Critical minerals are strategically important resources such as rare earth minerals, lithium and cobalt that are essential for clean energy, semiconductors and advanced manufacturing.

Important Terms Explained:

- **Global South:** **Global South** refers broadly to developing and emerging economies, especially in Asia, **Africa** and **Latin America**.

Tabular Summary:

Parameter	Details
Event name	52nd G7 Summit.
Date	June 15, 2026.
Location	Evian, France.
Host country	France hosted the summit under its Presidency.
Participating members	The summit included the United States, United Kingdom, Canada, Germany, France, Italy and Japan.
Partner countries	India, Brazil, South Korea, Kenya and Egypt were invited as partner countries.
Key focus areas	The agenda covered global security, economic stability, trade, critical minerals and supply chains.
Strategic / significant value	The summit gained importance after the United States and Iran agreed to end their 107-day conflict and reopen the Strait of Hormuz.

➤ Which country announced a proposal to ban social media access for users under 16?

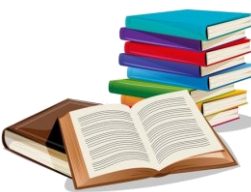

- A) Australia
- B) United Kingdom
- C) Canada
- D) France
- E) Germany

Answer
B) United Kingdom.

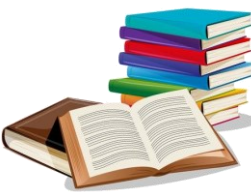

Event and Location:

- **Event:** The **United Kingdom** announced a proposal to ban social media access for users under **16**.
- **Location:** The proposal applies across the **United Kingdom**.
- **Date:** The news was reported on June **15, 2026**.

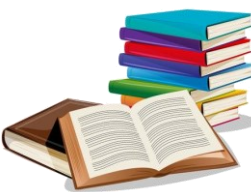

Mandates and Objectives:

- **Mandates:** Prime Minister Keir Starmer announced a proposed law to restrict under-16 users from accessing major social media platforms, subject to Parliamentary approval.
- **Objectives:** The objective is to protect children from online harms, cyberbullying, harmful content, addictive platform features and mental health risks.

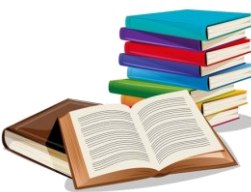

Important Terms Explained:

- **Social media ban:** Social media ban refers to a proposed legal restriction preventing users below a specified age from accessing social networking platforms.

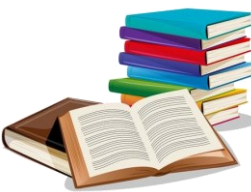

Important Terms Explained:

- **Cyberbullying:** Cyberbullying is the use of digital platforms to harass, threaten, insult or target individuals, especially young users.

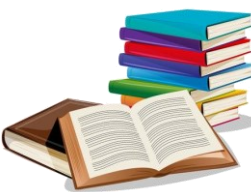

Important Terms Explained:

- **Infinite scrolling:** Infinite scrolling is a platform design feature that continuously loads new content and can encourage prolonged screen use.

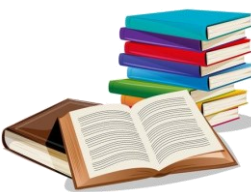

Important Terms Explained:

- Age-based social media restrictions: Age-based social media restrictions are rules that limit platform access or usage based on a user's age to improve online safety.

Important Terms Explained:

- **AI chatbot regulations:** AI chatbot regulations refer to safeguards governing artificial intelligence-based chat systems to protect users from harmful or unsafe interactions.

Tabular Summary:

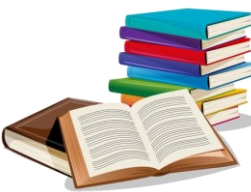

Parameter	Details
Event name	UK proposal to ban social media access for under-16 users.
Date	June 15, 2026.
Location	United Kingdom.
Announced by	Prime Minister Keir Starmer.
Affected platforms	TikTok, Instagram, Facebook, Snapchat, YouTube and X are expected to be covered.
Exempt services	WhatsApp and Signal are expected to remain exempt as private messaging services.
Implementation timeline	The law may be enacted by the end of 2026 and come into force in early 2027 if approved.
Strategic / significant value	The proposal aims to improve children's online safety, mental health protection and digital well-being.

► Where was the 16th BRICS Agriculture Ministers Meeting held?

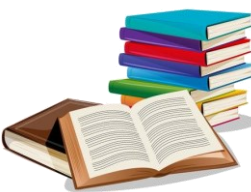

- A) Bhopal
- B) New Delhi
- C) Indore
- D) Jaipur
- E) Lucknow

Answer
C) Indore.

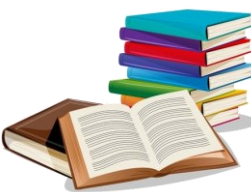

Event and Location:

- **Event:** The **16th BRICS Agriculture Ministers Meeting** adopted a **Joint Declaration** to strengthen food security, sustainable agriculture, innovation and farmer welfare.
- **Location:** The meeting was held in Indore, **Madhya Pradesh, India**.

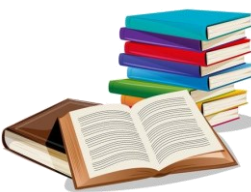

Mandates and Objectives:

- **Mandates: BRICS Agriculture Ministers** approved new initiatives on agroecology, regenerative agriculture, digital agriculture, farmers' rights in seed systems and agricultural cooperation.

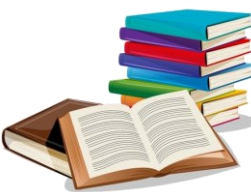

Mandates and Objectives:

- **Objectives:** The objective was to build climate-resilient food systems, support smallholder farmers, promote innovation and strengthen food security cooperation among **BRICS** nations.

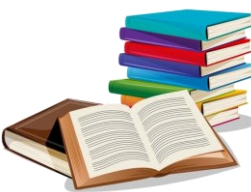

Important Terms Explained:

- **Joint Declaration:** **Joint Declaration** is an official statement adopted by participating countries to record agreed priorities, initiatives and areas of cooperation.

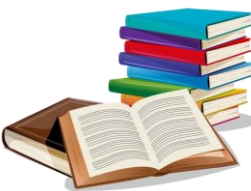

Important Terms Explained:

- **Agroecology:** Agroecology is a sustainable farming approach that applies ecological principles to agriculture for better soil health, biodiversity and resource efficiency.

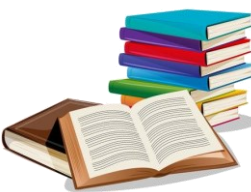

Important Terms Explained:

- **Regenerative agriculture:** Regenerative agriculture focuses on restoring soil fertility, improving ecosystem health and making farming more resilient to climate change.

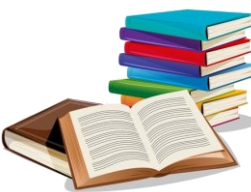

Important Terms Explained:

- **Digital agriculture:** Digital agriculture uses technologies such as artificial intelligence, geospatial tools, data systems and digital infrastructure to improve farm productivity and decision-making.

Important Terms Explained:

- **BRICS AGRIN Framework:** BRICS AGRIN Framework refers to the Agro-Inputs, **Genetic Resources and Information Network** for cooperation in inputs, genetic resources, information sharing and capacity building.

Tabular Summary:

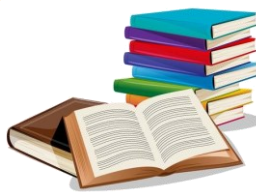

Parameter	Details
Event name	16th BRICS Agriculture Ministers Meeting.
Date	June 12 and 13, 2026.
Location	Indore, Madhya Pradesh, India.
Presidency	The meeting was held under India's Presidency.
Key outcome	The ministers unanimously adopted a Joint Declaration on agriculture cooperation.
Major initiatives	New networks were approved on agroecology, regenerative agriculture, digital agriculture and farmers' rights in seed systems.
Coordinating institutions	ICAR-IIFSR Modipuram, IIT Delhi and PPV&FRA New Delhi were assigned initial coordination roles.
Strategic / significant value	The meeting promoted food security, farmer welfare, sustainable agriculture and South-South cooperation.

➤ Which initiative was launched by India and France to connect school innovation labs and young innovators?

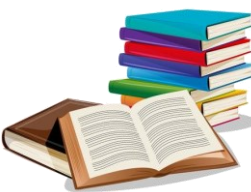

- A) Innovation India Grid
- B) ATL Bridge
- C) Global Student Startup Mission
- D) Digital France Lab
- E) Young Innovators Forum

Answer
B) ATL Bridge.

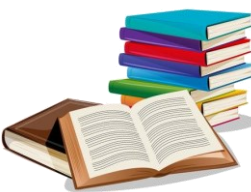

Event and Location:

- **Event:** India and France launched the **ATL Bridge** to connect school innovation labs and promote young innovators.
- **Location:** The initiative was announced on the sidelines of **Bharat Innovates 2026** in Nice, France.
- **Date:** The news was reported on June **15, 2026**.

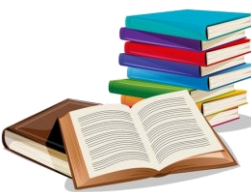

Mandates and Objectives:

- **Mandates:** The initiative was formalized through a **Letter of Intent** exchanged between **Atal Innovation Mission** and **La Fondation Dassault Systèmes**.
- **Objectives:** The objective is to promote student entrepreneurship, cross-border innovation, technology learning and collaboration between young innovators of **India and France**.

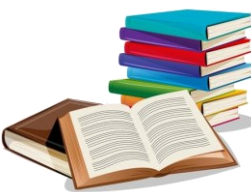

Important Terms Explained:

- **ATL Bridge:** ATL Bridge is an India-France initiative designed to connect school innovation ecosystems, enable student exchanges, support joint projects and promote entrepreneurial learning.

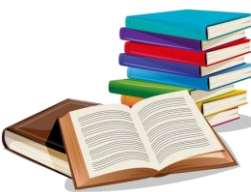

Important Terms Explained:

- **Atal Tinkering Labs:** **Atal Tinkering Labs** are school-level innovation labs established under **Atal Innovation Mission** to provide hands-on learning in robotics, artificial intelligence, electronics, coding, 3D design and **Internet of Things**.

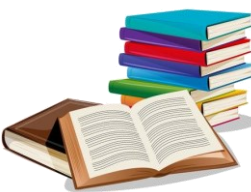

Important Terms Explained:

- **Atal Innovation Mission:** Atal Innovation Mission is a **NITI** Aayog initiative launched in **2016** to promote innovation and entrepreneurship across India.

Important Terms Explained:

- **Letter of Intent:** **Letter of Intent** is a formal document that records the intention of two or more parties to collaborate on a specific initiative or programme.

Tabular Summary:

Parameter	Details
Event name	Launch of India-France ATL Bridge.
Date	June 15, 2026.
Location	Nice, France.
Announced during	India-France Year of Innovation 2026 and Bharat Innovates 2026.
Institutions involved	Atal Innovation Mission and La Fondation Dassault Systèmes.
Key feature	France will establish its first School Innovation Lab based on India's ATL framework.
Purpose / reason	The initiative aims to connect students, innovation labs and school-level entrepreneurship ecosystems.
Strategic / significant value	The programme strengthens India-France cooperation in education, innovation, technology and people-to-people ties.

SCHEMES & INITIATIVES

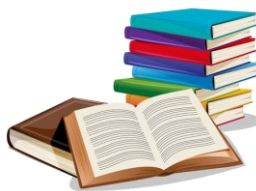

➤ **Which department launched the drone-based mail transmission service in remote areas of Himachal Pradesh?**

- A) Department of Telecommunications
- B) Department of Posts
- C) Ministry of Civil Aviation
- D) Department of Science and Technology
- E) Ministry of Rural Development

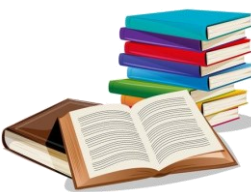

Answer
B) Department of Posts.

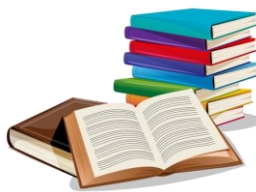

Event and Location:

- **Event:** The Department of Posts launched drone-based mail transmission service to improve postal delivery in remote mountainous areas.
- **Location:** The service was launched between **Mandi Head Post Office and Rehardhar Branch Post Office** in Himachal Pradesh.

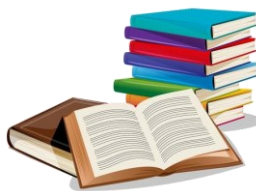

Mandates and Objectives:

- **Mandates:** The initiative introduced drones for transporting mail and parcels between **Mandi Head Post Office and Rehardhar Branch Post Office**.
- **Objectives:** The objective was to reduce delivery time, improve postal connectivity, support real-time tracking and strengthen public service delivery in difficult terrain.

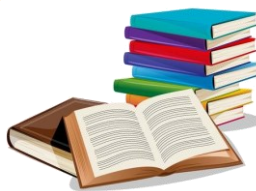

Important Terms Explained:

- Drone-based mail transmission: Drone-based mail transmission refers to the use of unmanned aerial vehicles for transporting letters, parcels and documents across difficult or remote locations.

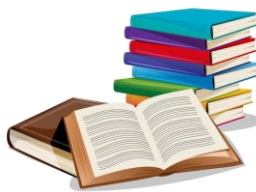

Important Terms Explained:

- **Gramin Dak Sevaks:** **Gramin Dak Sevaks** are postal workers who support rural postal services, including mail delivery and access to basic postal facilities in villages.

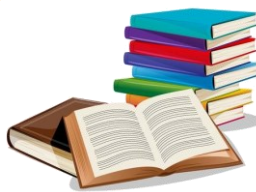

Important Terms Explained:

- Real-time tracking: Real-time tracking means monitoring the live movement and status of mail or parcels during delivery.

Important Terms Explained:

- **DoNER:** DoNER refers to the **Ministry of Development of North Eastern Region**, which focuses on development initiatives in India's northeastern states.

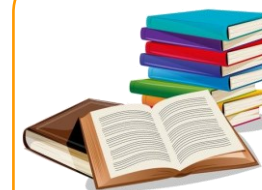

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Event name	Drone-based mail transmission service by India Post.
Date	June 12, 2026.
Location	Mandi Head Post Office to Rehardhar Branch Post Office, Himachal Pradesh.
Announced by	Union Minister Jyotiraditya M. Scindia.
Distance covered	The route covers around 12 kilometres.
Delivery improvement	Mail delivery time was reduced from more than two hours to around seven minutes.
Expansion plan	The service will be expanded to nearly 150 routes across Himachal Pradesh and Assam.
Strategic / significant value	The initiative improves connectivity, public service delivery and social inclusion in remote regions.

SCHEMES & INITIATIVES

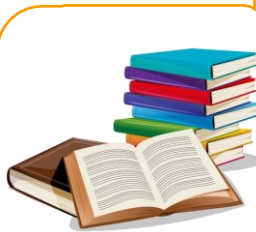

➤ Under which scheme will Bihar's ₹31.21 crore Integrated Aqua Park in Bhojpur be established?

- A) Blue Revolution Scheme
- B) Rashtriya Krishi Vikas Yojana
- C) Pradhan Mantri Matsya Sampada Yojana
- D) National Aquaculture Mission
- E) Fisheries Infrastructure Development Fund

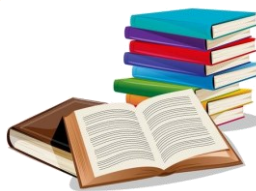

Answer

C) Pradhan Mantri Matsya Sampada Yojana.

Event and Location:

- **Event:** Bihar will get an **Integrated Aqua Park** worth **₹31.21 crore** and a new **NFDB Regional Centre** to strengthen fisheries development.
- **Location:** The **Integrated Aqua Park** will be established in Bhojpur, while the **NFDB Regional Centre** will be inaugurated in Patna, Bihar.

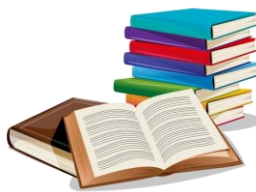

SCHEMES & INITIATIVES

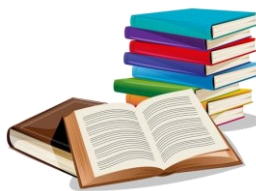

Event and Location:

- **Date:** The foundation stone and inauguration were scheduled for June **15, 2026**.

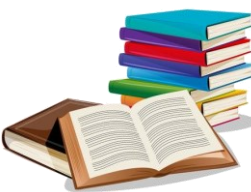

Mandates and Objectives:

- **Mandates:** Union Minister Rajiv Ranjan Singh and Bihar Chief Minister Samrat Choudhary will lay the foundation stone of the **Integrated Aqua Park** and inaugurate the **NFDB Regional Centre**.

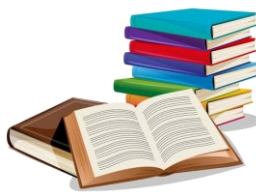

Mandates and Objectives:

- **Objectives:** The objective is to strengthen inland fisheries infrastructure, promote modern aquaculture technologies, create employment opportunities and increase fish production and exports in Bihar.

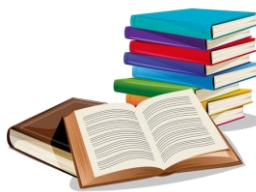

Important Terms Explained:

- **Integrated Aqua Park:** Integrated Aqua Park is a fisheries infrastructure facility that brings together hatcheries, aquaculture systems, feed units, diagnostic labs, quarantine facilities and training support in one location.

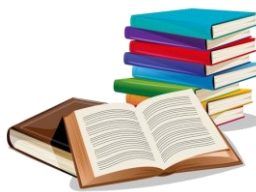

Important Terms Explained:

- **NFDB Regional Centre:** NFDB Regional Centre is an institutional facility of the **National Fisheries Development Board** that supports fisheries scheme implementation, capacity building, technology adoption and entrepreneurship development.

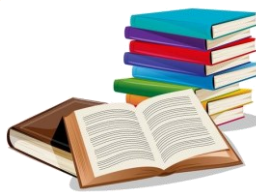

Important Terms Explained:

- **Pradhan Mantri Matsya Sampada Yojana:** **Pradhan Mantri Matsya Sampada Yojana** is a flagship scheme for the sustainable development of India's fisheries sector through infrastructure, technology, productivity and value-chain support.

Important Terms Explained:

- **Recirculatory Aquaculture System: Recirculatory Aquaculture System** is a modern fish farming method that reuses treated water in controlled tanks to improve productivity and reduce water use.

SCHEMES & INITIATIVES

Tabular Summary:

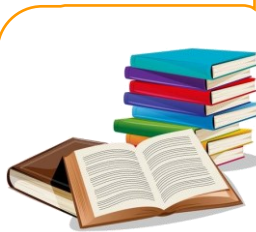

Parameter	Details
Event name	Integrated Aqua Park and NFDB Regional Centre launch in Bihar.
Date	June 15, 2026.
Location	Bhojpur and Patna, Bihar.
Key figures	Union Minister Rajiv Ranjan Singh and Bihar Chief Minister Samrat Choudhary.
Project cost	The Integrated Aqua Park will be established at a cost of ₹31.21 crore.
Funding scheme	The project will be developed under Pradhan Mantri Matsya Sampada Yojana.
Feature details	The park will include hatcheries, biofloc systems, RAS units, feed units, diagnostic labs, quarantine facilities and a 50-bed training hostel.
Strategic / significant value	The initiative will boost inland fisheries, jobs, technology adoption, fish seed quality and exports from Bihar.

➤ Which institution supported the GI registration efforts for Bhagaiya Silk, Kuchai Silk, Munda Jewellery and Jharkhand Bamboo Craft?

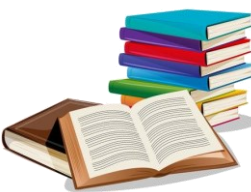

- A) SIDBI
- B) NABARD
- C) SEBI
- D) APEDA
- E) TRIFED

Answer
B) NABARD.

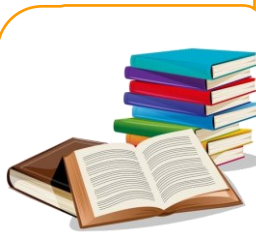

Event and Location:

- **Event:** Four traditional products of Jharkhand received **Geographical Indication** status for their unique craftsmanship and regional identity.
- **Location:** The recognition applies to traditional products from Jharkhand, India.
- **Date:** The news was reported on June **15, 2026**.

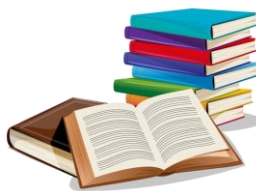

Mandates and Objectives:

- **Mandates:** The Geographical Indication status was granted to **Bhagaiya Silk, Kuchai Silk, Munda Jewellery and Jharkhand Bamboo Craft** to officially recognise their distinctive qualities and traditional production methods.

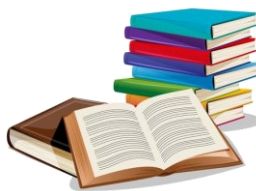

Mandates and Objectives:

- **Objectives:** The objective was to protect product authenticity, prevent imitation, improve market recognition, promote exports and support rural economic development.

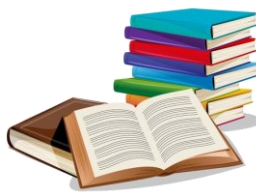

Important Terms Explained:

- **Geographical Indication tag:** A **Geographical Indication** tag is an intellectual property right given to products that have unique qualities, reputation or characteristics linked to a specific geographical region.

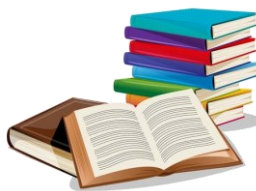

Important Terms Explained:

- **Bhagaiya Silk:** **Bhagaiya Silk** is a traditional silk product of Jharkhand known for its sericulture heritage, indigenous techniques and rural craftsmanship.

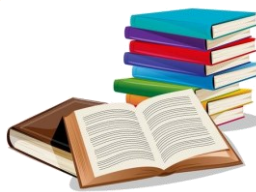

Important Terms Explained:

- **Munda Jewellery:** **Munda Jewellery** is a traditional tribal craft associated with the Munda community and is known for its distinctive motifs, intricate designs and cultural symbolism.

Important Terms Explained:

- **Jharkhand Bamboo Craft:** Jharkhand Bamboo Craft refers to utility and decorative products made by rural artisans using locally available bamboo.

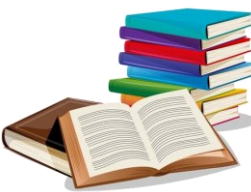

Tabular Summary:

Parameter	Details
Event name	GI recognition for four traditional Jharkhand products.
Date	June 15, 2026.
Location	Jharkhand, India.
Recognised products	Bhagaiya Silk, Kuchai Silk, Munda Jewellery and Jharkhand Bamboo Craft.
Supporting institution	National Bank for Agriculture and Rural Development supported the GI registration process.
Purpose / reason	The recognition aimed to protect authenticity, traditional knowledge and regional identity.
Feature details	The products were recognised for unique craftsmanship, production methods and cultural value.
Strategic / significant value	The GI tag is expected to improve branding, exports, market access and rural livelihoods.

► What is the captive population of the Great Indian Bustard after the addition of three new chicks under Project GIB?

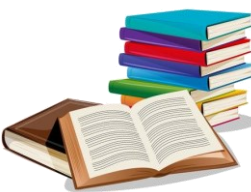

- A) 84
- B) 88
- C) 90
- D) 94
- E) 100

Answer
D) 94.

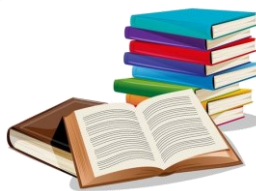

Event and Location:

- **Event: Project Great Indian Bustard** added three new chicks, raising the captive population of the species to **94** birds.
- **Location:** The conservation effort is focused mainly in Rajasthan, India.
- **Date:** The news was reported on June **15, 2026**.

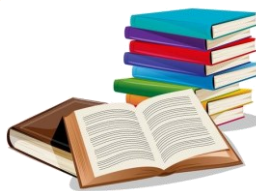

Mandates and Objectives:

- **Mandates:** The conservation breeding programme added one chick from a wild-collected egg and two chicks from captive-laid eggs during its fourth breeding season.
- **Objectives:** The objective is to increase the population of the critically endangered **Great Indian Bustard**, improve genetic diversity and support long-term species recovery.

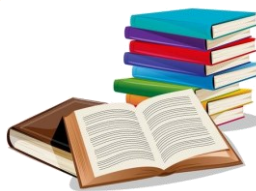

Important Terms Explained:

- **Great Indian Bustard:** Great Indian Bustard is one of the heaviest flying birds in the world and is endemic to the Indian subcontinent.

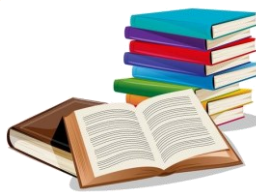

Important Terms Explained:

- **Captive breeding:** Captive breeding is a conservation method in which threatened species are bred under controlled conditions to increase their population.

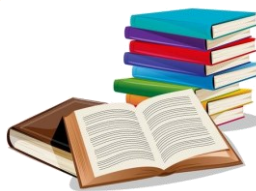

Important Terms Explained:

- **Artificial insemination:** Artificial insemination is a scientific breeding technique used to fertilise eggs without natural mating.

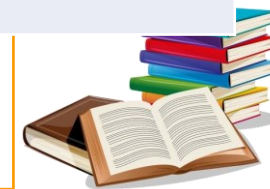

Important Terms Explained:

- **Jumpstart intervention:** Jumpstart intervention is a conservation strategy in which selected wild eggs are collected and replaced to improve survival chances and genetic diversity.

Tabular Summary:

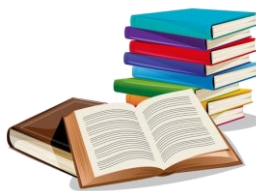

Parameter	Details
Event name	Addition of three new chicks under Project Great Indian Bustard.
Date	June 15, 2026.
Location	Rajasthan, India.
Announced by	Union Environment Minister Bhupender Yadav.
Captive population	The captive population of the Great Indian Bustard reached 94 birds.
Current breeding season	The fourth breeding season has recorded 26 hatchlings so far.
Breeding details	Of the 26 chicks, 18 came from artificial insemination, 4 from natural breeding and 4 from wild-collected eggs.
Strategic / significant value	The programme supports species recovery, genetic diversity and protection of a critically endangered bird.

➤ Which technology was deployed for the first time in India on the Mumbai-Ahmedabad Bullet Train corridor?

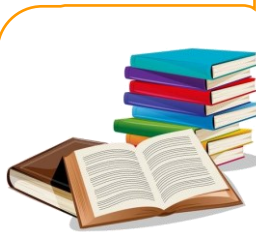

- A) Maglev propulsion
- B) Tunnel hoods
- C) Solar rail panels
- D) Hydrogen train system
- E) Automatic freight cabins

Answer
B) Tunnel hoods.

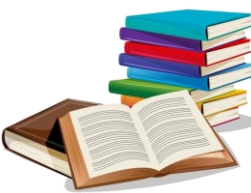

Event and Location:

- **Event:** India deployed its first railway tunnel hood technology for the Mumbai-**Ahmedabad Bullet Train Project**.
- **Location:** The technology was installed at mountain tunnel portals along the Mumbai-**Ahmedabad High-Speed Rail Corridor in Maharashtra and Gujarat**.

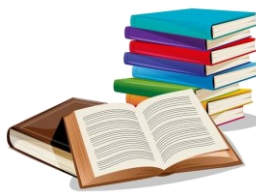

Event and Location:

- **Date:** The news was reported on June **15, 2026**.

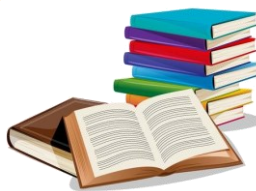

Mandates and Objectives:

- **Mandates:** The project introduced tunnel hoods at the entrances and exits of mountain tunnels on the high-speed rail corridor.
- **Objectives:** The objective was to reduce tunnel boom, control pressure waves, improve passenger comfort, lower noise pollution and enhance safety for trains running above **300 kmph**.

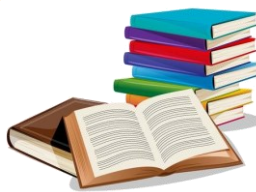

Important Terms Explained:

- **Tunnel hoods:** Tunnel hoods are specially designed structures installed at railway tunnel portals to regulate airflow and reduce pressure waves caused by high-speed trains.

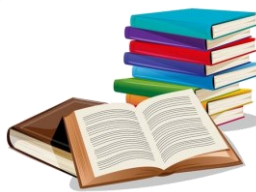

Important Terms Explained:

- **Tunnel boom:** Tunnel boom is a loud sound produced when compressed air pressure waves are released as a high-speed train exits a tunnel.

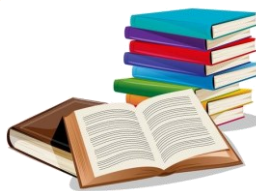

Important Terms Explained:

- Pressure-relief vents: Pressure-relief vents are openings in tunnel hoods that release compressed air gradually to reduce shock waves and noise.

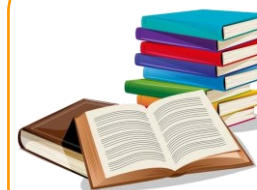

Important Terms Explained:

- **Shinkansen technology:** Shinkansen technology refers to Japan's advanced bullet train system known for high-speed rail operations, safety standards and passenger comfort.

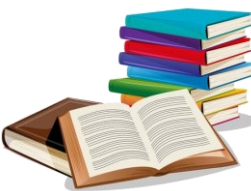

Tabular Summary:

Parameter	Details
Event name	Deployment of India's first railway tunnel hoods.
Date	June 15, 2026.
Location	Mumbai-Ahmedabad High-Speed Rail Corridor in Maharashtra and Gujarat.
Project	Mumbai-Ahmedabad Bullet Train Project.
Technology used	Tunnel hoods were installed at mountain tunnel portals.
Speed relevance	The system supports safe operations for trains travelling above 300 kmph.
Feature details	The hoods use pressure-relief vents to manage airflow and reduce pressure build-up.
Strategic / significant value	The deployment improves safety, passenger comfort, noise control and international-standard high-speed rail operations.

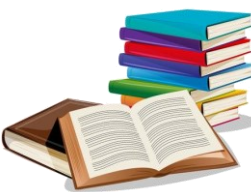

QUICK RECALL

- Global Wind Day is observed every year on June 15 to promote awareness about wind energy.
- India received Pluvicto as its first approved radioligand therapy for advanced prostate cancer.
- Bharat Innovates 2026 was inaugurated in Nice, France, as a major platform for India's deep-tech ecosystem.
- India and France announced 13 key outcomes during Prime Minister Narendra Modi's visit to France.
- The 52nd G7 Summit began in Evian, France, on June 15, 2026.
- The United Kingdom plans to ban social media access for users below 16 years of age.
- The 16th BRICS Agriculture Ministers Meeting concluded in Indore, Madhya Pradesh.
- India and France launched the ATL Bridge to connect young innovators from both countries.

QUICK RECALL

- India Post launched drone-based mail transmission service in Himachal Pradesh.
- Bihar will establish a ₹31.21 crore Integrated Aqua Park at Vanasaur Fish Seed Farm in Bhojpur.
- Four traditional products from Jharkhand received Geographical Indication status.
- Project Great Indian Bustard added three new chicks to its conservation breeding programme.
- India deployed its first railway tunnel hood technology on the Mumbai-Ahmedabad Bullet Train corridor.
