Important Days

➤ What is the theme of World Crocodile Day 2026?

- A) Protect Wetlands Save Crocodiles
- B) Legacy in Every Scale
- C) Guardians of Aquatic Life
- D) Ancient Reptiles Modern Responsibility
- E) Conservation Beyond Borders

Answer

B) Legacy in Every Scale.

Important Days

Event and Location:

- **Event: World Crocodile Day 2026** was observed to raise awareness about crocodile conservation and habitat protection.
- **Location:** The observance was marked globally, including conservation-focused activities in India.
- **Date: World Crocodile Day** is observed every year on June 17.

Important Days

Mandates and Objectives:

- **Mandates:** The observance focused on protecting crocodiles, gharials, alligators, caimans and other crocodilian species through awareness, research and conservation efforts.
- **Objectives:** The objective was to highlight the ecological importance of crocodilians, address major threats and promote long-term protection of aquatic habitats.

Important Days

Important Terms Explained:

- **Crocodylia:** Crocodylia is the reptile order that includes crocodiles, gharials, alligators and caimans, which are among the oldest living reptiles on Earth.

Important Days

Important Terms Explained:

- **Living fossils:** Living fossils are species that have existed for millions of years with limited evolutionary change, and crocodiles are often described this way due to their ancient lineage.

Important Days

Important Terms Explained:

- **Apex predators:** Apex predators are top-level predators that help maintain ecological balance by regulating prey populations in their habitats.

Important Terms Explained:

- **Crocodile Conservation Project: Crocodile Conservation Project** was launched in India in **1975** to support captive breeding, habitat protection, rehabilitation and scientific monitoring of crocodilian species.

Important Terms Explained:

- **Wildlife Protection Act 1972:** Wildlife Protection Act 1972 is India's key wildlife conservation law that provides legal protection to threatened species and their habitats.

Important Days

Tabular Summary:

Parameter	Details
Event name	World Crocodile Day 2026.
Date	June 17, 2026.
Theme	Legacy in Every Scale.
Geographic coverage	The day is observed globally to promote crocodilian conservation.
Key species highlighted	Crocodiles, gharials, alligators, caimans and other crocodilian species were highlighted.
Major threats	Habitat destruction, poaching, pollution, human-crocodile conflict and climate change threaten crocodilians.
India's conservation focus	India protects the Mugger Crocodile, Saltwater Crocodile and Gharial through conservation programmes.
Strategic / significant value	The observance promotes wetland protection, biodiversity conservation and ecological balance.

INTERNATIONAL AFFAIRS

- Where did Prime Minister Narendra Modi and Canadian Prime Minister Mark Carney hold talks that led to new security and trade decisions?

- A) New Delhi
- B) Ottawa
- C) Evian
- D) Toronto
- E) Paris

Answer
C) Evian.

Event and Location:

- **Event:** India and Canada agreed to begin **General Security of Information Agreement** talks and accelerate efforts to finalise the **Comprehensive Economic Partnership Agreement** in **2026**.
- **Location:** The decisions were announced after talks on the sidelines of the **G7 Summit in Evian**, France.

Mandates and Objectives:

- **Mandates: India and Canada** decided to launch **GSOIA** negotiations and speed up **CEPA** talks while expanding cooperation in security, trade, technology, energy and mobility.

Mandates and Objectives:

- **Objectives:** The objective was to strengthen bilateral trust, secure information exchange, improve market access, boost investments and deepen strategic cooperation between the two countries.

Important Terms Explained:

- **General Security of Information Agreement:** **General Security of Information Agreement** is a framework that enables the secure exchange, handling and protection of classified information between governments.

Important Terms Explained:

- **Comprehensive Economic Partnership Agreement:** **Comprehensive Economic Partnership Agreement** is a broad trade agreement aimed at improving market access, reducing trade barriers and increasing investment flows.

Important Terms Explained:

- **Indian Ocean Rim Association:** Indian Ocean Rim Association is a regional organisation that promotes cooperation among **Indian Ocean** countries in maritime security, trade, fisheries, disaster management and sustainable development.

Important Terms Explained:

- **Critical minerals:** Critical minerals are strategically important minerals used in clean energy, advanced manufacturing, defence, electronics and technology supply chains.

Tabular Summary:

Parameter	Details
Event name	India-Canada security pact talks and CEPA push.
Date	June 17, 2026.
Location	Evian, France.
Key figures	Prime Minister Narendra Modi and Canadian Prime Minister Mark Carney held the talks.
Security outcome	Both countries agreed to begin negotiations on GSOIA.
Trade outcome	Both countries aimed to finalise CEPA in 2026.
Focus areas	Cooperation covered defence, trade, energy, technology, education, migration and supply chains.
Strategic / significant value	The decisions aimed to rebuild trust and strengthen India-Canada cooperation in security and economic sectors.

► Under which article of the Paris Agreement did India and Japan adopt implementation rules for the Joint Crediting Mechanism?

- A) Article 4.1
- B) Article 5.2
- C) Article 6.2
- D) Article 7.3
- E) Article 9.1

Answer
C) Article 6.2.

Event and Location:

- **Event:** **India and Japan** adopted implementation rules for the **Joint Crediting Mechanism** under the **Paris Agreement**.
- **Location:** The mechanism applies to bilateral climate cooperation between **India and Japan**.
- **Date:** **The Rules of Implementation** were adopted on **June 8, 2026**.

Mandates and Objectives:

- **Mandates: India and Japan** adopted a structured framework for project approval, monitoring, validation, verification and carbon credit issuance under the **Joint Crediting Mechanism**.

Mandates and Objectives:

- **Objectives:** The objective was to promote climate mitigation projects, support greenhouse gas reduction, ensure transparent carbon credit accounting and advance sustainable development.

Important Terms Explained:

- **Joint Crediting Mechanism: Joint Crediting Mechanism** is a bilateral carbon market framework that supports low-carbon projects and shares verified emission reductions as carbon credits between participating countries.

Important Terms Explained:

- Article **6.2** of the **Paris Agreement**: Article **6.2** of the **Paris Agreement** allows countries to cooperate voluntarily through the transfer of emission reduction outcomes to meet their climate targets.

Important Terms Explained:

- **Carbon credits:** Carbon credits are measurable units representing reduced or removed greenhouse gas emissions that can be used for climate target compliance.

Important Terms Explained:

- **Internationally Transferred Mitigation Outcomes:** **Internationally Transferred Mitigation Outcomes** are emission reduction outcomes transferred between countries under cooperative climate mechanisms.

Important Terms Explained:

- **Nationally Determined Contributions: Nationally Determined Contributions** are climate action targets submitted by countries under the **Paris Agreement** to reduce emissions and adapt to climate change.

INTERNATIONAL AFFAIRS

Tabular Summary:

Parameter	Details
Event name	Adoption of Rules of Implementation for the Joint Crediting Mechanism.
Date	June 8, 2026.
Location	India and Japan.
Agreement framework	The mechanism operates under Article 6.2 of the Paris Agreement.
Earlier cooperation	India and Japan signed the Memorandum of Cooperation on JCM in 2025.
Key provisions	The rules cover project approval, monitoring, validation, verification and credit issuance.
Institutional setup	A Joint Committee with representatives from both governments will oversee the mechanism.
Strategic / significant value	The framework strengthens bilateral climate cooperation and supports measurable greenhouse gas emission reduction.

SCHEMES & INITIATIVES

➤ Which ministry launched the Yoga Park Portal to promote preventive healthcare through public parks?

- A) Ministry of Health and Family Welfare
- B) Ministry of Ayush
- C) Ministry of Rural Development
- D) Ministry of Education
- E) Ministry of Environment

Answer
B) Ministry of Ayush.

Event and Location:

- **Event:** The Ministry of Ayush launched the **Yoga Park Portal** to transform public parks into community wellness hubs.
- **Location:** The portal was launched during the **International Day of Yoga 2026** countdown event in Khajuraho, India.
- **Date:** The news was reported on June **17, 2026**.

Mandates and Objectives:

- **Mandates:** The initiative enables local bodies, community organisations, NGOs, RWAs and corporate entities to register and develop **Yoga Parks** through a dedicated digital platform.
- **Objectives:** The objective is to promote yoga, meditation, preventive healthcare, community participation and healthy lifestyle practices across urban and rural India.

Important Terms Explained:

- **Yoga Park Portal:** **Yoga Park Portal** is a digital platform developed to support the creation of **Yoga Parks** by providing registration facilities, guidelines, concept notes and implementation resources.

Important Terms Explained:

- **Yoga Parks:** **Yoga Parks** are public parks developed as wellness spaces with facilities for yoga, meditation, group activities and preventive health awareness.

Important Terms Explained:

- **Preventive healthcare:** Preventive healthcare focuses on maintaining health and reducing disease risk through lifestyle practices, awareness and early action.

Important Terms Explained:

- **Corporate Social Responsibility: Corporate Social Responsibility** refers to company-supported initiatives that contribute to public welfare, community development and social causes.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Event name	Launch of Yoga Park Portal.
Date	June 17, 2026.
Location	Khajuraho, India.
Launching authority	Ministry of Ayush launched the portal.
Launched by	Union Minister Prataprao Jadhav launched the initiative.
Key purpose	The portal aims to convert existing public parks into wellness-oriented spaces.
Stakeholders involved	Local bodies, Panchayati Raj Institutions, RWAs, NGOs, yoga institutions and corporates can participate.
Strategic / significant value	The initiative promotes grassroots wellness, preventive healthcare and year-round community yoga practice.

➤ Which institution supported the GI registration process for Assam's newly recognised traditional products?

- A) SIDBI
- B) TRIFED
- C) NABARD
- D) APEDA
- E) KVIC

Answer
C) NABARD.

Event and Location:

- **Event:** Assam received **Geographical Indication** tags for four traditional products representing its cultural heritage and craftsmanship.
- **Location:** The recognition applies to traditional products from Assam, India.
- **Date:** The news was reported on June **17, 2026**.

Mandates and Objectives:

- **Mandates:** The Geographical Indications Registry of India granted GI status to **Karbi Anglong Handloom Products, Assam Bihu Pepa, Assam Bamboo Crafts and Deuri Handloom Products.**

Mandates and Objectives:

- **Objectives:** The objective was to protect traditional knowledge, prevent unauthorised use, improve market access and strengthen rural livelihoods linked to Assam's cultural products.

Important Terms Explained:

- **Geographical Indication tag:** Geographical Indication tag is an intellectual property right granted to products that have specific qualities, reputation or characteristics linked to a particular geographical region.

Important Terms Explained:

- **Geographical Indications Registry:** **Geographical Indications Registry** is the authority located in Chennai, **Tamil Nadu**, that administers GI registration and protection in India.

Important Terms Explained:

- **NABARD: NABARD** is the **National Bank for Agriculture and Rural Development**, which supports producer groups, artisans and rural communities in documentation, market access and GI registration.

Important Terms Explained:

- **Assam Bihu Pepa:** Assam Bihu Pepa is a traditional musical instrument made from buffalo horn and associated with Assam's Bihu festival.

Tabular Summary:

Parameter	Details
Event name	GI recognition for four traditional products of Assam.
Date	June 17, 2026.
Location	Assam, India.
Recognised products	Karbi Anglong Handloom Products, Assam Bihu Pepa, Assam Bamboo Crafts and Deuri Handloom Products.
Issuing authority	Geographical Indications Registry of India granted the recognition.
Supporting institution	NABARD supported the GI registration process.
Purpose / reason	The recognition protects traditional craftsmanship, cultural identity and region-specific product names.
Strategic / significant value	NABARD-supported GI-certified products in Assam increased to 12 after the latest additions.

- Which traditional musical instrument of Tripura received the Geographical Indication tag?

- A) Pena
- B) Sarinda
- C) Pepa
- D) Dotara
- E) Ektara

Answer
B) Sarinda.

Event and Location:

- **Event:** Tripura Sarinda received **Geographical Indication** tag recognition for its unique craftsmanship and cultural value.
- **Location:** The recognition applies to Tripura, India.
- **Date:** The news was reported on June **17, 2026**.

Mandates and Objectives:

- **Mandates:** The Geographical Indications Registry granted GI status to **Tripura Sarinda**, a traditional bowed string musical instrument associated with indigenous communities of Tripura.

Mandates and Objectives:

- **Objectives:** The objective was to protect the instrument from imitation, support local artisans and promote Tripura's indigenous musical heritage.

Important Terms Explained:

- **Geographical Indication tag:** Geographical Indication tag is an intellectual property right granted to products that have specific qualities, reputation or characteristics linked to a particular geographical region.

Important Terms Explained:

- **Tripura Sarinda:** Tripura Sarinda is a traditional bowed string musical instrument handcrafted from a single block of wood and used in folk music traditions of Tripura's tribal communities.

Important Terms Explained:

- **Geographical Indications Registry:** **Geographical Indications Registry** is the authority located in Chennai, **Tamil Nadu**, that administers GI registration and protection in India.

Important Terms Explained:

- **Risha/Pachra:** Risha/Pachra, also known as Rignai, is traditional attire worn by indigenous tribal communities of Tripura and is one of the state's GI-tagged products.

Tabular Summary:

Parameter	Details
Event name	GI recognition for Tripura Sarinda.
Date	June 17, 2026.
Location	Tripura, India.
Announced by	Chief Minister Manik Saha announced the recognition.
Product category	It is a traditional bowed string musical instrument.
Cultural link	The instrument is associated with folk traditions of Tripura's indigenous communities.
Purpose / reason	The GI tag protects authenticity, craftsmanship and regional identity.
Strategic / significant value	Tripura now has four GI-tagged products with the inclusion of Sarinda.

➤ Where will Maharashtra's ₹300 crore High-Energy Medical Cyclotron Project be established?

- A) Mumbai
- B) Pune
- C) Nagpur
- D) Nashik
- E) Aurangabad

Answer
C) Nagpur.

Event and Location:

- **Event:** The Maharashtra Cabinet approved a ₹300 crore High-Energy Medical Cyclotron Project to strengthen cancer care and radiopharmaceutical services.
- **Location:** The project will be established in Nagpur, Maharashtra.
- **Date:** The news was reported on June 17, 2026.

Mandates and Objectives:

- **Mandates:** The Maharashtra Cabinet approved the High-Energy Medical Cyclotron Project in Nagpur and the Maharashtra Rural Drinking Water Policy 2026.
- **Objectives:** The objective was to improve cancer diagnosis and treatment infrastructure, ensure local radioisotope production and provide sustainable rural drinking water access.

Important Terms Explained:

- **High-Energy Medical Cyclotron Project:** High-Energy **Medical Cyclotron Project** is a medical infrastructure project aimed at producing radioisotopes for cancer diagnosis, **PET-CT** scans, nuclear medicine and radiopharmaceutical research.

Important Terms Explained:

- **Cyclotron:** Cyclotron is a particle accelerator used to produce radioactive isotopes for medical imaging, nuclear medicine and targeted cancer therapies.

Important Terms Explained:

- **Radiopharmaceuticals:** Radiopharmaceuticals are radioactive medical substances used for diagnosis and treatment, especially in cancer care and nuclear medicine.

Important Terms Explained:

- **PET-CT scan:** **PET-CT** scan is an advanced imaging technique that combines metabolic and anatomical imaging to detect cancer and other diseases.

Important Terms Explained:

- **SCADA system:** SCADA system is a digital monitoring and control system used to manage infrastructure such as multi-village water supply schemes.

Tabular Summary:

Parameter	Details
Event name	Approval of High-Energy Medical Cyclotron Project and Rural Drinking Water Policy 2026.
Date	June 17, 2026.
Location	Nagpur and rural Maharashtra.
Project cost	The cyclotron project will be implemented with an estimated investment of ₹300 crore.
Implementing framework	The project will be implemented through Mahacare using a Special Purpose Vehicle.
Land allocation	A 30-hectare land parcel at Bhansoli in Hingna Taluka was approved.
Healthcare purpose	The project will support radioisotope production, PET-CT scans, nuclear medicine and cancer treatment.
Strategic / significant value	The project will reduce dependence on Mumbai and Hyderabad for radioisotope supplies and benefit patients across central India.

QUICK RECALL

- **World Crocodile Day is observed every year on June 17 to promote crocodile conservation.**
- **India and Canada agreed to begin negotiations on a General Security of Information Agreement.**
- **India and Japan adopted implementation rules for the Joint Crediting Mechanism on June 8, 2026.**
- **The Ministry of Ayush launched the Yoga Park Portal to promote wellness through public spaces.**
- **Assam secured GI tags for four traditional products linked to its cultural heritage.**
- **Tripura Sarinda received Geographical Indication tag recognition for its indigenous musical heritage.**
- **Maharashtra approved a ₹300 crore High-Energy Medical Cyclotron Project in Nagpur.**
