# Important Days

➤ Which military operation was launched by India during the Kargil War of 1999?

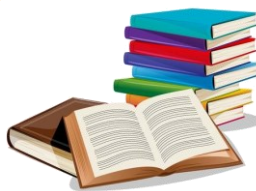

- A) Operation Meghdoot
- B) Operation Vijay
- C) Operation Cactus
- D) Operation Trident
- E) Operation Rakshak

**Answer**  
**B) Operation Vijay.**

## Event and Location:

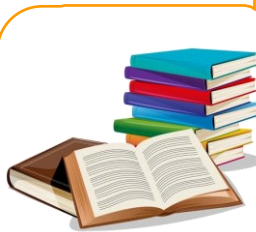

- **Event:** India will observe the **27th Kargil Vijay Diwas** to honour the soldiers who fought in the **1999 Kargil War** and secured victory under **Operation Vijay**.
- **Location:** **Kargil and Dras** sectors in Ladakh, along the **Line of Control**.
- **Date:** **26 July 2026**.

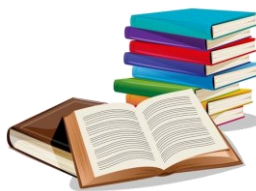

## Mandates and Objectives:

- **Mandates:** Commemorative events will include the **Shaurya Vijay Yatra, Tiger Hill Expedition 2026**, Leh-Dras motorcycle tour, military equipment displays, and tributes by soldiers, veterans, students, and local citizens.
- **Objectives:** The observance aims to honour the sacrifices of Indian soldiers, commemorate the recapture of strategic mountain positions, and promote awareness of India's military history and national security.

## Important Terms Explained:

- **Operation Vijay:** The Indian military campaign launched in **1999** to evict Pakistani troops and infiltrators from occupied positions in the Kargil sector without crossing the **Line of Control**.
- **Operation Safed Sagar:** The Indian Air Force's aerial campaign conducted in support of the **Indian Army** during the **Kargil War**.
- **Line of Control:** The military control line separating Indian-administered and Pakistan-administered areas of **Jammu and Kashmir**.
- **Param Vir Chakra:** India's highest wartime gallantry award, presented for exceptional bravery in the presence of the enemy.
- **High-Altitude Warfare:** Military operations conducted in mountainous regions where extreme cold, steep

## Tabular Summary:

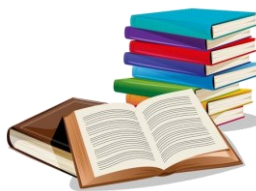

| Parameter             | Details                                                                                                                |
|-----------------------|------------------------------------------------------------------------------------------------------------------------|
| Observance            | India will observe the 27th Kargil Vijay Diwas on 26 July 2026.                                                        |
| Historical event      | The day commemorates India's victory in the Kargil War of 1999.                                                        |
| Military campaign     | Indian forces launched Operation Vijay to recapture occupied mountain positions.                                       |
| Strategic locations   | Major victories were achieved at Tololing, Tiger Hill, Point 4875, Batalik, Mushkoh Valley, and Kaksar.                |
| Key battle dates      | Tololing was recaptured on 13 June 1999, while Tiger Hill was regained on 4 July 1999.                                 |
| Military coordination | The Indian Army operated with support from the Indian Air Force and the Indian Navy.                                   |
| Gallantry recognition | The conflict resulted in the award of four Param Vir Chakras and nine Maha Vir Chakras.                                |
| 2026 activities       | Planned events include motorcycle expeditions, military displays, patriotic programmes, and tributes to Kargil heroes. |
|                       |                                                                                                                        |
|                       |                                                                                                                        |

➤ Which country was leading the Commonwealth Games 2026 medal tally with 13 gold medals?

- A) Australia
- B) England
- C) Nigeria
- D) Scotland
- E) Canada

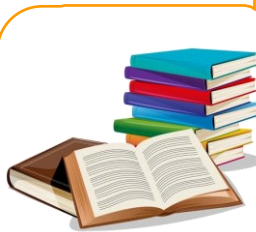

**Answer**  
**A) Australia.**

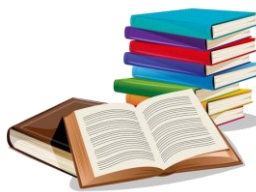

## Event and Location:

- **Event:** Australia emerged as the early leader in the **Commonwealth Games 2026** medal standings, while India opened its medal account through boxer **Lovlina Borgohain**.
- Location: Glasgow, Scotland.
- Date: **25 July 2026**, with the Games scheduled from **23 July to 2 August 2026**.

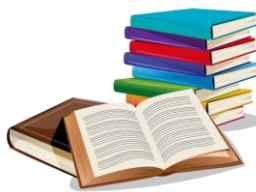

## Mandates and Objectives:

- **Mandates:** The **23rd Commonwealth Games** feature athletes from **74 Commonwealth Games Associations** competing in **215** medal events across **10** sports.
- **Objectives:** **The Games** aim to promote sporting excellence and competition among Commonwealth nations through conventional and Para sport disciplines.

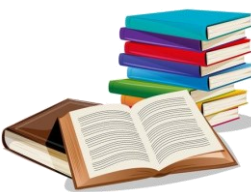

## Ranking Table:

| Rank | Entity        |
|------|---------------|
| 1    | Australia.    |
| 2    | England.      |
| 3    | Nigeria.      |
| 4    | Scotland.     |
| 5    | Canada.       |
| 5    | South Africa. |
| 7    | New Zealand.  |
| 8    | India.        |
| 8    | Malaysia.     |
| 10   | Wales.        |

## Important Terms Explained:

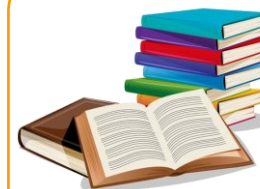

- **Commonwealth Games Association:** A national or territorial organisation responsible for selecting and managing its team at the **Commonwealth Games**.
- **Bye:** A competition arrangement under which an athlete advances to the next round without contesting the scheduled earlier round.
- **Split Decision:** A result in combat sports where the judges are divided, with a majority awarding victory to one competitor.

## Tabular Summary:

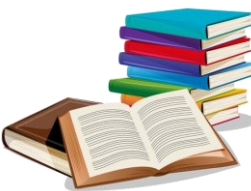

| Parameter                  | Details                                                                                            |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Event name                 | The 23rd Commonwealth Games.                                                                       |
| Host city                  | Glasgow, Scotland.                                                                                 |
| Competition dates          | 23 July to 2 August 2026.                                                                          |
| Participating associations | Athletes from 74 Commonwealth Games Associations are participating.                                |
| Sports and medal events    | The Games comprise 10 sports and 215 medal events.                                                 |
| Medal table leader         | Australia led with 13 gold, 5 silver and 8 bronze medals.                                          |
| India's medal achievement  | Lovlina Borgohain assured India of a medal in the women's 75 kg boxing category.                   |
| Upcoming Indian contest    | Lovlina Borgohain was scheduled to face Tarona Taafaki of Tuvalu in the semifinal on 31 July 2026. |
|                            |                                                                                                    |
|                            |                                                                                                    |

► What total weight did Mirabai Chanu lift to win the women's 48 kg gold medal at the Commonwealth Games 2026?

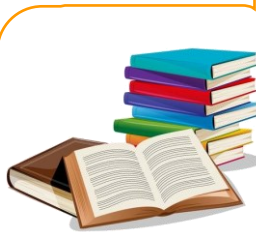

- A) 180 kg
- B) 185 kg
- C) 190 kg
- D) 195 kg
- E) 200 kg

**Answer**  
**C) 190 kg.**

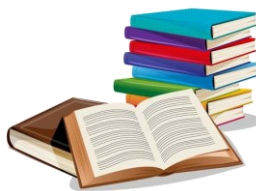

## Event and Location:

- **Event: Mirabai Chanu** won her third consecutive **Commonwealth Games** gold medal after lifting a combined total of **190 kg** in the women's **48 kg** weightlifting category.
- Location: Glasgow, Scotland.
- Date: **26 July 2026**.

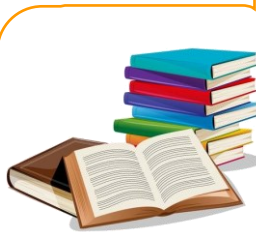

## Mandates and Objectives:

- **Mandates:** Mirabai Chanu recorded an **85 kg** lift in the snatch and a **105 kg** lift in the clean and jerk to secure the women's **48 kg** title.
- **Objectives:** The performance aimed to retain her **Commonwealth Games** title, strengthen India's medal campaign, and continue the country's success in international weightlifting.

## Important Terms Explained:

- **Snatch:** A weightlifting movement in which an athlete lifts the barbell from the floor to above the head in one continuous motion.
- **Clean and Jerk:** A two-stage weightlifting movement in which the barbell is first lifted to the shoulders and then raised above the head.
- **Total Lift:** The combined weight of an athlete's best successful snatch and clean-and-jerk attempts.
- **Commonwealth Games Record:** The best officially recognised performance achieved in a particular event during the **Commonwealth Games**.

## Tabular Summary:

| Parameter                    | Details                                                                                        |
|------------------------------|------------------------------------------------------------------------------------------------|
| Gold medallist               | Mirabai Chanu of India won the women's 48 kg weightlifting title.                              |
| Total lift                   | Mirabai Chanu recorded a combined lift of 190 kg.                                              |
| Snatch performance           | She successfully lifted 82 kg before setting a record with an 85 kg lift.                      |
| Clean-and-jerk performance   | She secured the gold medal with a successful lift of 105 kg.                                   |
| Silver medallist             | Ruth Asuquo Nyong of Nigeria finished second.                                                  |
| Bronze medallist             | Irene Jane Henry of Malaysia finished third.                                                   |
| Commonwealth Games milestone | Mirabai Chanu won her third consecutive gold medal at the Games.                               |
| Career medal record          | She has won four Commonwealth Games medals, comprising three gold medals and one silver medal. |
|                              |                                                                                                |
|                              |                                                                                                |

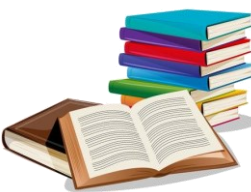

➤ What is the estimated investment for HCLTech's AI-optimised data centre and global technology centre in Odisha?

- A) ₹5,000 crore
- B) ₹8,000 crore
- C) ₹10,000 crore
- D) ₹12,000 crore
- E) ₹15,000 crore

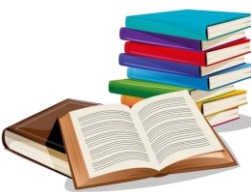

## HCLTech

**Answer**  
**E) ₹15,000 crore.**

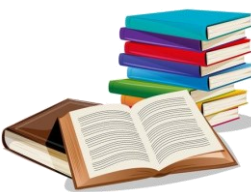

## Event and Location:

- **Event:** HCLTech announced plans to establish its first AI-optimised data centre and a global technology centre with an estimated investment of **₹15,000 crore**.
- **Location:** **Odisha Sovereign AI Park in Bhubaneswar, Odisha.**
- **Date:** **25 July 2026.**

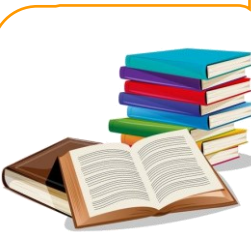

## Mandates and Objectives:

- **Mandates:** HCLTech will develop the facilities in partnership with Sarvam AI and the **Government of Odisha**, with operations expected to commence by **2028**.
- **Objectives:** The initiative aims to strengthen India's sovereign AI ecosystem through secure indigenous computing infrastructure, reduce dependence on foreign platforms, support multilingual AI solutions, and generate approximately **5,000** jobs.

## Important Terms Explained:

- **Odisha Sovereign AI Park:** A proposed technology ecosystem in Bhubaneswar designed to support artificial intelligence research, high-performance computing, secure cloud services, and enterprise AI applications.
- **AI-Optimised Data Centre:** A specialised facility equipped with computing systems designed to train, deploy, and operate artificial intelligence models efficiently.
- **High-Performance Computing:** The use of powerful interconnected computer systems to process complex calculations and large datasets at very high speeds.
- **Digital Sovereignty:** A country's ability to control its digital infrastructure, data processing, technology platforms, and critical computing resources.

## Tabular Summary:

| Parameter               | Details                                                                                                                                 |
|-------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Main development        | HCLTech will establish its first AI-optimised data centre and a global technology centre in Odisha.                                     |
| Project location        | The facilities will be developed at the Odisha Sovereign AI Park in Bhubaneswar.                                                        |
| Estimated investment    | The project involves an estimated investment of ₹15,000 crore.                                                                          |
| Project partners        | HCLTech, Sarvam AI, and the Government of Odisha are collaborating on the initiative.                                                   |
| Expected operations     | The global technology centre is expected to begin operations by 2028.                                                                   |
| Employment potential    | The development is expected to generate approximately 5,000 jobs.                                                                       |
| Infrastructure features | The facilities will provide high-performance computing, secure cloud services, AI training, and enterprise AI platforms.                |
| Strategic significance  | The investment will support indigenous AI development, secure domestic data processing, and reduced reliance on foreign infrastructure. |
|                         |                                                                                                                                         |
|                         |                                                                                                                                         |

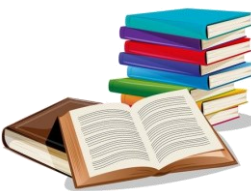

# APPOINTMENTS

➤ Under which constitutional provision was Ravneet Singh Bittu's resignation from the Union Council of Ministers accepted?

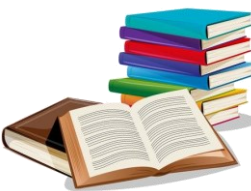

- A) Article 74
- B) Article 75(1)
- C) Article 75(2)
- D) Article 76
- E) Article 78

**Answer**  
**C) Article 75(2).**

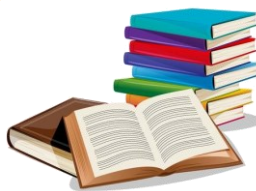

## Event and Location:

- **Event:** Ravneet Singh Bittu resigned as **Union Minister of State for Railways and Food Processing Industries** after the completion of his **Rajya Sabha** tenure.
- **Location:** India, with his future political activities focused on Punjab.
- **Date:** **25 July 2026.**

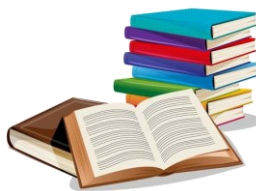

## Mandates and Objectives:

- **Mandates:** President Droupadi Murmu accepted Bittu's resignation from the **Union Council of Ministers** on the advice of **Prime Minister Narendra Modi**, with immediate effect.
- **Objectives:** Bittu stated that he intended to devote greater attention to Punjab politics ahead of the **2027 Punjab Assembly** elections.

## Important Terms Explained:

- Article **75(2)**: A constitutional provision stating that Union ministers hold office during the pleasure of the President.
- **Union Council of Ministers**: The body of ministers headed by the **Prime Minister** that aids and advises the President in governing the country.
- **Rajya Sabha: The Upper House of Parliament**, representing the states and **Union Territories of India**.
- **Minister of State**: A junior-ranking Union minister who may assist a **Cabinet Minister** or independently handle an assigned ministry.

**C) NEET-UG controversy.**

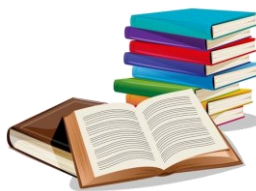

## Event and Location:

- **Event: Dharmendra Pradhan** resigned as **Union Education Minister** amid protests and allegations of irregularities in the **NEET-UG** examination.
- Location: India.
- Date: **25 July 2026**.

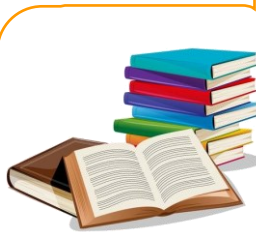

## Mandates and Objectives:

- **Mandates:** The resignation followed sustained demands from students and organisations seeking accountability, transparency, and fairness in the conduct of competitive examinations.
- **Objectives:** **Dharmendra Pradhan** stated that the decision was intended to protect students' interests, preserve confidence in the education system, and allow aspirants to concentrate on their studies.

## Important Terms Explained:

- **NEET-UG: The National Eligibility-cum-Entrance Test for Undergraduate** courses is a national-level entrance examination for admission to undergraduate medical programmes in India.
- **Computer-Based Test:** An examination conducted digitally through computers instead of conventional pen-and-paper answer sheets.
- **Grievance Redressal Mechanism:** A formal system for receiving, examining, and resolving complaints raised by students or other affected individuals.
- **Examination Malpractice:** Any dishonest or unlawful activity that compromises the fairness, confidentiality, or integrity of an examination.

## Tabular Summary:

| Parameter            | Details                                                                                                             |
|----------------------|---------------------------------------------------------------------------------------------------------------------|
| Main development     | Dharmendra Pradhan resigned as Union Education Minister amid the NEET-UG controversy.                               |
| Primary reason       | Protests and allegations of irregularities raised concerns over examination transparency and fairness.              |
| Affected examination | The controversy centred mainly on the NEET-UG examination.                                                          |
| Stated purpose       | Dharmendra Pradhan said the decision was taken to safeguard students' interests and retain their confidence.        |
| Student concerns     | Aspirants demanded accountability and assurance that examination irregularities would not affect their preparation. |
| Government response  | Authorities focused on investigations, examination-related corrective measures, and reforms to restore trust.       |
| Proposed reform      | Future improvements may include wider use of computer-based testing and stronger digital monitoring.                |
| Broader significance | The development highlighted the need for transparent examinations and faster grievance resolution.                  |

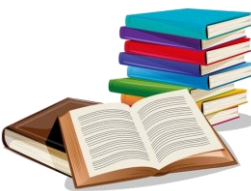

# APPOINTMENTS

➤ Who was given additional charge of the Ministry of Education following Dharmendra Pradhan's resignation?

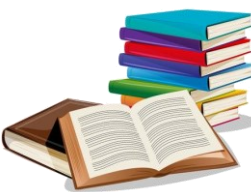

- A) Amit Shah
- B) Pralhad Joshi
- C) Ashwini Vaishnaw
- D) Piyush Goyal
- E) Kiren Rijiju

**Answer**  
**B) Pralhad Joshi.**

## Event and Location:

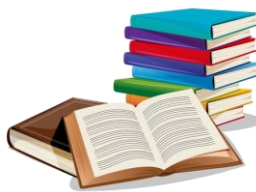

- **Event:** **Pralhad Joshi** was given additional charge of the **Ministry of Education** after **President Droupadi Murmu** accepted **Dharmendra Pradhan's** resignation from the **Union Council of Ministers**.
- Location: India.
- Date: **25 July 2026**.

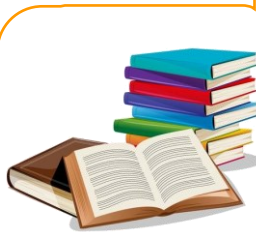

## Mandates and Objectives:

| Previous portfolios      | He served as Minister of Parliamentary Affairs, Coal, and Mines between 2019 and 2024.             |
|                          |                                                                                                    |
|                          |                                                                                                    |

➤ Who was appointed Director of the Financial Intelligence Unit-India during the joint secretary-level bureaucratic reshuffle?

- A) Avanish Kumar Mishra
- B) Satya Pal Kumar
- C) Abhijit Phukon
- D) Sudhir Shyam
- E) Kuldip Narayan

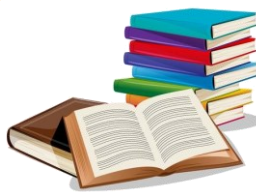

**Answer**

**B) Satya Pal Kumar.**

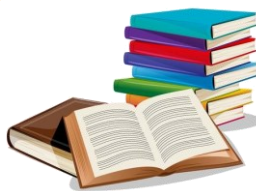

## Event and Location:

- **Event:** The Union Government appointed **Satya Pal Kumar**, a **2005**-batch **Indian Revenue Service** officer, as Director of the **Financial Intelligence Unit-India** during a major bureaucratic reshuffle.
- Location: India.
- Date: **25 July 2026**.

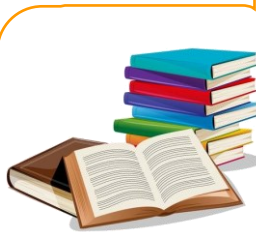

## Mandates and Objectives:

- **Mandates: The Appointments Committee** of the Cabinet approved the postings of approximately **20** senior officers across various Union ministries and departments at the **Joint Secretary** and equivalent levels.
- **Objectives:** The appointments aim to strengthen administrative leadership, improve departmental functioning, and enhance financial intelligence capabilities against money laundering, terror financing, financial fraud, and suspicious transactions.

## Important Terms Explained:

- **Indian Revenue Service:** A Group A civil service whose officers administer direct and indirect tax systems and may serve in senior financial and administrative positions.
- **Appointments Committee** of the Cabinet: A Cabinet committee that approves appointments to senior positions in the **Government of India**.
- **Suspicious Financial Transaction:** A transaction whose nature, value, pattern, or circumstances may indicate money laundering, terror financing, fraud, or another financial offence.
- **Money Laundering:** The process of concealing the illegal origin of money and making it appear to have been obtained from legitimate sources.

## Tabular Summary:

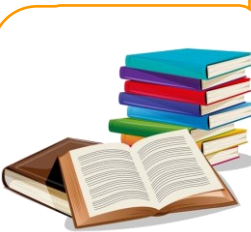

| Parameter                   | Details                                                                                                                               |
|-----------------------------|---------------------------------------------------------------------------------------------------------------------------------------|
| Main appointment            | Satya Pal Kumar was appointed Director of the Financial Intelligence Unit-India.                                                      |
| Officer details             | Satya Pal Kumar is a 2005-batch Indian Revenue Service officer from the Income Tax cadre.                                             |
| Approving authority         | The Appointments Committee of the Cabinet approved the appointment.                                                                   |
| Reshuffle scale             | Approximately 20 senior officers received new postings across Union ministries and departments.                                       |
| FIU responsibility          | The unit receives, processes, analyses, and disseminates information related to suspicious financial transactions.                    |
| Key enforcement areas       | The agency supports action against money laundering, terror financing, financial fraud, and illicit transactions.                     |
| Other appointments          | Avanish Kumar Mishra, Abhijit Phukon, Sudhir Shyam, Kuldip Narayan, V. Lalithalakshmi, and Sajeesh Kumar N. received new assignments. |
| Administrative significance | The reshuffle strengthened leadership at Joint Secretary and equivalent levels across major government institutions.                  |
|                             |                                                                                                                                       |
|                             |                                                                                                                                       |

➤ Which agency directed GitHub to remove repositories associated with Bitchat?

- A) National Investigation Agency
- B) Indian Cybercrime Coordination Centre
- C) Computer Emergency Response Team
- D) Central Bureau of Investigation
- E) National Informatics Centre

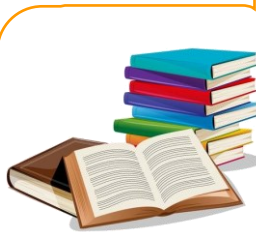

**Answer**

**B) Indian Cybercrime Coordination Centre.**

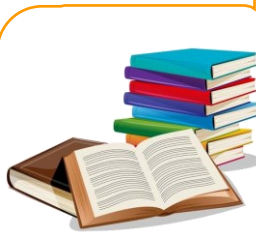

## Event and Location:

- **Event:** India directed GitHub to disable access to three repositories associated with the Bitchat messaging application over national security and criminal misuse concerns.
- Location: India.
- Date: **23 July 2026.**

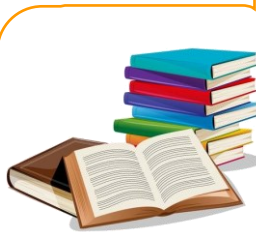

## Mandates and Objectives:

- **Mandates: The Indian Cybercrime Coordination Centre**, operating under the **Ministry of Home Affairs**, instructed GitHub to remove the identified repositories under the **Information Technology Act, 2000** and the **Information Technology Rules, 2021**.
- **Objectives:** The directive aims to prevent the possible misuse of anonymous, decentralised communication technology by terrorist organisations, organised crime groups, cybercriminals, and individuals spreading misinformation during emergencies.

## Important Terms Explained:

- **Bitchat:** A free and open-source messaging application that enables encrypted peer-to-peer communication through Bluetooth without requiring internet access, mobile networks, registration, or a central server.
- **Bluetooth Low Energy Mesh Network:** A communication system in which nearby Bluetooth-enabled devices relay messages between one another, extending communication beyond the direct Bluetooth range.
- Section **79(3)(b)** of the **Information Technology Act, 2000:** A provision requiring an online intermediary to remove or disable access to unlawful content after receiving valid notification from the government or an authorised agency.

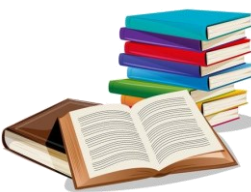

## Tabular Summary:

| Parameter             | Details                                                                                                                                  |
|-----------------------|------------------------------------------------------------------------------------------------------------------------------------------|
| Government directive  | GitHub was instructed to disable access to three repositories connected with Bitchat.                                                    |
| Issuing authority     | The Indian Cybercrime Coordination Centre issued the instruction under the Ministry of Home Affairs.                                     |
| Order date            | The removal order was issued on 23 July 2026.                                                                                            |
| Technology used       | Bitchat uses Bluetooth Low Energy mesh networking for peer-to-peer messaging.                                                            |
| Internet requirement  | Communication can continue without Wi-Fi, mobile data, or conventional internet servers.                                                 |
| Legal provisions      | The directive cited Section 79(3)(b) of the Information Technology Act, 2000 and Rule 3(1)(d) of the Information Technology Rules, 2021. |
| Security concern      | Anonymous and serverless communication may make illegal activities difficult to monitor, trace, and attribute.                           |
| Repositories affected | Three repositories, including the Android application repository, were reportedly covered by the directive.                              |
|                       |                                                                                                                                          |
|                       |                                                                                                                                          |

➤ **Which country requested assistance through the European Union Civil Protection Mechanism to combat wildfires?**

- A) Spain
- B) France
- C) Portugal
- D) Italy
- E) Greece

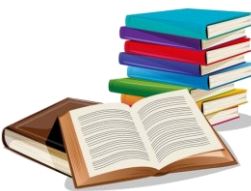

**Answer**  
**B) France.**

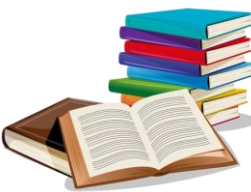

## Event and Location:

- **Event:** Spain declared a national emergency as severe wildfires spread across parts of Europe, while France requested **European Union** assistance.
- Location: **Central Spain**, areas west of Madrid, Avila, **Cap Ferret**, and **Biscarrosse in France**.
- Date: **25 July 2026**.

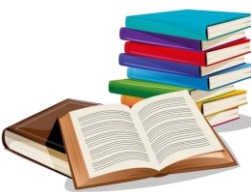

## Mandates and Objectives:

- **Mandates:** Spain activated national-level coordination for firefighting and evacuation operations, while France sought additional resources through the **European Union Civil Protection Mechanism**.
- **Objectives:** The emergency measures aim to protect residents and tourists, control rapidly spreading fires, coordinate rescue operations, and reduce damage to homes, forests, transport routes, and tourism infrastructure.

## Important Terms Explained:

- **National Emergency:** A formal declaration that enables a central government to coordinate resources, agencies, and emergency operations during a major crisis.
- **European Union Civil Protection Mechanism:** A cooperation framework through which European countries can request and provide disaster-response assistance, including firefighting teams, aircraft, and emergency equipment.
- **Wildfire:** An uncontrolled fire that spreads rapidly through forests, grasslands, or other vegetation, especially during hot, dry, and windy conditions.
- **Climate Change:** Long-term changes in temperature and weather patterns that can increase heatwaves, droughts, and the frequency or severity of wildfires.

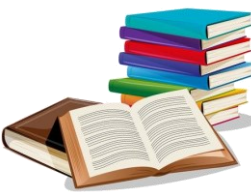

## Tabular Summary:

| Parameter                     | Details                                                                                                               |
|-------------------------------|-----------------------------------------------------------------------------------------------------------------------|
| Main development              | Spain declared a national emergency over wildfires, while France requested European Union assistance.                 |
| Affected regions in Spain     | Fires affected mountainous areas west of Madrid and the neighbouring province of Avila.                               |
| Evacuations in Spain          | More than 10,000 residents were evacuated from affected areas.                                                        |
| Major affected area in France | Cap Ferret on the French Atlantic coast experienced severe wildfire conditions.                                       |
| Evacuations in France         | Approximately 63,000 people were evacuated from Cap Ferret.                                                           |
| Damage in France              | Nearly 10,000 hectares were burned, around 80 houses were damaged, and nearly 50 houses were destroyed.               |
| Main contributing factors     | Extreme heat, prolonged dry weather, strong winds, dense vegetation, and climate change increased wildfire risks.     |
| Strategic significance        | The crisis highlighted the need for disaster preparedness, forest management, and cross-border emergency cooperation. |
|                               |                                                                                                                       |
|                               |                                                                                                                       |

➤ Which country has India invited as a special guest to the BRICS Summit 2026?

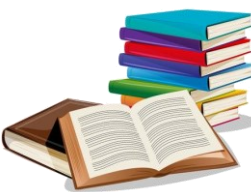

- A) Nepal
- B) Sri Lanka
- C) Bangladesh
- D) Bhutan
- E) Maldives

**Answer**  
**C) Bangladesh.**

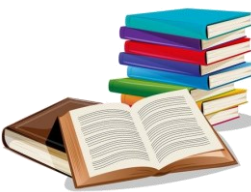

## Event and Location:

- **Event:** India invited Bangladesh to attend the **BRICS Summit 2026** as a special guest while conducting key ministerial meetings under its **BRICS** Chairmanship.
- **Location:** **New Delhi**, India.
- **Date:** The summit is scheduled from **17 to 19 September 2026**.

## Mandates and Objectives:

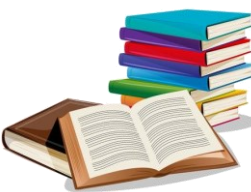

- **Mandates:** India will host the summit and organise ministerial meetings covering health cooperation, disaster risk reduction, economic cooperation, digital transformation, sustainable development, and climate resilience.
- **Objectives:** India aims to strengthen regional partnerships, enhance cooperation among emerging economies, increase engagement with the **Global South**, and secure practical outcomes from the summit.

## Important Terms Explained:

- **BRICS:** An intergovernmental cooperation forum comprising major emerging economies that coordinates on economic, political, developmental, and global governance issues.
- **Global South:** A broad term referring mainly to developing and emerging countries in Asia, Africa, **Latin America**, and other regions with shared development priorities.
- **Disaster Risk Reduction:** A systematic approach to preventing new disaster risks, reducing existing risks, and improving preparedness and resilience.
- **Chairmanship:** The responsibility of leading an international grouping for a specified period, including setting priorities, organising meetings, and coordinating its agenda.

## Tabular Summary:

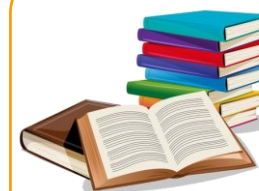

| Parameter               | Details                                                                                                                                   |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| Main development        | India invited Bangladesh to participate in the BRICS Summit 2026 as a special guest.                                                      |
| Host country            | India will host the summit under its BRICS Chairmanship.                                                                                  |
| Summit venue            | The summit will be held in New Delhi.                                                                                                     |
| Summit dates            | The meeting is scheduled from 17 to 19 September 2026.                                                                                    |
| Invited representative  | Bangladesh Prime Minister Tarique Rahman was invited to attend the summit.                                                                |
| Chairmanship theme      | The theme is “Creating Resilience, Innovation, Collaboration and Sustainability”.                                                         |
| Ministerial focus areas | Health cooperation, disaster risk management, digital transformation, climate resilience, and sustainable development are key areas.      |
| Diplomatic significance | The invitation seeks to strengthen India-Bangladesh relations and expand engagement with neighbouring countries and developing economies. |
|                         |                                                                                                                                           |
|                         |                                                                                                                                           |

➤ What is the total financial outlay approved for the BHAVYA Rasayan Scheme?

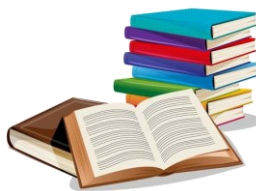

- A) ₹2,030 crore
- B) ₹2,500 crore
- C) ₹3,000 crore
- D) ₹3,030 crore
- E) ₹3,500 crore

**Answer**  
**D) ₹3,030 crore.**

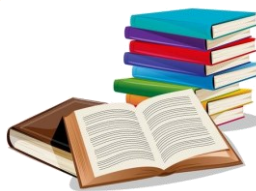

## Event and Location:

- **Event:** The Union Cabinet approved the **Bharat Audyogik Vikas Yojana Rasayan Scheme** to establish three dedicated **Chemical Parks** with advanced common infrastructure.
- **Location:** Three selected locations across India.
- **Date:** **24 July 2026.**

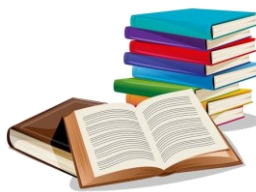

## Mandates and Objectives:

- **Mandates:** The scheme provides for the development of three integrated **Chemical Parks by State Governments** through a competitive **Challenge Route** during FY **2026** to FY **2031**.
- **Objectives:** It aims to reduce production and logistics costs, attract domestic and foreign investment, promote import substitution and exports, create employment, and strengthen India's chemical manufacturing ecosystem.

## Important Terms Explained:

- **Chemical Park:** An integrated industrial area equipped with shared infrastructure and utilities for chemical manufacturing, processing, storage, waste management, and logistics.
- **Challenge Route:** A competitive selection mechanism under which eligible states submit proposals and are assessed against prescribed criteria for project approval.
- **Plug-and-Play Infrastructure:** Ready-to-use industrial facilities and utilities that allow companies to begin operations with lower initial investment and shorter setup time.
- **Common Effluent Treatment Plant:** A centralised facility that collects and treats industrial wastewater from multiple units before its safe discharge or reuse

## Tabular Summary:

| Parameter             | Details                                                                                                              |
|-----------------------|----------------------------------------------------------------------------------------------------------------------|
| Scheme name           | Bharat Audyogik Vikas Yojana Rasayan Scheme.                                                                         |
| Approval date         | The Union Cabinet approved the scheme on 24 July 2026.                                                               |
| Financial outlay      | The total allocation is ₹3,030 crore.                                                                                |
| Number of parks       | Three dedicated Chemical Parks will be established across India.                                                     |
| Central assistance    | The Central Government may provide up to ₹1,000 crore for each park.                                                 |
| State contribution    | The concerned State Government must contribute at least ₹500 crore.                                                  |
| Land requirement      | Each proposed park requires at least 8 square kilometres, or about 2,000 acres, of contiguous and unencumbered land. |
| Implementation period | The scheme will operate from FY 2026 to FY 2031.                                                                     |
|                       |                                                                                                                      |
|                       |                                                                                                                      |

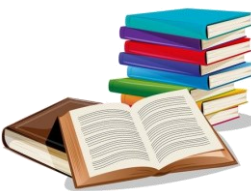

➤ Which category of beneficiaries can receive up to ₹3,000 under the Karnataka Prasoothi Araike Scheme?

- A) General category women
- B) SC and ST women
- C) Government employees
- D) Urban taxpayers
- E) Self-employed women

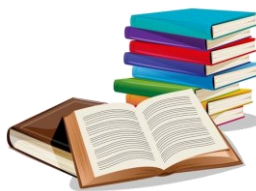

**Answer**

**B) SC and ST women.**

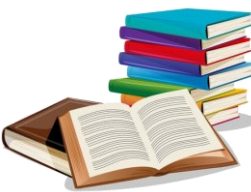

## Event and Location:

- **Event: The Karnataka Government's Prasoothi Arai**  
**Scheme** provides financial assistance for antenatal and postnatal care to eligible pregnant women.
- Location: Karnataka.
- Date: The scheme was launched in **2007**.

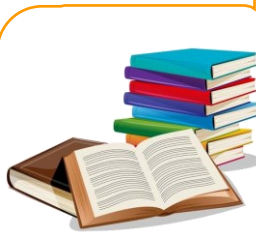

## Mandates and Objectives:

- **Mandates: The Department of Women and Child Development** implements the scheme for pregnant women belonging to **Below Poverty Line, Scheduled Caste, and Scheduled Tribe** families.
- **Objectives:** The scheme aims to improve maternal and newborn health, encourage institutional deliveries, promote antenatal care, and reduce the financial burden associated with pregnancy and childbirth.

## Important Terms Explained:

- **Below Poverty Line:** An economic classification used to identify households whose income and living conditions fall below the prescribed poverty threshold.
- **Janani Suraksha Yojana:** A government maternity-benefit programme that promotes institutional deliveries among economically disadvantaged pregnant women through financial assistance.
- **Antenatal Care:** Medical supervision and healthcare provided to a woman during pregnancy to monitor the health of the mother and the developing baby.
- **Institutional Delivery:** Childbirth conducted at a recognised healthcare institution under the supervision of trained medical professionals.
- **ASHA Worker: An Accredited Social Health Activist**

|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Scheme name                 | Karnataka Prasoothi Araiike Scheme.                                                                     |
| Launch year                 | The scheme was launched in 2007.                                                                        |
| Implementing department     | Department of Women and Child Development, Government of Karnataka.                                     |
| Eligible beneficiaries      | Pregnant permanent residents of Karnataka belonging to BPL, SC, or ST families.                         |
| Financial assistance        | SC and ST women receive ₹3,000, while BPL women receive ₹2,000.                                         |
| Payment structure           | Assistance is provided in two instalments during pregnancy and after delivery.                          |
| Second-instalment condition | The beneficiary must deliver the child in a government hospital.                                        |
| Application process         | Eligible women must approach an ASHA Worker or Auxiliary Nurse Midwife for registration and assistance. |
|                             |                                                                                                         |
|                             |                                                                                                         |

► What is the incentive payable for each surviving seedling in the third year?

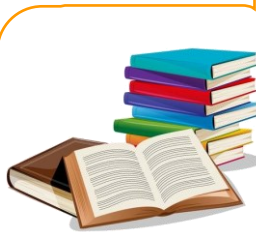

- A) ₹30
- B) ₹35
- C) ₹40
- D) ₹45
- E) ₹50

**Answer**  
**E) ₹50.**

## Event and Location:

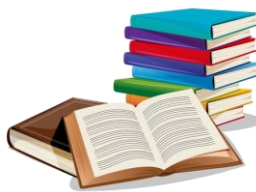

- **Event: The Karnataka Krushi Aranya Protsaha Yojane** provides financial incentives to farmers for planting and maintaining eligible tree saplings on privately owned agricultural land.
- **Location:** Karnataka.
- **Date:** The application is preferably submitted before the end of May, ahead of the monsoon season.

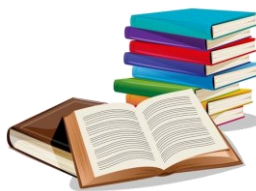

## Mandates and Objectives:

- **Mandates: The Karnataka Forest Department** supplies subsidised seedlings, verifies their survival through annual inspections, and provides incentives for each healthy sapling maintained for up to three years.
- **Objectives:** The programme aims to increase tree cover, promote sustainable farming, improve biodiversity, strengthen climate resilience, conserve natural resources, and generate additional income for farmers.

## Important Terms Explained:

- **Agroforestry:** A land-use system that combines trees with crops or livestock on the same agricultural land to provide environmental and economic benefits.
- **Carbon Sequestration:** The process through which trees and vegetation absorb and store carbon dioxide from the atmosphere.
- **Pahani or RTC:** A Karnataka land record containing details about land ownership, cultivation, area, and related agricultural information.
- **Subsidised Seedling:** A tree sapling supplied by a government nursery at a price lower than its normal market cost.

# SCHEMES & INITIATIVES

## Tabular Summary:

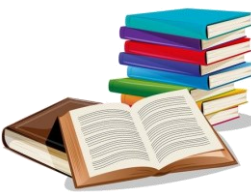

| Parameter              | Details                                                                                                                 |
|------------------------|-------------------------------------------------------------------------------------------------------------------------|
| Implementing authority | The Karnataka Forest Department implements the programme.                                                               |
| Eligible beneficiaries | Permanent residents of Karnataka who own agricultural land may apply.                                                   |
| Plantation condition   | Tree saplings must be planted on land owned by the applicant.                                                           |
| Financial assistance   | Farmers receive ₹35 per surviving seedling in the first year, ₹40 in the second year, and ₹50 in the third year.        |
| Seedling prices        | Subsidised seedlings are available at ₹1, ₹3, or ₹5 depending on the bag size.                                          |
| Plantation capacity    | A farmer may plant approximately 400 eligible trees on one hectare of land.                                             |
| Application process    | Applications must be submitted at the nearest Forest Range Office with the required documents and a nominal fee of ₹10. |
| Inspection mechanism   | Forest officials conduct annual inspections and release incentives according to the number of surviving seedlings.      |
|                        |                                                                                                                         |
|                        |                                                                                                                         |

► What is the proposed maximum fine for organised paper leak offences under the approved amendments?

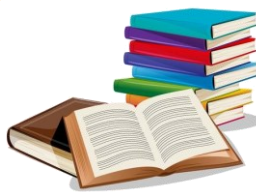

- A) ₹1 crore
- B) ₹2 crore
- C) ₹5 crore
- D) ₹8 crore
- E) ₹10 crore

**Answer**  
**E) ₹10 crore.**

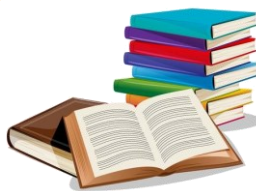

## Event and Location:

- **Event:** The Union Cabinet approved amendments to the **Public Examinations (Prevention of Unfair Means) Act, 2024** to impose stricter penalties for examination paper leaks and organised cheating.
- **Location:** India.
- **Date:** 25 July 2026.

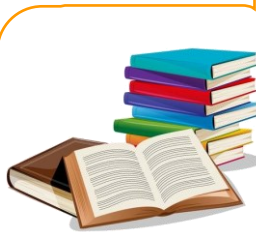

## Mandates and Objectives:

- **Mandates:** The proposed Anti-Paper Leak Bill raises the minimum imprisonment for paper leak offences from three years to five years, permits imprisonment of up to ten years, and increases the maximum fine to **₹10 crore**.
- **Objectives:** The amendments aim to deter organised examination fraud, protect students' interests, ensure fair public examinations, accelerate trials, and restore confidence in the examination system.

## Important Terms Explained:

- **Cognizable Offence:** An offence in which the police may arrest an accused person without a warrant and begin an investigation without prior court approval.
- **Non-Bailable Offence:** An offence in which bail is not available as an automatic right and must be granted by a court.
- **Organised Cheating:** Coordinated examination fraud involving individuals, groups, institutions, or service providers for unlawful financial or other benefits.
- **Impersonation:** The act of appearing for an examination or completing examination-related procedures while pretending to be another candidate.
- **Fast-Track Court:** A specially designated court intended to hear and dispose of specified cases more quickly than the regular judicial process.

## Tabular Summary:

| Parameter                | Details                                                                                                                                                      |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Cabinet decision         | The Union Cabinet approved stricter amendments to the law governing unfair practices in public examinations.                                                 |
| Minimum imprisonment     | The proposed minimum sentence for paper leak offences has been increased from three years to five years.                                                     |
| Maximum imprisonment     | Serious offences may attract imprisonment of up to ten years.                                                                                                |
| Maximum fine             | The proposed maximum monetary penalty is ₹10 crore.                                                                                                          |
| Offences covered         | Paper leaks, impersonation, OMR manipulation, fake websites, false admit cards, and unauthorised access to confidential examination information are covered. |
| Legal status of offences | Offences under the existing framework are cognizable and non-bailable.                                                                                       |
| Justice mechanism        | Special investigation procedures, fast-track courts, and speedy prosecution have been proposed.                                                              |
| Primary purpose          | The amendments seek to prevent organised cheating and safeguard the integrity of public examinations.                                                        |
|                          |                                                                                                                                                              |
|                          |                                                                                                                                                              |

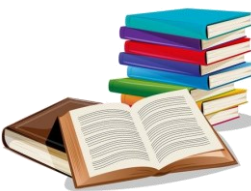

➤ **Who must grant permission before videos of court proceedings can be shared online?**

- A) Union Law Minister
- B) Attorney General of India
- C) Secretary General or Registrar General
- D) Bar Council of India Chairperson
- E) Solicitor General of India

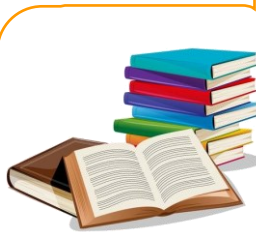

**Answer**

**C) Secretary General or Registrar General.**

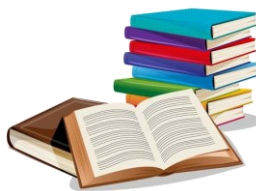

## Event and Location:

- **Event: The Supreme Court of India** temporarily prohibited the unauthorised uploading, sharing, saving, or circulation of videos from live-streamed court proceedings.
- Location: **Supreme Court of India** and respective **High Courts** across India.
- Date: **25 July 2026**.

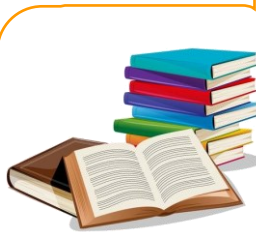

## Mandates and Objectives:

- **Mandates:** Video recordings of court proceedings cannot be distributed on social media or other platforms without prior permission from the **Supreme Court Secretary General** or the **Registrar General** of the respective **High Court**.
- **Objectives:** The interim restriction aims to prevent misleading edits, sensational content, artificial intelligence-based manipulation, commercial misuse, and narratives that could weaken public confidence in the judiciary.

## Important Terms Explained:

- **Interim Order:** A temporary judicial direction that remains effective until the court conducts a detailed hearing or issues a final decision.
- **Artificial Intelligence-Generated Content:** Images, audio, videos, or text created or altered using artificial intelligence tools, which may be used to produce misleading representations of judicial proceedings.
- **Public Interest Litigation:** A legal petition filed to protect public rights or address an issue affecting society rather than only an individual petitioner.
- **Article 19(1)(a):** A constitutional provision guaranteeing citizens the right to freedom of speech and expression, subject to reasonable restrictions imposed by law.
- **Indirect Advertising:** Promotional activity conducted without direct advertisements, such as using

## Tabular Summary:

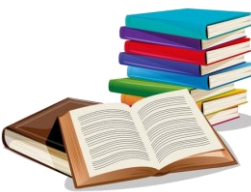

| Parameter                  | Details                                                                                                                   |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------|
| Judicial direction         | Unauthorised uploading, saving, sharing, or circulation of courtroom videos has been temporarily restricted.              |
| Bench composition          | The Bench was led by Chief Justice Surya Kant and included Justices Joymalya Bagchi and V. Mohana.                        |
| Permission authority       | Approval must be obtained from the Supreme Court Secretary General or the Registrar General of the concerned High Court.  |
| Reason for restriction     | Edited clips, misleading narratives, sensational thumbnails, and manipulated content were cited as major concerns.        |
| Origin of proceedings      | The matter arose from a Public Interest Litigation filed by journalist Harshita Grover.                                   |
| AI-related concern         | Artificial intelligence tools may be used to distort judicial observations and spread false narratives.                   |
| Professional conduct issue | The Court sought the Bar Council of India's response regarding lawyers using courtroom footage to promote their services. |
| Possible future action     | Continued misuse may lead courts to reconsider public live-streaming or restrict access to authorised stakeholders.       |
|                            |                                                                                                                           |

► At which session was Sarnath inscribed on the UNESCO World Heritage List?

- A) 45th Session
- B) 46th Session
- C) 47th Session
- D) 48th Session
- E) 49th Session

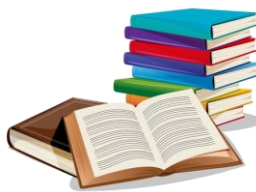

**Answer**  
**D) 48th Session.**

## Event and Location:

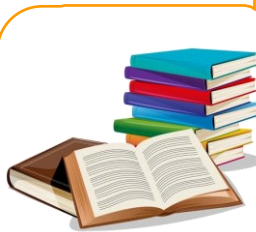

- **Event: The Ancient Buddhist Site of Sarnath** was inscribed on the **UNESCO World Heritage List**, becoming India's **45th World Heritage Site**.
- Location: Sarnath, **Uttar Pradesh**, with the inscription approved in Busan, **South Korea**.
- Date: **25 July 2026**.

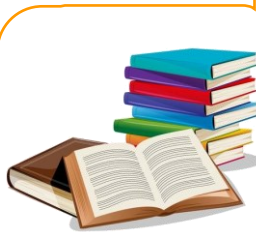

## Mandates and Objectives:

- **Mandates: The World Heritage Committee** approved Sarnath's inscription during its **48th** Session after recognising the site's historical, religious, cultural, and archaeological importance.
- **Objectives:** The inscription aims to strengthen the conservation of Sarnath, promote awareness of its Buddhist heritage, and preserve the site for present and future generations.

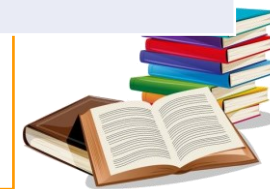

## Important Terms Explained:

- **Outstanding Universal Value:** Cultural or natural significance considered so exceptional that it is important to humanity as a whole.
- **Dhammacakkappavattana Sutta:** The first sermon delivered by **Gautama Buddha at Sarnath** after attaining enlightenment, marking the beginning of the propagation of Buddhism.
- **Sangha:** The organised community of Buddhist monks and followers established to preserve and spread the teachings of Buddhism.
- **Stupa:** A Buddhist commemorative structure generally built to preserve sacred relics or mark an important religious event.

## Tabular Summary:

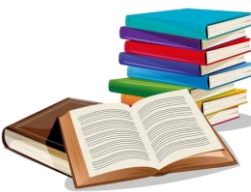

| Parameter              | Details                                                                                                                           |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Main development       | The Ancient Buddhist Site of Sarnath was added to the UNESCO World Heritage List.                                                 |
| Inscription date       | The inscription was approved on 25 July 2026.                                                                                     |
| Committee session      | The decision was taken during the 48th Session of the World Heritage Committee.                                                   |
| Meeting location       | The session was held in Busan, South Korea.                                                                                       |
| India's total sites    | Sarnath became India's 45th UNESCO World Heritage Site.                                                                           |
| Religious significance | Gautama Buddha delivered his first sermon at Sarnath after attaining enlightenment.                                               |
| Major monuments        | Important structures include the Dhamek Stupa, Dharmarajika Stupa, and Chaukhandi Stupa.                                          |
| Global significance    | The inscription recognises Sarnath's influence on Buddhist philosophy, pilgrimage, education, and culture for over two millennia. |
|                        |                                                                                                                                   |
|                        |                                                                                                                                   |
