➤ On which date is World Skyscraper Day observed annually?

- A) September 1
- B) September 2
- C) September 3
- D) September 4
- E) September 5

Answer
C) September 3.

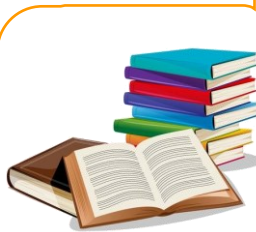

Important Days

Event and Location:

- **Event: World Skyscraper Day 2026** highlighted the engineering, architecture, and ambition behind skyscrapers, including five major supertall skyscraper projects expected to influence global skylines by **2030**.
- **Location:** Global, with highlighted projects in Dubai, Balneário Camboriú, and Shanghai.
- **Date:** September **3, 2026**.

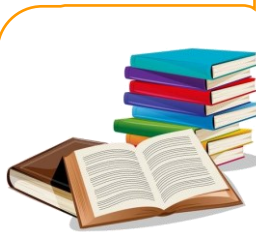

Important Days

Mandates and Objectives:

- **Mandates:** The observance recognises skyscraper design and construction while highlighting emerging towers exceeding **300** metres and advances in vertical urban development.

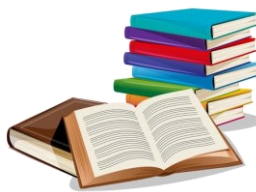

Important Days

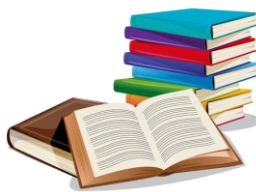

Mandates and Objectives:

- **Objectives:** The day aims to recognise architectural and engineering achievements and highlight how high-rise buildings support urban density, mixed-use development, economic activity, and efficient use of limited city space.

Important Terms Explained:

- **Council on Tall Buildings and Urban Habitat (CTBUH):** It is the body cited in the article for classifying buildings measuring **300** metres or more as supertall skyscrapers.

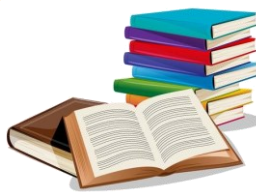

Important Days

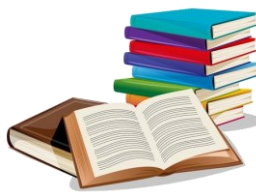

Important Terms Explained:

- **Mixed-Use Skyscraper:** It is a high-rise building that combines multiple functions such as residences, offices, hotels, restaurants, observation areas, retail, and entertainment facilities.

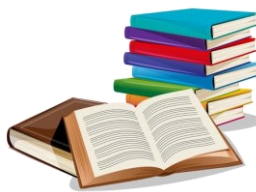

Important Terms Explained:

- **Vertical Transportation:** It refers to systems such as elevators that enable efficient movement of people and goods between different floors of high-rise buildings.

Important Terms Explained:

- **Wind Resistance:** It refers to structural design measures that enable tall buildings to withstand wind loads and minimise excessive movement at great heights.

Important Days

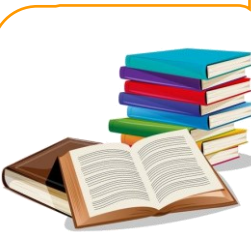

Tabular Summary:

Parameter	Details
Observance	World Skyscraper Day is observed annually on September 3.
Historical association	The date is linked to the birth anniversary of Louis H. Sullivan, an early pioneer of skyscraper design.
Supertall definition	CTBUH categorises buildings measuring 300 metres or more as supertall skyscrapers.
Burj Binghatti Jacob & Co Residences	The Dubai tower is planned at 557 metres with 105 floors and expected completion in 2027.
Senna Tower	The Balneário Camboriú tower is planned at 550 metres with 154 floors and expected completion in 2030.
Tiger Sky Tower	The Dubai tower is expected to reach 532 metres and be completed by 2029.
Six Senses Residences Dubai Marina	The Dubai residential and wellness tower is planned at 517 metres with expected completion in 2028.
North Bund Tower	The Shanghai tower is planned at 480 metres with 97 floors and expected completion in 2030.

➤ Which country will host the inaugural ICC Women's Champions Trophy 2027?

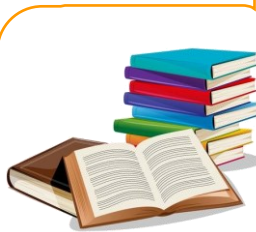

- A) Sri Lanka
- B) Australia
- C) England
- D) India
- E) South Africa

Answer
D) India.

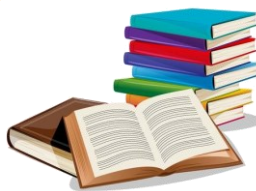

Event and Location:

- **Event:** The **ICC Women's Champions Trophy 2027** will be hosted by India after the **International Cricket Council** transferred the inaugural tournament from **Sri Lanka**.
- **Location:** **Mumbai and Vadodara, India.**
- **Date:** February **14** to February **28, 2027.**

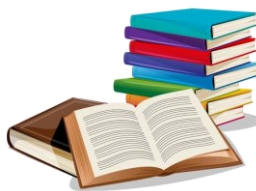

Mandates and Objectives:

- **Mandates: The International Cricket Council (ICC)** shifted the hosting rights from **Sri Lanka to India** amid concerns over government interference in **Sri Lanka Cricket**, with six teams scheduled to participate in the inaugural edition.

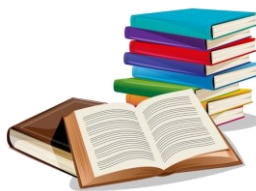

Mandates and Objectives:

- **Objectives:** The tournament aims to provide a premier international competition for leading women's cricket teams through a round-robin format culminating in a final between the top two sides.

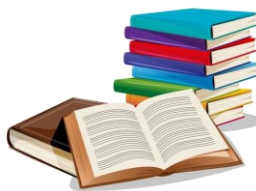

Important Terms Explained:

- **Round-Robin Format:** It is a tournament format in which every participating team plays against every other team during the league stage.

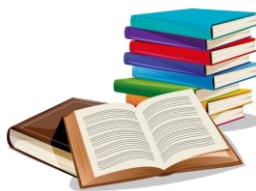

Important Terms Explained:

- **Sri Lanka Cricket:** It is the governing body responsible for administering cricket in **Sri Lanka** and was undergoing **ICC**-mandated reforms at the time of the hosting rights transfer.

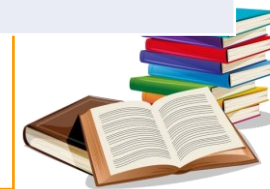

Important Terms Explained:

- **Government Interference:** It refers to direct or indirect involvement of government authorities in the administration or decision-making of an autonomous sports governing body.

Tabular Summary:

Parameter	Details
Event name	The inaugural ICC Women's Champions Trophy 2027.
Host country	India will host the tournament after replacing Sri Lanka.
Tournament dates	The competition will be held from February 14 to February 28, 2027.
Participating teams	Australia, England, India, New Zealand, South Africa, and Sri Lanka will compete.
Tournament format	All six teams will play each other in a round-robin league.
Final qualification	The top two teams after the league stage will qualify for the final.

Reason for host change	Sri Lanka lost the hosting rights amid concerns over government interference in Sri Lanka Cricket.

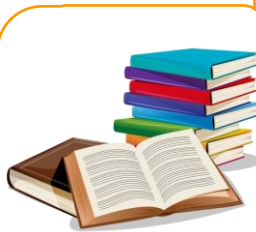

➤ Which credit rating agency upgraded India's sovereign credit rating from BBB+ to A- in September 2026?

- A) Moody's Ratings
- B) Fitch Ratings
- C) S&P Global Ratings
- D) Japan Credit Rating Agency
- E) CRISIL Ratings

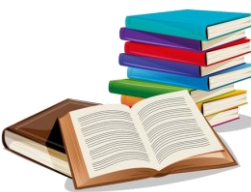

Answer

D) Japan Credit Rating Agency.

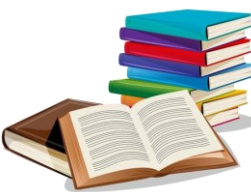

Event and Location:

- **Event: The Japan Credit Rating Agency (JCR)** upgraded India's sovereign credit rating by one notch from **BBB+** to **A-** while retaining a Stable outlook.
- **Location:** India.
- **Date:** September 2, 2026.

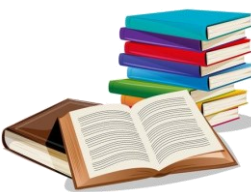

Mandates and Objectives:

- **Mandates:** JCR upgraded India's long-term foreign currency and local currency issuer ratings from **BBB+** to A- and also raised the country ceiling to A-.

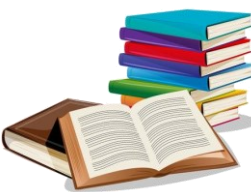

Mandates and Objectives:

- **Objectives:** The rating action reflects India's robust economic growth, improving fiscal position, stronger financial system, productive public investment, and adequate foreign exchange reserves.

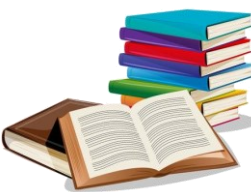

Important Terms Explained:

- **Sovereign Credit Rating:** It assesses a national government's ability and willingness to meet its debt obligations and indicates the level of sovereign credit risk.

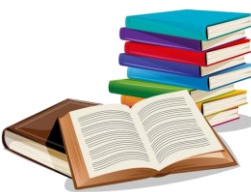

Important Terms Explained:

- **Stable Outlook:** It indicates that the rating agency does not expect a significant change in the country's credit profile in the near future.

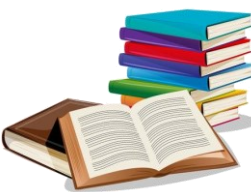

Important Terms Explained:

- **Country Ceiling:** It represents the highest rating generally assignable to issuers within a country after considering risks such as restrictions on foreign currency transfers.

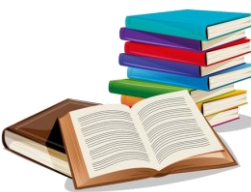

Important Terms Explained:

- **Real GDP:** It measures the value of goods and services produced in an economy after adjusting for changes in prices.
- **Fiscal Deficit:** It is the gap between the government's total expenditure and its total receipts excluding borrowings.

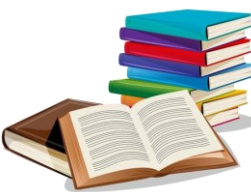

Important Terms Explained:

- **Insolvency and Bankruptcy Code (IBC):** It is India's legal framework for time-bound resolution of insolvency and stressed assets.

Important Terms Explained:

- **Foreign Exchange Reserves:** These are external reserve assets held by the central bank to support international payments and provide protection against external financial shocks.

Tabular Summary:

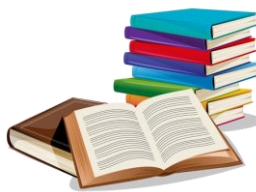

Parameter	Details
Event name	India's sovereign credit rating was upgraded from BBB+ to A-.
Date	The rating action was dated September 2, 2026.
Rating agency	The upgrade was announced by JCR.
Outlook	India's rating outlook was retained as Stable.
GDP growth	Real GDP growth was reported at 7.8% in FY2026 and 7.8% in Q1 FY2027.
Fiscal position	The Central Government's fiscal deficit declined from 4.7% of GDP in FY2025 to 4.4% in FY2026.
Financial system	Improved bank asset quality, profitability, capital adequacy, IBC reforms, capital infusion, and RBI oversight supported the upgrade.
External strength	Strong forex reserves, a contained current account deficit, and a services surplus strengthened India's external position.

- Which high-energy compound developed through DRDO-University of Hyderabad research has received a patent for potential use in next-generation solid rocket propulsion?

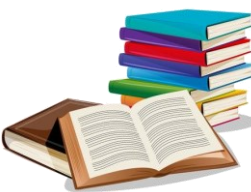

- A) BAM-H24
- B) HMX-R12
- C) RDX-P18
- D) BNH-X30
- E) HTPE-42

Answer
A) BAM-H24.

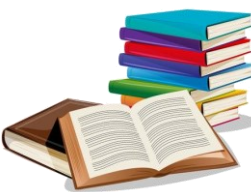

Event and Location:

- **Event:** Researchers from **Defence Research and Development Organisation (DRDO)** and the **University of Hyderabad (UoH)** secured a patent for **BAM-H24**, a high-energy compound intended for potential use in next-generation solid rocket propulsion.
- **Location:** **University of Hyderabad**, Hyderabad, Telangana, India.

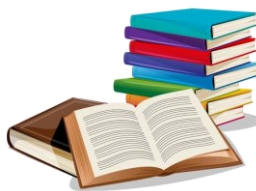

Mandates and Objectives:

- **Mandates:** The patented research covers the synthesis, structure, and energetic characteristics of **BAM-H24**, a boron, hydrogen, and nitrogen-based compound developed through research at **ACRHEM, University of Hyderabad**.

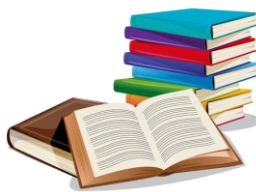

Mandates and Objectives:

- **Objectives:** The development aims to provide a safer and more efficient energetic material with high chemical and thermal stability, low moisture absorption, improved handling characteristics, and potential for enhanced solid rocket propulsion performance.

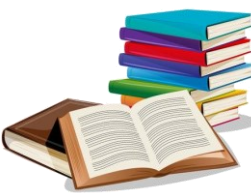

Important Terms Explained:

- **Specific Impulse:** It is a measure of rocket propulsion efficiency, indicating how effectively a propulsion system produces thrust from a given quantity of propellant.

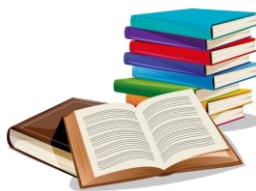

Important Terms Explained:

- **Ignition Delay:** It is the time interval between initiation of the ignition process and the actual response or combustion of the propellant.

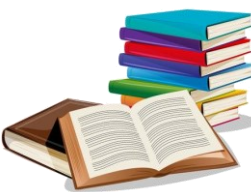

Important Terms Explained:

- **Hygroscopicity:** It is the tendency of a material to absorb or attract moisture from the surrounding environment, with **BAM-H24** reported to have low hygroscopic characteristics.

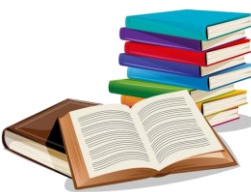

Important Terms Explained:

- **Energetic Material:** It is a substance capable of releasing substantial energy through a controlled chemical reaction and is commonly used in propulsion, explosives, and related applications.

Important Terms Explained:

- **Solid Rocket Propulsion:** It is a propulsion system that uses solid-form propellant to generate gases and thrust for rockets or missiles.

Tabular Summary:

Parameter	Details
Development	BAM-H24 is a patented high-energy compound for potential next-generation solid rocket propulsion applications.
Research partners	DRDO and the University of Hyderabad collaborated on the research.
Research centre	The compound was synthesised through research conducted at ACRHEM, University of Hyderabad.
Key researchers	Dr. Muddamarri Hanumantha Rao and Dr. Muralidharan Krishnamurthi were associated with the development.
Composition	BAM-H24 contains boron, hydrogen, and nitrogen.
Safety properties	The material has high chemical and thermal stability and resistance to impact and friction.
Performance potential	It is expected to offer superior specific impulse and low ignition delay in suitable propulsion systems.
Strategic significance	The development may strengthen safer energetic-material handling and indigenous defence and aerospace technology capabilities.

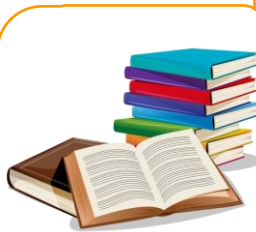

➤ Which organisation declared Gollala Gudi Temple in Telangana a Monument of National Importance?

- A) UNESCO
- B) Archaeological Survey of India
- C) Indian National Trust for Art and Cultural Heritage
- D) Ministry of Culture
- E) Telangana Heritage Department

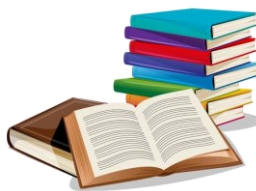

Answer

B) Archaeological Survey of India.

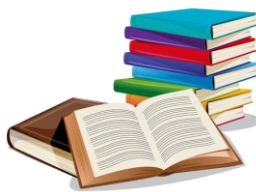

Event and Location:

- **Event:** The Archaeological Survey of India (ASI) declared **Gollala Gudi Temple a Monument of National Importance** through Gazette notification S.O. 4802(E).
- **Location:** Palampet village in Mulugu district, Telangana, near the **Ramappa Temple**.
- **Date:** August 31, 2026.

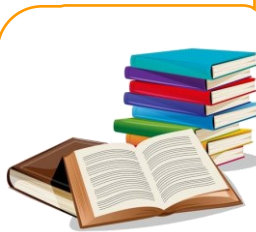

Mandates and Objectives:

- **Mandates:** The declaration places the Kakatiya-era temple under enhanced protection and conservation measures, with proposed works including roof repairs, ground levelling, floor restoration, and improved visitor accessibility.

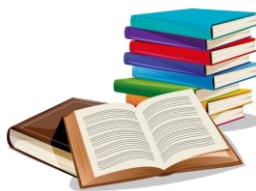

Mandates and Objectives:

- **Objectives:** The initiative aims to preserve the temple's distinctive Kakatiya architecture, protect its sculptures and structural features, and improve public access to the heritage site.

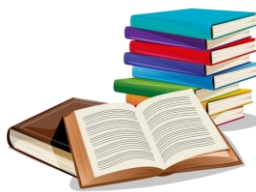

Important Terms Explained:

- **Monument of National Importance:** It is a centrally protected monument recognised for its historical, archaeological, or architectural significance and brought under stronger conservation safeguards.

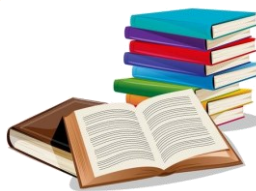

Important Terms Explained:

- **Trikutalaya:** It refers to a temple architectural plan consisting of three sanctums or shrines connected to a common structural arrangement.

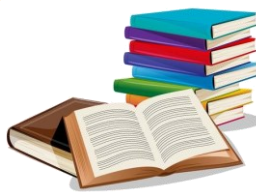

Important Terms Explained:

- **Garbhagriha:** It is the innermost sanctum of a Hindu temple where the principal deity or sacred object is installed.
- **Mandapa:** It is a pillared hall or pavilion within a temple complex, generally used for religious gatherings and rituals.

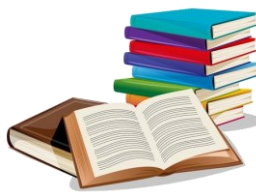

Important Terms Explained:

- **Dvarapala:** It refers to a guardian figure traditionally placed near the entrance of Hindu temples or sanctums.

Important Terms Explained:

- **Kakatiya Dynasty:** It was a Telugu-speaking dynasty that ruled parts of the eastern Deccan from the **12th** to the **14th** century and left a major architectural legacy in present-day **Telangana and Andhra Pradesh**.

Tabular Summary:

Parameter	Details
Event name	Gollala Gudi Temple was declared a Monument of National Importance.
Notification date	The Gazette of India notification was issued on August 31, 2026.
Location	The temple is situated at Palampet village in Mulugu district, Telangana.
Declaring authority	The Archaeological Survey of India issued the designation through Gazette notification S.O. 4802(E).
Architectural feature	The temple has three sanctums, an east-facing hall, carved parapets, hamsa motifs, jali work, and a Shiva Linga in the central sanctum.
Nearby heritage site	It lies south-west of the UNESCO-listed Kakatiya Rudreshwara Temple, popularly known as Ramappa Temple.
Conservation works	Proposed works include roof repairs, ground levelling, floor restoration, and improvement of visitor access.
Historical significance	The temple represents the architectural heritage of the Kakatiya period in the eastern Deccan region.

- A) Sports Authority of India
- B) Chennai Metropolitan Development Authority
- C) Tamil Nadu Sports Development Authority
- D) Indian Olympic Association
- E) Ministry of Youth Affairs and Sports

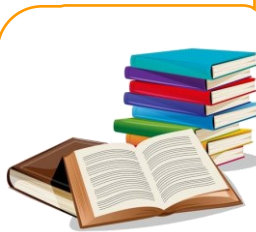

Answer

C) Tamil Nadu Sports Development Authority.

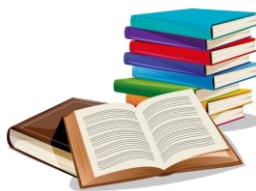

Event and Location:

- **Event:** The Government of Tamil Nadu announced the establishment of the **Tamil Nadu Olympic City**, a world-class integrated sports and training complex.
- **Location:** Chennai, **Tamil Nadu**.
- **Date:** September 3, 2026.

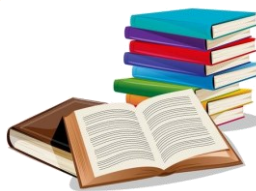

Mandates and Objectives:

- **Mandates: The Tamil Nadu Sports Development Authority** will develop the **Olympic City** with world-class sports arenas, modern equipment, a high-performance training centre, and dedicated sports science and medicine facilities.

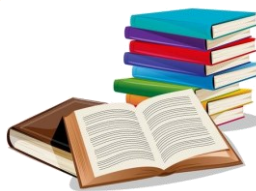

Mandates and Objectives:

- **Objectives:** The project aims to provide integrated infrastructure for athlete training, performance enhancement, scientific support, injury management, and preparation for major national and international sporting events.

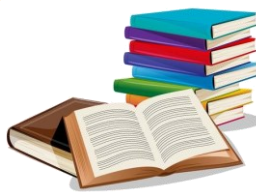

Important Terms Explained:

- **High-Performance Training Centre:** It is a specialised facility that provides advanced coaching, training programmes, technology, and equipment to improve athletes' competitive performance.

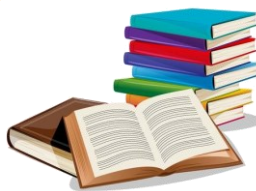

Important Terms Explained:

- **Sports Science:** It applies scientific principles to areas such as performance analysis, conditioning, recovery, nutrition, and athlete development.

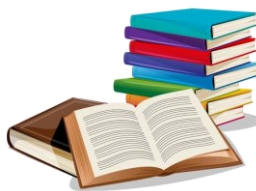

Important Terms Explained:

- **Sports Medicine:** It focuses on the prevention, diagnosis, treatment, and rehabilitation of injuries and medical conditions related to sports and physical activity.

Important Terms Explained:

- **Integrated Sports Complex:** It is a centralised facility that combines multiple sports venues, training infrastructure, and athlete-support services at one location.

Tabular Summary:

Parameter	Details
Project name	Tamil Nadu Olympic City will be developed as an integrated sports and training complex.
Location	The project will be established in Chennai, Tamil Nadu.
Announcing authority	The project was announced by the Tamil Nadu Government under Chief Minister M.K. Stalin.
Developing authority	The Tamil Nadu Sports Development Authority will develop the facility.
Sports infrastructure	The complex will include world-class sports arenas and modern sporting equipment.
Training facility	A dedicated high-performance training centre will support advanced athlete preparation.
Scientific support	Sports science and sports medicine centres will provide performance, recovery, injury-prevention, and rehabilitation services.
Purpose	The project seeks to strengthen athlete preparation for national and international competitions.

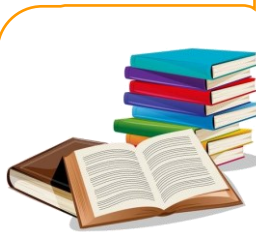

➤ Which organisation will facilitate the establishment of the Coconut Park in Kerala?

- A) National Horticulture Board
- B) Coconut Development Board
- C) Agricultural and Processed Food Products Export Development Authority
- D) National Bank for Agriculture and Rural Development
- E) Spices Board India

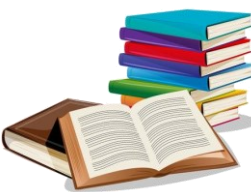

Answer

B) Coconut Development Board.

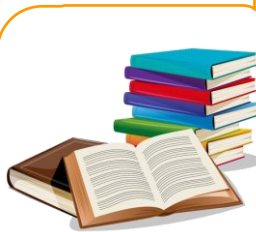

Event and Location:

- **Event:** The Kerala Government announced the establishment of a **Coconut Park** with support from the **Coconut Development Board** to strengthen coconut processing, value addition, entrepreneurship, and exports.
- **Location:** Kerala, India.
- **Date:** September 2, 2026.

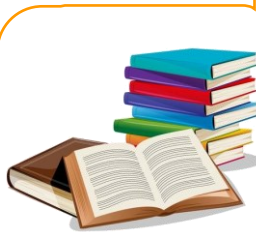

Mandates and Objectives:

- **Mandates:** The proposed park will support modern coconut processing, packaging, branding, marketing, product development, and production of premium-quality coconut products suitable for export markets.

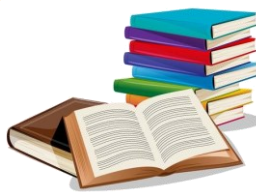

Mandates and Objectives:

- **Objectives:** The initiative aims to increase value addition, improve market linkages, attract investment, encourage entrepreneurship, and strengthen Kerala's position in the coconut industry.

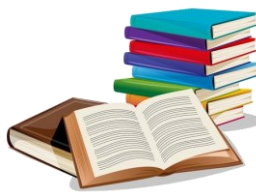

Important Terms Explained:

- **Value Addition:** It is the process of increasing the economic value of an agricultural product through processing, packaging, branding, or conversion into higher-value products.

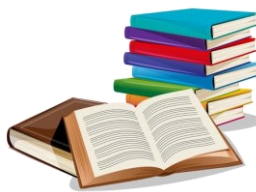

Important Terms Explained:

- **Export-Oriented Project:** It is a project primarily designed to manufacture or process goods that meet quality and market requirements for sale in international markets.

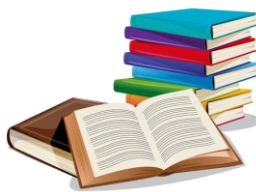

Important Terms Explained:

- Business-to-**Business Linkages**: These are commercial relationships between companies, such as processors, exporters, distributors, and overseas buyers, that facilitate trade and market access.

Important Terms Explained:

- **World Coconut Day:** It is observed annually on September 2 to promote awareness about the importance of coconuts, coconut farming, and the coconut industry.

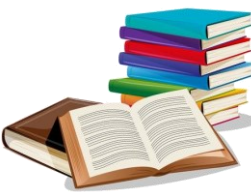

Tabular Summary:

Parameter	Details
Project name	Kerala will establish a Coconut Park to strengthen the coconut value chain.
Announcement date	The initiative was announced on September 2, 2026, during World Coconut Day celebrations.
Location	The project will be developed in Kerala.
Facilitating organisation	The Coconut Development Board will support the project.
Core focus	The park will promote modern processing, value addition, packaging, branding, and marketing.
Export objective	Premium-quality coconut products will be developed to meet export-market requirements.
