➤ Which city ranked first among million-plus cities in Swachh Vayu Sarvekshan 2026?

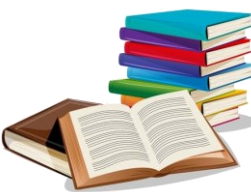

- A) Indore
- B) Jabalpur
- C) Lucknow
- D) Bhopal
- E) Surat

Answer
C) Lucknow.

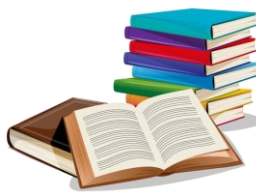

Event and Location:

- **Event:** Swachh Vayu Sarvekshan 2026 ranked Lucknow first among million-plus cities for measures undertaken to control air pollution.
- **Location:** The survey covered participating cities and towns across India under different population categories.

Event and Location:

- **Date:** The Swachh Vayu Sarvekshan 2026 rankings were reported on September 8, 2026.

Mandates and Objectives:

- **Mandates:** The survey assesses cities on measures such as solid waste management, road-dust control, construction and demolition dust management, reduction of vehicular and industrial pollution, and actions to lower particulate matter.

Mandates and Objectives:

- **Objectives:** The assessment aims to encourage effective city-level air-pollution-control interventions and support improvement in urban air quality under the **National Clean Air Programme**.

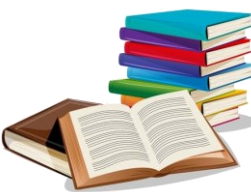

Ranking Table:

Rank	Entity / Score/Index/Remarks
1.	Entity: Lucknow. Score/Index/Remarks: Category-I, population above 10 lakh, with 198 points.
2.	Entity: Indore. Score/Index/Remarks: Category-I with 197 points.
3.	Entity: Jabalpur. Score/Index/Remarks: Category-I with 195 points.
1.	Entity: Rourkela. Score/Index/Remarks: Category-II, population of 3–10 lakh, with 198.5 points.
2.	Entity: Firozabad and Guntur. Score/Index/Remarks: Category-II, tied with 195 points each.
1.	Entity: Kalinga Nagar. Score/Index/Remarks: Category-III, population below 3 lakh, with 198.5 points.
2.	Entity: Angul. Score/Index/Remarks: Category-III with 196.5 points.
3.	Entity: Talcher. Score/Index/Remarks: Category-III with 193.5 points.
30.	Entity: Delhi. Score/Index/Remarks: Category-I with 172 points.
37.	Entity: Mumbai. Score/Index/Remarks: Category-I with 160.8 points.

Important Terms Explained:

- **PM10:** It refers to particulate matter with a diameter of **10** micrometres or less, which can remain suspended in the air and affect respiratory health.

Important Terms Explained:

- **National Clean Air Programme: Launched in January 2019, NCAP** seeks to reduce particulate air pollution in Indian cities, with targets including up to a **40%** reduction in **PM10** concentration by **2025–26** compared with the **2019–20** base year.

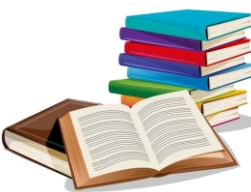

Important Terms Explained:

- **Ambient Air Quality Standard:** It is the prescribed permissible concentration of pollutants in outdoor air, with the annual PM₁₀ standard cited in the article at **60 µg/m³**.

Important Terms Explained:

- **Central Pollution Control Board: CPCB** participates in the evaluation of cities under the survey along with **State Level Monitoring Committees**, while independent committees undertake field verification.

Important Terms Explained:

- **Ward-Level Awards:** Introduced in the **2026** survey, these awards recognise local-level efforts by individual urban wards to improve air quality across different population categories.

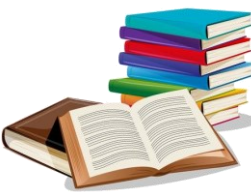

Tabular Summary:

Parameter	Details
Survey name	Swachh Vayu Sarvekshan 2026.
Category-I topper	Lucknow ranked first among cities with populations above 10 lakh with 198 points.
Category-II topper	Rourkela ranked first among cities with populations of 3–10 lakh with 198.5 points.
Category-III topper	Kalinga Nagar ranked first among cities with populations below 3 lakh with 198.5 points.
Lucknow air-quality status	Its annual average PM10 declined from 250 $\mu\text{g}/\text{m}^3$ in 2017–18 to 137 $\mu\text{g}/\text{m}^3$, but remained above the annual standard of 60 $\mu\text{g}/\text{m}^3$.
Ranking criterion	Cities are primarily assessed on pollution-control interventions, while improvement in PM10 levels carries only 2.5% weightage.
Ward-level recognition	Lucknow Zone 4 Ward 70, Bhubaneswar BMC Ward 36 and Rourkela RMC Ward 13 were among the leading ward-level awardees in their respective categories.
NCAP linkage	The survey supports air-quality improvement efforts linked with the programme launched in January 2019 to tackle particulate pollution.

- A) Narendra Modi
- B) Amit Shah
- C) Rajnath Singh
- D) Ajit Doval
- E) Pramod Sawant

Answer
B) Amit Shah.

Event and Location:

- **Event:** Union Home Minister and Minister of Cooperation Amit Shah presented the President's **Colour to Goa Police** in recognition of its eight decades of dedicated service, bravery and professionalism.
- **Location:** The conferment ceremony was held in Panaji, Goa.
- **Date:** The President's Colour was presented on September 7, 2026.

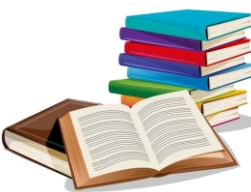

Mandates and Objectives:

- **Mandates:** The honour recognised **Goa Police's** contribution to internal security, protection of Goa's coastline and safety of tourists, while the event also highlighted technology-enabled policing, cybercrime response, implementation of new criminal laws and anti-narcotics measures.

Mandates and Objectives:

- **Objectives:** The initiatives aim to improve emergency response, strengthen cyber-fraud reporting, accelerate technology-driven criminal justice and support the national goal of making India narcotics-free by **2029**.

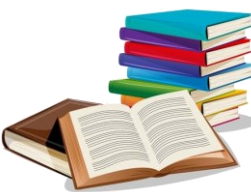

Important Terms Explained:

- President's Colour: It is a prestigious honour conferred on police and security forces in recognition of distinguished service, professional conduct, bravery and dedication.

Important Terms Explained:

- **1930 Cyber Fraud Helpline:** It is a dedicated helpline for reporting cyber-financial frauds, with **Goa Police** introducing an AI-powered call agent capable of registering complaints in languages listed in the **Eighth Schedule** of the Constitution.

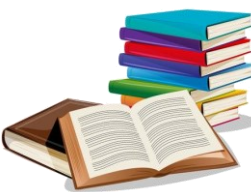

Important Terms Explained:

- **112 Emergency Helpline:** It is an integrated emergency response number through which citizens can seek urgent police and other emergency assistance.

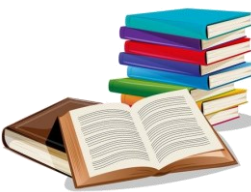

Important Terms Explained:

- **Nyaya Sanhitas:** The term refers in the article to India's new criminal law framework, which places greater emphasis on technology, sensitivity, prioritisation and speedy justice.

Important Terms Explained:

- **Nasha Mukht Bharat 2029:** It is a roadmap prepared by the **Ministry of Home Affairs** for **2026–2029** to make villages and cities across India free from narcotics through coordinated action by the central and state governments.

Tabular Summary:

Parameter	Details
Event name	Conferment of the President's Colour on Goa Police.
Presented by	Union Home Minister and Minister of Cooperation Amit Shah.
Date and venue	September 7, 2026, in Panaji, Goa.

- A) New Delhi
- B) Mumbai
- C) Ekta Nagar
- D) Chennai
- E) Hyderabad

Answer
C) Ekta Nagar.

Event and Location:

- **Event:** The **72nd National Film Awards** ceremony will be held in Gujarat, marking a rare shift from its long-standing association with **New Delhi**.
- **Location:** The ceremony will take place at **Ekta Nagar in Narmada** district, Gujarat, near the **Statue of Unity**.

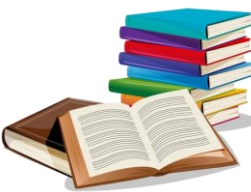

AWARDS

Event and Location:

- **Date:** The awards ceremony is scheduled for September **22, 2026**.

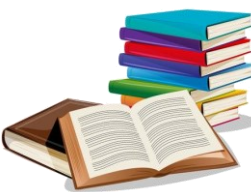

Mandates and Objectives:

- **Mandates:** President of India Droupadi Murmu will present the **National Film Awards** to winners selected for films released during **2024**, with the ceremony planned at a specially prepared venue near the **Statue of Unity**.

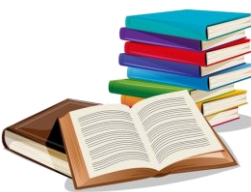

Mandates and Objectives:

- **Objectives:** The ceremony aims to honour excellence in Indian cinema across feature films, non-feature films, documentaries, acting, direction and other filmmaking categories.

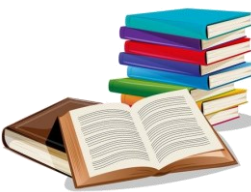

Important Terms Explained:

- **National Film Awards:** These are national-level honours recognising excellence in Indian cinema across feature, non-feature and various technical and artistic categories.

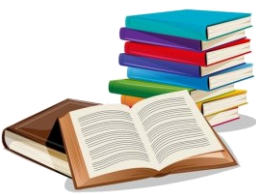

Important Terms Explained:

- **Best Feature Film:** It is an award category recognising the most distinguished feature-length film selected by the **National Film Awards** jury.

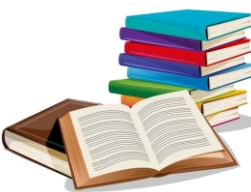

Important Terms Explained:

- **Best Non-Feature Film:** It recognises excellence in films outside the conventional feature-film format, including shorter and specialised productions.

Important Terms Explained:

- **Documentary:** It is a non-fiction film format intended to present factual subjects, real events, people or issues through cinematic storytelling.

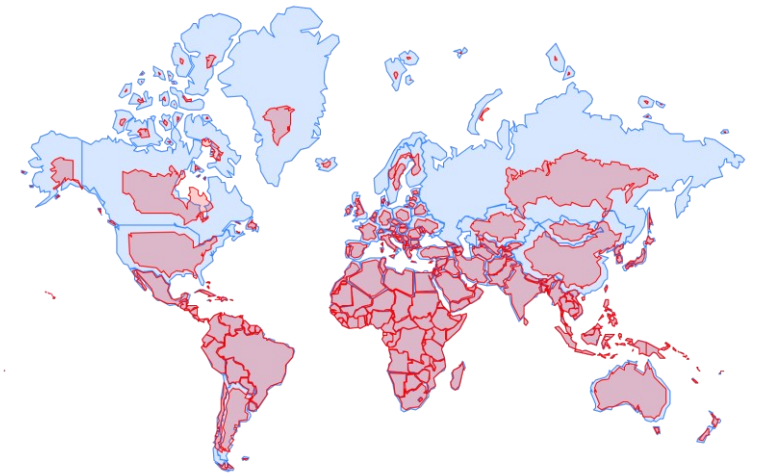

Tabular Summary:

Parameter	Details
Event name	72nd National Film Awards ceremony.
Date	September 22, 2026.
Venue	Ekta Nagar in Narmada district, Gujarat, near the Statue of Unity.
Award presenter	President of India Droupadi Murmu.
Expected attendance	Around 1,000 award winners, dignitaries and officials are expected to attend.
Major winners	Article 370 won Best Feature Film, Yami Gautam won Best Actress, while Mammooty and Kartik Aaryan shared Best Actor honours.
Non-feature honours	Bhangaar won Best Non-Feature Film, while Ram-Nami won Best Documentary.
Historical significance	The Gujarat ceremony is a rare departure from New Delhi, with the 17th National Film Awards having earlier been held in Madras in 1970.

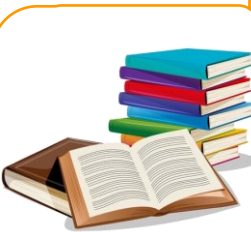

- Which map projection has been supported by the United Nations General Assembly for promoting a more realistic representation of the relative sizes of continents?

- A) Mercator Projection
- B) Robinson Projection
- C) Gall-Peters Projection
- D) Equal Earth Projection
- E) Winkel Tripel Projection

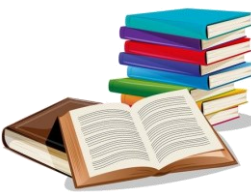

Answer
D) Equal Earth Projection.

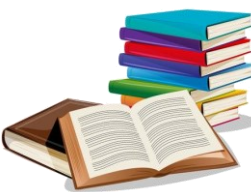

Event and Location:

- **Event: The United Nations General Assembly** adopted a resolution supporting the promotion of the **Equal Earth** projection, which represents the relative areas of continents more realistically than the Mercator projection.
- **Location:** The resolution concerns the representation of the Earth on world maps globally.

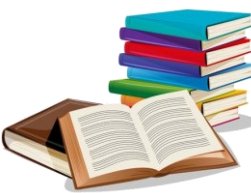

Event and Location:

- **Date:** The **Equal Earth** projection was designed in **2018**, while the article does not specify the exact date on which the UN resolution was adopted.

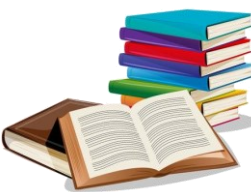

Mandates and Objectives:

- **Mandates:** The non-binding resolution promotes the use of an equal-area map projection that preserves relative area proportions while keeping continental shapes sufficiently recognizable.

Mandates and Objectives:

- **Objectives:** The initiative aims to improve understanding of the true relative sizes of continents and countries by reducing the area distortions commonly associated with traditional world maps.

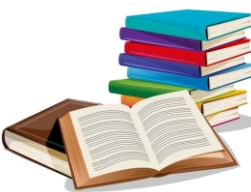

Important Terms Explained:

- **Mercator Projection:** It is a map projection developed for navigation that preserves angles and directions but increasingly exaggerates the size of regions located farther from the Equator.

Important Terms Explained:

- **Equal-Area Projection:** It is a type of map projection designed to preserve the correct proportional area of geographical regions even though some distortion of shape, distance or direction may remain.

Important Terms Explained:

- **Map Projection:** It is the process of representing the three-dimensional surface of the Earth on a two-dimensional map, requiring compromises involving area, shape, distance or direction.

Tabular Summary:

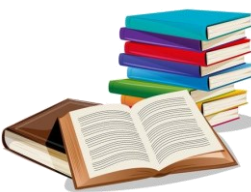

Parameter	Details
Development	The United Nations General Assembly adopted a non-binding resolution supporting the promotion of the Equal Earth projection.
UN voting	The resolution was supported by 164 states, while the United States voted against it and six countries abstained.
Projection developed	Bojan Šavrič, Tom Patterson and Bernhard Jenny designed the Equal Earth projection in 2018.
Main feature	It preserves the relative areas of continents and countries while maintaining recognizable shapes.
Mercator limitation	The Mercator projection exaggerates the size of high-latitude regions, making places such as Greenland and Europe appear disproportionately large.
Africa comparison	Africa covers about 30.3 million square kilometres and is far larger than its apparent size on many Mercator maps suggests.
South America area	South America covers approximately 17.8 million square kilometres.
Resolution status	The UN resolution is non-binding and does not require all existing maps to be replaced.

➤ **What is the primary objective of the BRICS Cross-Border Payments Initiative?**

- A) Replace all national currencies with a BRICS currency
- B) Replace SWIFT with BRICS Pay immediately
- C) Improve interoperability of domestic payment systems for faster and cheaper cross-border payments
- D) Make the US dollar the sole BRICS settlement currency
- E) Create a single BRICS central bank

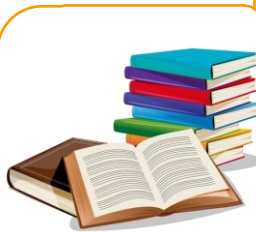

Answer

C) Improve interoperability of domestic payment systems for faster and cheaper cross-border payments.

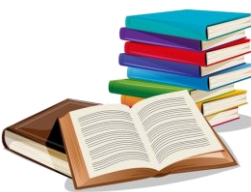

Event and Location:

- **Event:** The **BRICS Cross-Border Payments Initiative** is an ongoing cooperation framework aimed at improving cross-border payments through greater connectivity between domestic payment systems and increased use of national currencies.

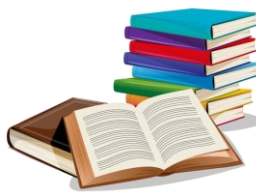

Event and Location:

- **Location:** The initiative concerns cross-border payment connectivity among **BRICS** member countries.
- **Date:** Discussions on continuing the initiative among finance ministers and central bank governors were highlighted at the **2025 BRICS** Summit.

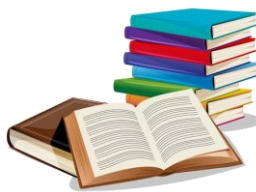

Mandates and Objectives:

- **Mandates:** The initiative seeks to improve interoperability among national payment networks, encourage settlements in local currencies, reduce dependence on multiple correspondent banking intermediaries and explore efficient payment technologies.

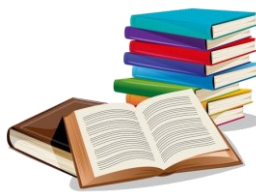

Mandates and Objectives:

- **Objectives:** It aims to make international payments faster, cheaper, safer and more transparent while improving financial sovereignty and diversifying cross-border payment connectivity.

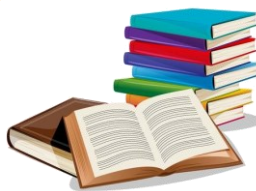

Important Terms Explained:

- **Interoperability:** It refers to the ability of different national payment systems to connect and exchange payment information or transactions efficiently across borders.

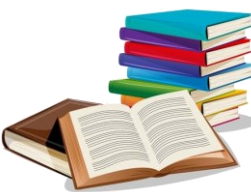

Important Terms Explained:

- **Local Currency Settlement:** It means conducting international trade payments directly in national currencies such as the Indian rupee, Chinese yuan, Russian ruble or Brazilian real instead of routing transactions primarily through the US dollar.

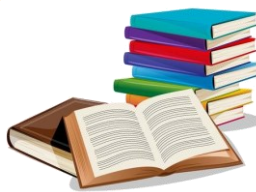

Important Terms Explained:

- **Correspondent Banking:** It is an arrangement in which banks provide payment and settlement services to other banks, often involving multiple intermediaries in international transactions and potentially increasing costs and delays.

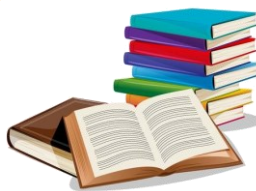

Important Terms Explained:

- De-dollarization: It refers to efforts by countries to reduce dependence on the US dollar in international trade, payments, reserves or financial transactions.

Important Terms Explained:

- **SWIFT:** It is an international financial messaging network used by financial institutions to securely exchange information related to cross-border financial transactions.

SCHEMES & INITIATIVES

Tabular Summary:

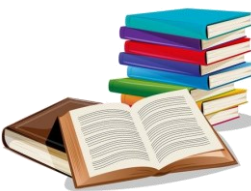

Parameter	Details
Initiative name	BRICS Cross-Border Payments Initiative.
Main purpose	To improve cross-border payment connectivity among BRICS countries.
Core approach	Greater interoperability between domestic payment systems rather than creation of a single centralized BRICS payment network.
Currency focus	Increased use of national currencies in bilateral and multilateral trade settlements.
Expected benefits	Faster, cheaper, safer and more transparent international payments.
Institutional mechanism	The BRICS Payments Task Force is examining ways to improve connectivity among national payment systems.
Current status	The initiative remains under development and technical discussion rather than being a fully operational replacement for existing global systems.
Global significance	It could diversify international payment channels and reduce dependence on intermediary currencies and traditional correspondent banking arrangements.

► What is the proposed operational speed of the Delhi-Patna Bullet Train corridor?

- A) 250 km/h
- B) 280 km/h
- C) 300 km/h
- D) 320 km/h
- E) 350 km/h

Answer
D) 320 km/h.

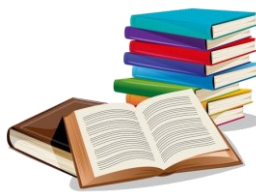

Event and Location:

- **Event:** India is planning a proposed **1,170**-km Delhi-Patna high-speed rail corridor to significantly reduce travel time between major cities in northern India.
- **Location:** The proposed corridor will connect Delhi, **Uttar Pradesh and Bihar** through **New Delhi**, Agra, Kanpur, Lucknow, Prayagraj, **Varanasi and Patna**.

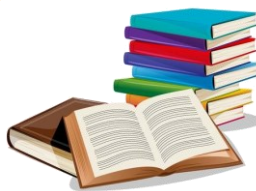

Event and Location:

- **Date:** Details of the proposed high-speed rail corridor were reported on September **8, 2026**.

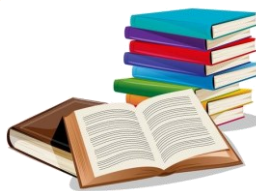

Mandates and Objectives:

- **Mandates:** The proposed corridor is planned as a high-speed railway with a design speed of **350 km/h** and an operational speed of **320 km/h**, with the **National High Speed Rail Corporation Limited** identified as the executing agency.

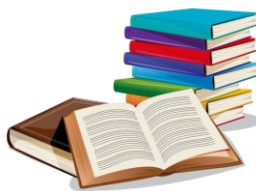

Mandates and Objectives:

- **Objectives:** The project aims to reduce Delhi-Patna travel time to about **4.5** hours, ease pressure on existing railway routes, improve tourism connectivity and promote economic activity and labour mobility across the Indo-Gangetic region.

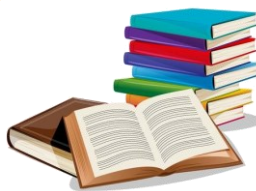

Important Terms Explained:

- **High-Speed Rail Corridor:** It is a dedicated railway system designed to operate trains at substantially higher speeds than conventional rail services, enabling faster inter-city travel.

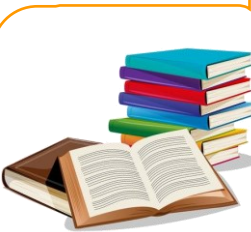

Important Terms Explained:

- **National High Speed Rail Corporation Limited:**
NHSRCL is the organisation responsible for the development and implementation of high-speed rail corridors in India.

Important Terms Explained:

- **Design Speed:** It is the maximum speed for which railway infrastructure and systems are technically designed, with the proposed Delhi-Patna corridor having a design speed of **350 km/h**.

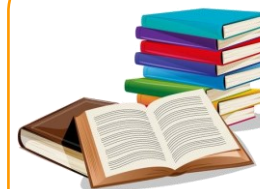

Important Terms Explained:

- **Operational Speed:** It is the speed at which trains are intended to run during regular services, proposed at **320 km/h** for the Delhi-Patna corridor.

Tabular Summary:

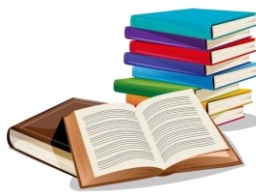

Parameter	Details
Proposed corridor	Delhi-Uttar Pradesh-Bihar High-Speed Rail Corridor.
Approximate distance	About 1,170 km between Delhi and Patna.
Proposed route	New Delhi-Agra-Kanpur-Lucknow-Prayagraj-Varanasi-Patna.
Travel time	Delhi-Patna journey is proposed to take about 4 hours 30 minutes.
Design speed	350 km/h.
Operational speed	320 km/h.
Executing agency	National High Speed Rail Corporation Limited.
Key significance	The corridor is expected to improve inter-city connectivity, reduce pressure on conventional railways and support tourism and economic activity.

QUICK RECALL

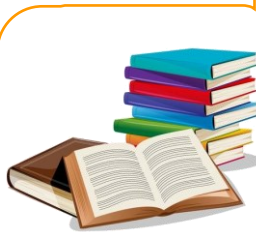

- **International Literacy Day 2026** was observed by UNESCO on September 8 with the theme “Literacy for people, the planet and prosperity,” marking its 60th anniversary and reinforcing literacy as a foundation for inclusive and sustainable development.
- **Swachh Vayu Sarvekshan 2026** ranked Lucknow first among million-plus cities with 198 points for its air-pollution-control interventions, while highlighting that a high survey rank does not necessarily mean compliance with ambient air-quality standards.

QUICK RECALL

- **Union Home Minister Amit Shah presented the President's Colour to Goa Police in Panaji on September 7, 2026, recognising eight decades of service while highlighting advances in cybercrime response, emergency policing and criminal justice.**
- **The 72nd National Film Awards will be presented by President Droupadi Murmu at Ekta Nagar in Gujarat on September 22, 2026, marking a rare departure from the ceremony's usual association with New Delhi.**
- **The United Nations General Assembly supported the promotion of the Equal Earth projection through a resolution backed by 164 states to provide a more realistic representation of the relative sizes of continents and countries.**
- **The BRICS nations are advancing a cross-border payments initiative to connect domestic payment systems, promote national-currency settlements and make international transactions faster, cheaper and more accessible.**
- **The proposed Delhi-Patna Bullet Train corridor, to be executed by NCSRCL, will connect Delhi, Uttar Pradesh and Bihar over about 1,170 km and reduce the Delhi-Patna journey to approximately 4.5 hours.**
