► How many members are part of India's Asian Games 2026 contingent?

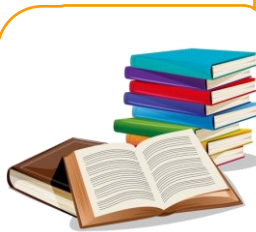

- A) 403
- B) 453
- C) 503
- D) 553
- E) 603

Answer
C) 503.

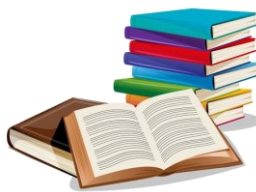

Event and Location:

- **Event:** India's **503**-member contingent for the **Asian Games 2026** received a grand send-off, and the official contingent jersey was unveiled ahead of the Games.
- **Location:** **New Delhi**, India, with the contingent scheduled to travel to Japan for the continental sporting event.

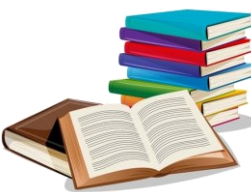

Event and Location:

- **Date:** September 9, 2026.

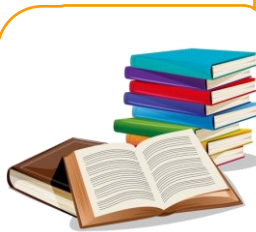

Mandates and Objectives:

- **Mandates: Union Minister for Youth Affairs and Sports Dr. Mansukh Mandaviya, Indian Olympic Association President P.T. Usha, Sports Secretary Hari Ranjan Rao and Chef de Mission Sahdev Yadav** participated in the send-off ceremony and official jersey unveiling.

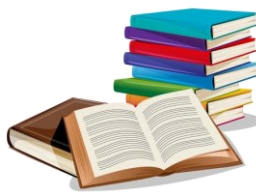

Mandates and Objectives:

- **Objectives:** The initiative aims to motivate Indian athletes, strengthen preparations for international competition, promote merit-based athlete selection and support India's longer-term ambition of becoming a leading sporting nation by **2036**.

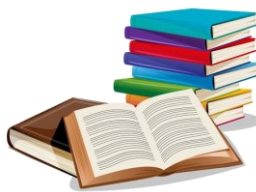

Important Terms Explained:

- **Indian Olympic Association (IOA):** It is the national Olympic body associated with India's participation in major international multi-sport competitions.

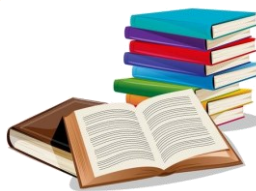

Important Terms Explained:

- **Chef de Mission:** It refers to the official who leads and coordinates a country's delegation at a major international multi-sport event.

Important Terms Explained:

- **Open Trials:** These are selection processes in which eligible athletes compete transparently for places in national teams, supporting merit-based selection.

Tabular Summary:

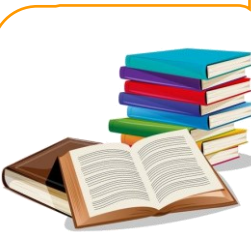

Parameter	Details
Event name	India's Asian Games 2026 contingent received an official send-off ceremony.
Contingent strength	India's contingent consists of 503 members, including athletes and support personnel.
Debutants	More than 300 athletes are set to make their Asian Games debut.
Send-off location	The ceremony was held in New Delhi.
Key officials	Dr. Mansukh Mandaviya, P.T. Usha, Hari Ranjan Rao and Sahdev Yadav attended the ceremony.
Major announcement	The official Indian contingent jersey was unveiled during the send-off.
Selection measures	Open trials, observers and camera surveillance were cited as measures for transparent and merit-based selection.
Long-term sports vision	India's 2036 Olympic vision is linked with over ₹36,000 crore in sports infrastructure development funding.

➤ What position did India secure at the Pickleball World Cup 2026 in Vietnam?

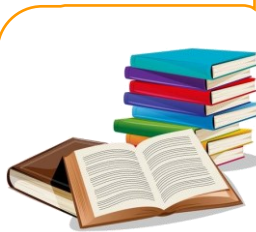

- A) Second
- B) Third
- C) Fourth
- D) Fifth
- E) Seventh

Answer
C) Fourth.

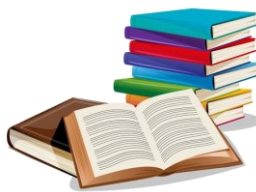

Event and Location:

- **Event:** India recorded its best-ever performance at the **Pickleball World Cup 2026** by finishing fourth among **82** participating nations and winning **41** medals.
- **Location:** **Da Nang**, Vietnam.
- **Date:** The result was reported on September **9, 2026**.

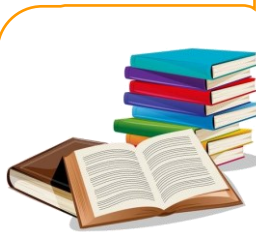

Mandates and Objectives:

- **Mandates:** India fielded a **48**-player contingent across Kids, Juniors, Open, **Seniors and Masters** categories and secured seven gold, **17** silver and **17** bronze medals.

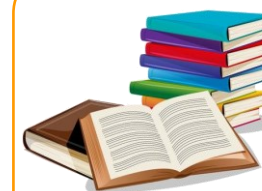

Mandates and Objectives:

- **Objectives:** The performance aims to strengthen India's international competitiveness in pickleball and encourage the **Indian Pickleball Association** to expand grassroots development and create more opportunities for young players.

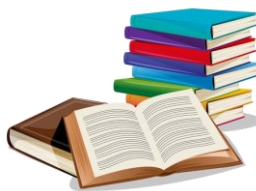

Ranking Table:

Rank	Entity / Score/Index/Remarks
4	Entity: India Score/Index/Remarks: India finished fourth at the 2026 World Cup with 41 medals.
7	Entity: India Score/Index/Remarks: India had finished seventh in the previous edition of the World Cup.

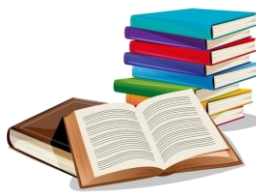

Important Terms Explained:

- **Indian Pickleball Association (IPA):** It is the national body associated with promoting and developing pickleball in India and supporting Indian players in domestic and international competition.

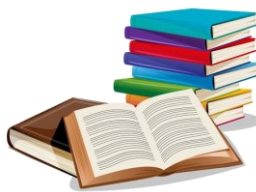

Important Terms Explained:

- **Pickleball:** It is a paddle sport played on a court with a perforated plastic ball and combines elements commonly associated with tennis, badminton and table tennis.

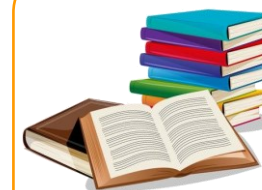

Important Terms Explained:

- **Masters Category:** It is a competition category generally intended for older or veteran players participating in age-based events.

Tabular Summary:

Parameter	Details
Event name	Pickleball World Cup 2026.
Host location	The tournament was held in Da Nang, Vietnam.
India's rank	India finished fourth among 82 participating nations.
Total medals	India won 41 medals.
Medal breakup	The tally included seven gold, 17 silver and 17 bronze medals.
Indian contingent	India was represented by 48 players across multiple age and competition categories.
Previous performance	India improved from seventh position in the previous World Cup to fourth in 2026.
Key significance	The result was India's best-ever World Cup performance and strengthened the push for grassroots pickleball development.

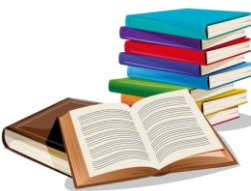

➤ **Where is Apple Park, the world headquarters of Apple Inc., located?**

- A) Austin, Texas
- B) Cupertino, California
- C) Seattle, Washington
- D) New York City, New York
- E) Palo Alto, California

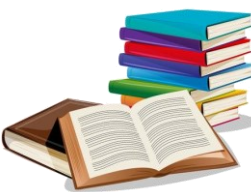

Answer

B) Cupertino, California.

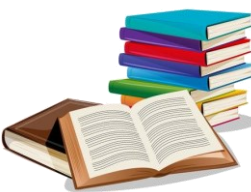

Event and Location:

- **Event: Apple Park** serves as the world headquarters of **Apple Inc.**, replacing the company's former primary headquarters at **1 Infinite Loop**.
- **Location:** Cupertino, **Santa Clara County**, California, **United States**.

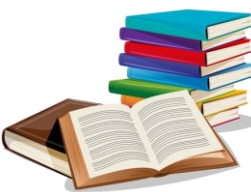

Event and Location:

- **Date:** Construction began in **2014**, and employees started relocating to **Apple Park** in **2017**.

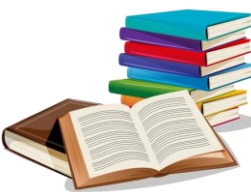

Mandates and Objectives:

- **Mandates:** Apple developed a new **175-acre** corporate campus with approximately **2.8 million** square feet of office and research-and-development space, extensive green areas, employee facilities and public amenities.

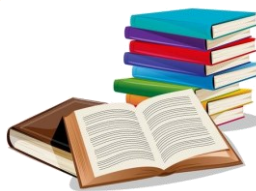

Mandates and Objectives:

- **Objectives:** The headquarters was built to accommodate Apple's expanding workforce and business activities, provide additional workspace beyond **1 Infinite Loop**, and reflect the company's focus on technology, design and environmental sustainability.

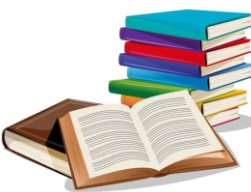

Important Terms Explained:

- **Apple Campus 2:** It was another name used for **Apple Park** during its development, while the circular campus is also popularly known as “**The Spaceship**” because of its distinctive round design.

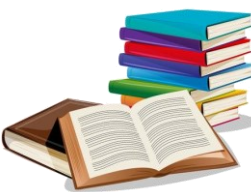

Important Terms Explained:

- **Steve Jobs Theater:** It is a **1,000**-seat auditorium located at **Apple Park** and named after Apple's former **CEO Steve Jobs**, who played a major role in envisioning the new headquarters.

Important Terms Explained:

- Foster + Partners: It is the architectural firm founded by British architect **Norman Foster** that designed **Apple Park** and was hired for the project in **2009**.

Tabular Summary:

Parameter	Details
Event name	Apple Park became Apple Inc.'s world headquarters, replacing 1 Infinite Loop as its primary workplace.
Location	The campus is located in Cupertino, Santa Clara County, California, United States.
Campus area	Apple Park occupies approximately 175 acres.
Construction timeline	Construction began in 2014 and was completed in 2017, when employees started relocating to the campus.
Estimated construction cost	The headquarters reportedly cost about \$5 billion to construct.
Office and R&D space	The campus contains approximately 2.8 million square feet of office and research-and-development space.
Key facilities	Major facilities include a 1,000-seat auditorium, a 100,000-square-foot fitness centre, a visitor centre, an Apple Store, a café and four miles of jogging trails.
Vision and design	Steve Jobs promoted the campus concept, while Foster + Partners designed its distinctive circular, spaceship-like structure.

AWARDS

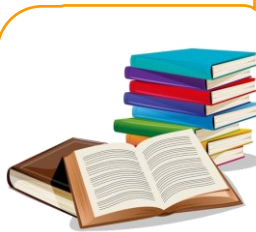

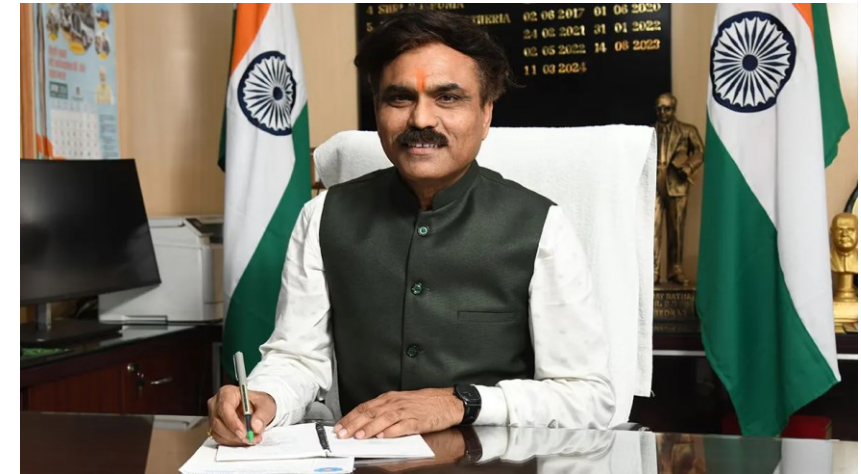

➤ Who is set to receive the Dr APJ Abdul Kalam Jan Seva Puraskar 2026 for contributions to social justice and protection of Scheduled Caste rights?

- A) Kishor Makwana
- B) Gyanesh Kumar
- C) Rajiv Kumar
- D) Arjun Ram Meghwal
- E) Virendra Kumar

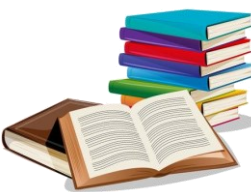

Answer

A) Kishor Makwana.

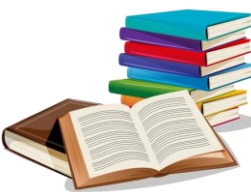

Event and Location:

- **Event: National Commission for Scheduled Castes**
Chairman Kishor Makwana is set to receive the Dr **APJ Abdul Kalam Jan Seva Puraskar 2026** in recognition of the Commission's contribution to social justice and protection of **Scheduled Caste** rights.
- **Location:** Delhi, India.

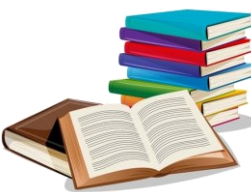

Mandates and Objectives:

- **Mandates: The National Commission for Scheduled Castes (NCSC)** works to safeguard the legal and constitutional rights and interests of **Scheduled Castes** and promote their social empowerment.

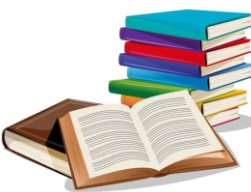

Mandates and Objectives:

- **Objectives:** The award recognises **NCSC's** contribution to social justice, equality, dignity and empowerment, along with **Kishor Makwana's** leadership and public service.

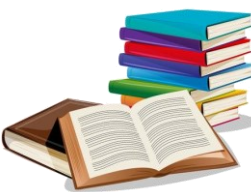

Important Terms Explained:

- **Sansad Ratna Awards:** These are awards associated with recognising contributions to parliamentary democracy and public service, with the **16th** edition serving as the venue for presentation of the **Jan Seva Puraskar** in **2026**.

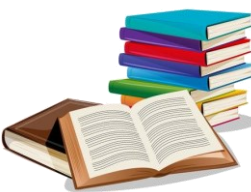

Important Terms Explained:

- **Prime Point Foundation:** It is a civil society organisation associated with the **Sansad Ratna Awards** and was involved, along with the award jury, in nominating **NCSC** for the recognition.

Important Terms Explained:

- **Social Justice:** It refers to efforts aimed at ensuring equality, dignity, rights and fair opportunities for all sections of society, particularly disadvantaged and historically marginalised communities.

Tabular Summary:

Parameter	Details
Award	Dr APJ Abdul Kalam Jan Seva Puraskar 2026.
Recipient	NCSC Chairman Kishor Makwana is set to receive the award.
Date	The award is scheduled to be presented on September 9, 2026.
Venue	The presentation will take place in Delhi during the 16th Sansad Ratna Awards 2026.
Recognised institution	The National Commission for Scheduled Castes was recognised for its contribution to social justice and protection of SC rights.
Nominating bodies	Prime Point Foundation and the Sansad Ratna Awards Jury nominated NCSC for the award.
Key responsibility	NCSC works to protect the legal and constitutional rights and interests of Scheduled Castes.
Significance	The recognition highlights values of equality, dignity, justice and empowerment of Scheduled Caste communities.

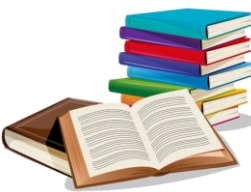

➤ **What is the theme of the 27th World Knowledge Forum held in Seoul in 2026?**

- A) Future of Digital Democracies
- B) Building a Sustainable Global Economy
- C) The Promethean Moment: Architecting the Co-Intelligence Order
- D) Innovation for an Inclusive World
- E) Technology and Global Peace

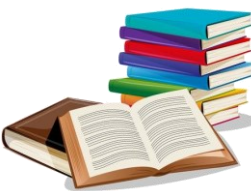

Answer

C) The Promethean Moment: Architecting the Co-Intelligence Order.

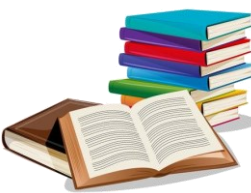

Event and Location:

- **Event:** The **27th World Knowledge Forum** brought together political leaders, business executives, academics and technology experts to discuss artificial intelligence, human-machine collaboration, cybersecurity, innovation and changes in the global economy.
- **Location:** Jangchung Arena and The Shilla Seoul, Seoul, **South Korea**.
- **Date:** September **8–10, 2026**.

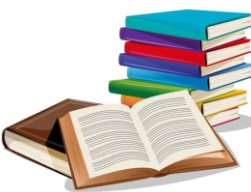

Mandates and Objectives:

- **Mandates:** The three-day forum examines developments in artificial intelligence, co-intelligence, national security, employment, economic competition, quantum computing, cybersecurity and emerging technologies.

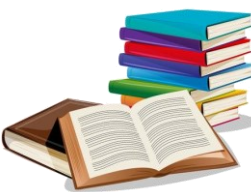

Mandates and Objectives:

- **Objectives:** The forum aims to promote international dialogue on how technological transformation, especially human collaboration with intelligent machines, can shape economic systems, public policy, security and future innovation.

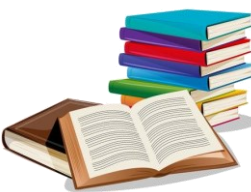

Important Terms Explained:

- **Co-Intelligence:** It refers to cooperation between humans and intelligent machines, where artificial intelligence complements human capabilities rather than merely automating human tasks.

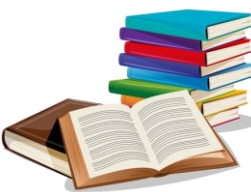

Important Terms Explained:

- **Artificial Intelligence (AI):** It refers to computer systems capable of performing tasks involving learning, reasoning, analysis and decision-making that traditionally require human intelligence.

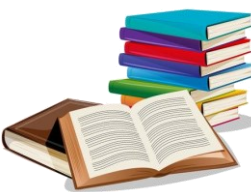

Important Terms Explained:

- **Quantum Computing:** It is an advanced computing approach based on quantum-mechanical principles that could solve certain highly complex problems faster than conventional computers and has important implications for cybersecurity.

Important Terms Explained:

- **Cybersecurity:** It refers to technologies, practices and processes used to protect computer systems, networks and digital information from unauthorized access, disruption or cyberattacks.

Tabular Summary:

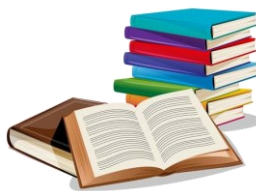

Parameter	Details
Event name	The 27th World Knowledge Forum was held in Seoul, South Korea.
Date	The forum runs from September 8 to September 10, 2026.
Venues	The event is being held at Jangchung Arena and The Shilla Seoul.
Organiser	The forum is sponsored by Maekyung Media Group.
Theme	The theme is "The Promethean Moment: Architecting the Co-Intelligence Order."
Core focus	Discussions cover AI, human-machine collaboration, economic change, cybersecurity, innovation and public policy.
Key speakers	Speakers include David Cameron, Cho Jeong-sik, Chang Dae-whan and Helle Thorning-Schmidt.
Major sessions	Sessions include "Personal AI, Change Your Daily Life" and "Quantum Computing and Cybersecurity."

► What is the annual healthcare coverage available under the Dr. NTR Vaidya Seva Scheme 2026 for eligible families in Andhra Pradesh?

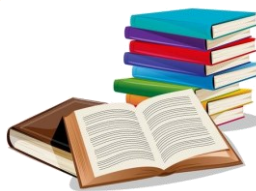

- A) Up to ₹5 lakh
- B) Up to ₹10 lakh
- C) Up to ₹15 lakh
- D) Up to ₹20 lakh
- E) Up to ₹25 lakh

Answer
E) Up to ₹25 lakh.

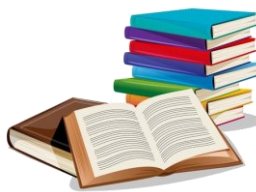

Event and Location:

- **Event:** Dr. **NTR Vaidya Seva Scheme** provides eligible families with free healthcare and financial protection for high-cost medical and surgical treatments.
- **Location:** **Andhra Pradesh**, India.
- **Date:** The scheme details were highlighted on September **9, 2026**.

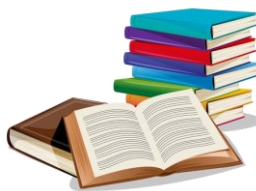

Mandates and Objectives:

- **Mandates:** The scheme provides cashless treatment through participating government and private hospitals for more than **3,250** medical and surgical procedures, including cardiology, oncology, organ transplantation and eligible stem-cell treatments.

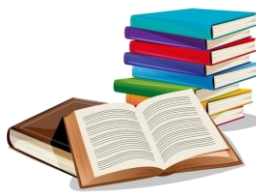

Mandates and Objectives:

- **Objectives:** The programme aims to reduce the financial burden of costly healthcare, expand access to quality medical services and provide financial protection to eligible families in **Andhra Pradesh**.

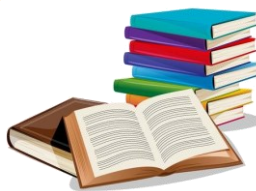

Important Terms Explained:

- **Cashless Healthcare:** It refers to eligible medical treatment provided without requiring the beneficiary to make an upfront payment for covered services.

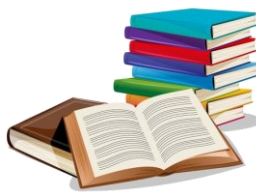

Important Terms Explained:

- **Health Card:** It is an electronic beneficiary identification facility used to access eligible healthcare services under the scheme and can be obtained through the authorised online system.

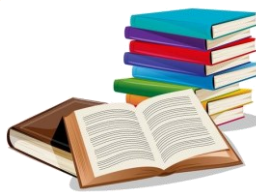

Important Terms Explained:

- **UHID Number:** It refers to a **Unique Health Identification** number that may be used for identifying beneficiaries and accessing health-related services under the scheme.

Important Terms Explained:

- **Grama/Ward Sachivalayam:** It is a local government service centre in **Andhra Pradesh** where eligible residents can submit or update information for scheme-related enrolment and services.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Scheme name	Dr. NTR Vaidya Seva Scheme 2026.
Earlier name	The programme was earlier known as the Dr. YSR Aarogyasri Scheme.
Beneficiary area	Eligible families residing permanently in Andhra Pradesh can access the scheme subject to prescribed conditions.
Annual coverage	Healthcare coverage is available up to ₹25 lakh per annum according to the provided information.
Treatment coverage	More than 3,250 medical and surgical procedures across several specialisations are covered.
Major eligibility condition	Family annual income must generally be below ₹5 lakh, along with specified ration-card, landholding and vehicle conditions.
Application channels	Beneficiaries may approach a Grama/Ward Sachivalayam or use officially approved online application services.
Additional benefits	Coverage includes hospitalisation, tests, consultations, food, medicines and eligible post-operative follow-up treatment for up to one year.

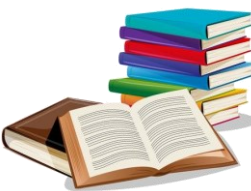

SCHEMES & INITIATIVES

➤ India has joined a global 6G initiative involving how many nations?

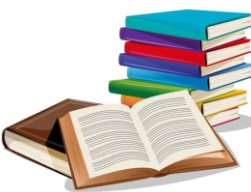

- A) 20
- B) 22
- C) 23
- D) 25
- E) 30

Answer
D) 25.

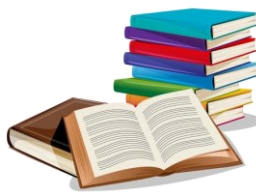

Event and Location:

- **Event:** India joined a multinational initiative involving the **United States** and **24** other nations to cooperate on secure, competitive and innovative next-generation wireless technology.
- **Location:** The initiative is multinational, with India participating alongside the **United States** and other partner countries.

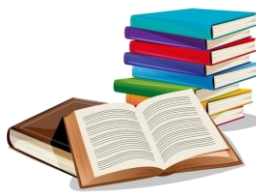

Mandates and Objectives:

- **Mandates:** The initiative promotes international cooperation on sixth-generation telecommunications, including network security, technical standards, competitiveness, research and future-ready wireless infrastructure.

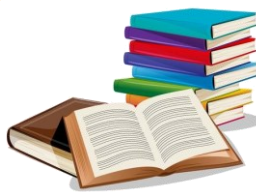

Mandates and Objectives:

- **Objectives:** It aims to develop secure and technologically advanced **6G** networks with higher data speeds, lower latency, greater device connectivity and stronger international cooperation on emerging communication technologies.

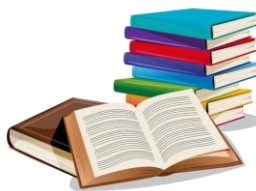

Important Terms Explained:

- **6G:** It refers to the expected sixth generation of mobile communication technology that will succeed **5G** and is anticipated to offer faster data transmission, lower latency and greater connectivity for intelligent devices and systems.

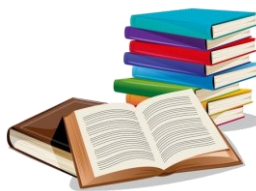

Important Terms Explained:

- **India Semiconductor Mission 2.0:** It refers to India's continued policy effort to strengthen domestic semiconductor manufacturing, technology capabilities and investment in the semiconductor ecosystem.

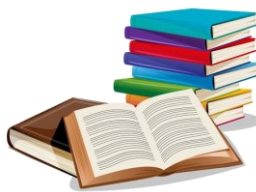

Important Terms Explained:

- **G20 Innovation Ministerial Statement:** It is the statement adopted by participating **G20** ministers on September **2, 2026**, recognising the role of emerging technologies in improving productivity and economic prosperity.

Important Terms Explained:

- **Latency:** It refers to the time delay between sending data and receiving a response over a communication network, with next-generation networks seeking to reduce this delay significantly.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Event name	India joined a multinational initiative for cooperation on 6G telecommunications development.
Launch date	The global initiative was launched on September 7, 2026.
Participation	The initiative involves the United States and 24 other nations, including India.
Core focus	The initiative focuses on security, competitiveness, innovation and advanced wireless communication technologies.
India-US engagement	Discussions involved US Commerce Secretary Howard Lutnick and Union Minister of State Jitin Prasada.
Related technologies	Cooperation also covered artificial intelligence, data centres and semiconductor development.
G20 connection	The development followed the G20 Innovation Ministers' meeting held in Chapel Hill, North Carolina, on September 1–2, 2026.
Strategic significance	India's participation provides an opportunity to contribute to future 6G standards, network security, research and global technology cooperation.

➤ What is the annual production target under the Uttar Pradesh Green Hydrogen Policy, 2024 by 2028?

- A) 0.5 million metric tonnes
- B) 0.75 million metric tonnes
- C) 1 million metric tonnes
- D) 1.5 million metric tonnes
- E) 2 million metric tonnes

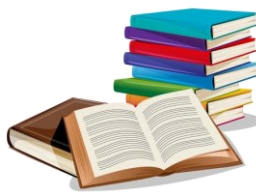

Answer

C) 1 million metric tonnes.

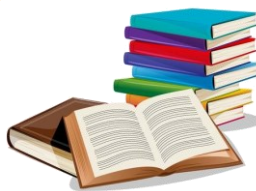

Event and Location:

- **Event: Uttar Pradesh** is implementing its **Green Hydrogen Policy** to develop an ecosystem for green hydrogen and green ammonia production, storage, transportation, manufacturing and industrial use.
- **Location: Uttar Pradesh, India.**
- **Date: March 5, 2024.**

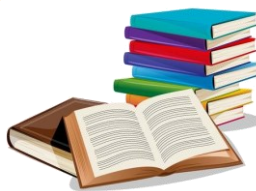

Mandates and Objectives:

- **Mandates:** The policy supports renewable energy-based hydrogen production, green ammonia, electrolyser manufacturing, storage and transport infrastructure, research and development, skill development and eligible industrial projects through fiscal and infrastructure incentives.

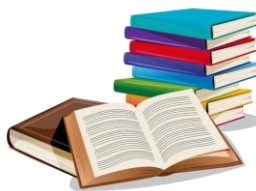

Mandates and Objectives:

- **Objectives:** The policy targets annual production capacity of **1 million** metric tonnes of green hydrogen and green ammonia by **2028**, establishment of four **Centres of Excellence**, attraction of private investment and creation of around **1.2 lakh** jobs.

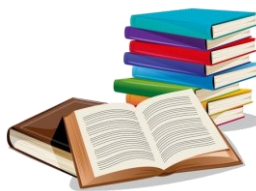

Important Terms Explained:

- **Green Hydrogen:** It is hydrogen produced using renewable electricity, primarily through electrolysis, subject to compliance with the **Green Hydrogen Standard** prescribed by the Union government.

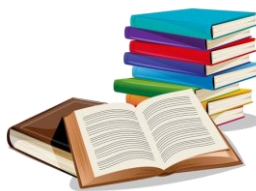

Important Terms Explained:

- **Green Ammonia:** It is ammonia produced using green hydrogen combined with nitrogen, allowing renewable hydrogen to be used in sectors such as fertilizers and industry.

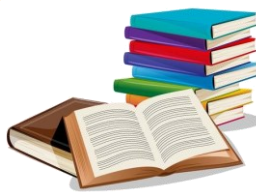

Important Terms Explained:

- **Electrolysis:** It is a process in which electricity is used to split water into hydrogen and oxygen, forming a key method for producing renewable hydrogen.

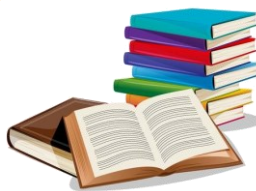

Important Terms Explained:

- **Capital Subsidy:** It is financial assistance linked to eligible capital investment, with qualifying projects under the policy eligible for subsidy of up to **30%** and the first five eligible projects potentially receiving up to **40%**, subject to prescribed conditions.

Important Terms Explained:

- **Transmission and Wheeling Charges:** These are charges associated with transmitting electricity through the power network and using distribution infrastructure, for which specified concessions may be available to eligible hydrogen projects.

SCHEMES & INITIATIVES

Tabular Summary:

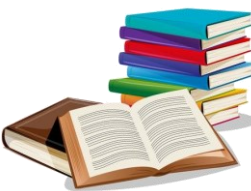

Parameter	Details
Policy name	Uttar Pradesh Green Hydrogen Policy, 2024.
Issue date	The policy was issued on March 5, 2024.
Production target	Uttar Pradesh targets 1 million metric tonnes of annual green hydrogen and green ammonia production capacity by 2028.
Employment target	The policy estimates creation of around 1.2 lakh jobs by 2028.
Capital incentive	Eligible projects may receive capital subsidy up to 30%, while the first five eligible projects may receive up to 40%, subject to prescribed conditions.
Land and duty incentives	Eligible projects may receive government land on lease at ₹1 per acre per annum, subject to availability, along with 100% stamp-duty exemption and specified electricity-duty exemption.
Research target	The policy proposes four Centres of Excellence for hydrogen-related research, technology, safety, testing and skill development.
Nodal agency	The Uttar Pradesh New and Renewable Energy Development Agency serves as the nodal agency associated with implementation of the policy.

➤ Which digital payment system did Prime Minister Narendra Modi highlight as a major driver of India's fintech development at the Global Fintech Fest 2026?

- A) SWIFT
- B) NEFT
- C) Unified Payments Interface
- D) RTGS
- E) IMPS

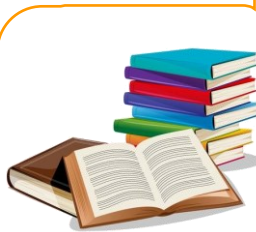

Answer

C) Unified Payments Interface.

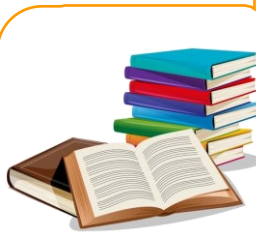

Event and Location:

- **Event:** Prime Minister Narendra Modi inaugurated the **Global Fintech Fest 2026** and called for next-generation fintech innovation beyond payments into credit, insurance, savings and pensions.
- **Location:** Mumbai, Maharashtra, India.
- **Date:** September 8, 2026.

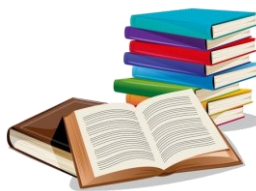

Mandates and Objectives:

- **Mandates:** The event focused on expanding India's fintech ecosystem through technologies such as Agentic AI, tokenization and quantum computing, while strengthening digital payments, fintech-led financial services, cybersecurity and consumer protection.

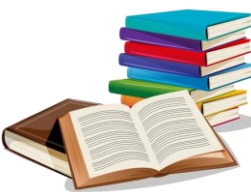

Mandates and Objectives:

- **Objectives:** The initiative aims to deepen financial inclusion, promote globally competitive Indian fintech solutions, improve cross-border payment connectivity, reduce remittance costs and build consumer trust in technology-driven financial services.

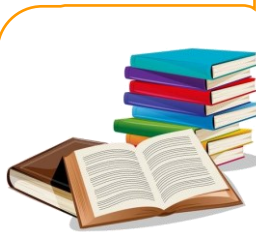

Important Terms Explained:

- **Unified Payments Interface (UPI):** It is an interoperable instant digital payment system that enables real-time transfers between bank accounts and processed more than **24 billion** transactions in August **2026**.

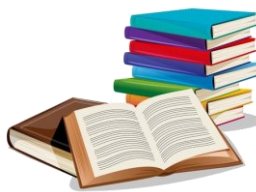

Important Terms Explained:

- **Tokenization:** It refers to converting assets or rights into programmable digital units, enabling applications such as fractional ownership, faster settlement and greater interoperability.

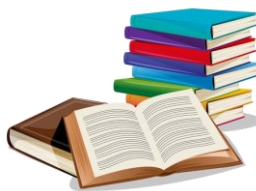

Important Terms Explained:

- **Quantum Computing:** It is an advanced computing technology that can assist financial institutions in complex risk and optimisation problems and support the development of quantum-safe cryptography.

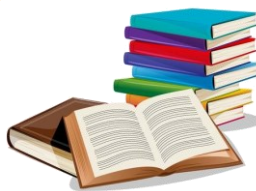

Important Terms Explained:

- **Digital Public Infrastructure (DPI):** It refers to shared digital systems such as Aadhaar, **UPI** and mobile connectivity that enable large-scale access to digital identity, payments and financial services.

Important Terms Explained:

- **JAM Trinity:** It refers to the integration of **Jan Dhan** bank accounts, Aadhaar identity and mobile connectivity to improve financial inclusion and delivery of government benefits.

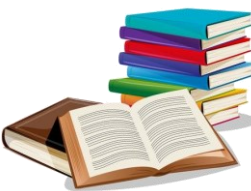

Tabular Summary:

Parameter	Details
Event name	Global Fintech Fest 2026 was inaugurated by Prime Minister Narendra Modi.
Date	The inauguration took place on September 8, 2026.
Location	The event was held in Mumbai, Maharashtra.
Core focus	The fest focused on next-generation fintech, financial inclusion, innovation and consumer trust.
UPI scale	UPI processed 24,509 million transactions in August 2026 and was stated to operate in 11 countries.
Future technologies	Agentic AI, tokenization and quantum technology were highlighted as major technologies shaping financial services.
Financial inclusion	India's Financial Inclusion Index increased from 43.4 in March 2017 to 70.0 in March 2026.
Digital foundation	India's fintech ecosystem is supported by Aadhaar, UPI, mobile connectivity, Jan Dhan accounts, DigiLocker, DBT and ONDC.

- On which date is Himalaya Diwas observed annually to promote conservation and sustainable development of the Himalayan ecosystem?

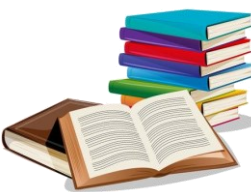

- A) September 5
- B) September 7
- C) September 8
- D) September 9
- E) September 10

Answer
D) September 9.

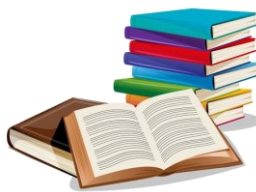

Event and Location:

- **Event: Himalaya Diwas 2026** was observed to highlight Himalayan conservation amid concerns over glacier retreat, declining seasonal snow cover and long-term water security.
- **Location:** The observance focuses on the Himalayan region, particularly the **Hindu Kush Himalaya (HKH)** and its major river basins.

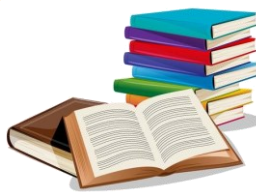

Mandates and Objectives:

- **Mandates:** The observance highlights glacier and snow monitoring, protection of forests, wetlands and springs, improved early warning systems, efficient water management, climate-resilient agriculture and regional cooperation.

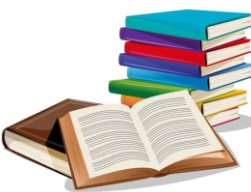

Mandates and Objectives:

- **Objectives:** It aims to promote conservation and sustainable development of the Himalayan ecosystem while protecting water resources, biodiversity, agriculture, hydropower and communities dependent on Himalayan river systems.

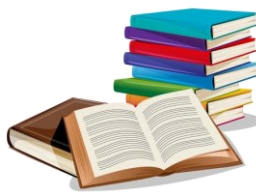

Important Terms Explained:

- **ICIMOD: The International Centre for Integrated Mountain Development** is a regional intergovernmental organisation that conducts research and supports sustainable development across the **Hindu Kush Himalaya** region.

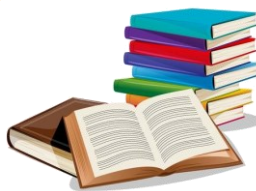

Important Terms Explained:

- **Snow Persistence:** It refers to the duration for which snow remains on the ground during a season and is an important indicator of the availability of snowmelt water for rivers and ecosystems.

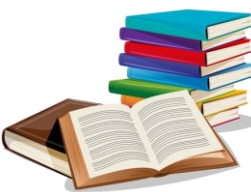

Important Terms Explained:

- **Glacier Retreat:** It refers to the reduction or backward movement of a glacier over time when ice loss exceeds the accumulation of new snow and ice.

Important Terms Explained:

- **Glacial Lake Outburst Flood (GLOF):** It is a sudden release of water from a glacial lake, often caused by the failure of an unstable natural dam, which can trigger severe downstream flooding.

Tabular Summary:

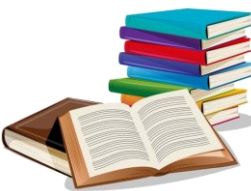

Parameter	Details
Observance	Himalaya Diwas is observed annually to promote conservation and sustainable development of the Himalayan ecosystem.
Date	It is observed every year on September 9.
Origin	Himalaya Diwas was first declared in Uttarakhand in 2015.
Glacier loss	HKH glaciers lost about 12% of their glacier coverage and 9% of estimated ice mass between 1990 and 2020.
Snow persistence	Snow persistence in the HKH was reported to be 27.8% below average in 2026.
Affected river basins	Ten of the region's twelve major river basins recorded below-normal snow persistence.
Retreat rates	Average retreat rates were reported at 12.7 metres per year in the Indus basin, 15.5 metres in the Ganga basin and 20.2 metres in the Brahmaputra basin.
Key concern	Glacier and snow decline can affect irrigation, river flows, hydropower, ecosystems and long-term water security.

➤ Which two Indian states have the major facilities for manufacturing and assembling iPhones?

- A) Maharashtra and Uttar Pradesh
- B) Tamil Nadu and Karnataka
- C) Gujarat and Telangana
- D) Andhra Pradesh and Maharashtra
- E) Karnataka and Uttar Pradesh

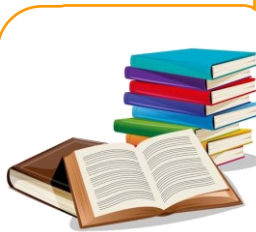

Answer

B) Tamil Nadu and Karnataka.

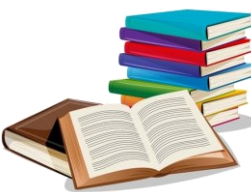

Event and Location:

- **Event:** **Apple Inc.** has expanded iPhone manufacturing in India, with major production and assembly facilities concentrated in **Tamil Nadu and Karnataka** and a wider supplier network across other states.

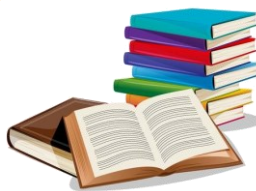

Event and Location:

- **Location:** **Tamil Nadu and Karnataka** are the principal iPhone manufacturing hubs, while **Andhra Pradesh, Maharashtra and Uttar Pradesh** support component and supply-chain activities.
- **Date:** The manufacturing network details were highlighted on September **9, 2026**.

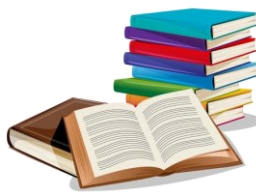

Mandates and Objectives:

- **Mandates:** Apple and its contract manufacturers are expanding local iPhone production, component manufacturing and supplier capacity in India with support from the **Production Linked Incentive (PLI)** Scheme for large-scale electronics manufacturing.

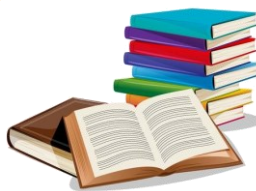

Mandates and Objectives:

- **Objectives:** The expansion aims to diversify Apple's global supply chain, increase domestic electronics manufacturing, strengthen exports, develop local supplier capacity and reduce excessive dependence on a single manufacturing geography.

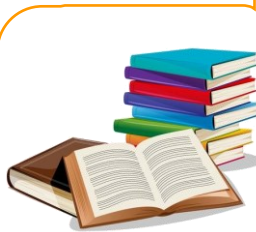

Important Terms Explained:

- **Foxconn:** It is a major electronics contract manufacturer operating Apple's principal iPhone manufacturing facility at **Sriperumbudur in Tamil Nadu**.

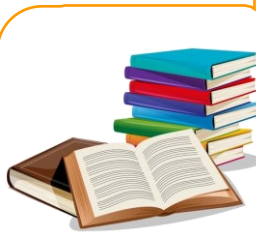

Important Terms Explained:

- **Tata Electronics:** It is an Indian electronics manufacturer that strengthened its role in Apple's supply chain after acquiring Wistron's Indian operations, including the iPhone facility at **Narsapura in Karnataka.**

Important Terms Explained:

- **Supply Chain Diversification:** It refers to spreading manufacturing and sourcing operations across multiple countries or regions to reduce operational, geopolitical and logistical risks.

Tabular Summary:

Parameter	Details
Major manufacturing states	Tamil Nadu and Karnataka host the principal facilities for iPhone manufacturing and assembly in India.
Tamil Nadu hub	Sriperumbudur near Chennai hosts Foxconn's major iPhone manufacturing plant and other Apple suppliers.
Karnataka hub	Narsapura hosts former Wistron iPhone operations acquired by Tata Electronics.
Other supplier states	Andhra Pradesh, Maharashtra and Uttar Pradesh support Apple-related component and supply-chain activities.
Key companies	Major participants include Foxconn, Tata Electronics, Flex, Pegatron-linked operations, Aequs, Jabil, Cheng Uei Precision and Sunwoda.
Policy support	India's PLI framework provides performance-based incentives linked to production, investment and exports.
Manufacturing shift	India has progressed from assembling mainly older iPhone models to producing newer and more premium models.
Export performance	Apple exported iPhones worth about US\$12.8 billion from India in 2024, while local production was estimated at about US\$17.5 billion.

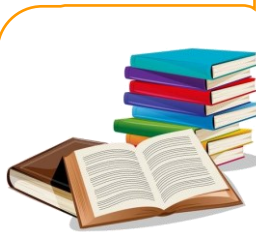

► Rajasthan's Shekhawati havelis were recently added to which heritage-related list?

- A) UNESCO World Heritage List
- B) UNESCO Tentative List
- C) UNESCO Intangible Heritage List
- D) Ramsar List
- E) World Monuments Watch

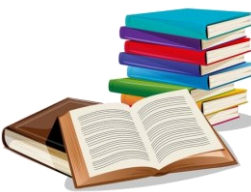

Answer

B) UNESCO Tentative List.

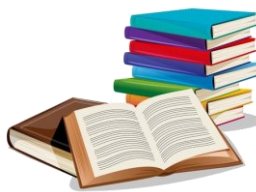

Event and Location:

- **Event:** Rajasthan's historic Shekhawati havelis have been added to the **UNESCO Tentative List**, marking a preliminary step towards possible future **World Heritage** nomination.
- **Location:** The proposal covers heritage properties across **14** towns in the Shekhawati region of Rajasthan, including Mandawa, Nawalgarh, Fatehpur, Churu, **Jhunjhunu and Sikar**.
- **Date:** The development was reported on September 9, 2026.

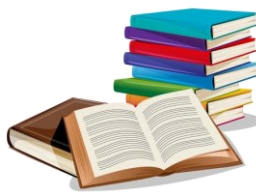

Mandates and Objectives:

- **Mandates:** The tentative listing covers historic havelis across **14** Shekhawati towns and brings greater attention to their distinctive frescoes, courtyards, façades and architectural heritage.

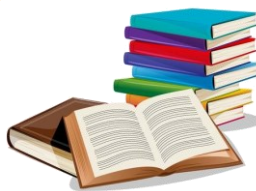

Mandates and Objectives:

- **Objectives:** The inclusion aims to strengthen conservation and restoration efforts, increase international recognition of Shekhawati's built heritage and support heritage tourism in Rajasthan.

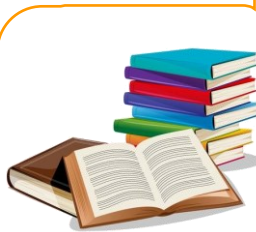

Important Terms Explained:

- **Tentative List:** It is an inventory of heritage properties that a country may consider nominating for inclusion on the **UNESCO World Heritage List** in the future.

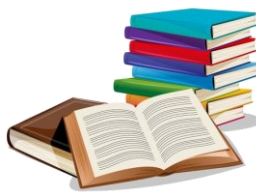

Important Terms Explained:

- **Shekhawati Havelis:** These are historic mansions of northeastern Rajasthan, many built by wealthy mercantile families and known for elaborate courtyards, entrances, interiors and painted façades.

Important Terms Explained:

- **Frescoes:** These are decorative wall and ceiling paintings that, in Shekhawati, depict religion, mythology, wildlife, portraits, local lifestyles, transport innovations and foreign influences.

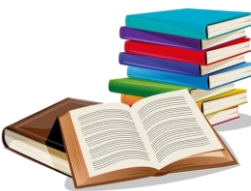

Tabular Summary:

Parameter	Details
Event name	Shekhawati havelis of Rajasthan were added to UNESCO's Tentative List.
Region covered	The proposal includes heritage properties across 14 towns in the Shekhawati region of Rajasthan.
Major towns	Mandawa, Nawalgarh, Fatehpur, Churu, Jhunjhunu and Sikar are among the included towns.
Architectural identity	The havelis are known for colourful façades, ornate frescoes, large courtyards and grand architectural features.
Historical value	Their artworks document social, cultural and technological changes of the 19th and early 20th centuries.
Heritage status	Tentative List inclusion does not mean that the havelis have already become UNESCO World Heritage Sites.
Tourism significance	Greater international visibility could strengthen heritage tourism and support guides, artists, handicraft producers and hotels.
State response	Rajasthan Deputy Chief Minister Diya Kumari welcomed the inclusion as an important step for preservation and global recognition.

► Where will India host the 18th BRICS Leaders' Summit on September 12–13, 2026?

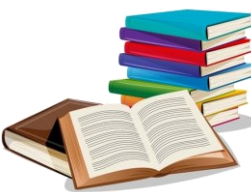

- A) Vigyan Bhawan
- B) Hyderabad House
- C) Bharat Mandapam
- D) Rashtrapati Bhavan
- E) Sushma Swaraj Bhawan

Answer
C) Bharat Mandapam.

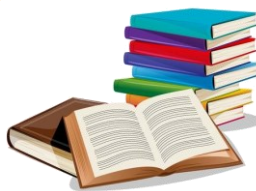

Event and Location:

- **Event:** India will host the **18th BRICS** Leaders' Summit, bringing together leaders of the expanded **BRICS** grouping to discuss trade, technology, finance, energy security and global governance reforms.
- **Location:** Bharat Mandapam, Pragati Maidan, New Delhi, India.
- **Date:** September 12–13, 2026.

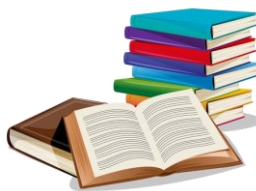

Mandates and Objectives:

- **Mandates:** The summit agenda covers resilient supply chains, cross-border payments, national currencies, MSMEs, digital trade, artificial intelligence, energy security, climate resilience, development finance and expansion of the **New Development Bank (NDB)**.

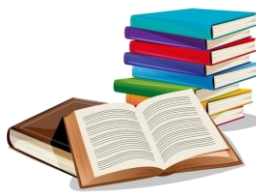

Mandates and Objectives:

- **Objectives:** India's **2026** chairship aims to strengthen cooperation among **BRICS** members, advance **Global South** priorities, promote financial inclusion and sustainable development, and support reforms of global financial and political institutions.

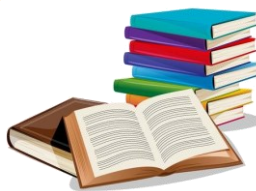

Important Terms Explained:

- **Humanity First:** It is the broader approach associated with India's **2026 BRICS** chairship, placing human welfare and inclusive development at the centre of cooperation.

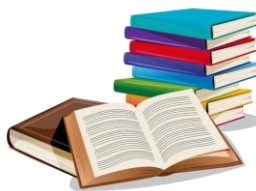

Important Terms Explained:

- **Cross-Border Payment Solutions:** These are financial mechanisms that enable payments and money transfers between individuals, businesses or institutions located in different countries.

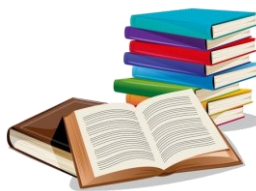

Important Terms Explained:

- **National Currencies:** These are the official currencies of individual countries, whose increased use in bilateral or multilateral trade can reduce reliance on third-country settlement currencies.

Important Terms Explained:

- **BRICS Partner Countries:** These are countries associated with the **BRICS** framework without being full members, enabling wider engagement and cooperation with the grouping.

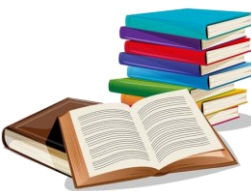

Tabular Summary:

Parameter	Details
Event name	India will host the 18th BRICS Leaders' Summit.
Date	The summit is scheduled for September 12–13, 2026.
Venue	Bharat Mandapam, Pragati Maidan, New Delhi.
Host	Prime Minister Narendra Modi will host the summit during India's BRICS chairship.
Chairship theme	"Building for Resilience, Innovation, Cooperation and Sustainability" under the broader context of "Humanity First."
Membership	BRICS consists of 11 full member countries, with Indonesia having joined as a full member in 2025.
Core agenda	Discussions will cover trade, AI, digital commerce, finance, energy security, climate resilience and global governance reform.
Significance	The summit marks 20 years of BRICS and is the first leaders' summit after the bloc's historic expansion.

QUICK RECALL

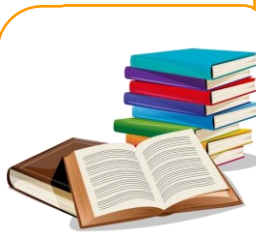

- **India's 503-member Asian Games 2026 contingent received a grand send-off in New Delhi, with the official jersey unveiled and more than 300 athletes preparing to make their Asian Games debut.**
- **India finished fourth among 82 nations at the Pickleball World Cup 2026 in Da Nang, winning 41 medals and recording its best-ever performance in the tournament.**
- **Apple Inc. developed Apple Park in Cupertino as its new world headquarters, replacing 1 Infinite Loop with a larger approximately \$5 billion campus designed to support its expanding workforce and operations.**

QUICK RECALL

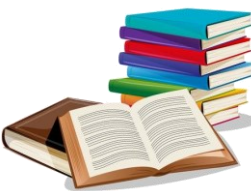

- **NCSC Chairman Kishor Makwana is set to receive the Dr APJ Abdul Kalam Jan Seva Puraskar 2026 in Delhi on September 9 for the Commission's contribution to social justice and safeguarding Scheduled Caste rights.**
- **The 27th World Knowledge Forum began in Seoul on September 8, 2026, bringing together global leaders and experts to discuss AI, co-intelligence, cybersecurity, innovation and changes in the world economy.**
- **Dr. NTR Vaidya Seva Scheme 2026 provides eligible Andhra Pradesh families with free healthcare coverage of up to ₹25 lakh annually for more than 3,250 medical and surgical procedures, reducing the financial burden of major treatments.**
- **India joined a 25-nation global 6G initiative launched on September 7, 2026, to cooperate on secure, competitive and innovative next-generation wireless networks and strengthen its role in shaping future telecom standards.**
- **Uttar Pradesh introduced its Green Hydrogen Policy on March 5, 2024, to build a hydrogen and ammonia ecosystem with a target of 1 million metric tonnes of annual capacity and around 1.2 lakh jobs by 2028.**

QUICK RECALL

- Prime Minister Narendra Modi inaugurated Global Fintech Fest 2026 in Mumbai on September 8 and called for India's fintech sector to expand beyond payments into credit, insurance, savings and pensions while adopting next-generation technologies.
- Himalaya Diwas 2026 was observed on September 9 to promote Himalayan conservation as scientific assessments warned of glacier retreat and declining snow persistence with implications for India's water security.
- Apple has expanded its iPhone manufacturing network in India, with Tamil Nadu and Karnataka serving as the main production hubs while suppliers in Andhra Pradesh, Maharashtra and Uttar Pradesh strengthen its supply-chain diversification strategy.
- Rajasthan's Shekhawati havelis were added to UNESCO's Tentative List, bringing 14 historic towns into greater international focus and strengthening prospects for heritage conservation and tourism.
- India will host the 18th BRICS Leaders' Summit at Bharat Mandapam in New Delhi on September 12–13, 2026, focusing on trade, technology, finance, energy security and reforms in global governance.
