➤ Which team won the 2026-27 Duleep Trophy after securing the title on the basis of a first-innings lead in the drawn final?

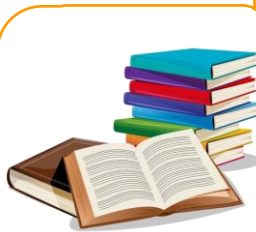

- A) South Zone
- B) Central Zone
- C) North Zone
- D) East Zone
- E) West Zone

Answer
D) East Zone.

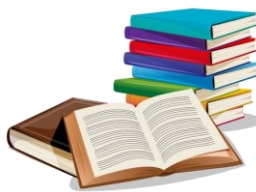

Event and Location:

- **Event:** **East Zone** won the **2026-27 Duleep Trophy** after the final against **South Zone** ended in a draw, with **East Zone** securing the title on the basis of its first-innings lead.
- **Location:** The final was played at **Chepauk in Chennai**.

Event and Location:

- **Date: The Duleep Trophy** final concluded on **10 September 2026**.

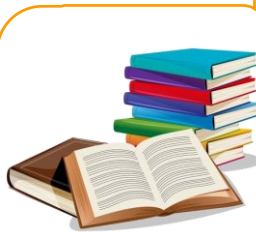

Mandates and Objectives:

- **Mandates: East Zone** scored **708** in the first innings against **South Zone's 336** to secure a **372-run** lead and later declared its second innings at **388/7**, ensuring it retained the advantage required to win the drawn final.

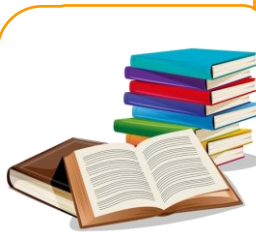

Mandates and Objectives:

- **Objectives:** The tournament determines domestic zonal supremacy in Indian first-class cricket, with **East Zone**'s dominant batting performance and first-innings advantage proving decisive in the **2026-27** final.

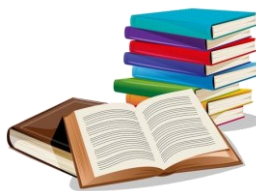

Important Terms Explained:

- **First-Innings Lead:** It is the advantage obtained when a team scores more runs than its opponent in the first innings and can be used to decide the winner of a drawn multi-day match under applicable tournament rules.

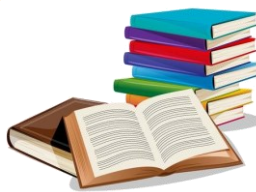

Important Terms Explained:

- **First-Class Cricket:** It is the highest standard of domestic multi-day cricket, generally played over several days between recognised teams.

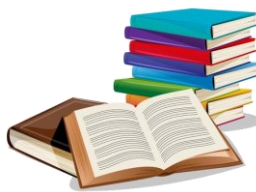

Important Terms Explained:

- **Declaration:** It is a captain's decision to voluntarily end the team's innings before all ten wickets have fallen, usually for tactical reasons.

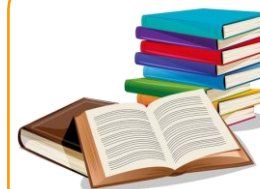

Important Terms Explained:

- **Player of the Match:** It is an award given to the player judged to have made the most significant contribution in a particular match.

Tabular Summary:

Parameter	Details
Tournament	East Zone won the 2026-27 Duleep Trophy.
Finalists	East Zone faced South Zone in the final.
Venue	The final was played at Chepauk, Chennai.
Result	The match ended in a draw, with East Zone winning on the basis of its first-innings lead.
First-innings scores	East Zone scored 708, while South Zone was dismissed for 336, giving East a 372-run lead.
Second innings	East Zone declared at 388/7 and extended its overall lead to 760 runs.
Key performer	Ishan Kishan scored 270 and 80 in the final and was named Player of the Match.
Notable milestone	Kounain Quraishi scored an unbeaten 116 for his maiden first-class century.

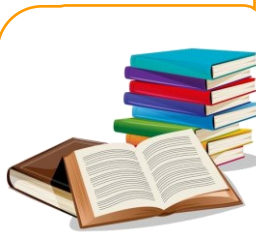

► Whom did Sheetal Devi defeat to win her maiden individual gold medal at the Hyundai World Archery Para Series in Ahmedabad?

- A) Wang Huiting
- B) Bhawna
- C) Aizada Seidan
- D) Liang Qiurong
- E) Sarita

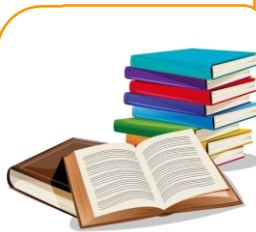

Answer

C) Aizada Seidan.

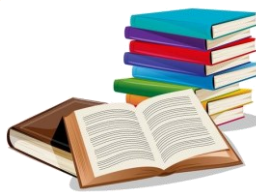

Event and Location:

- **Event:** India's **Sheetal Devi** won her maiden individual gold medal at the **Hyundai World Archery Para Series** by defeating Kazakhstan's **Aizada Seidan** in the compound women's final.
- **Location:** The event was held in Ahmedabad, India.

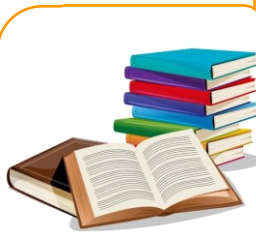

Event and Location:

- **Date:** The achievement was reported on **10 September 2026**.

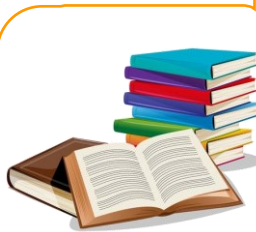

Mandates and Objectives:

- **Mandates: Sheetal Devi** secured the compound women's individual title through a shoot-off after a closely contested final against **Aizada Seidan**, while India also earned medals in other individual and mixed team para archery events.

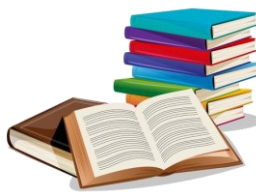

Mandates and Objectives:

- **Objectives:** The competition provides elite international exposure to para archers and helps athletes build competitive form ahead of major events such as the Aichi-Nagoya **2026 Asian Para Games**.

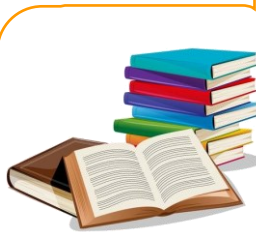

Important Terms Explained:

- Shoot-off: It is a tie-breaking procedure in archery in which athletes shoot additional arrows to determine the winner when scores remain level.

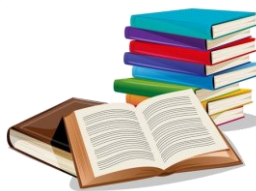

Important Terms Explained:

- X-ring: It is the innermost section of the **10**-ring in an archery target and can be used to separate tied performances based on arrow placement.

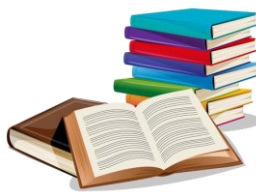

Important Terms Explained:

- **Compound Archery:** It is a form of archery that uses a compound bow with a system of cams and cables designed to improve stability and shooting efficiency.

Important Terms Explained:

- **Recurve Mixed Team:** It is an archery event in which one male and one female archer compete together using recurve bows.

Tabular Summary:

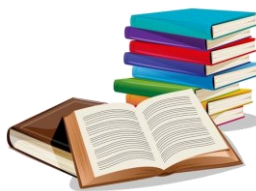

Parameter	Details
Gold medallist	Sheetal Devi of India won the compound women's individual gold medal.
Event	Hyundai World Archery Para Series.
Location	Ahmedabad, India.
Final opponent	Sheetal defeated Kazakhstan's Aizada Seidan in a shoot-off.
Special achievement	It was Sheetal Devi's first individual gold medal in the World Archery Para Series.
Silver medallist	Aizada Seidan won the first silver medal of her career in the event.
Other Indian medal	Sarita won bronze after defeating China's Wang Huiting in the compound women's individual event.
Mixed team result	Harvinder Singh and Bhawna defeated the Chinese pair 6-0 to win recurve mixed team gold.

► What is the official mascot of the 20th Asian Games Aichi-Nagoya 2026?

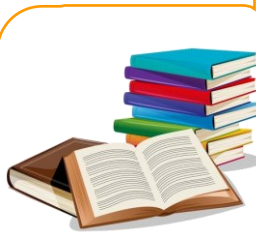

- A) Miraitowa
- B) HONOHON
- C) Someity
- D) Kumamon
- E) Shachihoko

Answer
B) HONOHON.

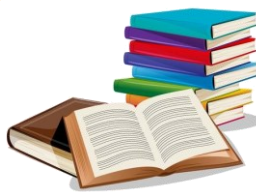

Event and Location:

- **Event:** **HONOHON** is the official mascot of the **20th Asian Games Aichi-Nagoya 2026** and represents the passion, enthusiasm and unity of athletes.
- **Location:** The **20th Asian Games** will be held in Aichi-Nagoya, Japan.

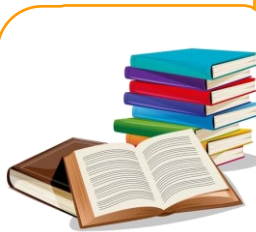

Event and Location:

- **Date: The Games** will be held from **19** September to **4** October **2026**.

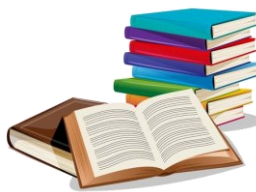

Mandates and Objectives:

- **Mandates:** The mascot combines sporting spirit with cultural elements of the Aichi-Nagoya region through its flame-inspired identity, Shachihoko-like features, red colour and Kabuki-influenced facial design.

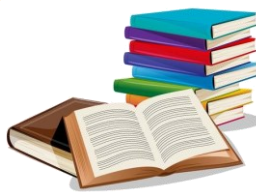

Mandates and Objectives:

- **Objectives:** **HONOHON** is intended to unite people through the **Asian Games**, encourage athletes and spectators, and represent the passion and enthusiasm associated with sporting competition.

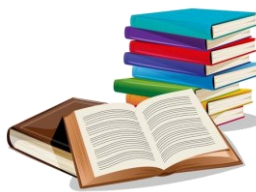

Important Terms Explained:

- **Shachihoko:** It is a traditional symbolic guardian associated with the Aichi-Nagoya region, and its features inspired the ears and overall cultural identity of the mascot.

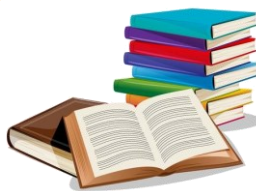

Important Terms Explained:

- **Kumadori:** It is the stylised makeup used in **Japanese Kabuki** theatre, represented through the red markings around **HONOHON**'s eyes.

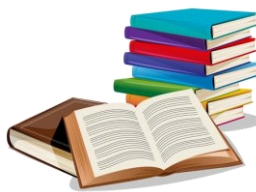

Important Terms Explained:

- **Kabukimono:** It refers to historically eccentric samurai associated with distinctive behaviour and interests in scholarship, martial arts and the arts, providing another cultural inspiration for the mascot.

Important Terms Explained:

- **Honoho:** It is the Japanese word meaning “flame”, from which the name **HONOHON** is derived.

Tabular Summary:

Parameter	Details
Mascot name	HONOHON is the official mascot of the 20th Asian Games.
Host	The Games will be held in Aichi-Nagoya, Japan.
Games dates	The event will run from 19 September to 4 October 2026.
Name meaning	HONOHON derives from “Honoho”, meaning “flame” in Japanese.
Creator	The mascot was designed by Yoshiyuki Nakagawa of Nagakute City, Aichi Prefecture.
Design inspiration	The mascot combines Shachihoko elements, Kabuki-style Kumadori makeup and the image of a burning flame.
Key characteristics	HONOHON is red, curious, hardworking, gender-neutral and can magically produce imagined sounds.
Mission	The mascot aims to unite people through the Games and reflect the passion and enthusiasm of athletes.

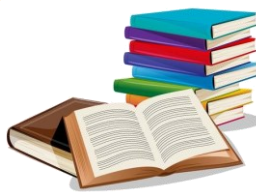

➤ Who designed the medals for the 20th Asian Games 2026 in Aichi-Nagoya, Japan?

- A) Daisuke Shiba
- B) Kengo Kuma
- C) Naoto Fukasawa
- D) Tadao Ando
- E) Kenya Hara

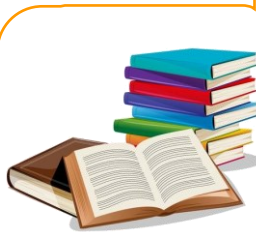

Answer

A) Daisuke Shiba.

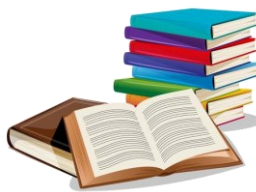

Event and Location:

- **Event:** The medals for the **20th Asian Games 2026** feature a broken ceramic-inspired design representing athletes' struggles, perseverance and the concept of unity in diversity.
- **Location:** The **Asian Games 2026** will be held in **Aichi Prefecture and Nagoya, Japan**.

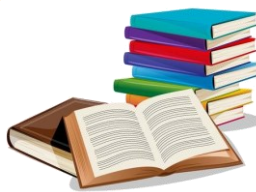

Event and Location:

- **Date:** The **20th Asian Games** are scheduled to begin on **19 September 2026**.

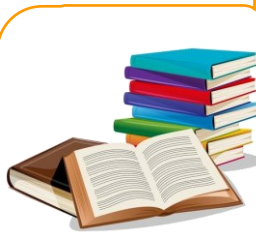

Mandates and Objectives:

- **Mandates:** The medal design by **Daisuke Shiba** combines sporting achievement with Asian cultural diversity, regional Japanese identity and sustainability through recycled metals, locally inspired motifs and traditional materials.

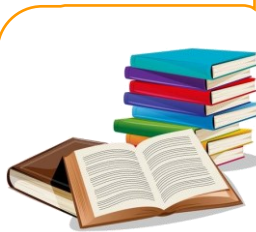

Mandates and Objectives:

- **Objectives:** The design seeks to embody the slogan “**Imagine One Asia**”, symbolise athletes’ journeys through challenges and failures, and promote unity, recycling and the cultural identity of the Aichi-Nagoya region.

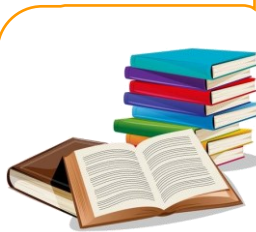

Important Terms Explained:

- **Unity in Diversity:** It is the central concept of the medal design, representing different Asian cultures coming together through sport while retaining their distinct identities.

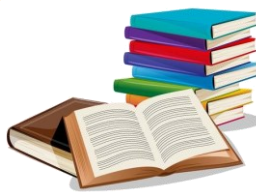

Important Terms Explained:

- Aichi-Nagoya **2026 Recycled Medal Project**: It is a sustainability initiative through which part of the metal used for the Games medals is obtained from small electronic devices contributed by participating municipalities.

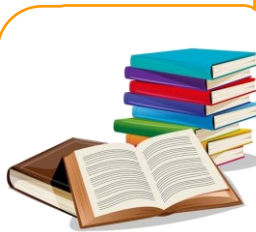

Important Terms Explained:

- **Circular Economy:** It is an economic approach that promotes reuse, recycling and efficient use of materials to reduce waste and extend the life cycle of resources.

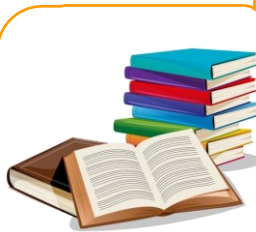

Important Terms Explained:

- **Kakitsubata:** It is the flower of **Aichi Prefecture** whose silhouette and curved leaves inspired elements of the **Asian Games 2026** medal ribbon.

Important Terms Explained:

- **Hinoki:** It is Japanese cypress from Aichi used to make the medal cases, reflecting regional tradition and Japanese craftsmanship.

Tabular Summary:

Parameter	Details
Event	The 20th Asian Games 2026 will feature specially designed medals representing unity in diversity and athletes' journeys.
Host region	The Games will be held in Aichi Prefecture and Nagoya, Japan.
Start date	The Asian Games are scheduled to begin on 19 September 2026.
Medal designer	Daisuke Shiba created the winning medal design through an open competition involving students and professional designers.
Medal dimensions	Each medal measures 80 mm in diameter and 5 mm in thickness.
Medal composition	Gold medals weigh about 265 g and use gold-plated pure silver, silver medals weigh about 264 g and use pure silver, while bronze medals weigh about 222 g and use red brass containing 95% copper and 5% zinc.
Sustainability feature	Part of the medal metal comes from recycled small electronic devices collected through participating municipalities.
Cultural elements	The design incorporates the kakitsubata flower, an octagonal motif linked to the region and medal cases made from Aichi hinoki cypress.

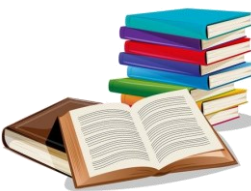

➤ **Why did Indian authorities lift the trading restrictions on Copthall Mauritius Investment Ltd?**

- A) It withdrew from the Indian stock market
- B) It deposited ₹2.96 crore as directed by SEBI
- C) It merged with JPMorgan India
- D) It received approval from BSE
- E) It settled the case through arbitration

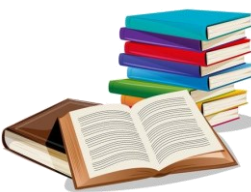

Answer

B) It deposited ₹2.96 crore as directed by SEBI.

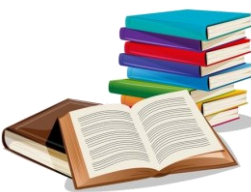

Event and Location:

- **Event:** The trading restrictions on **Copthall Mauritius Investment Ltd**, a Mauritius-based unit associated with JPMorgan Chase & Co, were lifted after it deposited **₹2.96 crore** in compliance with a **SEBI** interim order.

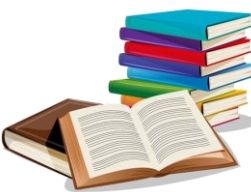

Event and Location:

- **Location:** The regulatory action concerns trading in India's securities market and alleged activity linked to the **BSE** Sensex closing auction.
- **Date:** The development was reported on **10** September **2026**, while the alleged manipulative trading took place on **13** August.

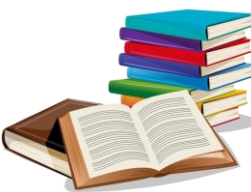

Mandates and Objectives:

- **Mandates:** The Securities and Exchange Board of India directed **Copthall Mauritius Investment and Mansi Share and Stock Broking** to deposit alleged unlawful gains arising from suspected manipulative trading intended to influence the **BSE Sensex** indicative equilibrium price.

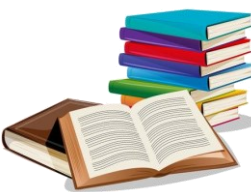

Mandates and Objectives:

- **Objectives:** The regulatory action seeks to protect market integrity, prevent manipulation of benchmark-linked prices and determine whether the entities improperly benefited from options positions through activity in the closing auction.

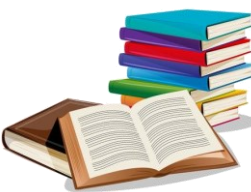

Important Terms Explained:

- **Securities and Exchange Board of India (SEBI):** It is India's securities market regulator responsible for protecting investors, regulating intermediaries and maintaining fair and orderly securities markets.

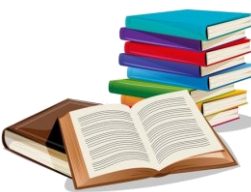

Important Terms Explained:

- **Market Manipulation:** It refers to trading practices designed to artificially influence securities prices, trading activity or market benchmarks for improper financial gain.

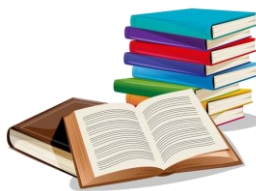

Important Terms Explained:

- **Indicative Equilibrium Price:** It is an indicative price determined during an auction process at which the maximum executable buy and sell orders can be matched.

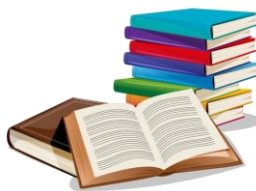

Important Terms Explained:

- **Closing Auction:** It is a trading mechanism used near the end of a market session to determine the closing price of securities through the matching of orders.

Important Terms Explained:

- **Confirming Order:** It is a subsequent regulatory order issued after considering replies, evidence and hearings to confirm, modify or withdraw directions contained in an interim order.

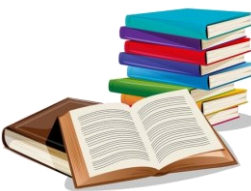

Tabular Summary:

Parameter	Details
Entity involved	Copthall Mauritius Investment Ltd, a Mauritius-registered entity associated with JPMorgan Chase & Co.
Regulator	SEBI issued the interim directions and continues to investigate the matter.
Amount deposited	Copthall deposited approximately ₹2.96 crore in compliance with the regulator's direction.
Other entity	Mansi Share and Stock Broking was also named in the alleged manipulative trading activity and deposited its alleged gains.
Alleged misconduct	The entities were accused of attempting to influence the indicative equilibrium price of the BSE Sensex closing auction.
Current status	Trading restrictions on both entities have been lifted, but SEBI's investigation remains ongoing.
Next regulatory step	SEBI is expected to consider formal replies and personal hearings before issuing a confirming order.
Market context	SEBI is examining settlement-price issues after reforms to the closing-price mechanism for more than 200 securities.

➤ Which two space agencies are jointly developing the TRISHNA Earth observation mission?

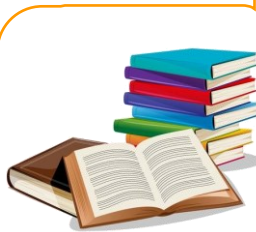

- A) ISRO and NASA
- B) ISRO and JAXA
- C) ISRO and CNES
- D) ISRO and ESA
- E) CNES and NASA

Answer
C) ISRO and CNES.

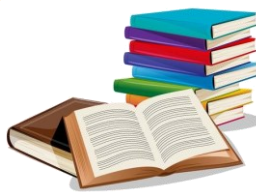

Event and Location:

- **Event:** The **TRISHNA** Mission, or **Thermal Infra-Red Imaging Satellite for High-resolution Natural Resource Assessment**, is a joint Earth observation initiative being developed by **ISRO** and France's **CNES**.
- **Location:** The mission will observe Earth's land, coastal, ocean and polar regions from a sun-synchronous orbit.

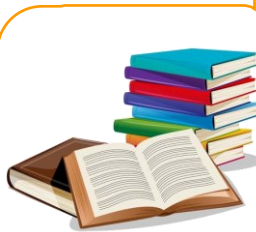

Event and Location:

- **Date:** The mission details were reported on **10 September 2026**.

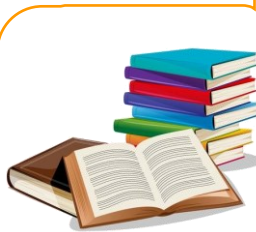

Mandates and Objectives:

- **Mandates:** The mission will use thermal infrared and visible/short-wave infrared imaging to measure surface temperature, emissivity, water stress, coastal and inland waters, urban heat islands, glaciers and atmospheric parameters.

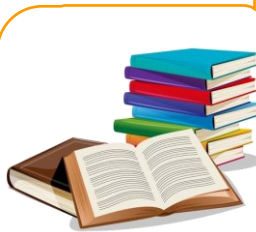

Mandates and Objectives:

- **Objectives:** It aims to provide high spatial and temporal resolution observations for climate studies, agriculture, water management, disaster studies and understanding interactions between Earth's water and energy cycles.

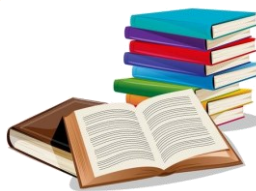

Important Terms Explained:

- **TIR Payload: The Thermal Infrared** payload supplied by **CNES** is a four-channel long-wave infrared imaging sensor designed to map surface temperature and emissivity at high resolution.

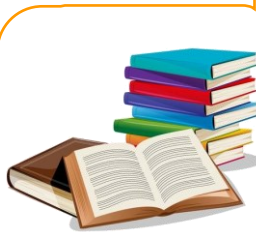

Important Terms Explained:

- **VNIR-SWIR** Payload: **The Visible and Near Infrared-Short Wave Infrared** payload developed by **ISRO** contains seven spectral bands for measuring surface reflectance and radiation-budget variables.

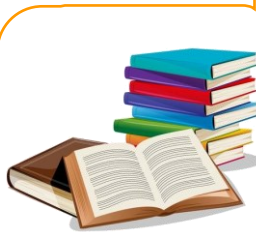

Important Terms Explained:

- **Sun-Synchronous Orbit:** It is an orbit in which a satellite passes over locations at nearly the same local solar time, helping maintain consistent illumination conditions for Earth observation.

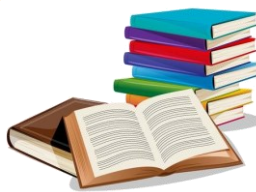

Important Terms Explained:

- **Essential Climate Variables (ECVs):** These are key physical, chemical or biological variables used to systematically monitor and understand Earth's climate system.

Important Terms Explained:

- **Essential Agricultural Variables (EAVs):** These are observational variables useful for monitoring agricultural conditions and supporting agricultural assessment and management.

Tabular Summary:

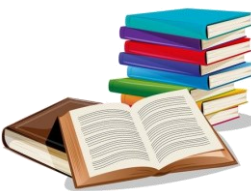

Parameter	Details
Mission name	TRISHNA, or Thermal Infra-Red Imaging Satellite for High-resolution Natural Resource Assessment.
Partner agencies	ISRO of India and CNES of France are jointly developing the mission.
Launch vehicle	The mission is planned to be launched using India's Polar Satellite Launch Vehicle.
Orbit	The satellite will operate in a sun-synchronous orbit about 761 kilometres above Earth.
Major payloads	The mission will carry the CNES-developed TIR payload and the ISRO-developed VNIR-SWIR payload.
Spatial resolution	Planned resolution is 57 metres over land and coasts and 1 kilometre over oceans and polar zones.
Design life	The mission is designed for an operational life of five years.
Key applications	It will support monitoring of water stress, coastal waters, urban heat islands, glaciers, agriculture and climate variables.

➤ Under which mission is ORV Sagar Manthan being developed for advanced ocean research?

- A) Samudrayaan Mission
- B) Deep Ocean Mission
- C) Sagarmala Programme
- D) Blue Economy Mission
- E) National Maritime Mission

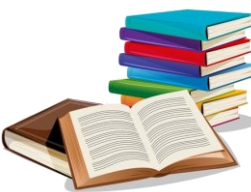

Answer

B) Deep Ocean Mission.

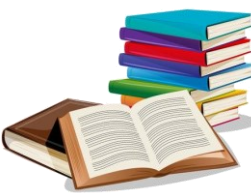

Event and Location:

- **Event:** India unveiled **ORV Sagar Manthan**, an indigenous multidisciplinary ocean research vessel designed by **Garden Reach Shipbuilders & Engineers** for the **National Centre for Polar and Ocean Research**.
- **Location:** The vessel was unveiled at **Rishi Bankim Shipyard in Kolkata, West Bengal**.

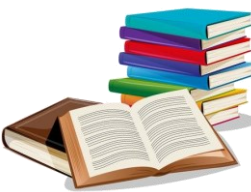

Event and Location:

- **Date: ORV Sagar Manthan** was unveiled on **9 September 2026**.

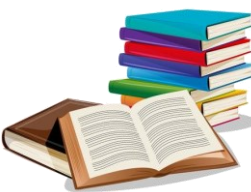

Mandates and Objectives:

- **Mandates:** The vessel is being developed under Vertical-4, **Deep Ocean Survey and Exploration**, of the **Deep Ocean Mission** to conduct multidisciplinary oceanographic research in demanding marine environments, including the **Southern Ocean**.

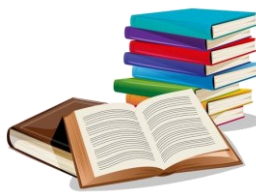

Mandates and Objectives:

- **Objectives:** The vessel will support research on climate change, marine science, deep-sea geology, mid-oceanic ridges, hydrothermal sulphide mineralisation, polar glacier variations, tsunami prediction and disaster management while reducing dependence on foreign research vessels.

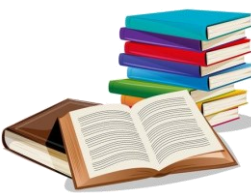

Important Terms Explained:

- **Dynamic Positioning System:** It is a technology that automatically maintains a vessel's position and heading using propulsion systems, sensors and computer-controlled navigation.

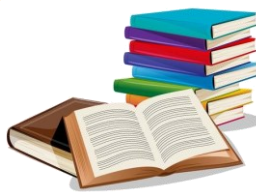

Important Terms Explained:

- Multi-beam Bathymetry: It is a sonar-based technique used to map the depth and shape of the seafloor across a wide area.

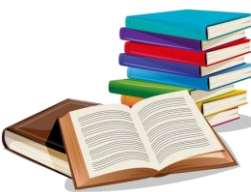

Important Terms Explained:

- **CTD Profiling:** It measures conductivity, temperature and depth of seawater to study the physical characteristics of the ocean water column.

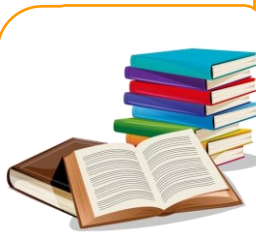

Important Terms Explained:

- **Hydrothermal Sulphide Mineralisation:** It refers to mineral deposits formed around hydrothermal vents on the seafloor and can contain valuable metallic resources.

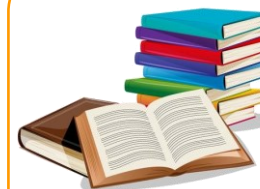

Important Terms Explained:

- **Dual-Class Certification:** It indicates that the vessel meets classification standards of both the **Indian Register of Shipping** and the **American Bureau of Shipping**.

Tabular Summary:

Parameter	Details
Vessel name	ORV Sagar Manthan, also known as Yard 3041.
Unveiling date	The vessel was unveiled on 9 September 2026.
Location	It was unveiled at Rishi Bankim Shipyard in Kolkata.
Builder and user agency	GRSE designed the vessel for the National Centre for Polar and Ocean Research.
Estimated cost	The vessel has an estimated cost of around ₹840 crore.
Mission association	It is being developed under Vertical-4 of the Deep Ocean Mission.
Operational life	The vessel is expected to have a service life of about 30 years.
Strategic importance	It will strengthen indigenous oceanographic research capability and is expected to progressively replace ORV Sagar Kanya.

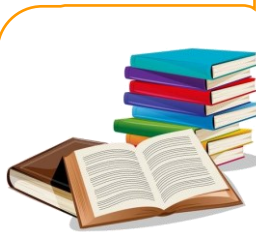

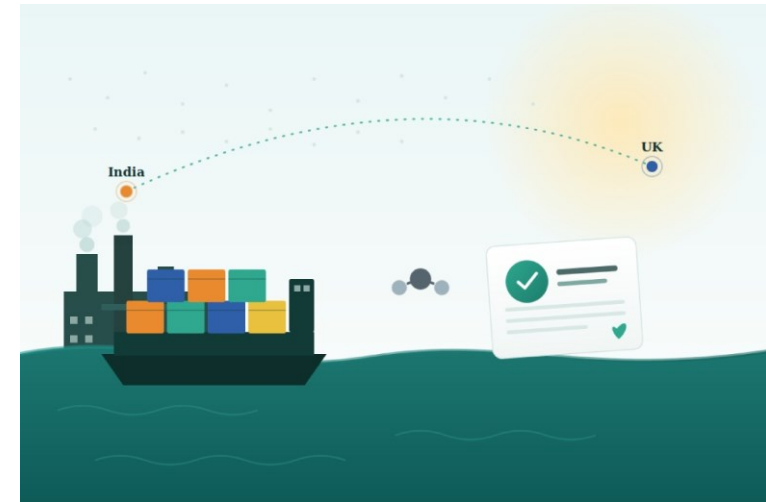

➤ Which Indian scheme has received UK recognition as a carbon pricing mechanism under its CBAM framework?

- A) Green Credit Programme
- B) Perform Achieve and Trade Scheme
- C) Carbon Credit Trading Scheme
- D) National Clean Energy Fund
- E) Energy Conservation Scheme

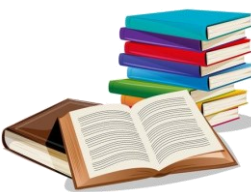

Answer

C) Carbon Credit Trading Scheme.

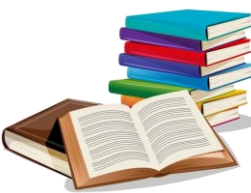

Event and Location:

- **Event:** India's **Carbon Credit Trading Scheme (CCTS)** has received recognition from the UK as an eligible carbon pricing mechanism under its **Carbon Border Adjustment Mechanism** framework.
- **Location:** The recognition applies to eligible Indian exports entering the **United Kingdom**.

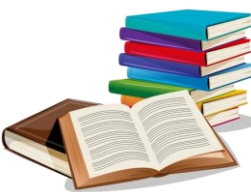

Event and Location:

- **Date:** The development was reported on **10 September 2026**.

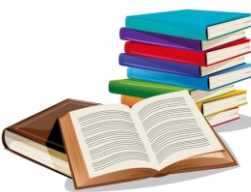

Mandates and Objectives:

- **Mandates:** Under the UK **CBAM** framework, eligible carbon costs already incurred by Indian exporters under **CCTS** may be considered while determining the carbon liability payable on covered imports, subject to required documentation and verification.

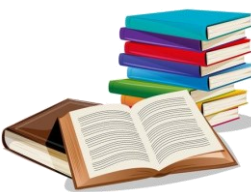

Mandates and Objectives:

- **Objectives:** The recognition aims to reduce the risk of double carbon pricing for Indian exporters and lower potential carbon-related costs on products such as steel, aluminium, fertiliser and cement entering the UK market.

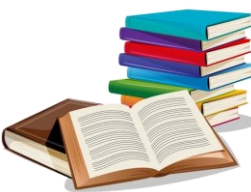

Important Terms Explained:

- **Carbon Border Adjustment Mechanism (CBAM):** It is a mechanism that imposes a carbon-related cost on certain imported goods based on their embedded emissions, with the UK scheduled to introduce its **CBAM** from **2027**.

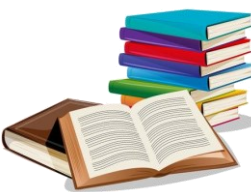

Important Terms Explained:

- **Carbon Credit Certificate:** It is a tradable instrument under India's carbon market framework that represents eligible emission reductions or compliance with prescribed carbon-related targets.

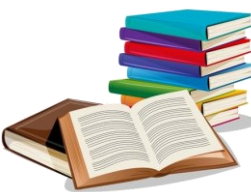

Important Terms Explained:

- **Bureau of Energy Efficiency (BEE):** It is the agency responsible for administering India's **CCTS** framework and supporting implementation of the carbon credit trading system.

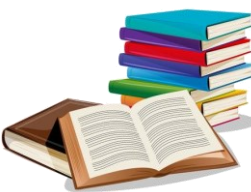

Important Terms Explained:

- **Carbon Pricing:** It is an approach that assigns an economic cost to greenhouse gas emissions to encourage industries to reduce, avoid or offset emissions.

Important Terms Explained:

- **Double Carbon Pricing:** It refers to a situation where the same emissions could effectively attract carbon-related costs in both the exporting country and the importing country.

Tabular Summary:

Parameter	Details
Recognised scheme	India's CCTS has been recognised by the UK as an eligible carbon pricing mechanism.
UK framework	The recognition is linked to the UK Carbon Border Adjustment Mechanism.
Effective UK CBAM year	The UK plans to introduce CBAM from 2027.
Key benefit	Eligible carbon costs paid in India may reduce the CBAM liability on covered Indian exports, subject to verification.
Major affected sectors	Steel, aluminium, fertiliser and cement are among the carbon-intensive sectors covered.
Implementing agency in India	BEE administers the Carbon Credit Trading Scheme.
Trade mechanism	Businesses can trade carbon credits through Carbon Credit Certificates under the market-based framework.
India-UK trade context	India and the UK signed the Comprehensive Economic and Trade Agreement on 15 July 2026.

SCHEMES & INITIATIVES

► What is the theme of the 9th Rashtriya Poshan Maah 2026?

- A) Poshan Bhi Padhai Bhi
- B) Hamari Anganwadi, Hamari Jimmedari
- C) Suposhit Bharat, Saksham Bharat
- D) Sahi Poshan, Desh Roshan
- E) Swasth Bharat, Poshan Bharat

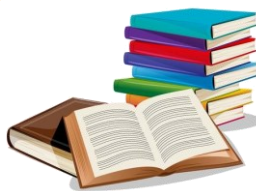

Answer

B) Hamari Anganwadi, Hamari Jimmedari.

Event and Location:

- **Event:** The **9th Rashtriya Poshan Maah 2026** began with the theme “**Hamari Anganwadi, Hamari Jimmedari**”, placing **Anganwadi Centres** at the centre of nutrition, childcare and early childhood development efforts.
- **Location:** The month-long national nutrition campaign is being observed across India.

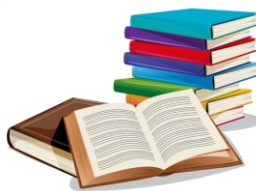

SCHEMES & INITIATIVES

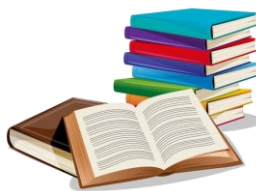

Event and Location:

- **Date:** The campaign commenced on **9 September 2026** and is being observed throughout September **2026**.

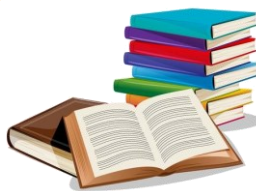

Mandates and Objectives:

- **Mandates:** The campaign promotes dietary diversity and protein-rich diets, fresh hot cooked meals, community ownership and accountability, early childhood stimulation, and focused implementation of maternity benefits under **PMMVY**.

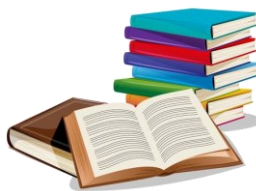

Mandates and Objectives:

- **Objectives:** It aims to improve nutrition and caregiving practices among pregnant and lactating women, children, adolescents and families while strengthening **Anganwadi Centres** through community participation, improved meal quality and developmental monitoring.

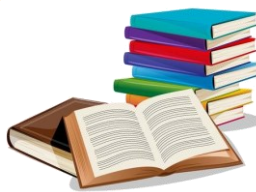

Important Terms Explained:

- **Rashtriya Poshan Maah:** It is an annual national nutrition campaign observed in September to promote awareness and behavioural change related to nutrition, health and caregiving practices.

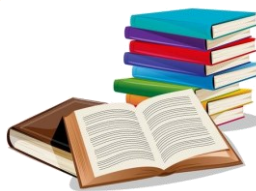

Important Terms Explained:

- **Pradhan Mantri Matru Vandana Yojana (PMMVY):** It is a maternity benefit programme that provides cash incentives to eligible pregnant women to support better nutrition and health practices, and it completed **10** years in **2026**.

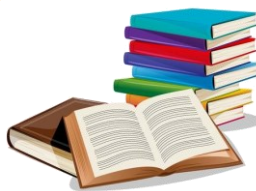

Important Terms Explained:

- **Mission Poshan 2.0:** It is an integrated nutrition framework announced under the **Union Budget 2021-22** that brings **POSHAN** Abhiyaan, **Anganwadi Services** and the scheme for adolescent girls under a common approach.

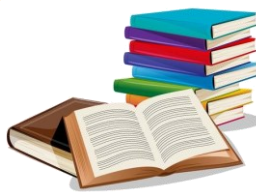

Important Terms Explained:

- **POSHAN Abhiyaan:** It was launched in March **2018** as an inter-ministerial mission to address malnutrition through convergence, behavioural change and community mobilisation.

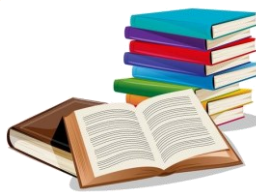

Important Terms Explained:

- **Poshan Tracker:** It is a digital platform launched on 1 March **2021** for tracking **Anganwadi Centres**, beneficiaries and their operations.

Important Terms Explained:

- **Supplementary Nutrition Programme (SNP):** It supports the provision of supplementary nutrition, including fresh hot cooked meals, through **Anganwadi Centres** for eligible beneficiaries.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Event name	9th Rashtriya Poshan Maah 2026.
Launch date	9 September 2026.
Theme	"Hamari Anganwadi, Hamari Jimmedari", meaning "Our Anganwadi, Our Responsibility".
Key focus areas	Dietary diversity, protein intake, hot cooked meals, community accountability and early childhood stimulation.
PMMVY milestone	The campaign marks the completion of 10 years of the maternity benefit programme.
Early childhood initiative	The redesigned Home Visit Scheduler covers 34 developmental milestones for children aged 0–3 years.
Anganwadi network	As of 31 July 2026, India had nearly 13.99 lakh Anganwadi Centres run by around 13.30 lakh Anganwadi workers.
Beneficiary coverage	Nearly 8.94 crore beneficiaries were covered, including about 7.2 crore children aged six months to six years and nearly 1.1 crore pregnant and lactating women.

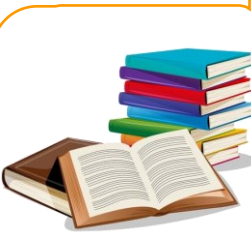

➤ **At which event did UIDAI unveil the Aadhaar Face Authentication SDK and Sandbox in 2026?**

- A) India Mobile Congress 2026
- B) Global Fintech Fest 2026
- C) Digital India Summit 2026
- D) India Fintech Forum 2026
- E) Bharat Technology Expo 2026

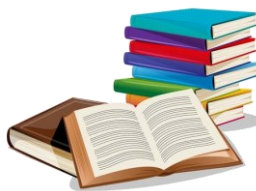

Answer
B) Global Fintech Fest 2026.

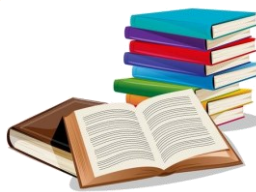

Event and Location:

- **Event:** The Unique Identification Authority of India (UIDAI) unveiled the **Aadhaar Face Authentication Software Development Kit and Aadhaar Face Authentication Sandbox at Global Fintech Fest 2026.**
- **Location:** The solutions are intended for adoption by banks, fintech companies, government bodies and other organisations across India.

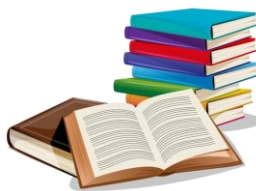

Event and Location:

- **Date:** The launch was reported on **10 September 2026**.

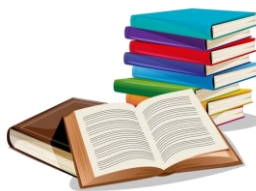

Mandates and Objectives:

- **Mandates:** The new tools enable participating organisations to integrate Aadhaar-based facial authentication directly into Android and iOS applications and test the complete authentication process in a dedicated environment.

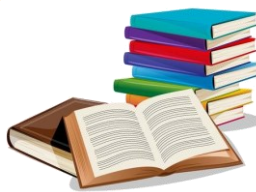

Mandates and Objectives:

- **Objectives:** The initiative aims to simplify digital authentication, reduce dependence on separate applications, improve user experience, strengthen anti-spoofing security and support wider adoption of **Aadhaar Face Authentication**.

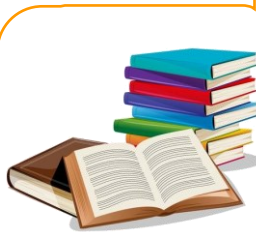

Important Terms Explained:

- **Aadhaar Face Authentication SDK:** It is a software development kit that allows organisations to embed **UIDAI**'s facial authentication capability directly into their mobile applications on Android and iOS platforms.

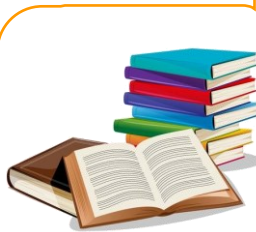

Important Terms Explained:

- **Aadhaar Face Authentication Sandbox:** It is a testing environment that enables organisations to test user consent, face capture, liveness detection, authentication, error handling, response validation, network failures, invalid signatures and spoofing scenarios without external biometric hardware.

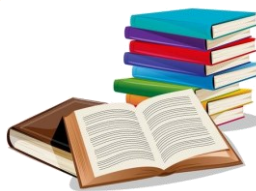

Important Terms Explained:

- **Liveness Detection:** It is an AI/ML-based security mechanism used to verify that the face presented during authentication belongs to a live person rather than a photograph, video or other spoofing attempt.

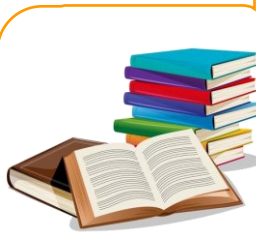

Important Terms Explained:

- **Aadhaar FaceRD:** It is the application previously required in the background for **Aadhaar Face Authentication**, a dependency that the new embedded **SDK** seeks to minimise.

Important Terms Explained:

- **Playbook on Ease of Onboarding:** It is a **UIDAI** guide designed to help Banking, **Financial Services and Insurance** entities understand and simplify onboarding into the Aadhaar authentication ecosystem.

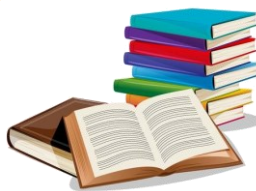

Tabular Summary:

Parameter	Details
Launching authority	UIDAI launched the Aadhaar Face Authentication SDK and Sandbox.
Launch event	The products were unveiled at Global Fintech Fest 2026.
Main purpose	They enable organisations to integrate and test Aadhaar Face Authentication within their own applications.
Supported platforms	The SDK supports both Android and iOS mobile applications.
Security features	The SDK uses AI/ML-based liveness detection, anti-spoofing and secure handling of authentication information.
Authentication scale	Aadhaar Face Authentication has crossed 500 crore transactions and is used by nearly 200 organisations.
Technology rollout	UIDAI's indigenous Aadhaar Face Authentication technology was rolled out in 2021.
Recognition	The technology received the Prime Minister's Award for Excellence in Public Administration 2023 under the Innovation category.

► What is the maximum incentive approved for industries investing in Karnataka's most backward taluks?

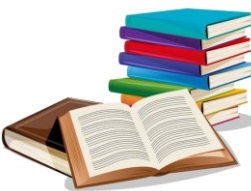

- A) 5%
- B) 10%
- C) 15%
- D) 20%
- E) 25%

Answer
D) 20%.

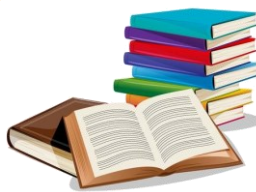

Event and Location:

- **Event:** The Karnataka Cabinet approved the **Karnataka Aerospace Policy 2026-31** along with industrial employment incentives, worker housing measures and healthcare upgrades.
- **Location:** The measures apply across Karnataka, with special incentives for backward and most backward taluks.

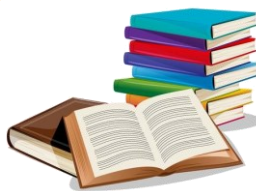

Event and Location:

- **Date:** The **Cabinet** decisions were reported on **10 September 2026**.

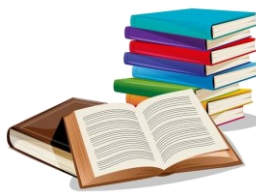

Mandates and Objectives:

- **Mandates:** The policy provides subsidy support for aerospace ventures in focus and non-focus areas, employment-linked incentives, housing for industrial workers and higher incentives for investments in backward regions.

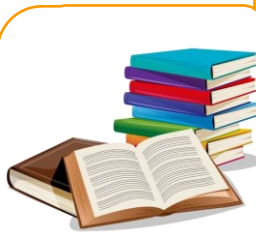

Mandates and Objectives:

- **Objectives:** The measures aim to attract investment, expand aerospace and advanced manufacturing, generate employment, provide worker housing and reduce regional economic imbalances within Karnataka.

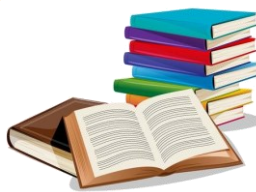

Important Terms Explained:

- **Shramika Nivas Scheme:** It is a worker-housing initiative under which industries will develop housing facilities near workplaces with government subsidy support, with an initial target of **10,000** houses.

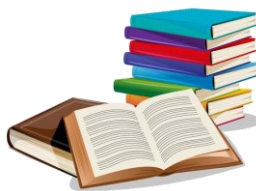

Important Terms Explained:

- Employment-**Based Incentive**: It provides industries **₹2,500** for each worker hired for a period of two years to encourage employment generation.

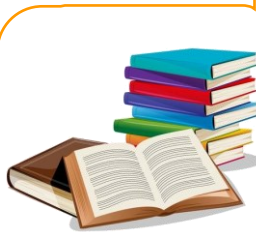

Important Terms Explained:

- **Backward Taluk Incentive:** Industries investing in backward taluks can receive incentives of up to **10%**, while investments in most backward taluks can receive incentives of up to **20%**.

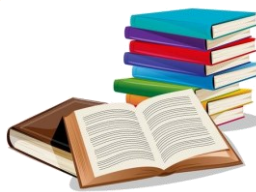

Important Terms Explained:

- **Govinda Rao Report:** It is the reference mentioned in the policy framework for determining the level of backwardness of taluks and thereby guiding differential industrial incentives.

Important Terms Explained:

- Employees' **Provident Fund (EPF)**: It is a statutory retirement savings mechanism for eligible employees, with employers contributing their prescribed share along with other applicable components.

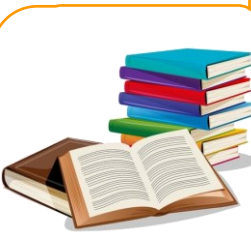

Tabular Summary:

Parameter	Details
Policy name	Karnataka Aerospace Policy 2026-31.
Approving authority	The Karnataka Cabinet approved the policy and related measures.
Core sectors	Aerospace, defence, automobiles, electric vehicles, electronics and semiconductors are among the priority industries.
Backward taluk incentive	Eligible industries can receive incentives of up to 10%.
Most backward taluk incentive	Eligible industries can receive incentives of up to 20%.
Worker housing target	Shramika Nivas proposes the initial construction of 10,000 houses near industrial workplaces.
Employment incentive	Industries will receive ₹2,500 per worker hired for two years.
Health sector measure	₹40.5 crore has been allocated for technical assistance, equipment and digitisation of services such as X-ray reports and ECGs.

QUICK RECALL

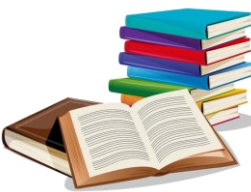

- **East Zone won the 2026-27 Duleep Trophy at Chepauk after its 372-run first-innings advantage over South Zone proved decisive when the final ended in a draw.**
- **Sheetal Devi won her maiden individual Hyundai World Archery Para Series gold in Ahmedabad by defeating Kazakhstan's Aizada Seidan in a shoot-off, boosting India's para archery campaign ahead of the Aichi-Nagoya 2026 Asian Para Games.**
- **The Aichi-Nagoya Asian Games 2026 organisers selected HONOHON as the official mascot to represent athletes' passion, regional Japanese culture and unity through sport.**
- **The Aichi-Nagoya Asian Games 2026 organisers adopted Daisuke Shiba's medal design to represent unity in diversity, athletes' perseverance, regional Japanese culture and sustainability.**
- **Indian authorities lifted trading restrictions on JPMorgan-linked Copthall Mauritius Investment Ltd after it deposited ₹2.96 crore under a SEBI order, although the market-manipulation investigation remains ongoing.**

QUICK RECALL

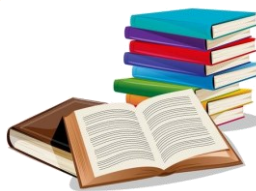

- **ISRO and France's CNES are jointly developing TRISHNA to provide high-resolution Earth observations for monitoring surface temperature, water stress, coastal waters, glaciers and climate-related variables.**
- **India unveiled ORV Sagar Manthan at Kolkata on 9 September 2026, with GRSE developing the indigenous research vessel for NCPOR to strengthen advanced ocean exploration under the Deep Ocean Mission.**
- **The UK recognised India's Carbon Credit Trading Scheme under its CBAM framework, potentially lowering carbon-related costs for eligible Indian exporters by accounting for carbon prices already paid in India.**
- **The 9th Rashtriya Poshan Maah 2026 began across India on 9 September under the theme "Hamari Anganwadi, Hamari Jimmedari" to strengthen Anganwadi-led nutrition, childcare and early childhood development.**

QUICK RECALL

- **UIDAI launched the Aadhaar Face Authentication SDK and Sandbox at Global Fintech Fest 2026 to help banks, fintechs, government bodies and other organisations integrate and test secure facial authentication within their digital applications.**
- **The Karnataka Cabinet approved the Karnataka Aerospace Policy 2026-31 and complementary employment, housing and regional incentive measures to attract advanced industries, create jobs and reduce regional disparities.**
