➤ **What is the theme of World Heart Day 2026?**

- A) Use Heart for Action
- B) Heart for Every Heart
- C) Don't Miss a Beat
- D) Beat Cardiovascular Disease
- E) Healthy Heart Healthy Life

Answer

C) Don't Miss a Beat.

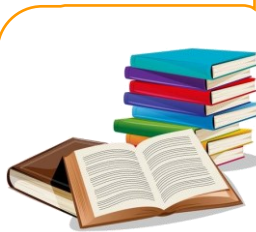

Important Days

Event and Location:

- **Event: World Heart Day 2026** is observed to raise awareness about cardiovascular diseases, their risk factors, warning signs, prevention and the importance of maintaining heart health.
- **Location: World Heart Day** is observed globally as an international cardiovascular health awareness campaign.

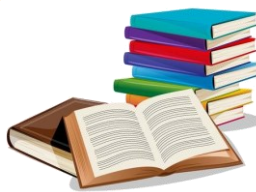

Important Days

Event and Location:

- **Date: World Heart Day** is observed annually on **29** September, with the **2026** observance falling on **29** September **2026**.

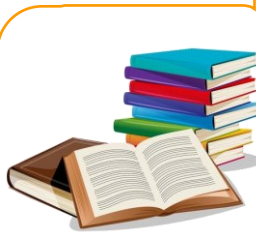

Important Days

Mandates and Objectives:

- **Mandates: World Heart Day** is coordinated by the **World Heart Federation** with **WHO** assistance, and the **2026** theme “Don’t **Miss a Beat**” emphasises awareness of warning signs and attention to cardiovascular health.

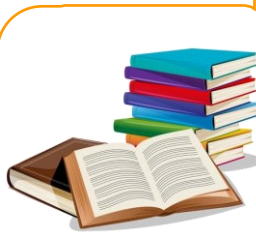

Important Days

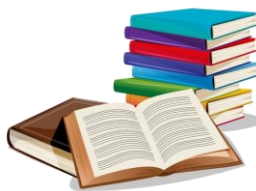

Mandates and Objectives:

- **Objectives:** The observance aims to promote cardiovascular disease prevention, encourage early detection, increase awareness of modifiable risk factors and encourage healthier lifestyle practices.

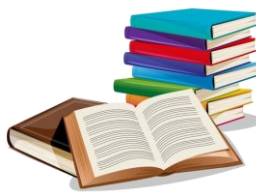

Important Terms Explained:

- **Cardiovascular Diseases (CVDs):** These are diseases affecting the heart and blood vessels, with major risk factors including tobacco use, unhealthy diet, physical inactivity, hypertension, diabetes and abnormal blood lipid levels.

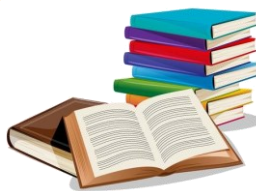

Important Terms Explained:

- **Non-Communicable Diseases (NCDs):** These are diseases that are not transmitted between people, with cardiovascular diseases forming an important category targeted by global public health prevention and management initiatives.

Important Terms Explained:

- **SEAHEARTS Initiative:** It is an initiative in the **WHO South-East Asia Region** aimed at accelerating cardiovascular disease prevention and control through measures including tobacco control, salt reduction, trans-fat elimination and improved hypertension and diabetes management.

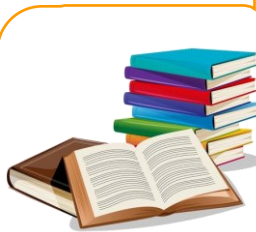

Important Days

Important Terms Explained:

- **Hypertension:** It refers to high blood pressure and is a major cardiovascular disease risk factor that can be addressed through early diagnosis, appropriate treatment and lifestyle changes.

Important Days

Tabular Summary:

Parameter	Details
Observance	World Heart Day is observed annually to raise awareness about cardiovascular diseases and their prevention.
Date	World Heart Day is observed every year on 29 September.
2026 theme	The theme for World Heart Day 2026 is "Don't Miss a Beat."
Coordination	The global campaign is coordinated by the World Heart Federation with assistance from WHO.
Major risk factors	Tobacco use, unhealthy diet, physical inactivity, hypertension, diabetes and abnormal blood lipids are major CVD risk factors.
Warning signs	Possible warning signs include chest pain, shortness of breath, unusual tiredness, palpitations, dizziness and swelling.
Preventive measures	A healthy diet, regular physical activity, avoiding tobacco, health screenings, adequate sleep and stress management support cardiovascular health.
Regional initiative	SEAHEARTS supports accelerated cardiovascular disease prevention and control in the WHO South-East Asia Region.

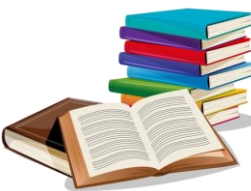

➤ **Which trio won the women's trap team silver medal for India at the Asian Games 2026?**

- A) Neeru Dhanda, Aashima Ahlawat and Manisha Keer
- B) Esha Singh, Manu Bhaker and Rahi Sarnobat
- C) Neeru Dhanda, Esha Singh and Manisha Keer
- D) Aashima Ahlawat, Suruchi Singh and Neeru Dhanda
- E) Manisha Keer, Manu Bhaker and Suruchi Singh

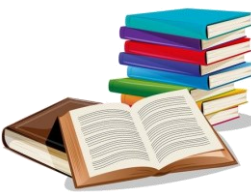

Answer

A) Neeru Dhanda, Aashima Ahlawat and Manisha Keer.

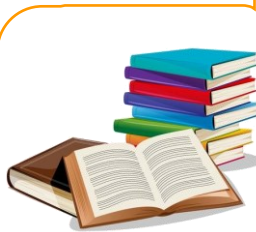

Event and Location:

- **Event:** India won the women's trap team silver medal at the **Asian Games 2026** with **Neeru Dhandra**, **Aashima Ahlawat** and **Manisha Keer** recording a combined score of **328**.
- **Location:** The event was held at the **Aichi Prefectural General Shooting Gallery** during the **Aichi-Nagoya Asian Games 2026**.
- **Date:** The medal achievement was reported on **29 September 2026**.

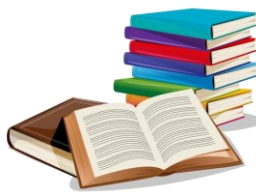

Mandates and Objectives:

- **Mandates:** The Indian women's trap team competed in the three-day, **125**-shot qualification round, with the combined scores of **Neeru Dhanda, Aashima Ahlawat and Manisha Keer** determining India's team result.

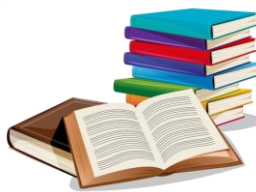

Mandates and Objectives:

- **Objectives:** The team competition required shooters to achieve the highest possible combined score by consistently hitting clay targets, with India finishing behind China and ahead of Kuwait to secure silver.

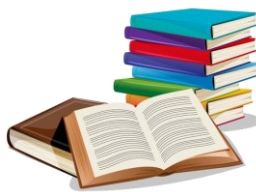

Important Terms Explained:

- **Trap Shooting:** Trap shooting is a shotgun discipline in which athletes attempt to hit clay targets launched from a trap machine at varying angles and speeds.

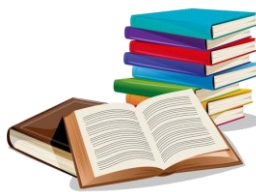

Important Terms Explained:

- Women's **Trap Team Event**: It is a team shooting competition in which the scores of participating shooters from the same country are combined to determine the team standings.

Important Terms Explained:

- Shoot-off: A shoot-off is a tiebreaking procedure used when shooters finish level and additional shots are required to determine the final position.

Tabular Summary:

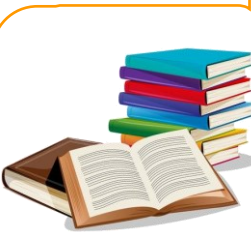

Parameter	Details
Event	India won silver in the women's trap team event at the Asian Games 2026.
Indian team	Neeru Dhanda, Aashima Ahlawat and Manisha Keer represented India.
India's score	India recorded a combined score of 328.
Gold medal	China won gold with a score of 346.
Bronze medal	Kuwait secured bronze with a score of 325.
Individual qualification	Neeru Dhanda qualified for the individual final after scoring 118 in qualification.
Other Indian scores	Aashima Ahlawat scored 106 and finished 16th, while Manisha Keer scored 104 and finished 23rd.
Shooting medal count	The women's trap silver took India's shooting medal tally at the Asian Games 2026 to 13.

➤ Who broke P.T. Usha's 42-year-old national record in the women's 400m hurdles at the Asian Games 2026?

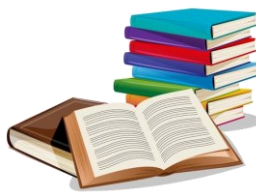

- A) Parul Chaudhary
- B) Vithya Ramraj
- C) Anu Raghavan
- D) Hima Das
- E) Jyothi Yarraji

Answer
B) Vithya Ramraj.

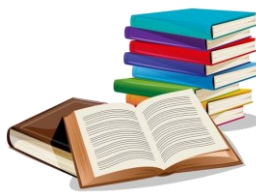

Event and Location:

- **Event:** **Vithya Ramraj** won bronze in the women's **400m** hurdles at the **Asian Games 2026**, setting a new Indian national record of **54.75** seconds.
- **Location:** Aichi-Nagoya, Japan.
- **Date:** September **28, 2026**.

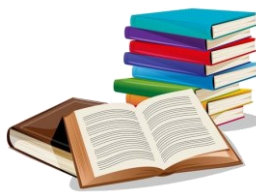

Mandates and Objectives:

- **Mandates:** **Vithya Ramraj** represented India in the women's **400m** hurdles and recorded a personal best of **54.75** seconds to secure the bronze medal.
- **Objectives:** The performance secured India an athletics medal and surpassed P.T. Usha's long-standing national record of **55.42** seconds from the **1984 Los Angeles Olympics**.

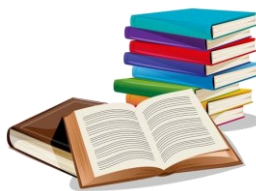

Important Terms Explained:

- **400m Hurdles:** A track event in which athletes complete one lap of a **400**-metre track while clearing a series of hurdles.

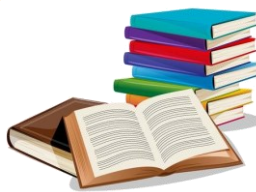

Important Terms Explained:

- **National Record:** The best officially recognised performance achieved by an athlete representing a particular country in a sporting event.

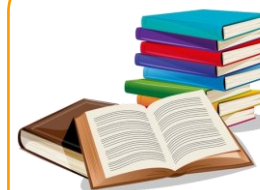

Important Terms Explained:

- Mixed **4x400m** Relay: A relay race involving male and female athletes, with each team member running **400** metres before passing the baton to the next runner.

Tabular Summary:

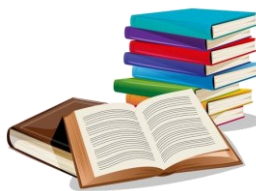

Parameter	Details
Event	Women's 400m hurdles at the Asian Games 2026.
Bronze medallist	Vithya Ramraj of India.
Vithya's timing	54.75 seconds, a personal best and new Indian national record.
Previous record	P.T. Usha's 55.42 seconds, set at the 1984 Los Angeles Olympics.
Gold medallist	Mariam Kareem of the UAE with 54.31 seconds.
Silver medallist	Adelina Zems of Kazakhstan with 54.58 seconds.
Record improvement	Vithya improved the previous Indian record by 0.67 seconds.
Second medal	Vithya had earlier won silver as part of India's mixed 4x400m relay team at the Games.

➤ Who became the youngest player to satisfy the criteria for the Woman Grandmaster title after securing her third WGM norm at the 2026 Chess Olympiad?

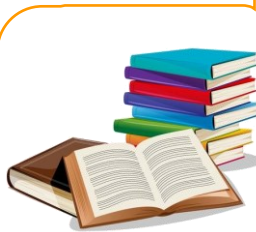

- A) Hou Yifan
- B) Kateryna Lagno
- C) Bodhana Sivanandan
- D) Divya Deshmukh
- E) Vaishali Rameshbabu

Answer
C) Bodhana Sivanandan.

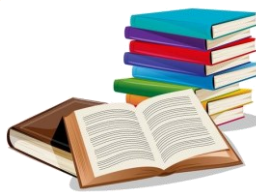

Event and Location:

- **Event:** **Bodhana Sivanandan** became the youngest player to satisfy the criteria for the **Woman Grandmaster (WGM)** title after securing her third and final **WGM** norm at the **46th Chess Olympiad**.
- **Location:** Samarkand, Uzbekistan.
- **Date:** September **2026**.

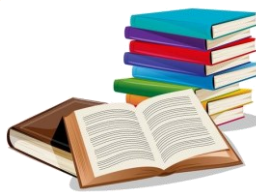

Mandates and Objectives:

- **Mandates:** **Bodhana Sivanandan** represented England on **Board No. 1** in the women's competition at the **46th FIDE Chess Olympiad** and secured her third **WGM** norm while scoring **8** points from **11** rounds.

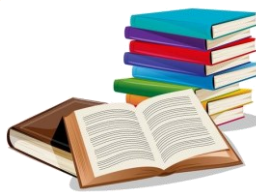

Mandates and Objectives:

- **Objectives:** The third **WGM** norm enabled Bodhana to satisfy the norm requirement for the **WGM** title and break the previous youngest-age record associated with **Kateryna Lagno**.

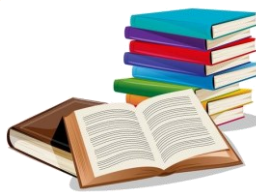

Important Terms Explained:

- **WGM Norm:** A qualifying performance achieved in a **FIDE**-rated tournament toward earning the **Woman Grandmaster** title, with three such norms required under the applicable title criteria.

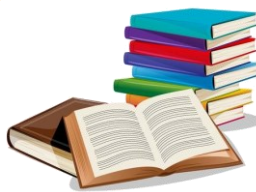

Important Terms Explained:

- **International Master (IM):** An open **FIDE** chess title available to both men and women, requiring three IM norms and a rating of at least **2400** under the title requirements described.

Important Terms Explained:

- **FIDE:** The international governing body for chess that awards recognised titles such as **Woman Grandmaster and International Master**.

Tabular Summary:

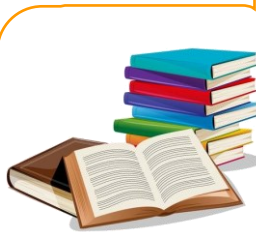

Parameter	Details
Achievement	Bodhana Sivanandan became the youngest player to satisfy the criteria for the WGM title.
Age	She achieved the milestone at 11 years of age.
Tournament	46th FIDE Chess Olympiad 2026.
Location	Samarkand, Uzbekistan.
Representation	She represented England on Board No. 1 in the women's competition.
Olympiad performance	She scored 8 points from 11 rounds, including six victories.
Previous age record	Kateryna Lagno had achieved the WGM title at the age of 12.
Additional achievement	Bodhana also secured another International Master norm at the Samarkand tournament.

➤ Who won the silver medal in the men's javelin throw at the Asian Games 2026 with a personal-best throw of 85.72 metres?

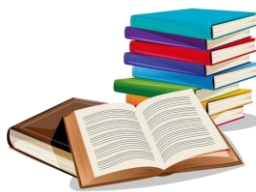

- A) Rohit Yadav
- B) Rumesh Tharanga Pathirage
- C) Kishore Jena
- D) Yashvir Singh
- E) Neeraj Chopra

Answer
D) Yashvir Singh.

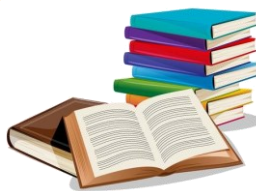

Event and Location:

- **Event:** **Yashvir Singh** won silver and **Rohit Yadav** secured bronze for India in the men's javelin throw at the **Asian Games 2026**.
- **Location:** **Nagoya City Mizuho Park Athletic Stadium**, Aichi-Nagoya, Japan.
- **Date:** September **28, 2026**.

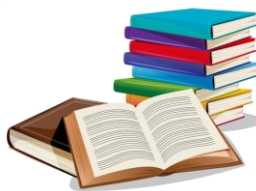

Mandates and Objectives:

- **Mandates:** India secured two podium positions in the men's javelin throw, with **Yashvir Singh** recording a personal-best **85.72** metres and **Rohit Yadav** throwing **84.35** metres.
- **Objectives:** The performances strengthened India's medal tally in athletics, while Yashvir achieved a new personal best in the event.

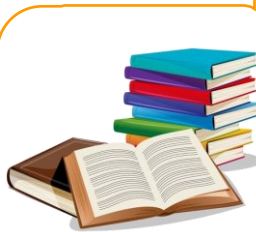

Important Terms Explained:

- **Javelin Throw:** An athletics field event in which competitors throw a spear-like implement called a javelin as far as possible within prescribed rules.

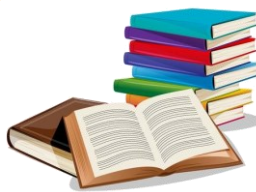

Important Terms Explained:

- **Personal Best:** The best performance recorded by an athlete during their competitive career, with **Yashvir Singh** achieving **85.72** metres in the final.

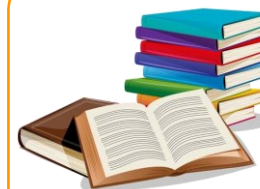

Important Terms Explained:

- **Podium Finish:** A top-three finish in a sporting event corresponding to gold, silver, or bronze medal positions.

Tabular Summary:

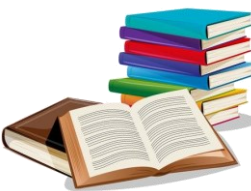

Parameter	Details
Event	Men's javelin throw at the Asian Games 2026.
Venue	Nagoya City Mizuho Park Athletic Stadium, Japan.
Silver medallist	Yashvir Singh of India with 85.72 metres.
Bronze medallist	Rohit Yadav of India with 84.35 metres.
Gold medallist	Rumesh Tharanga Pathirage of Sri Lanka with 88.55 metres.
Yashvir's achievement	His 85.72-metre throw was a personal best.
Previous edition	India had won gold and silver through Neeraj Chopra and Kishore Jena respectively at the previous Asian Games in Hangzhou.
Significance	India secured two of the three podium positions in the men's javelin event.

► What time did India clock to win the women's 4x400m relay gold medal at the Asian Games 2026?

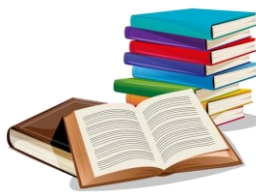

- A) 3:28.69
- B) 3:29.69
- C) 3:30.21
- D) 3:31.02
- E) 3:32.69

Answer
B) 3:29.69.

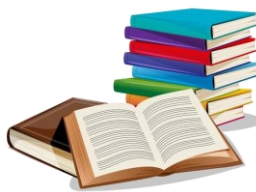

Event and Location:

- **Event:** India won the women's **4x400m** relay gold medal at the **Asian Games 2026** after **Kiran Pahal, M.R. Poovamma, Prachi and Vithya Ramraj** completed the final in **3:29.69**.
- **Location:** **Asian Games 2026**.
- **Date:** **September 29, 2026**.

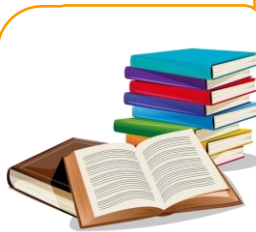

Mandates and Objectives:

- **Mandates:** India competed in the women's **4x400m** relay with **Kiran Pahal**, M.R. Poovamma, **Prachi** and **Vithya Ramraj**, finishing ahead of **Bahrain and China** to secure the gold medal.
- **Objectives:** The relay required the four athletes to combine speed, pacing, strategic positioning and efficient baton exchanges to complete the **4x400m** race in the fastest time.

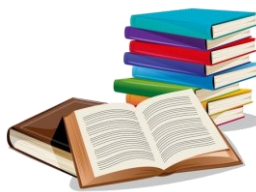

Important Terms Explained:

- **4x400m Relay:** The **4x400m** relay is an athletics event in which four athletes from each team run approximately **400** metres each and pass a baton within designated exchange areas.

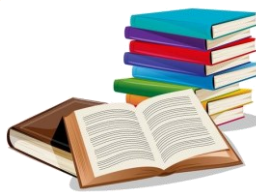

Important Terms Explained:

- **Anchor Leg:** The anchor leg is the final leg of a relay race, with the last runner responsible for completing the race for the team.

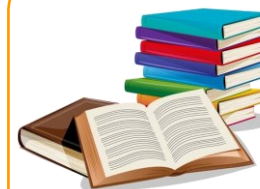

Important Terms Explained:

- **Baton Exchange:** Baton exchange is the process of transferring the relay baton from one runner to the next within a designated area during a relay event.

Tabular Summary:

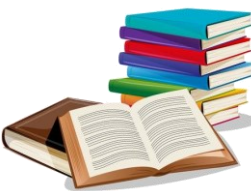

Parameter	Details
Event	Women's 4x400m relay at the Asian Games 2026.
Gold medal winner	India won the final with a time of 3:29.69.
Indian team	Kiran Pahal, M.R. Poovamma, Prachi and Vithya Ramraj represented India.
Silver medal	Bahrain finished second with a time of 3:30.21.
Bronze medal	China finished third with a time of 3:31.02.
Winning margin	India finished 0.52 seconds ahead of Bahrain.
Vithya's medal tally	Vithya Ramraj won one gold, one silver and one bronze medal at the Games.
Previous performance	India improved from a silver medal in the women's 4x400m relay at the previous Asian Games to gold in 2026.

► How many medals did India win on Day 10 of the Asian Games 2026?

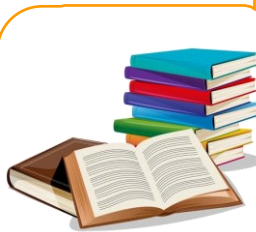

- A) Six
- B) Seven
- C) Eight
- D) Nine
- E) Ten

Answer
C) Eight.

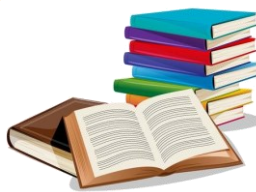

Event and Location:

- **Event:** India won eight medals on Day **10** of the **Asian Games 2026**, comprising two gold, one silver and five bronze medals, with **Neeru Dhanda** and the women's **4x400m** relay team securing the two golds.
- **Location:** Aichi-Nagoya, Japan.
- **Date:** September **29, 2026**.

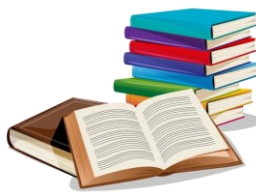

Mandates and Objectives:

- **Mandates:** India's Day 10 campaign featured medal-winning performances across shooting, athletics and boxing, while Indian competitors also progressed in volleyball, squash, archery and tennis events.

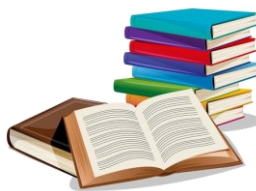

Mandates and Objectives:

- **Objectives:** Indian athletes competed across individual and team disciplines to secure medals and advance to subsequent rounds, taking India's overall tally to **53** medals at the end of Day **10**.

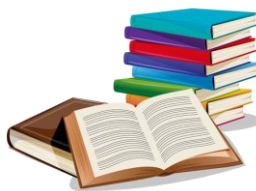

Important Terms Explained:

- Women's Trap: Women's trap is a shotgun shooting event in which competitors attempt to hit clay targets launched from a trap, with **Neeru Dhanda** winning India's individual gold on Day **10**.

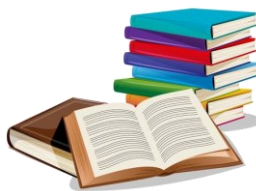

Important Terms Explained:

- **4x400m Relay:** The **4x400m** relay is an athletics event involving four runners per team, with each athlete completing approximately **400** metres before passing the baton to the next runner.

Important Terms Explained:

- Mixed **4x100m** Relay: The mixed **4x100m** relay is a sprint relay involving male and female athletes, with India winning bronze in its **Asian Games** debut with a season's best of **41.06** seconds.

Tabular Summary:

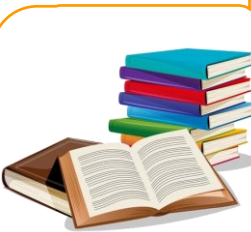

Parameter	Details
Day 10 medal haul	India won eight medals comprising two gold, one silver and five bronze medals.
Shooting gold	Neeru Dhanda won gold in the women's individual trap event.
Athletics gold	Kiran Pahal, Prachi Choudhary, M.R. Poovamma and Vithya Ramraj won the women's 4x400m relay in 3:29.69.
Silver medal	Neeru Dhanda, Aashima Ahlawat and Manisha Keer won silver in the women's trap team event with 328 points.
Athletics bronzes	Gulveer Singh, Pooja Singh and India's mixed 4x100m and men's 4x400m relay teams secured bronze medals.
Boxing bronze	Narender Berwal won bronze in the men's +90kg boxing category.
Overall medal tally	India ended Day 10 with 53 medals comprising 6 gold, 21 silver and 26 bronze medals.
Overall position	India stood in 10th position in the overall medal standings at the end of Day 10.

➤ What is the one-time payment required for the FASTag Annual Pass?

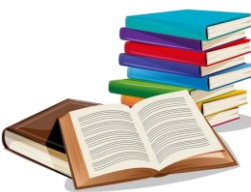

- A) ₹2,500
- B) ₹2,750
- C) ₹3,000
- D) ₹3,075
- E) ₹3,500

Answer
D) ₹3,075.

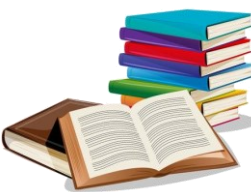

Event and Location:

- **Event:** The FASTag **Annual Pass** crossed the milestone of one crore passes issued since its launch.
- **Location:** The pass is applicable at around **1,150** eligible fee plazas on **National Highways and National Expressways in India.**

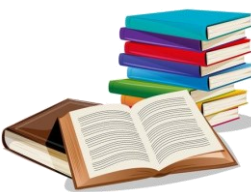

Event and Location:

- **Date:** The one-crore milestone was reported on **29** September **2026**, while the pass was launched on **15** August **2025**.

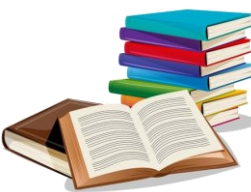

Mandates and Objectives:

- **Mandates:** The FASTag **Annual Pass** allows eligible non-commercial vehicles with a valid FASTag to access covered fee plazas through a one-time payment of **₹3,075** for one year or **200** toll plaza crossings, whichever comes first.

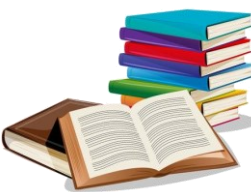

Mandates and Objectives:

- **Objectives:** The initiative aims to simplify toll payments, reduce the need for repeated toll payments or FASTag recharges, and facilitate easier and more economical travel on the **National Highway** network.

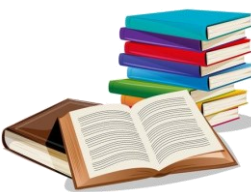

Important Terms Explained:

- **FASTag:** FASTag is an electronic toll payment mechanism through which toll transactions are processed electronically at eligible fee plazas.

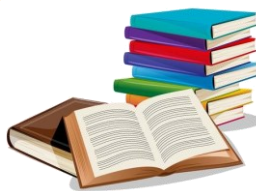

Important Terms Explained:

- **FASTag Annual Pass:** It is a toll payment facility for eligible non-commercial vehicles that provides access to covered fee plazas for one year or **200** toll plaza crossings, whichever comes first, after a one-time payment of **₹3,075**.

Important Terms Explained:

- **Rajmargyatra App:** It is the digital platform through which payment and activation of the **Annual Pass** can be completed using the vehicle's existing FASTag.

Tabular Summary:

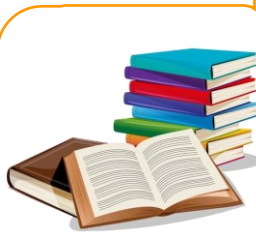

Parameter	Details
Milestone	The number of Annual Passes issued crossed one crore.
Launch date	The facility was launched on 15 August 2025.
Pass cost	The one-time payment is ₹3,075.
Validity	The pass is valid for one year or 200 toll plaza crossings, whichever comes first.
Coverage	It is available at around 1,150 eligible fee plazas on National Highways and National Expressways.
Eligibility	It is available for eligible non-commercial vehicles having a valid FASTag.
Activation	The pass is electronically activated on the vehicle's existing FASTag through the Rajmargyatra app.
Purpose	The facility aims to simplify toll payments and facilitate easier and more economical National Highway travel.

► How many Starlink V3 satellites were deployed by SpaceX's Starship during its first orbital flight on September 28, 2026?

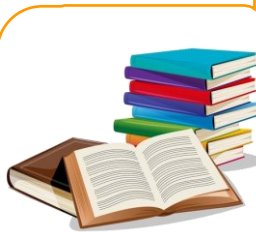

- A) 18
- B) 20
- C) 24
- D) 26
- E) 30

Answer
D) 26.

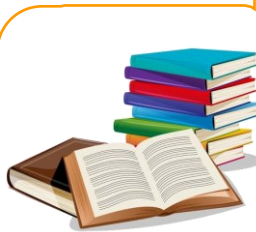

Event and Location:

- **Event:** SpaceX Starship reached orbit for the first time during Flight **14** and successfully deployed **26** next-generation Starlink V**3** satellites.
- **Location:** Starbase, Texas, **USA**, with the spacecraft returning to the **Pacific Ocean** near Hawaii.
- **Date:** September **28, 2026**.

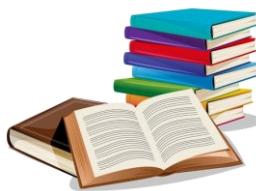

Mandates and Objectives:

- **Mandates: Starship Flight 14** tested the spacecraft's orbital capabilities, satellite deployment, in-space operations, deorbit manoeuvre, and controlled return capabilities.

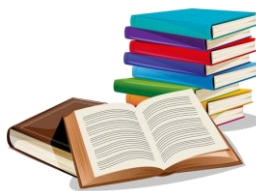

Mandates and Objectives:

- **Objectives:** The mission aimed to demonstrate Starship's ability to reach orbit and deliver satellite payloads as part of the development of a fully reusable space transportation system.

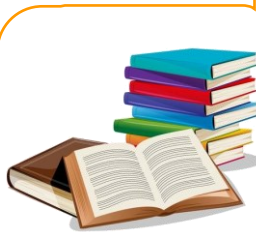

Important Terms Explained:

- **Starship Flight 14:** SpaceX's **14th** Starship test flight and the first mission in which the spacecraft successfully reached orbit.
- **Starlink V3:** SpaceX's next-generation satellites designed to enhance the capabilities of its Starlink broadband network.

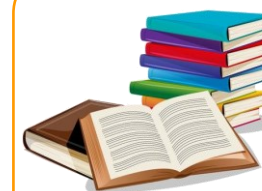

Important Terms Explained:

- **Super Heavy:** The booster stage used with Starship to provide the thrust required to launch the spacecraft toward space.
- **Orbital Insertion:** The process of placing a spacecraft into a trajectory that allows it to orbit Earth.

Tabular Summary:

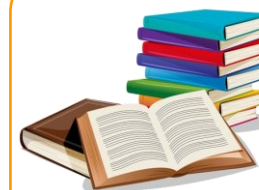

Parameter	Details
Mission	Starship Flight 14.
Launch date	September 28, 2026.
Launch site	Starbase, Texas, USA.
Launch vehicle	Starship and Super Heavy.
Major milestone	Starship successfully reached orbit for the first time.
Payload	26 Starlink V3 satellites were deployed.
Planned mission	Nearly 10 hours, about six orbits, and an orbital altitude of approximately 275 km.
Actual outcome	The mission was shortened to about three hours after an engine malfunction, followed by a Pacific Ocean splashdown.

➤ What is the name of India's National Counter-Terrorism Policy and Strategy unveiled in 2026?

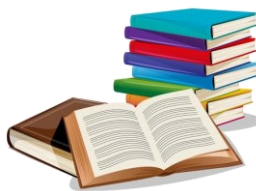

- A) BHARATPOL
- B) PRAHAAR
- C) NATGRID
- D) SAMARTH
- E) SURAKSHA

Answer
B) PRAHAAR.

Event and Location:

- **Event:** Union Home Minister Amit Shah launched the **Extradition Portal** to improve coordination and accelerate the process of bringing fugitive criminals back to India as part of the country's counter-terrorism and law-enforcement framework.
- **Location:** The **Extradition Portal** was launched in **New Delhi, India**.

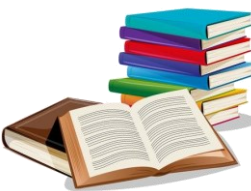

SCHEMES & INITIATIVES

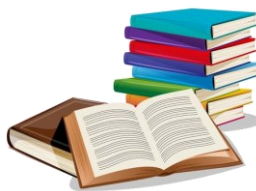

Event and Location:

- **Date: The Extradition Portal** was launched on **28 September 2026**.

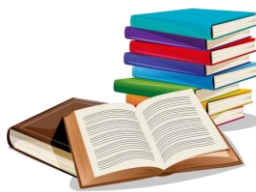

Mandates and Objectives:

- **Mandates: The Extradition Portal** is intended to strengthen coordination among central agencies, **State Police Forces** and international law-enforcement mechanisms, while **PRAHAAR** provides a seven-pillar framework for counter-terrorism action.

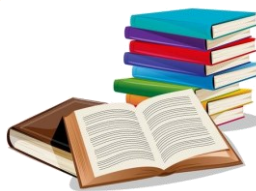

Mandates and Objectives:

- **Objectives:** The initiatives aim to accelerate the return of fugitives, strengthen intelligence-driven counter-terrorism responses, improve inter-agency and international cooperation and institutionalise coordinated security measures down to the police-station level.

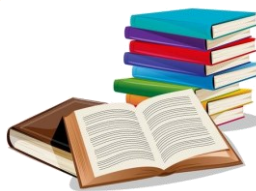

Important Terms Explained:

- **PRAHAAR:** It is India's **National Counter-Terrorism Policy and Strategy**, unveiled by the **Ministry of Home Affairs** on **23 February 2026**, and is based on seven pillars covering prevention, response, institutional capacities, human rights, underlying conditions, international cooperation and resilience.

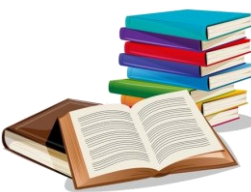

Important Terms Explained:

- **Extradition:** It is the legal process through which one country formally requests another country to surrender an accused or convicted person for trial or punishment in the requesting country.

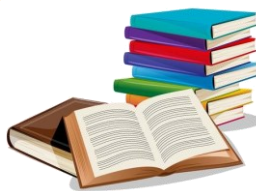

Important Terms Explained:

- **BHARATPOL:** It is a **CBI**-initiated platform designed to connect Indian law-enforcement agencies with international policing mechanisms and facilitate information-sharing and international police cooperation.

Important Terms Explained:

- Counter-Radicalisation: It refers to measures intended to prevent or limit processes that can lead individuals towards extremist or terrorist ideologies and forms part of the broader counter-terrorism approach.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
Key development	Union Home Minister Amit Shah launched the Extradition Portal to strengthen coordination for bringing fugitives back to India.
Launch date and place	The portal was launched on 28 September 2026 in New Delhi.
Fugitives returned	According to the Ministry of Home Affairs, 288 fugitive criminals were brought back from 36 countries between 2019 and 2026.
PRAHAAR	India's National Counter-Terrorism Policy and Strategy was unveiled on 23 February 2026.
Seven pillars	PRAHAAR covers Prevention, Response, Aggregating Internal Capacities, Human Rights, Attenuating Conditions, Aligning International Efforts, and Recovery & Resilience.
Local implementation	PRAHAAR is intended to extend counter-terrorism mechanisms to the police-station or thana level.
BHARATPOL	The platform facilitates international policing cooperation and information-sharing for Indian law-enforcement agencies.
Coordination focus	The framework emphasises intelligence-driven operations, real-time information-sharing, critical infrastructure security and State-Centre coordination.

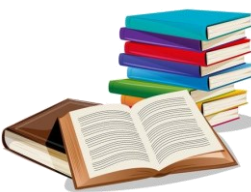

➤ Which institution in Kerala developed the Dengue Early Warning System (DEWS) to forecast district-level dengue trends?

- A) India Meteorological Department
- B) Institute of Advanced Virology
- C) National Centre for Disease Control
- D) Indian Council of Medical Research
- E) State Surveillance Unit

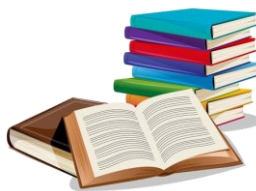

Answer

B) Institute of Advanced Virology.

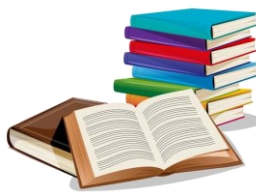

Event and Location:

- **Event:** Scientists at the **Institute of Advanced Virology** developed a machine-learning-based **Dengue Early Warning System** to generate weekly district-level dengue forecasts using disease surveillance and weather data.
- **Location:** Kerala, India.
- **Date:** September **29, 2026**.

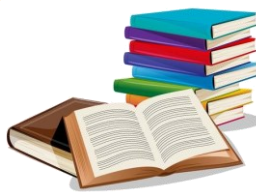

Mandates and Objectives:

- **Mandates: The Dengue Early Warning System** combines dengue incidence data with rainfall, temperature and average humidity to generate separate weekly risk forecasts for districts across Kerala.

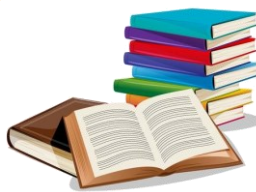

Mandates and Objectives:

- **Objectives:** The system aims to provide advance indications of dengue risk so that public-health authorities can strengthen surveillance, vector-reduction activities, testing, laboratory readiness and healthcare preparedness.

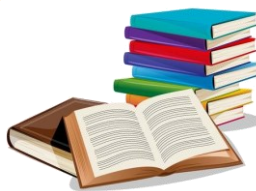

Important Terms Explained:

- **Machine Learning:** Machine learning is a data-analysis approach used by **DEWS** to identify patterns in disease and weather data and generate forecasts of dengue trends.

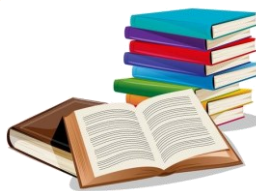

Important Terms Explained:

- **Epidemiological Data:** Epidemiological data refers to information about disease occurrence and distribution, with **DEWS** using dengue surveillance data obtained from Kerala's **State Surveillance Unit**.

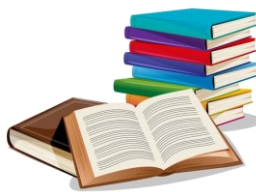

Important Terms Explained:

- **Aedes Mosquitoes:** Aedes mosquitoes are vectors that transmit dengue viruses, with their development and survival influenced by environmental factors such as rainfall, temperature and humidity.

Important Terms Explained:

- **XGBoost:** XGBoost is a machine-learning model that produced an R^2 value of **0.72** in a separate **2026** study examining dengue and climatic data in Kerala.

SCHEMES & INITIATIVES

Tabular Summary:

Parameter	Details
System name	Dengue Early Warning System, or DEWS.
Developing institution	Scientists at the Institute of Advanced Virology in Kerala developed the system.
Data period	The model uses six years of data from March 2020 to February 2026.
Key parameters	Dengue cases, rainfall, temperature and average humidity are the four main parameters.
Forecast level	DEWS produces weekly dengue forecasts separately for each district.
Risk categories	Forecasts classify dengue risk as very high, high, moderate or low.
Data sources	Epidemiological data comes from Kerala's State Surveillance Unit and meteorological data from the India Meteorological Department.
Current status	DEWS remains a research project requiring further improvement, annual updating and validation.

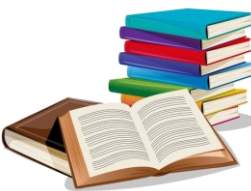

➤ **Which law was cited during the Supreme Court hearing regarding the protection of children's personal data on social media platforms?**

- A) Information Technology Act, 2000
- B) Digital Personal Data Protection Act, 2023
- C) Consumer Protection Act, 2019
- D) Indian Contract Act, 1872
- E) Juvenile Justice Act, 2015

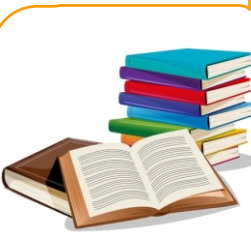

Answer

B) Digital Personal Data Protection Act, 2023.

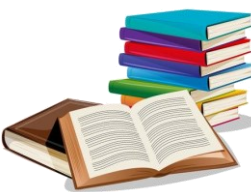

Event and Location:

- **Event:** The Supreme Court directed the Centre to examine the formulation of rules regulating social media access by children below **18**, including the possibility of requiring parental or guardian consent before opening an account.

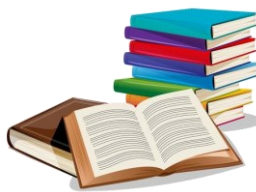

Event and Location:

- **Location:** The matter was heard by the **Supreme Court of India** and concerns social media regulation across India.
- **Date:** **The Supreme Court** considered the matter on **28 September 2026**.

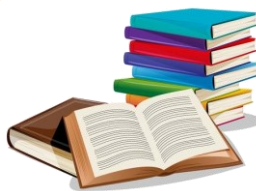

Mandates and Objectives:

- **Mandates: The Centre** was asked to examine whether existing provisions, including those under the **Digital Personal Data Protection** framework, can address children's social media access or whether additional rules are required.

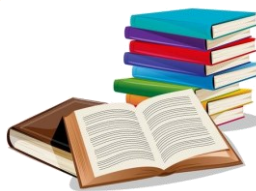

Mandates and Objectives:

- **Objectives:** The proposed safeguards seek to protect children from online grooming, sexual abuse, cyberbullying, privacy violations and inappropriate digital content while examining parental consent and intermediary regulation.

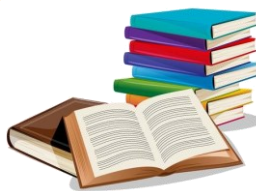

Important Terms Explained:

- **Parental Consent:** It refers to obtaining permission from a parent or legal guardian before a child below **18** is permitted to create a social media account.

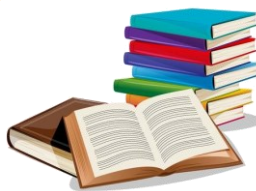

Important Terms Explained:

- **Safe-Harbour Provision:** Section **79** of the **Information Technology Act, 2000** provides conditional protection to intermediaries from liability for third-party information, data or communication hosted by them.

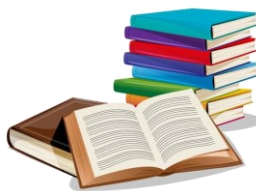

Important Terms Explained:

- **Digital Personal Data Protection Act, 2023:** It provides a legal framework for processing digital personal data and contains provisions concerning the handling of children's personal data.

Important Terms Explained:

- **Social Media Intermediary:** It refers to an intermediary providing a platform that enables users to create, upload, share, disseminate or access information through digital services.

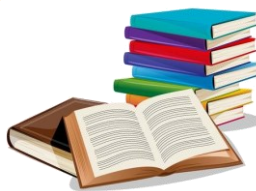

Tabular Summary:

Parameter	Details
Key development	The Supreme Court asked the Centre to examine rules concerning social media access for children below 18.
Date	The matter was considered on 28 September 2026.
Petitioner	The public interest litigation was brought by the Just Rights for Children Alliance.
Bench	The matter was heard by a bench led by Chief Justice of India Surya Kant along with Justices Joymalya Bagchi and V. Mohana.
Main proposal	The petition sought parental or guardian consent before children below 18 create social media accounts.
Requested safeguards	Measures sought include protection against online grooming, sexual abuse, cyberbullying, privacy infringement and inappropriate content.
Legal provisions	The proceedings referred to the DPDP Act, 2023, the Information Technology Rules, 2021 and Section 79 of the Information Technology Act, 2000.
Government response	The Centre agreed to examine whether existing legal provisions are sufficient or whether additional provisions are required.

► Under the Bonn Challenge, India has pledged to restore how much degraded and deforested land by 2030?

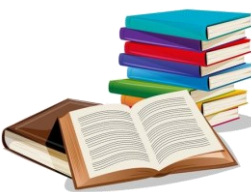

- A) 13 million hectares
- B) 18 million hectares
- C) 21.76 million hectares
- D) 26 million hectares
- E) 30 million hectares

Answer
D) 26 million hectares.

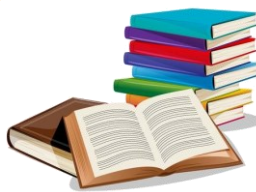

Event and Location:

- **Event:** India highlighted its forest and landscape restoration, sustainable forest management and climate action efforts at the **28th** Session of the Committee on Forestry.
- **Location:** **COFO 28** is being held at the **FAO** headquarters in Rome, Italy.

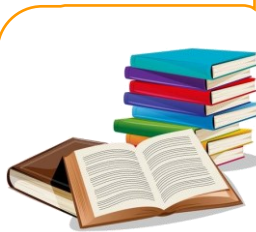

Event and Location:

- **Date: COFO 28** is being held from **28** September to **2** October **2026**.

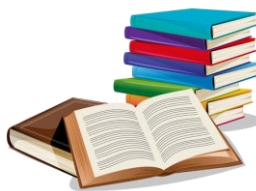

Mandates and Objectives:

- **Mandates:** India presented its progress in forest and tree cover, land restoration, carbon sink creation, mangrove restoration, community plantation and sustainable forest management at **COFO 28**.

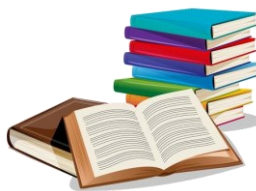

Mandates and Objectives:

- **Objectives:** India emphasised landscape restoration, climate action, community participation, international cooperation, capacity building, technology transfer and sustainable finance for forest restoration, particularly for developing countries.

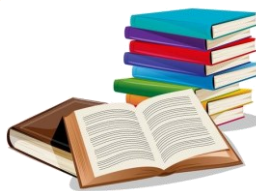

Important Terms Explained:

- **Committee on Forestry (COFO):** COFO is **FAO's** highest-level global intergovernmental forestry platform, providing policy and technical advice, guiding **FAO's** forestry work and facilitating international cooperation.

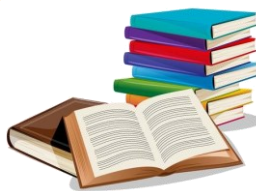

Important Terms Explained:

- **Bonn Challenge:** It is an international restoration commitment launched in **2011** with a global goal of restoring **350 million** hectares of degraded and deforested land by **2030**, while India has pledged to restore **26 million** hectares.

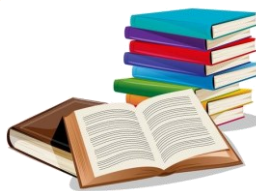

Important Terms Explained:

- **Nationally Determined Contribution (NDC):** It represents a country's climate commitments, with India's updated **NDC** for **2031–2035** targeting an additional carbon sink of **3.5–4.0 billion** tonnes of CO₂ equivalent through forest and tree cover by **2035** compared with **2005**.

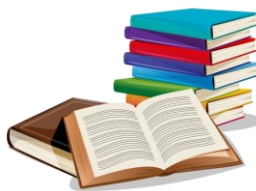

Important Terms Explained:

- **Aravalli Green Wall:** It is a landscape restoration initiative aimed at restoring nearly **6.45 million** hectares of degraded land across the Aravalli landscape covering areas of Gujarat, Delhi, **Haryana** and **Rajasthan**.

Important Terms Explained:

- **MISHTI:** It is an initiative focused on mangrove restoration to support coastal ecosystem conservation, climate adaptation, biodiversity and livelihoods.

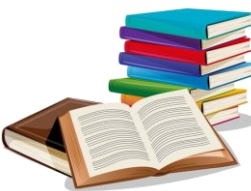

Tabular Summary:

Parameter	Details
Event	India presented its forest restoration and sustainable forest management efforts at COFO 28.
Date and location	COFO 28 is being held from 28 September to 2 October 2026 in Rome, Italy.
Forest and tree cover	India reported 82.74 million hectares of forest and tree cover, representing 25.17% of its geographical area.
Global forest position	According to FAO FRA 2025, India ranked 9th globally in total forest area and 3rd in net annual increase in forest area.
Bonn Challenge target	India has pledged to restore 26 million hectares of degraded and deforested land by 2030.
Restoration progress	India reported restoration of 21.76 million hectares between 2011 and 2020.
Carbon sink target	India aims to create an additional carbon sink of 3.5–4.0 billion tonnes of CO ₂ equivalent through forest and tree cover by 2035 compared with 2005.
Major restoration initiatives	The Aravalli Green Wall, MISHTI and Ek Ped Maa Ke Naam are among the initiatives highlighted for landscape restoration and community participation.

► Where will India Energy Week 2027 be held from January 28 to 31, 2027?

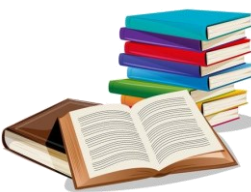

- A) Bengaluru
- B) Goa
- C) Mumbai
- D) Kolkata
- E) New Delhi

Answer
D) Kolkata.

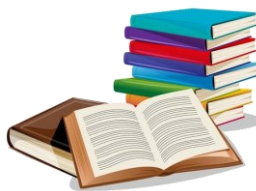

Event and Location:

- **Event: India Energy Week 2027** will be the fifth edition of the international energy conference and the first edition to be held in eastern India.
- **Location: New Town Convention Centre, Kolkata, West Bengal.**
- **Date: January 28 to 31, 2027.**

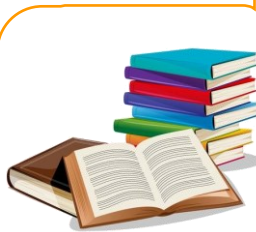

Mandates and Objectives:

- **Mandates:** India Energy Week 2027 will be organised by the **Federation of Indian Petroleum Industry** under the patronage of the **Ministry of Petroleum & Natural Gas, Government of India**, bringing together policymakers, energy companies, investors, industry leaders and technology innovators.

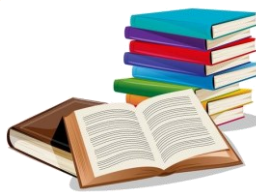

Mandates and Objectives:

- **Objectives:** The event aims to promote discussions on energy security, affordability, sustainability and cleaner energy systems while creating investment opportunities and connecting eastern India's energy stakeholders with global participants.

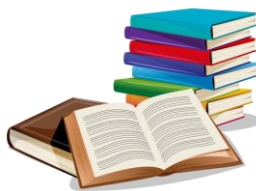

Important Terms Explained:

- **Energy Security:** Energy security refers to ensuring reliable and adequate access to energy resources at affordable prices while reducing risks arising from supply disruptions.

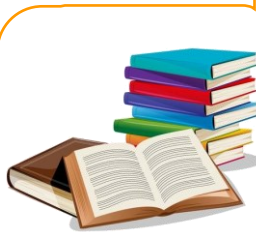

Important Terms Explained:

- **Liquefied Natural Gas (LNG):** LNG is natural gas cooled into liquid form for easier storage and transportation, particularly over long distances where pipelines may not be practical.

Important Terms Explained:

- **Net-Zero Transition:** Net-zero transition refers to the shift towards balancing greenhouse gas emissions produced with emissions removed or offset through cleaner technologies and energy systems.

Tabular Summary:

Parameter	Details
Event name	India Energy Week 2027, the fifth edition of the international energy conference.
Dates	The event will be held from January 28 to 31, 2027.
Venue	New Town Convention Centre, Kolkata, West Bengal.
Theme	"Unlocking Innovation. Securing Energy. Shaping Tomorrow".
Government patronage	The event will take place under the patronage of the Ministry of Petroleum & Natural Gas, Government of India.
Organiser	The Federation of Indian Petroleum Industry will organise the event.
Expected participation	More than 75,000 energy professionals and over 700 international exhibitors are expected to participate.
Key focus areas	Hydrogen, biofuels, renewables, LNG, energy storage, digitalisation, AI, nuclear energy and net-zero technologies will be covered.

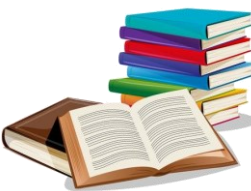

► Who received India's first PRAMAAN certificates for sustainable forest plantation and bamboo farming?

- A) APFDC and Govind Mohapatra
- B) NABCB and APFDC
- C) IIFM and NABCB
- D) Odisha Forest Department and IIFM
- E) FSI and Govind Mohapatra

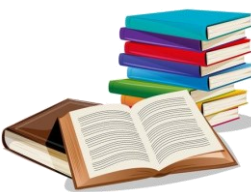

Answer

A) APFDC and Govind Mohapatra.

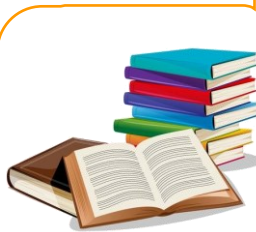

Event and Location:

- **Event:** Union Minister Bhupender Yadav presented India's first **PRAMAAN** certificates to the **Andhra Pradesh Forest Development Corporation** and bamboo farmer **Govind Mohapatra**, marking field-level implementation of India's forest and wood certification framework.

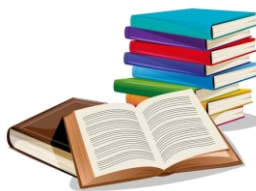

Event and Location:

- **Location:** India, covering **APFDC** plantations in **Andhra Pradesh** and bamboo farming associated with the **Odisha Bamboo Development Agency**.
- **Date:** September 29, 2026.

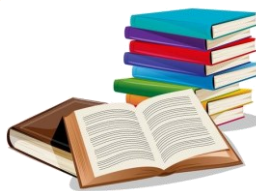

Mandates and Objectives:

- **Mandates: PRAMAAN** operates under the **Indian Forest and Wood Certification Scheme** introduced by the **Ministry of Environment, Forest and Climate Change** to certify sustainable forest and tree management practices and enable traceability of forest and tree products to certified origins.

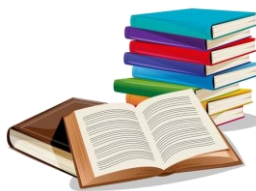

Mandates and Objectives:

- **Objectives:** The certification framework aims to promote sustainable management, responsible sourcing and verifiable forest-product supply chains while supporting producers in meeting requirements linked to deforestation-free markets.

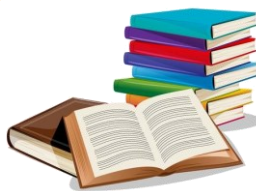

Important Terms Explained:

- **PRAMAAN:** PRAMAAN stands for **Programme for Recognition and Accreditation of Sustainable Management Practices for Agroforestry and Natural Forestry Resources** and serves as the trade name of the **Indian Forest and Wood Certification Scheme**.

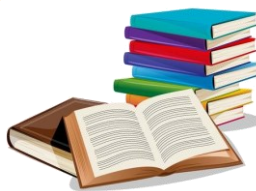

Important Terms Explained:

- **Indian Forest and Wood Certification Scheme (IFWCS):** IFWCS is a certification framework introduced by the **Ministry of Environment, Forest and Climate Change in December 2023** for sustainable forest and tree management and traceability of forest-based products.

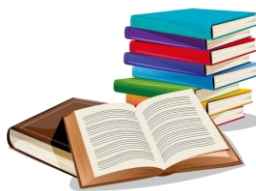

Important Terms Explained:

- **Chain of Custody (CoC):** Chain of Custody provides an uninterrupted and verifiable system for tracing timber and non-timber forest products from certified forests or **Trees Outside Forests** through the supply chain to sale or processing.

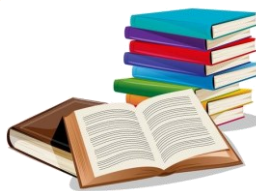

Important Terms Explained:

- **Trees Outside Forests (TOF):** TOF certification covers the sustainable management of trees, plantations and agroforestry resources located outside designated forest lands.

Important Terms Explained:

- **EU Deforestation Regulation (EUDR):** EUDR establishes deforestation-related supply-chain obligations, with the **PRAMAAN Chain of Custody** standard incorporating due-diligence and traceability requirements related to it.

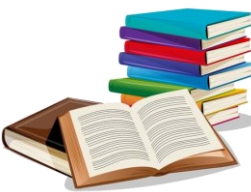

Tabular Summary:

Parameter	Details
Certification	PRAMAAN is the trade name of the Indian Forest and Wood Certification Scheme.
First recipients	APFDC and bamboo farmer Govind Mohapatra received India's first PRAMAAN certificates.
Certificate presentation	Union Environment, Forest and Climate Change Minister Bhupender Yadav presented the certificates.
APFDC coverage	APFDC received certification for plantations covering 33,000 hectares.
Scheme introduction	The Ministry of Environment, Forest and Climate Change introduced IFWCS in December 2023.
Certification categories	The three major categories are Forest Management, Trees Outside Forests and Chain of Custody.
Accreditation requirement	Certification Bodies must be accredited by NABCB and approved under the IFWCS framework.
National framework	The forest management standards are connected with the National Working Plan Code 2023.

QUICK RECALL

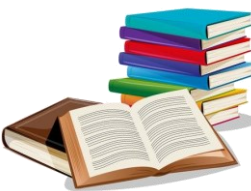

- **World Heart Day is observed globally on 29 September, with the 2026 theme “Don’t Miss a Beat” highlighting cardiovascular disease prevention, early detection and awareness of warning signs.**
- **India’s Neeru Dhanda, Aashima Ahlawat and Manisha Keer won the Asian Games 2026 women’s trap team silver with 328 points, taking India’s shooting medal tally to 13.**
- **Vithya Ramraj won the women’s 400m hurdles bronze at the Asian Games 2026 with 54.75 seconds, breaking P.T. Usha’s 42-year-old Indian national record.**
- **Bodhana Sivanandan became the youngest player to satisfy the Woman Grandmaster title criteria at age 11 after securing her third WGM norm at the 2026 Chess Olympiad in Samarkand.**
- **India secured two men’s javelin medals at the Asian Games 2026 as Yashvir Singh won silver with 85.72 metres and Rohit Yadav claimed bronze with 84.35 metres.**
- **India’s Kiran Pahal, M.R. Poovamma, Prachi and Vithya Ramraj won the Asian Games 2026 women’s 4x400m relay in 3:29.69, defeating Bahrain and China to secure the gold medal.**

QUICK RECALL

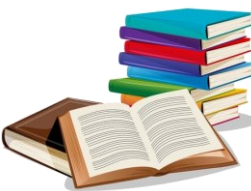

- India won eight medals on Day 10 of the Asian Games 2026, including golds for Neeru Dhanda and the women's 4x400m relay team, taking its overall tally to 53 medals and 10th position.
- The FASTag Annual Pass crossed one crore issuances since its launch by the road transport authorities, marking significant adoption among National Highway users.
- SpaceX's Starship reached orbit for the first time during Flight 14 on September 28, 2026, and deployed 26 Starlink V3 satellites before the mission ended early.
- Union Home Minister Amit Shah launched the Extradition Portal in New Delhi on 28 September 2026 to accelerate fugitive returns and strengthen coordination among State, central and international law-enforcement agencies.

QUICK RECALL

- **Kerala's Institute of Advanced Virology developed the machine-learning-based DEWS using six years of disease and weather data to forecast district-level dengue trends and support early public-health action.**
- **The Supreme Court asked the Centre on 28 September 2026 to examine rules regulating social media access for children below 18, including parental consent and safeguards against online risks.**
- **India highlighted its forest restoration and climate efforts at FAO's COFO 28 in Rome, reporting 82.74 million hectares of forest and tree cover and substantial progress towards its Bonn Challenge commitment.**
- **India Energy Week 2027 will be held at the New Town Convention Centre in Kolkata from January 28 to 31, bringing global energy stakeholders together and marking the event's first edition in eastern India.**
- **Union Minister Bhupender Yadav presented India's first PRAMAAN certificates to APFDC and bamboo farmer Govind Mohapatra, marking the field-level implementation of India's forest and wood certification framework.**
