# Important Days

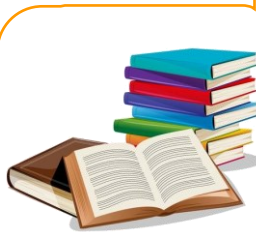

➤ **What is the theme of World Teachers' Day 2026?**

- A) Teachers for Sustainable Development
- B) Standing with teachers: 60 years of defending the profession, elevating its status and shaping our future
- C) Transforming Education through Teachers
- D) Teachers at the Heart of Education Recovery
- E) Empowering Teachers for Global Learning

**Answer**

**B) Standing with teachers: 60 years of defending the profession, elevating its status and shaping our future.**

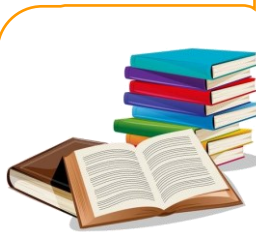

# Important Days

## Event and Location:

- **Event: World Teachers' Day 2026** was observed to recognize teachers' contributions and mark **60** years since the adoption of the **ILO-UNESCO** Recommendation concerning the **Status of Teachers** in **1966**.
- **Location:** The global celebration was held at **UNESCO Headquarters in Paris, France**.
- **Date:** October 5, 2026.

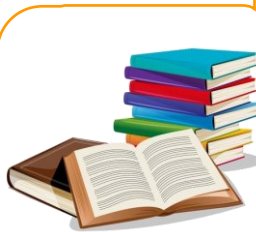

# Important Days

## Mandates and Objectives:

- **Mandates:** **UNESCO** observed **World Teachers' Day 2026** with a focus on teachers' rights, professional status, working conditions and emerging challenges, while highlighting the global requirement for **44 million** additional teachers by **2030**.

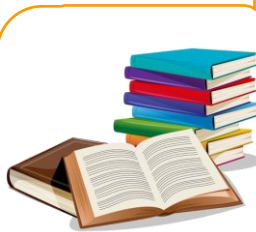

# Important Days

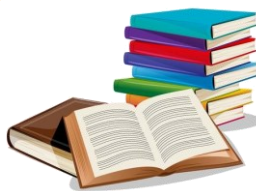

## Mandates and Objectives:

- **Objectives:** The observance aims to strengthen the teaching profession, improve teacher recruitment and retention, protect professional rights and support universal primary and secondary education.

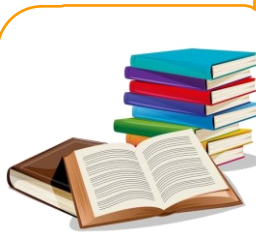

## Important Terms Explained:

- **International Labour Organization (ILO):** It collaborated with **UNESCO** in the adoption of the **1966** Recommendation that established international standards concerning teachers' rights, responsibilities, preparation, recruitment, employment and working conditions.

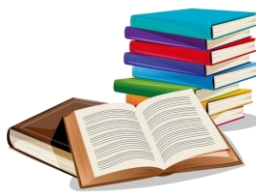

## Important Terms Explained:

- **Teacher Retention:** It refers to the ability of education systems to retain qualified teachers by improving salaries, workload, professional support and working conditions.

## Important Terms Explained:

- **UNESCO-Hamdan Prize for Teacher Development:** It recognizes projects that contribute to teacher development, improved teaching and learning, and better education quality, with its ninth edition featured during the **2026** celebration.

| Parameter               | Details                                                                                                                       |
|-------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Event name              | World Teachers' Day 2026.                                                                                                     |
| Date                    | October 5, 2026.                                                                                                              |
| Location                | UNESCO Headquarters, Paris, France.                                                                                           |
| 2026 theme              | "Standing with teachers: 60 years of defending the profession, elevating its status and shaping our future."                  |
| Historical significance | The observance marked 60 years since the adoption of the 1966 Recommendation concerning the Status of Teachers.               |
| Teacher requirement     | UNESCO estimated that 44 million additional teachers will be needed globally by 2030.                                         |
| Major challenges        | Digital technologies, climate change, inclusion, migration, professional autonomy, salaries, workload and working conditions. |
| Associated award        | The ninth edition of the UNESCO-Hamdan Prize for Teacher Development was part of the 2026 programme.                          |
|                         |                                                                                                                               |
|                         |                                                                                                                               |

# Important Days

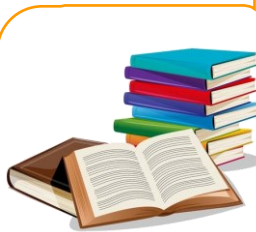

➤ **What is the theme of World Habitat Day 2026?**

- A) Housing and Urban Sustainability
- B) Cities for Everyone
- C) Adequate Housing for All
- D) Sustainable Settlements for Future
- E) Inclusive Cities and Communities

**Answer**

**C) Adequate Housing for All.**

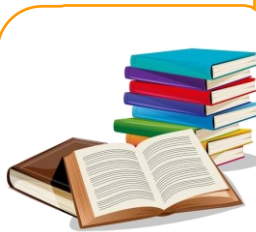

# Important Days

## Event and Location:

- **Event: World Habitat Day 2026** is being observed to highlight the global need for safe, affordable, accessible and dignified housing.
- **Location:** The global observance is being held in Muscat, Oman, from October **5** to October **8, 2026**.
- **Date:** October **5, 2026**.

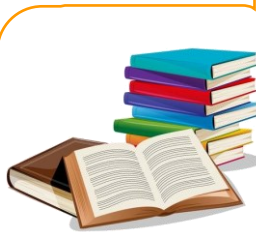

# Important Days

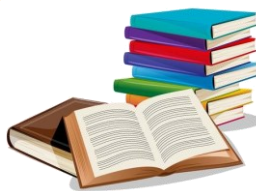

## Mandates and Objectives:

- **Mandates: The United Nations** observance focuses on adequate housing, sustainable urban development, inclusive cities, urban infrastructure, basic services and sustainable human settlements.

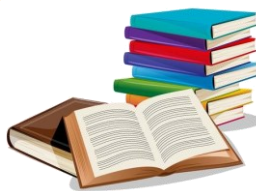

## Mandates and Objectives:

- **Objectives:** The observance aims to promote adequate housing for all, encourage sustainable urban planning and address housing insecurity arising from rapid urbanization, high costs, climate change, conflicts and inadequate housing supply.

## Important Terms Explained:

- **Adequate Housing:** It refers to housing that provides security of tenure, affordability, basic services, habitability, accessibility and suitable access to employment, education and healthcare.

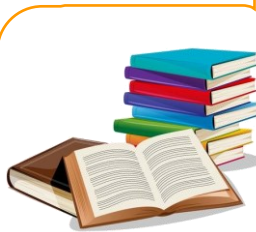

# Important Days

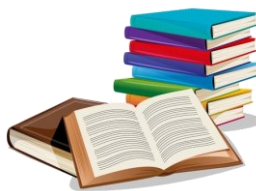

## Important Terms Explained:

- **Urban October:** It is a month-long campaign led by UN-Habitat that begins with **World Habitat Day** and focuses on sustainable urban development.

## Important Terms Explained:

- **Sustainable Development Goal 11 (SDG 11):** It seeks to make cities and human settlements inclusive, safe, resilient and sustainable through measures such as affordable housing, sustainable transport, slum upgrading and disaster reduction.

# Important Days

## Tabular Summary:

| Parameter                  | Details                                                                                                |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Event name                 | World Habitat Day 2026.                                                                                |
| Date                       | October 5, 2026.                                                                                       |
| Theme                      | "Adequate Housing for All".                                                                            |
| Global observance location | Muscat, Oman, from October 5 to October 8, 2026.                                                       |
| Historical background      | The UN General Assembly declared World Habitat Day in 1985, and the first observance was held in 1986. |
| Key housing concerns       | Security of tenure, affordability, basic services, habitability, accessibility and suitable location.  |
| Urbanization projection    | Around 68% of the world's population may live in urban areas by 2050.                                  |
| Related global goal        | SDG 11 promotes inclusive, safe, resilient and sustainable cities and human settlements.               |
|                            |                                                                                                        |
|                            |                                                                                                        |

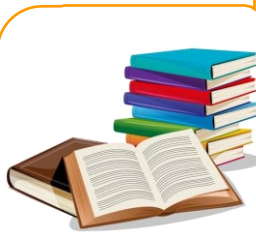

# Important Days

- Which historic Indian architectural feature was specifically designed to provide ventilation, shade and privacy through perforated openings?

- A) Chhatri
- B) Jaali
- C) Stepwell
- D) Dome
- E) Verandah

**Answer**  
**B) Jaali.**

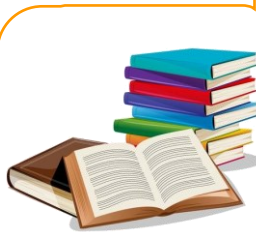

# Important Days

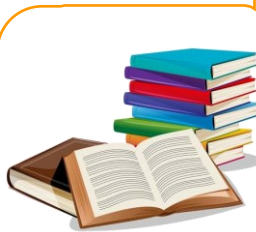

## Event and Location:

- **Event: World Architecture Day 2026** highlighted eight functional features of historic Indian architecture that addressed climate, water management, lighting, ventilation and privacy.
- **Location:** India, with examples drawn from regions including Rajasthan, Gujarat, **Karnataka and North India**.
- **Date:** October 5, 2026.

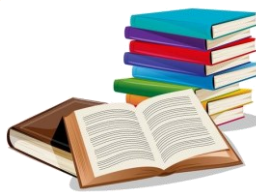

## Mandates and Objectives:

- **Mandates:** The observance showcased traditional architectural elements such as jaalis, jharokhas, chhatris, courtyards, arches, domes, stepwells, balconies and verandahs as practical responses to environmental and social needs.

## Mandates and Objectives:

- **Objectives:** The focus is to demonstrate how historic Indian architecture combined aesthetics with climate adaptation, efficient use of light and air, water access, privacy and community-oriented design.

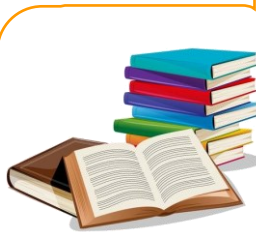

# Important Days

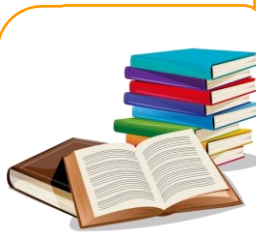

## Important Terms Explained:

- **Jaali:** It is a perforated wall, screen or partition made of materials such as stone, wood or metal that allows air and filtered light to enter while providing shade and privacy.

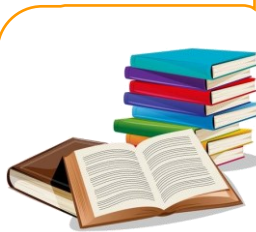

## Important Terms Explained:

- **Jharokha:** It is a projecting and often enclosed window traditionally associated with **Rajasthan and North India** that allows occupants to look outside while remaining sheltered.

## Important Terms Explained:

- **Stepwell:** It is a water structure, also known as baoli, baori or vav, built with descending steps to provide access to water at varying levels.

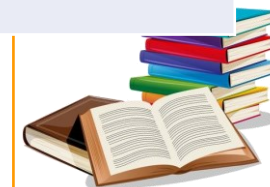

# Important Days

## Tabular Summary:

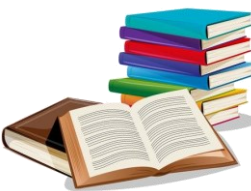

| Parameter                   | Details                                                                                                 |
|-----------------------------|---------------------------------------------------------------------------------------------------------|
| Event name                  | World Architecture Day 2026.                                                                            |
| Date                        | October 5, 2026.                                                                                        |
| Main focus                  | Eight functional features of historic Indian architecture.                                              |
| Climate-responsive features | Jaali, courtyards, verandahs and projecting balconies supported ventilation, shade and thermal comfort. |
| Privacy feature             | Jharokhas and jaalis enabled visibility, airflow and privacy.                                           |
| Water-management feature    | Stepwells provided access to water despite changing water levels.                                       |
| Structural features         | Arches and domes combined structural utility with decorative value.                                     |
| Notable example             | Rani ki Vav in Patan, Gujarat, is a renowned stepwell and a UNESCO World Heritage Site.                 |
|                             |                                                                                                         |
|                             |                                                                                                         |

- Which city received the Olympic Council of Asia (OCA) flag to formally begin preparations for hosting the 21st Asian Games?

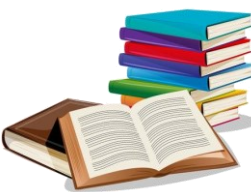

- A) Riyadh
- B) Doha
- C) Muscat
- D) Nagoya
- E) Beijing

**Answer**  
**B) Doha.**

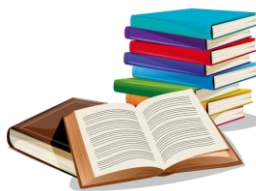

## Event and Location:

- **Event:** Doha received the **Olympic Council of Asia** flag at the closing ceremony of the **20th Asian Games**, formally transferring host responsibility for the **21st Asian Games**.
- **Location:** The handover ceremony was held at **Nagoya City Mizuho Park Athletic Stadium in Nagoya, Japan**, while the next **Asian Games** are scheduled for Doha, Qatar.
- **Date:** October 4, 2026.

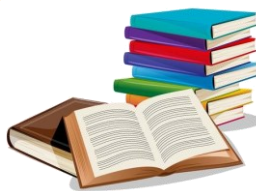

## Mandates and Objectives:

- **Mandates:** Qatar received the **OCA** flag, unveiled the Doha **2030** identity and launched the slogan “**The Games We Live For**” as part of preparations for the next **Asian Games**.

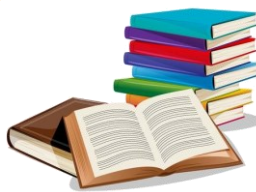

## Mandates and Objectives:

- **Objectives:** The handover aims to mark the formal transition of hosting responsibility from Aichi-**Nagoya** to **Doha** and advance organisational, branding and infrastructure preparations for the **21st Asian Games**.

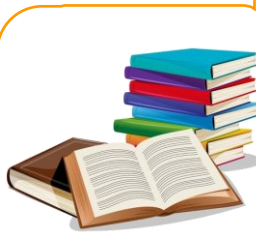

## Important Terms Explained:

- **Olympic Council of Asia:** It is the continental sports organisation responsible for coordinating the **Asian Games** and supporting **National Olympic Committees** across Asia.

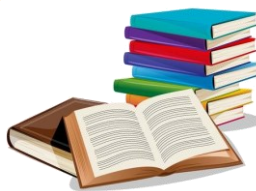

## Important Terms Explained:

- Doha **2030** Identity: It is the official visual identity for the **21st Asian Games**, incorporating the **OCA** sun logo into the letter “O” in the word **DOHA**.

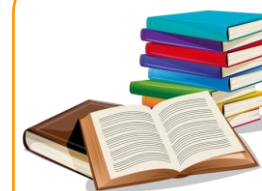

## Important Terms Explained:

- **Asian Games:** It is a major continental multi-sport event involving athletes from **Asian National Olympic Committees** and organised under the **Olympic Council of Asia**.

## Tabular Summary:

| Parameter               | Details                                                                                      |
|-------------------------|----------------------------------------------------------------------------------------------|
| Event                   | OCA flag handover for the 21st Asian Games.                                                  |
| Date                    | October 4, 2026.                                                                             |
| Ceremony location       | Nagoya City Mizuho Park Athletic Stadium, Nagoya, Japan.                                     |
| Next host city          | Doha, Qatar.                                                                                 |
| Edition                 | Doha is set to host the 21st Asian Games.                                                    |
| Official slogan         | "The Games We Live For".                                                                     |
| Flag recipient          | Sheikh Mohammed bin Abdulrahman Al Thani received the OCA flag on behalf of Qatar.           |
| Historical significance | Doha previously hosted the 15th Asian Games in 2006 and is set to host again after 24 years. |
|                         |                                                                                              |
|                         |                                                                                              |

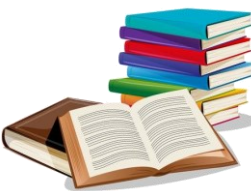

# APPOINTMENTS

➤ Who has been appointed as the new chairperson of the Parliamentary Standing Committee on Industry for 2026–27?

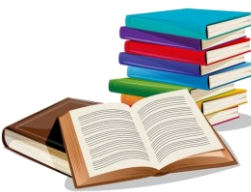

- A) Shashi Tharoor
- B) Sujeet Kumar
- C) Tiruchi Siva
- D) Anurag Thakur
- E) Sudhanshu Trivedi

**Answer**  
**C) Tiruchi Siva.**

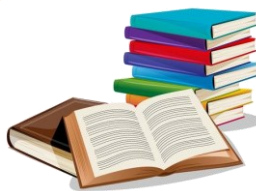

## Event and Location:

- **Event:** Parliament reconstituted its Department-related **Parliamentary Standing Committees** (DRSCs) for **2026–27**, retaining several existing chairpersons while making new appointments to selected committees.
- **Location:** **Parliament of India, New Delhi.**
- **Date:** The committees were reconstituted for the **2026–27** period.

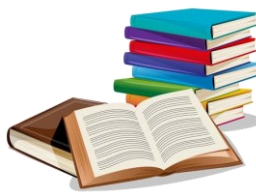

## Mandates and Objectives:

- **Mandates:** The Lok Sabha and Rajya Sabha renewed the department-related standing committees to examine ministry functioning, **Demands for Grants**, referred Bills, annual reports, policies, programmes and government responses to committee recommendations.

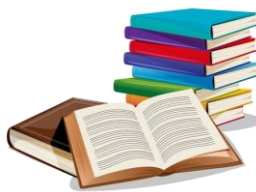

## Mandates and Objectives:

- **Objectives:** The committees aim to strengthen legislative scrutiny, financial oversight and executive accountability by enabling **Members of Parliament** to examine government policies, expenditure and administration in detail.

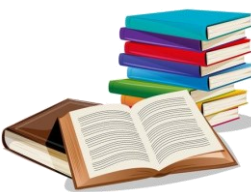

## Important Terms Explained:

- **Demands for Grants:** These are expenditure proposals submitted by ministries and departments for parliamentary approval as part of the **Union Budget** process.

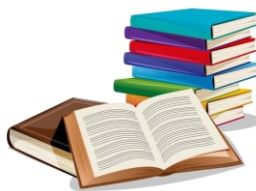

## Important Terms Explained:

- **Standing Committee:** It is a permanent parliamentary committee constituted to examine specific subjects, ministries or administrative matters in greater detail than is usually possible during proceedings of the full House.

## Important Terms Explained:

- **Executive Accountability:** It refers to the responsibility of the government and its ministries to explain and justify their policies, expenditure and administrative actions before Parliament.

# APPOINTMENTS

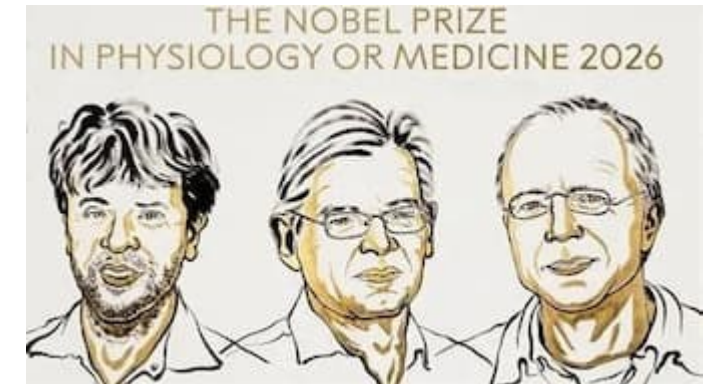

## Tabular Summary:

| Parameter                                               | Details                                                                                       |
|---------------------------------------------------------|-----------------------------------------------------------------------------------------------|
| Development                                             | Parliament reconstituted department-related standing committees for 2026–27.                  |
| Industry Committee                                      | Tiruchi Siva was appointed chairperson.                                                       |
| Personnel, Public Grievances, Law and Justice Committee | Sujeet Kumar was appointed chairperson.                                                       |
| Commerce Committee                                      | Sudhanshu Trivedi became chairperson, replacing Dola Sen.                                     |
| Defence Committee                                       | Radha Mohan Singh was appointed chairperson.                                                  |
| External Affairs Committee                              | Shashi Tharoor was reappointed as chairperson.                                                |
| Coal, Mines and Steel Committee                         | Anurag Thakur was retained as chairperson.                                                    |
| Main role of DRSCs                                      | They scrutinise ministry expenditure, Bills, policies, annual reports and government actions. |
|                                                         |                                                                                               |
|                                                         |                                                                                               |

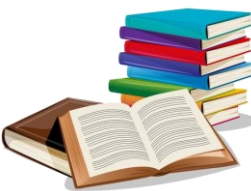

➤ Who were awarded the 2026 Nobel Prize in Physiology or Medicine for discoveries related to light-gated ion channels and optogenetics?

- A) Karl Deisseroth, Peter Hegemann and Georg Nagel
- B) Victor Ambros, Gary Ruvkun and David Baker
- C) Svante Pääbo, Katalin Karikó and Drew Weissman
- D) Emmanuelle Charpentier, Jennifer Doudna and David Julius
- E) Ardem Patapoutian, Shinya Yamanaka and John O'Keefe

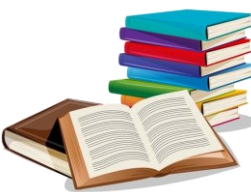

**Answer**

**A) Karl Deisseroth, Peter Hegemann and Georg Nagel.**

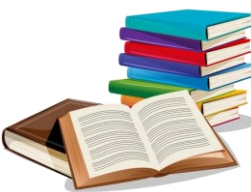

## Event and Location:

- **Event:** The **2026 Nobel Prize in Physiology or Medicine** was awarded jointly to **Karl Deisseroth, Peter Hegemann and Georg Nagel** for discoveries that enabled optogenetics.
- **Location:** The laureates are associated with institutions in the **United States and Germany**, including **Stanford University, Humboldt University of Berlin** and the University of Würzburg.
- **Date:** October 5, 2026.

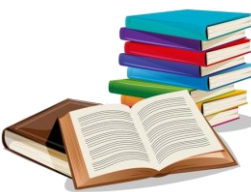

## Mandates and Objectives:

- **Mandates: The Nobel** recognition honoured discoveries involving light-sensitive channelrhodopsin proteins and their use to control the activity of specific neurons through light stimulation.

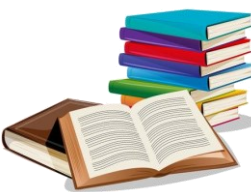

## Mandates and Objectives:

- **Objectives:** The research aims to enable precise study of neural circuits and establish cause-and-effect relationships between specific nerve-cell activity and functions such as memory, emotion, behaviour and movement.

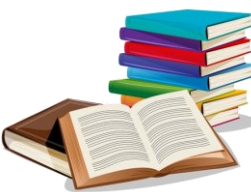

## Important Terms Explained:

- **Optogenetics:** It is a technique that combines genetics and light to activate or inhibit selected nerve cells by introducing light-sensitive proteins into them.

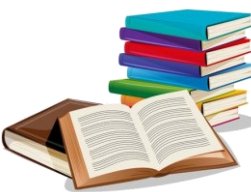

## Important Terms Explained:

- **Light-Gated Ion Channel:** It is a membrane protein that opens or closes in response to light, allowing charged ions to pass across the cell membrane and trigger electrical activity.

## Important Terms Explained:

- **Channelrhodopsin:** It is a light-sensitive protein originally studied in the green alga *Chlamydomonas* and later used to make neurons responsive to blue light.

# AWARDS

## Tabular Summary:

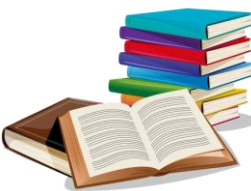

| Parameter               | Details                                                                                                                    |
|-------------------------|----------------------------------------------------------------------------------------------------------------------------|
| Award                   | 2026 Nobel Prize in Physiology or Medicine.                                                                                |
| Laureates               | Karl Deisseroth, Peter Hegemann and Georg Nagel.                                                                           |
| Field recognised        | Light-gated ion channels and optogenetics.                                                                                 |
| Key biological source   | Channelrhodopsin was studied in the single-celled alga Chlamydomonas.                                                      |
| Major contribution      | The discoveries enabled scientists to control selected neurons using light.                                                |
| Deisseroth's milestone  | He demonstrated channelrhodopsin-based neuronal control in 2005 and in the living mouse brain in 2007.                     |
| Prize amount            | The three laureates will equally share 12 million Swedish kronor.                                                          |
| Scientific significance | Optogenetics allows precise investigation of neural circuits involved in memory, emotion, behaviour, movement and disease. |
|                         |                                                                                                                            |
|                         |                                                                                                                            |

► India's first free-space Quantum Key Distribution (QKD) demonstration successfully established a secure link over what distance?

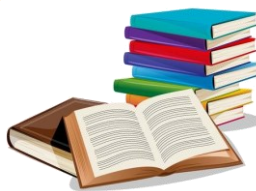

- A) 2.56 km
- B) 3.75 km
- C) 5.56 km
- D) 10 km
- E) 25 km

**Answer**  
**C) 5.56 km.**

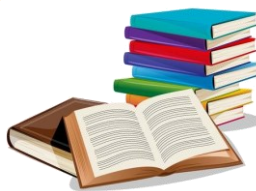

## Event and Location:

- **Event:** India demonstrated its first **5.56-km** free-space **Quantum Key Distribution** link to establish a quantum-secured communication network.
- **Location:** The secure link connected **BISAG-N** and **IIT Gandhinagar in Gujarat**.
- **Date:** The demonstration was conducted during the night of September **27–28, 2026**.

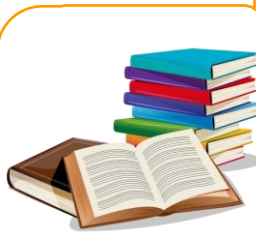

## Mandates and Objectives:

- **Mandates:** The demonstration combined QNu Labs' free-space **QKD** technology with **BISAG-N**'s post-quantum cryptography platform to generate and distribute secure cryptographic keys and enable end-to-end encrypted communication.

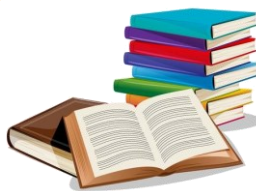

## Mandates and Objectives:

- **Objectives:** The initiative aims to strengthen India's quantum-secured communication capabilities and support the development of resilient indigenous quantum communication networks under the **National Quantum Mission (NQM)**.

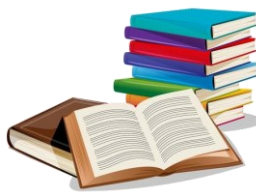

## Important Terms Explained:

- **Quantum Key Distribution:** It is a secure method of exchanging cryptographic keys using principles of quantum mechanics, where interception attempts can disturb quantum states and indicate possible eavesdropping.

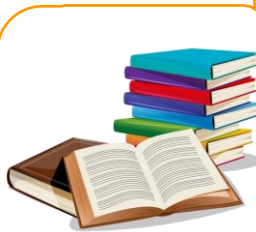

## Important Terms Explained:

- **Quantum Bit Error Rate (QBER):** It measures the percentage of errors detected in transmitted quantum bits, with the demonstration maintaining a **QBER** below **5%**.

## Important Terms Explained:

- **Post-Quantum Cryptography (PQC)**: It refers to cryptographic methods designed to remain secure against attacks from future quantum computers and was provided through **BISAG-N's Vedic Kavach** platform in this demonstration.

## Tabular Summary:

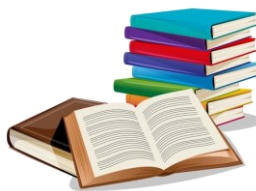

| Parameter                   | Details                                                                                            |
|-----------------------------|----------------------------------------------------------------------------------------------------|
| Event name                  | India's first free-space Quantum Key Distribution demonstration.                                   |
| Trial dates                 | September 27–28, 2026.                                                                             |
| Distance                    | The secure free-space optical link covered 5.56 km.                                                |
| Connected institutions      | BISAG-N and IIT Gandhinagar.                                                                       |
| Collaborating organisations | QNu Labs, BISAG-N and IIT Gandhinagar.                                                             |
| QBER                        | The Quantum Bit Error Rate remained below 5%.                                                      |
| Secure key rate             | The system generated secure keys at 230–260 bits per second.                                       |
| Security architecture       | QNu Labs' Armos QKD was integrated with BISAG-N's Vedic Kavach post-quantum cryptography platform. |
|                             |                                                                                                    |
|                             |                                                                                                    |

- How many people were placed under medical observation after the suspected plague-related death in Russia's Irkutsk region?

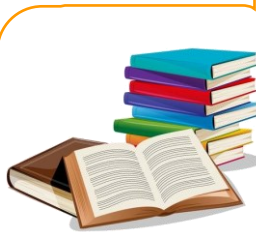

- A) 97
- B) 125
- C) 150
- D) 197
- E) 250

**Answer**  
**D) 197.**

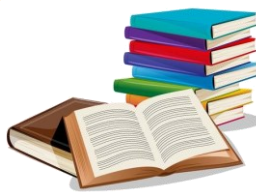

## Event and Location:

- **Event:** A laboratory worker's death from pneumonia of unknown aetiology triggered precautionary health measures amid reports of a suspected pneumonic plague infection.
- **Location:** Shelekhov and Irkutsk in Russia's Irkutsk region.
- **Date:** The worker died on October 2, 2026.

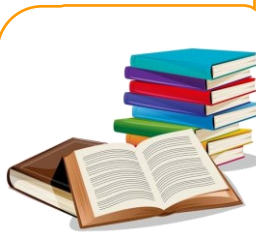

## Mandates and Objectives:

- **Mandates:** Russian health authorities placed **197** contacts under medical supervision, quarantined **Shelekhov District Hospital**, introduced specialised sanitary measures and investigated possible health and safety violations.

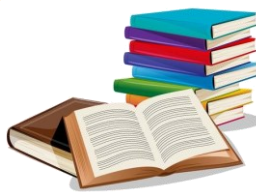

## Mandates and Objectives:

- **Objectives:** The measures aim to prevent possible disease transmission, monitor exposed individuals, identify any secondary infections and maintain epidemiological safety in the affected region.

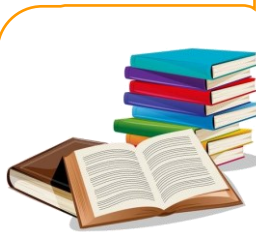

## Important Terms Explained:

- **Pneumonic Plague:** It is a lung infection caused by *Yersinia pestis* that can spread between people through respiratory droplets and can progress rapidly without early treatment.

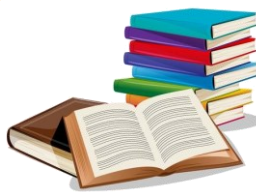

## Important Terms Explained:

- **Yersinia pestis:** It is a zoonotic bacterium responsible for plague and is commonly associated with small mammals and their fleas.

## Important Terms Explained:

- **Pneumonia of Unknown Aetiology:** It refers to pneumonia for which the specific causative agent has not yet been identified or officially confirmed.

## Tabular Summary:

| Parameter                | Details                                                                                                  |
|--------------------------|----------------------------------------------------------------------------------------------------------|
| Incident                 | A worker at the Irkutsk Anti-Plague Research Institute died after developing severe pneumonia.           |
| Date of death            | October 2, 2026.                                                                                         |
| Affected area            | Shelekhov and Irkutsk in Russia's Irkutsk region.                                                        |
| People under observation | 197 contacts were placed under medical supervision.                                                      |
| Hospital supervision     | More than 100 people were being monitored in hospitals.                                                  |
| Official classification  | Authorities described the illness as pneumonia of unknown aetiology rather than a confirmed plague case. |
| Disease under suspicion  | Pneumonic plague caused by <i>Yersinia pestis</i> was suspected but not officially confirmed.            |
| Current status           | No confirmed secondary infections were reported among the monitored contacts.                            |
|                          |                                                                                                          |
|                          |                                                                                                          |

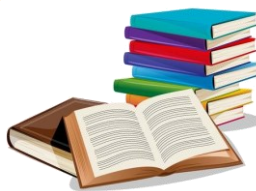

➤ Which ministry approved five Centres of Excellence for studies in Classical Assamese, Bengali, Marathi, Pali and Prakrit?

- A) Ministry of Culture
- B) Ministry of Education
- C) Ministry of Home Affairs
- D) Ministry of Tourism
- E) Ministry of Social Justice and Empowerment

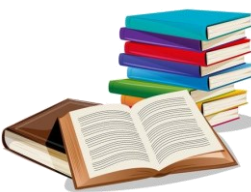

**Answer**

**B) Ministry of Education.**

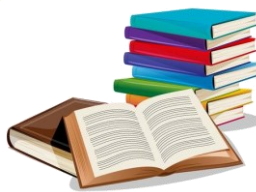

## Event and Location:

- **Event:** The Ministry of Education approved five **Centres of Excellence (CoEs)** for advanced study and research in **Classical Assamese, Bengali, Marathi, Pali and Prakrit.**
- **Location:** The five Centres are located in Assam, **West Bengal, Maharashtra, Odisha and Gujarat.**
- **Date:** The notification was issued on October **3, 2026.**

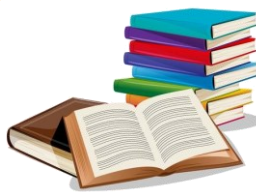

## Mandates and Objectives:

- **Mandates: The Department of Higher Education** sanctioned the five Centres to undertake advanced research, documentation, preservation, digitization and dissemination of linguistic and literary resources related to the five classical languages.

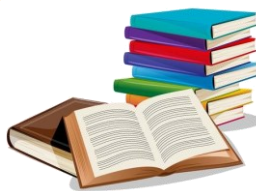

## Mandates and Objectives:

- **Objectives:** The initiative aims to strengthen academic research, conserve ancient texts and knowledge traditions, improve accessibility of literary resources and build higher education ecosystems for classical language studies.

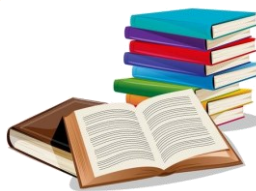

## Important Terms Explained:

- **Classical Language:** It is a language recognised on the basis of criteria such as the antiquity of early texts, a significant corpus of ancient literature, knowledge texts and a distinct classical literary tradition.

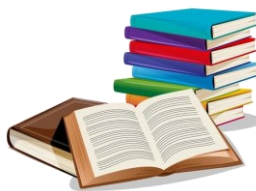

## Important Terms Explained:

- **Linguistics Experts Committee:** It recommended revised criteria for **Classical Language** status and supported the recognition of Marathi, Pali, Prakrit, **Assamese and Bengali** in **2024**.

## Important Terms Explained:

- **Digitization:** It refers to converting linguistic, literary and textual resources into digital formats to support long-term preservation, research and wider access.

# SCHEMES & INITIATIVES

## Tabular Summary:

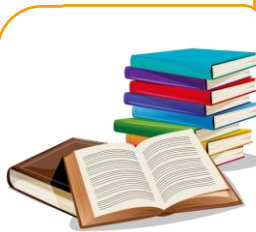

| Parameter                 | Details                                                                                                |
|---------------------------|--------------------------------------------------------------------------------------------------------|
| Approval                  | Five Centres of Excellence were sanctioned for Classical Assamese, Bengali, Marathi, Pali and Prakrit. |
| Notification date         | October 3, 2026.                                                                                       |
| Approving authority       | Department of Higher Education under the Ministry of Education.                                        |
| Host states               | Assam, West Bengal, Maharashtra, Odisha and Gujarat.                                                   |
| Main focus                | Research, documentation, preservation, digitization and dissemination of classical language resources. |
| 2024 recognition          | Marathi, Pali, Prakrit, Assamese and Bengali received Classical Language status in 2024.               |
| Total classical languages | India has 11 recognised Classical Languages after the 2024 additions.                                  |
| Historical milestone      | Tamil became India's first recognised Classical Language in 2004.                                      |
|                           |                                                                                                        |
|                           |                                                                                                        |

➤ **Where will the 19th Pravasi Bharatiya Diwas (PBD) Convention be held in January 2027?**

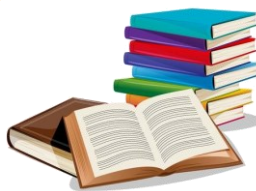

- A) New Delhi
- B) Mumbai
- C) Kolkata
- D) Ahmedabad
- E) Hyderabad

**Answer**  
**C) Kolkata.**

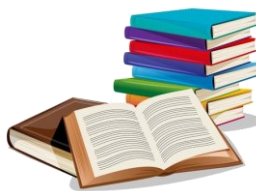

## Event and Location:

- **Event:** The **19th Pravasi Bharatiya Diwas Convention** will bring together members of the Indian diaspora and other stakeholders for engagement with the **Government of India** and partner institutions.
- **Location:** Kolkata, **West Bengal**.
- **Date:** January **7–9, 2027**.

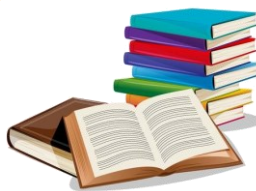

## Mandates and Objectives:

- **Mandates:** The convention will be organised by the **Ministry of External Affairs (MEA)** in partnership with the **Government of West Bengal**, with participation from overseas Indians, professionals, entrepreneurs, innovators and other diaspora representatives.

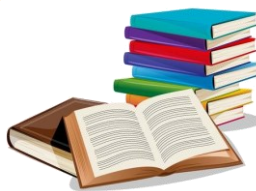

## Mandates and Objectives:

- **Objectives:** The convention aims to strengthen India's engagement with its overseas community, promote networking and knowledge exchange, recognise diaspora contributions and deepen connections between overseas **Indians and India**.

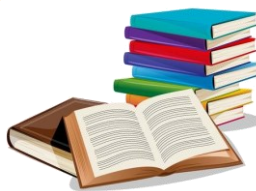

## Important Terms Explained:

- **Pravasi Bharatiya Diwas:** It is observed on January 9 to commemorate **Mahatma Gandhi's** return from **South Africa to India** on January 9, 1915, and to strengthen engagement with the Indian diaspora.

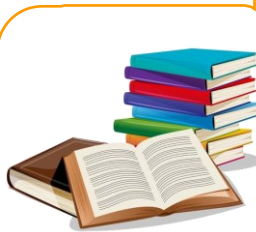

## Important Terms Explained:

- **Youth PBD:** It is a youth-focused segment of the convention designed to engage younger members of the overseas Indian community in innovation, entrepreneurship, professional networking and knowledge exchange.

## Important Terms Explained:

- **Pravasi Bharatiya Samman Award:** It recognises outstanding contributions by overseas Indians in areas such as India's international image, bilateral relations, community welfare, philanthropy and professional excellence.

## Tabular Summary:

|                                |                                                                                                                    |
|                                |                                                                                                                    |

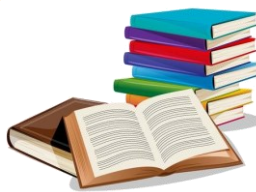

➤ What is the new name of Bhadohi district announced by the Uttar Pradesh government in October 2026?

- A) Sant Kabir Nagar Bhadohi
- B) Sant Ravidas Nagar Bhadohi
- C) Ravidas Dham Bhadohi
- D) Sant Nagar Varanasi
- E) Bhakti Nagar Bhadohi

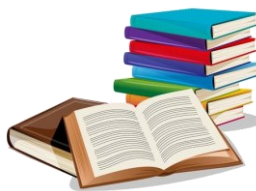

**Answer**

**B) Sant Ravidas Nagar Bhadohi.**

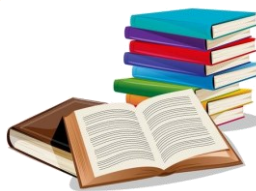

## Event and Location:

- **Event:** The **Uttar Pradesh** government renamed Bhadohi district as **Sant Ravidas Nagar Bhadohi** to honour the medieval Bhakti saint **Sant Ravidas** while retaining Bhadohi in the district's identity.
- **Location:** Bhadohi district, **Uttar Pradesh**.
- **Date:** October 4, 2026.

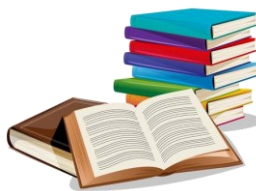

## Mandates and Objectives:

- **Mandates:** Chief Minister Yogi Adityanath announced the renaming during a programme in the district that also included the launch of major development projects and the **Golden Jubilee** edition of the **India Carpet Expo**.

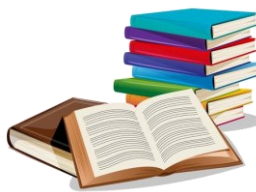

## Mandates and Objectives:

- **Objectives:** The renaming aims to revive the district's earlier association with **Sant Ravidas** and recognise his legacy of devotion, spiritual equality and social harmony.

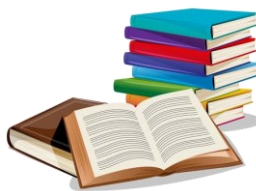

## Important Terms Explained:

- **Sant Ravidas:** He was a medieval Bhakti movement saint known for devotional teachings emphasising spiritual equality and social harmony.

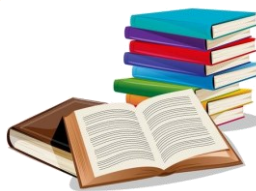

## Important Terms Explained:

- **One District One Product (ODOP):** It is an **Uttar Pradesh** initiative that promotes specialised products associated with individual districts, with carpets identified as the key product of Bhadohi.

## Important Terms Explained:

- **Geographical Indication (GI):** It is a form of intellectual property protection given to products whose qualities, reputation or characteristics are linked to a specific geographical region.

## Tabular Summary:

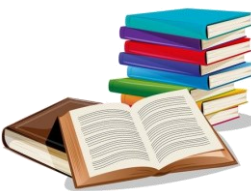

| Parameter             | Details                                                                                      |
|-----------------------|----------------------------------------------------------------------------------------------|
| Renamed district      | Bhadohi was renamed Sant Ravidas Nagar Bhadohi.                                              |
| Announcement date     | October 4, 2026.                                                                             |
| State                 | Uttar Pradesh.                                                                               |
| Announced by          | Chief Minister Yogi Adityanath.                                                              |
| Historical background | Bhadohi district was created on June 30, 1994, after being separated from Varanasi district. |
| Development package   | Foundation stones were laid for 112 projects worth more than ₹1,340 crore.                   |
| Economic identity     | Bhadohi is internationally known for handwoven carpet manufacturing.                         |
| Related event         | The Golden Jubilee edition of the India Carpet Expo was launched on the same occasion.       |
|                       |                                                                                              |
|                       |                                                                                              |

# QUICK RECALL

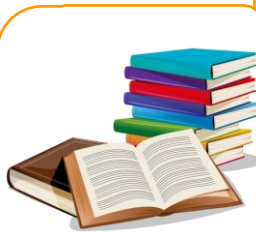

- **World Teachers' Day 2026** was observed by UNESCO on October 5 to mark 60 years of the 1966 ILO-UNESCO Recommendation, while highlighting the need for 44 million additional teachers globally by 2030.
- **World Habitat Day 2026** is being observed by the United Nations on October 5 under the theme “Adequate Housing for All” to highlight the global need for safe, affordable and dignified housing.
- **World Architecture Day 2026** highlighted how historic Indian builders used features such as jaalis, courtyards, stepwells and verandahs to address climate, water, light and privacy while creating distinctive architectural styles.
- **Doha** received the OCA flag from Aichi-Nagoya on October 4, 2026, formally beginning Qatar's preparations to host the 21st Asian Games with the slogan “The Games We Live For”.

# QUICK RECALL

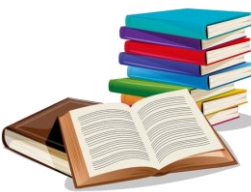

- **Parliament reconstituted its department-related standing committees for 2026–27, retaining several chairpersons while appointing Tiruchi Siva, Sujeet Kumar, Sudhanshu Trivedi and Radha Mohan Singh to key panels.**
- **Karl Deisseroth, Peter Hegemann and Georg Nagel won the 2026 Nobel Prize in Physiology or Medicine for discoveries involving light-gated ion channels that established optogenetics as a powerful neuroscience tool.**
- **India demonstrated its first 5.56-km free-space Quantum Key Distribution link through collaboration among QNu Labs, BISAG-N and IIT Gandhinagar, marking a major step towards quantum-secured communication networks.**
- **Russian authorities placed 197 people under medical observation in the Irkutsk region after a laboratory worker died from pneumonia of unknown aetiology amid unconfirmed suspicions of pneumonic plague.**
- **The Ministry of Education approved five Centres of Excellence across five states to strengthen research, preservation, digitization and dissemination of Classical Assamese, Bengali, Marathi, Pali and Prakrit.**

# QUICK RECALL

- **The Ministry of External Affairs and the Government of West Bengal will host the 19th Pravasi Bharatiya Diwas Convention in Kolkata from January 7 to 9, 2027, to strengthen engagement with the global Indian diaspora.**
- **The Uttar Pradesh government renamed Bhadohi district as Sant Ravidas Nagar Bhadohi on October 4, 2026, to honour Sant Ravidas while preserving Bhadohi's established identity.**
