Important Days

➤ **What is the theme of Vigilance Awareness Week 2026, observed from October 26 to November 1 under the Central Vigilance Commission?**

A) Integrity for a Developed Nation
B) Say No to Corruption
C) Probity for Prosperity
D) Transparency for Good Governance
E) Vigilance for a Corruption-Free India

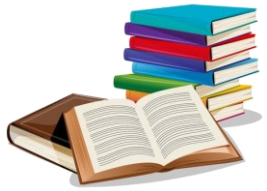

Answer
C) Probity for Prosperity.

Important Days

Event and Location:

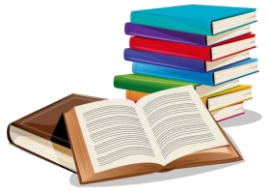

- **Event: The Central Vigilance Commission** (**CVC**) is observing **Vigilance Awareness Week 2026** under the theme "**Probity for Prosperity**" (सत्यनिष्ठा से समृद्धि) to promote integrity, transparency, accountability and corruption prevention.

Important Days

Event and Location:

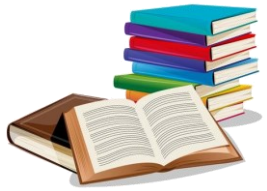

- **Location: Across India,** involving central government departments, public sector undertakings, public sector banks and other institutions.
- **Date:** October **26** to November **1, 2026**.

Important Days

Mandates and Objectives:

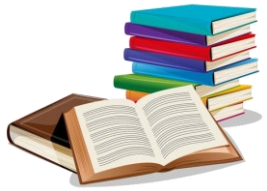

- **Mandates: The Central Vigilance Commission** directed government departments, **Public Sector Undertakings** (PSUs), public sector banks and other institutions to organise activities during **Vigilance Awareness Week 2026**. These include administering the **Integrity Pledge**, conducting employee awareness workshops, debates, quizzes, walkathons, marathons, public campaigns, digital outreach programmes, grievance redressal camps and **Gram Sabha** meetings. Organisations were also encouraged to involve vendors, suppliers, contractors, students and citizens in anti-corruption awareness initiatives.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

Mandates and Objectives:

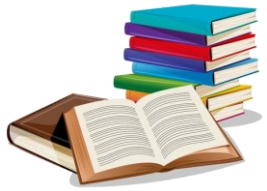

- **Objectives:** To strengthen ethical conduct in public administration, promote transparency in decision-making, enhance institutional accountability, prevent corruption through preventive vigilance, encourage public participation in anti-corruption activities and highlight the relationship between integrity and sustainable national prosperity.

/ Liwin’s CA Funsta
Subscribe
/Liwin's CA Funsta

Important Terms Explained:

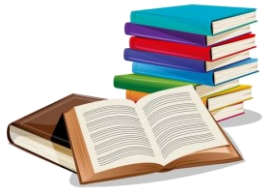

- **Vigilance Awareness Week:** An annual nationwide observance organised under the guidance of the **CVC** to promote integrity, ethical conduct, transparency and public awareness about corruption prevention, around the birth anniversary of **Sardar Vallabhbhai Patel** on October **31**.

Important Days

Important Terms Explained:

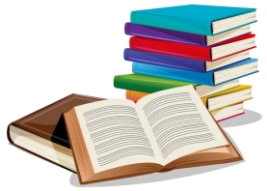

- **Probity:** The quality of maintaining honesty, integrity and high ethical standards, particularly in public service, governance and financial decision-making.

Important Days

Important Terms Explained:

- **Central Vigilance Commission (CVC):** India's apex vigilance institution, established in **1964** following the recommendations of the K. **Santhanam Committee** and granted statutory status under the **Central Vigilance Commission Act, 2003**.

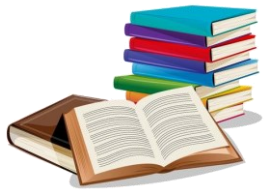

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

Important Days

Important Terms Explained:

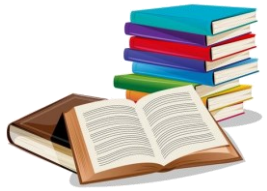

- **Integrity Pledge:** A formal commitment undertaken by individuals and organisations to uphold honesty, transparency, ethical conduct and zero tolerance towards corruption.

/ Liwin’s CA Funsta
Subscribe
/Liwin's CA Funsta

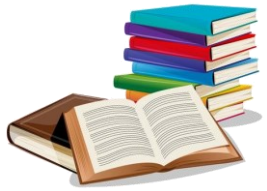

Important Terms Explained:

- **Preventive Vigilance:** An approach to reducing corruption by identifying institutional weaknesses, improving procedures, strengthening internal controls and promoting transparency before misconduct occurs.

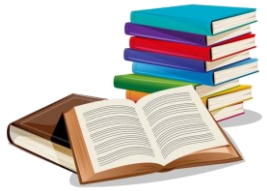

Important Terms Explained:

- K. **Santhanam Committee**: A committee on the prevention of corruption whose recommendations led to the establishment of the **Central Vigilance Commission** in **1964**.

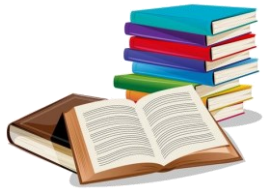

Important Terms Explained:

- **Central Vigilance Commission Act, 2003**: The legislation that provided statutory status to the **CVC** and defined its functions, powers and responsibilities concerning vigilance administration in specified central government organisations.

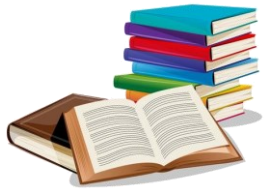

Important Terms Explained:

- **Public Sector Undertakings (PSUs):** Enterprises owned or controlled by the government that provide goods and services across economic sectors and are subject to applicable public accountability and vigilance mechanisms.

Important Terms Explained:

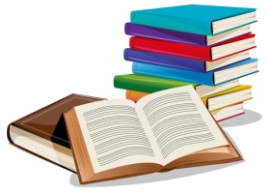

- **Grievance Redressal:** A formal mechanism through which public institutions receive, examine and resolve complaints relating to administrative services, misconduct or other grievances.

Important Days

Important Terms Explained:

- **Gram Sabha:** A village-level assembly comprising persons registered on the electoral rolls of a village within a **Gram Panchayat** area, providing a platform for community participation and local accountability.

Important Days

Tabular Summary:

Parameter	Details
Event	Observance of Vigilance Awareness Week 2026 across India.
Dates	October 26 to November 1, 2026.
Theme	Probity for Prosperity (सत्यनिष्ठा से समृद्धि).
Organising Authority	Central Vigilance Commission (CVC).
Participating Institutions	Central government departments, public sector undertakings, public sector banks and other organisations.
Major Activities	Integrity Pledge, workshops, quizzes, debates, walkathons, digital campaigns and public awareness programmes.
Historical Background	CVC established in 1964 following K. Santhanam Committee recommendations and granted statutory status through the CVC Act, 2003.
Significance	Promotes ethical governance, corruption prevention, transparency, institutional accountability and citizen participation.

OBITUARY

Event and Location:

- **Event: Renowned Indian** modern artist and former **Rajya Sabha** MP **Jogen Chowdhury** passed away at the age of **87,** leaving behind a significant legacy in modern Indian art, art preservation and public service.
- **Location:** Kolkata**, West Bengal,** India.
- **Date:** October **25, 2026**.

Mandates and Objectives:

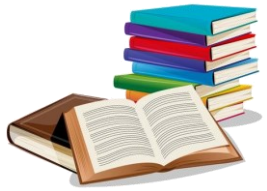

- **Mandates: Jogen Chowdhury** was a prominent Indian painter known for combining traditional Bengal artistic influences with modernist techniques, particularly cross-hatching. He studied at the **Government College of Art and Craft**, Kolkata, and École Nationale Supérieure des Beaux-Arts, Paris. He served as **Keeper of Art at Rashtrapati Bhavan** from **1972** to **1987**, later taught at Santiniketan and represented **West Bengal** in the **Rajya Sabha** as a **Trinamool Congress** (**TMC**) member from **2014** to **2020**.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

Mandates and Objectives:

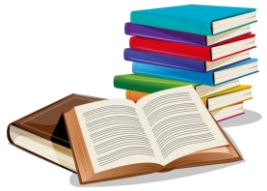

- **Objectives:** His artistic work focused on combining traditional Indian imagery with contemporary social and political themes, developing expressive representations of human figures, preserving India's artistic heritage, mentoring emerging artists and raising issues concerning the artistic community through his parliamentary role.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

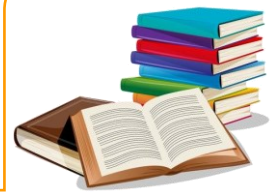

Important Terms Explained:

- Cross-Hatching: An artistic drawing technique involving intersecting sets of parallel lines to create shading, texture, tonal variation and depth, widely associated with **Jogen Chowdhury**'s distinctive artistic style.

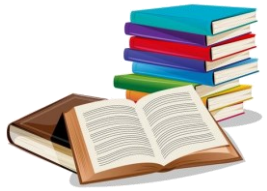

Important Terms Explained:

- **Modern Indian Art:** A broad artistic movement that combines Indian cultural traditions with modern techniques, experimentation and contemporary social themes, allowing artists to develop individual forms of expression.

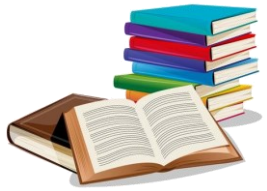

Important Terms Explained:

- **Kalighat Painting:** A traditional painting style that originated in **19**th-century Kolkata near the **Kalighat Temple** and is known for bold outlines, simplified figures, expressive forms and social commentary.

Important Terms Explained:

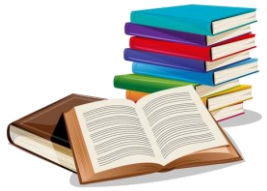

- **Tiger in Moonlight:** A notable painting by **Jogen Chowdhury** that reflects his distinctive artistic approach and expressive use of line and form.

OBITUARY

Important Terms Explained:

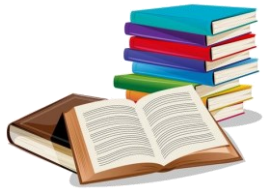

- **Keeper of Art:** A professional responsible for managing, documenting, curating and preserving artworks in an institutional collection, a position held by **Chowdhury at Rashtrapati Bhavan** between **1972** and **1987**.

/ Liwin’s CA Funsta
Subscribe
/Liwin's CA Funsta

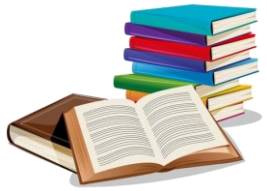

Important Terms Explained:

- **Santiniketan:** A cultural and educational centre in **West Bengal** associated with **Rabindranath Tagore and Visva-Bharati University,** recognised for its contributions to Indian art, literature and education.

Important Terms Explained:

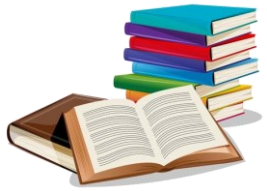

- **Rajya Sabha: The Upper House** of the **Indian Parliament,** also known as the **Council of States,** which represents India's states and **Union Territories** in the parliamentary system.

OBITUARY

Important Terms Explained:

- **Trinamool Congress (TMC): An Indian** political party founded in **1998** by **Mamata Banerjee,** through which **Jogen Chowdhury** served as a **Rajya Sabha** member representing **West Bengal**.

Mandates and Objectives:

- **Mandates: ISRO** Chairman V. Narayanan announced a roadmap to increase India's operational launch pads from two to four by **2029**. The plan includes developing a dedicated **SSLV** launch complex at Kulasekarapattinam**,** constructing a third launch pad at Sriharikota and encouraging greater participation from private space companies. **The Kulasekarapattinam** facility will support small-satellite launches**,** particularly into polar orbits. **ISRO** also reviewed preparations for the **Gaganyaan Human Spaceflight Mission and Chandrayaan-5,** a proposed lunar exploration mission in collaboration with Japan.

Mandates and Objectives:

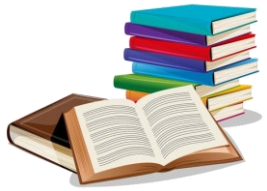

- **Objectives:** To expand India's satellite launch capacity, meet growing domestic and international demand for small-satellite missions, reduce congestion at existing launch facilities, enable cost-effective and flexible commercial launches, encourage private-sector participation and strengthen India's capabilities in scientific research, communication, navigation, human spaceflight and lunar exploration.

/ Liwin’s CA Funsta
Subscribe
/Liwin's CA Funsta

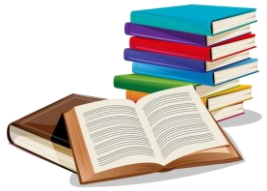

Important Terms Explained:

- **Small Satellite Launch Vehicle (SSLV):** A three-stage, solid-propellant launch vehicle developed by **ISRO** to provide low-cost, rapid-turnaround and on-demand satellite launch services, with the capability to carry approximately **500 kg** of payload into **Low Earth Orbit**.

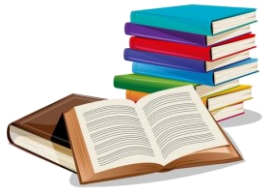

Important Terms Explained:

- **Kulasekarapattinam SSLV Launch Complex:** A dedicated space launch facility being developed across approximately **2,000** acres in **Tamil Nadu** to support small-satellite launches into polar orbits and provide launch services for **ISRO** and eligible private organisations.

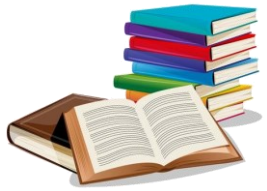

Important Terms Explained:

- **Satish Dhawan Space Centre (SDSC SHAR):** India's principal space launch centre**,** located at **Sriharikota in Andhra Pradesh,** which had two operational launch pads as of March **2026**.

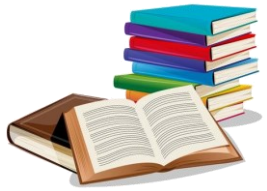

Important Terms Explained:

- **Third Launch Pad (TLP):** A government-approved launch infrastructure project at Sriharikota intended to expand India's launch capacity and support future space missions, with construction planned within the **2029–2030** timeframe.

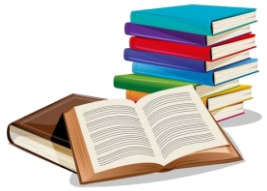

Important Terms Explained:

- **Low Earth Orbit (LEO): An Earth**-centred orbit generally extending up to approximately **2,000 km** above the Earth's surface, widely used for Earth observation, communication and scientific satellites.

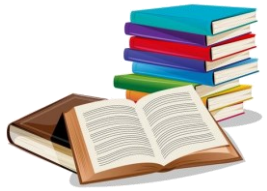

Important Terms Explained:

- **Polar Orbit:** A satellite orbit that passes over or near the Earth's polar regions, allowing satellites to observe different parts of the planet as Earth rotates beneath them.

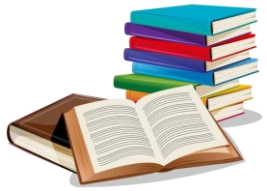

Important Terms Explained:

- Sun-**Synchronous Orbit** (**SSO**): A near-polar orbit in which a satellite passes over a given location at approximately the same local solar time, making it suitable for Earth observation and remote sensing.

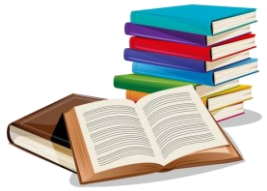

Important Terms Explained:

- **Gaganyaan Mission:** India's human spaceflight programme led by **ISRO,** aimed at demonstrating the capability to send Indian astronauts into space and return them safely to Earth.

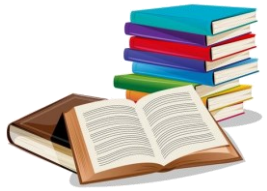

Important Terms Explained:

- Chandrayaan-**5**: A proposed India–Japan lunar exploration mission involving **ISRO** and the **Japan Aerospace Exploration Agency** (**JAXA**), with plans for a **350**-kg rover to conduct scientific investigations on the Moon for approximately **100** days.

Important Terms Explained:

- Telemetry**, Tracking and Telecommand** (TT&C): Space mission support systems used to receive spacecraft data, monitor vehicle position and transmit operational commands to launch vehicles and satellites.

Tabular Summary:

Parameter	Details
Event	ISRO announced plans to expand India's operational space launch infrastructure to four functional launch pads by 2029.
Announcement and Target	Reported on October 26, 2026, with four functional launch pads targeted by 2029.
Key Official	ISRO Chairman V. Narayanan.
Existing Infrastructure	Two operational launch pads at Satish Dhawan Space Centre, Sriharikota, as of March 2026.
New Launch Facilities	Third Launch Pad at Sriharikota and dedicated SSLV launch complex at Kulasekarapattinam, Tamil Nadu.
Kulasekarapattinam Complex	Approximately 2,000 acres in Thoothukudi district, designed primarily for small-satellite launches into polar orbits.
SSLV Capabilities	Three-stage, solid-propellant rocket designed for rapid and cost-effective launches of payloads up to approximately 500 kg into Low Earth Orbit.
Other Mission Developments	Review of Gaganyaan preparations and the proposed Chandrayaan-5 India–Japan mission involving a 350-kg lunar rover.

➤ **Which clinical trial was launched in the Democratic Republic of Congo in October 2026 to evaluate the effectiveness of the Ervebo vaccine against the Bundibugyo Ebola virus?**

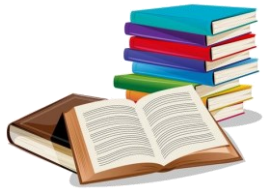

A) Solidarity Trial
B) PALM Trial
C) Tumaini Trial
D) PREVAIL Trial
E) RECOVERY Trial

Answer
C) Tumaini Trial.

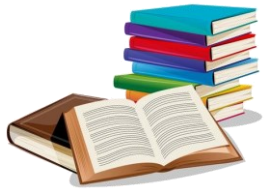

Event and Location:

- **Event: The Democratic Republic of Congo** (DR Congo) launched the **Tumaini Ebola Vaccine Trial** to evaluate whether the existing Ervebo vaccine and other vaccine candidates can provide protection against the **Bundibugyo Ebola** virus.

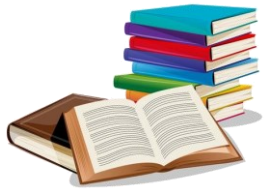

Event and Location:

- **Location:** Bunia**, Ituri Province,** northeastern **Democratic Republic of Congo, Central Africa**.
- **Date:** October **23, 2026**.

Mandates and Objectives:

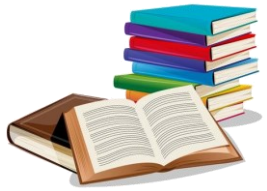

- **Mandates:** The DR Congo's health authorities launched the Tumaini clinical study with support from the **World Health Organization** (**WHO**) to evaluate the safety**,** immune response and protective effectiveness of vaccines against the Bundibugyo virus. The first vaccination using Ervebo was administered in Bunia on October **23, 2026**. The study is co-sponsored by the **National Institute for Biomedical Research** (**INRB**) and the **Global Health Institute** of the **University of Antwerp**. It also plans to evaluate two experimental vaccine candidates**,** ChAdOx**1** Bundibugyo and mRNA-**1469,** subject to the necessary approvals.

/ Liwin’s CA Funsta
Subscribe
/Liwin's CA Funsta

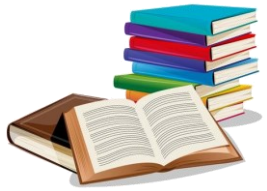

Mandates and Objectives:

- **Objectives:** To determine whether Ervebo, which is licensed against the **Zaire Ebola** virus, can provide cross-protection against Bundibugyo virus disease, assess vaccine safety and immunogenicity, evaluate the effectiveness of new vaccine technologies, strengthen outbreak response through ring vaccination and generate scientific evidence for preventing future Ebola outbreaks.

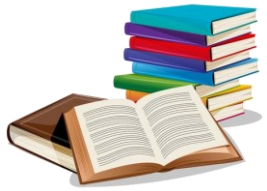

Important Terms Explained:

- **Tumaini Trial:** A clinical research study launched in DR Congo to evaluate multiple Ebola vaccine candidates against Bundibugyo virus disease, focusing on safety, immunogenicity and efficacy. Tumaini means **Hope in Swahili**.

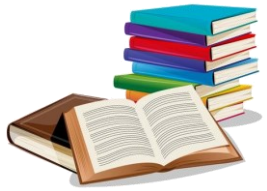

Important Terms Explained:

- **Ervebo Vaccine:** A licensed Ebola vaccine designed to prevent disease caused by the **Zaire Ebola** virus. Its effectiveness against the distinct Bundibugyo virus in humans remains unestablished.

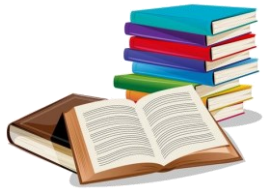

Important Terms Explained:

- **Bundibugyo Virus (BDBV):** A species of virus belonging to the genus Orthoebolavirus that causes Ebola disease in humans, with no licensed vaccine specifically available against it as reported in October **2026**.

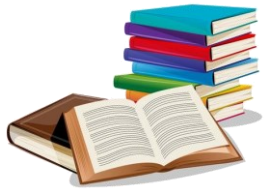

Important Terms Explained:

- **Zaire Ebola Virus: The Ebola** virus species targeted by the licensed Ervebo vaccine and responsible for several major Ebola outbreaks in Africa.

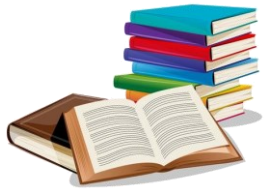

Important Terms Explained:

- **Ring Vaccination:** A targeted vaccination strategy in which contacts of infected individuals, and potentially contacts of those contacts, are vaccinated to help limit disease transmission.

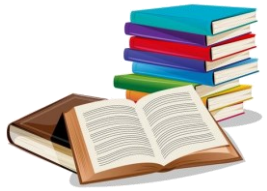

Important Terms Explained:

- **Immunogenicity:** The ability of a vaccine or other substance to stimulate an immune response, including the production of antibodies and activation of immune cells.

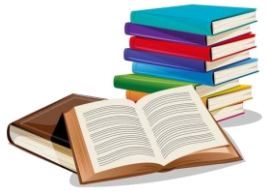

Important Terms Explained:

- **Vaccine Efficacy:** The degree to which a vaccine reduces the occurrence of a disease among vaccinated individuals compared with an appropriate control group under clinical study conditions.

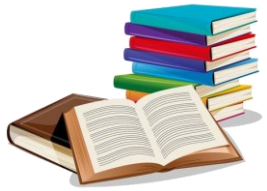

Important Terms Explained:

- Cross-Protection: The ability of a vaccine developed against one pathogen or viral species to provide some level of protection against a related pathogen or species.

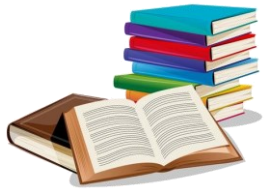

Important Terms Explained:

- ChAdOx**1 Bundibugyo Vaccine**: An experimental adenoviral-vector vaccine candidate developed by the **University of Oxford** and the **Serum Institute of India** to protect against Bundibugyo virus disease.

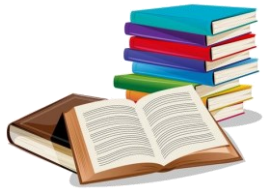

Important Terms Explained:

- mRNA-**1469**: An experimental messenger **RNA**-based vaccine candidate developed by Moderna for protection against Bundibugyo virus disease.

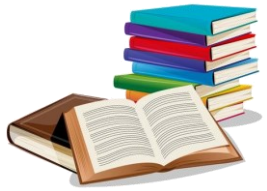

Important Terms Explained:

- **Coalition for Epidemic Preparedness Innovations (CEPI):** A global partnership supporting the research and development of vaccines against emerging infectious diseases and epidemic threats.

Important Terms Explained:

- **Ebola Virus Disease (EVD):** A severe viral illness that can cause fever, weakness, vomiting, diarrhoea and sometimes bleeding, transmitted primarily through direct contact with infected bodily fluids or contaminated materials.

Tabular Summary:

Parameter	Details
Event	Launch of the Tumaini clinical trial to evaluate Ebola vaccines against Bundibugyo virus disease.
Launch Date	October 23, 2026.
Location	Bunia, Ituri Province, Democratic Republic of Congo.
Implementing and Supporting Organisations	DR Congo health authorities, WHO, INRB and the Global Health Institute of the University of Antwerp.
First Vaccine Administered	Ervebo, a licensed vaccine against Zaire Ebola virus, being evaluated for possible protection against Bundibugyo virus.
Additional Vaccine Candidates	ChAdOx1 Bundibugyo by Oxford University and Serum Institute of India, and mRNA-1469 by Moderna.
Clinical Study Objectives	Assessment of vaccine safety, immunogenicity, efficacy and possible cross-protection against Bundibugyo virus disease.
Vaccination Strategy and Significance	Ring vaccination targeting high-risk contacts to generate evidence for outbreak control where no Bundibugyo-specific vaccine is licensed.

SCHEMES & INITIATIVES

➤ **Until which date has the Department of Commerce extended Component II of the RELIEF initiative, providing 95% risk coverage to eligible Indian exporters?**

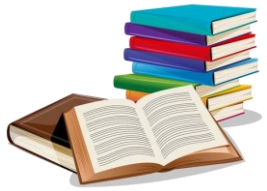

A) December 31, 2026
B) January 31, 2027
C) March 31, 2027
D) June 30, 2027
E) September 30, 2027

Answer
C) March 31, 2027.

Event and Location:

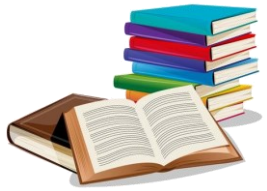

- **Event: The Department of Commerce** extended Component II of the **RELIEF** initiative until March **31, 2027,** providing **95%** risk coverage to eligible Indian exporters affected by shipping disruptions and geopolitical uncertainties in **West Asia**.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

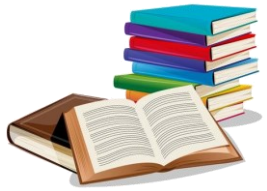

Event and Location:

- **Location:** India, with a focus on exporters shipping goods to destinations affected by disruptions in the **Gulf and West Asian** regions.
- **Date:** October **26, 2026** (reported announcement), with the extension valid until March **31, 2027**.

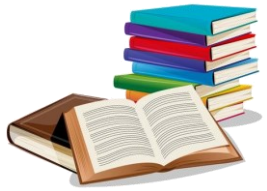

Mandates and Objectives:

- **Mandates: The Department of Commerce** extended Component II of the Resilience & **Logistics Intervention for Export Facilitation** (**RELIEF**) initiative under the **Export Promotion Mission** (**EPM**) to provide enhanced insurance support to Indian exporters affected by geopolitical tensions and shipping disruptions in **West Asia**. The initiative**,** launched on March **19, 2026,** provides **95%** risk coverage to eligible exporters obtaining insurance from the **Export Credit Guarantee Corporation of India** (**ECGC**)**,** which serves as the nodal implementing agency responsible for administering the notified risk-support mechanism and processing eligible claims.

Mandates and Objectives:

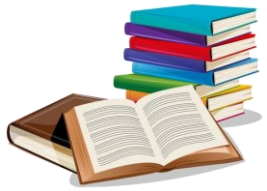

- **Objectives:** To protect Indian exporters against financial risks arising from disruptions in international shipping, reduce the burden of increased insurance premiums and freight costs, mitigate risks associated with geopolitical uncertainties and war-risk premiums, encourage exporters to obtain **ECGC** insurance, maintain export competitiveness and ensure continuity of overseas trade operations.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

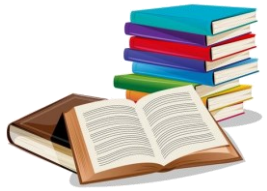

Important Terms Explained:

- **RELIEF Initiative:** A **Government of India** initiative launched on March **19, 2026,** under the **Export Promotion Mission** to provide financial and risk-management support to exporters affected by logistics disruptions, higher freight charges and insurance costs arising from geopolitical tensions in **West Asia**.

Important Terms Explained:

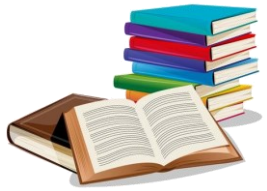

- **RELIEF Component II:** A component of the **RELIEF** initiative providing enhanced risk coverage of **95%** to eligible Indian exporters obtaining **ECGC** insurance for shipments affected by disruptions, with support extended until March **31, 2027**.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

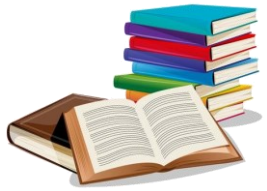

Important Terms Explained:

- **Export Promotion Mission (EPM):** A **Government of India** initiative designed to strengthen Indian exports by improving trade competitiveness, facilitating market access and providing financial and non-financial support to exporters.

Important Terms Explained:

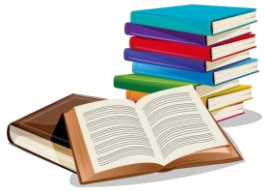

- **Export Credit Guarantee Corporation of India (ECGC):** A public-sector export credit insurance organisation under the **Ministry of Commerce and Industry** that provides protection to Indian exporters and financing institutions against eligible commercial and political risks.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

Important Terms Explained:

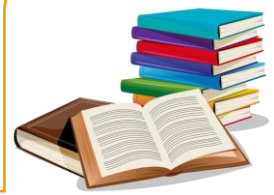

- **Export Credit Insurance:** An insurance arrangement that protects exporters against financial losses arising from non-payment by foreign buyers or certain covered political and commercial risks.

/ Liwin’s CA Funsta
Subscribe
/Liwin's CA Funsta

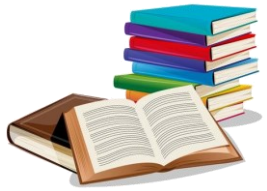

Important Terms Explained:

- **Risk Coverage:** The proportion of an eligible insured loss covered under an insurance policy, subject to applicable terms, conditions and exclusions.

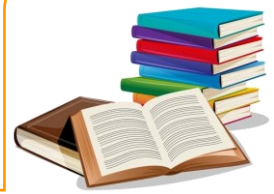

Important Terms Explained:

- War-**Risk Premium**: An additional insurance charge imposed on shipments exposed to risks arising from armed conflicts, geopolitical instability or war-related disruptions.

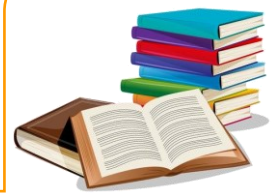

Important Terms Explained:

- **Freight Costs:** Expenses incurred in transporting goods between locations, particularly through maritime, air, road or rail transport in domestic and international trade.

Important Terms Explained:

- **Geopolitical Risk:** The possibility of financial, trade or operational disruptions caused by political tensions, international conflicts, sanctions or instability between countries.

Tabular Summary:

Parameter	Details
Event	Extension of Component II of the RELIEF initiative to support Indian exporters affected by shipping disruptions.
Announcement Date	October 26, 2026.
Extended Validity	March 31, 2027.
Issuing Authority	Department of Commerce, Ministry of Commerce and Industry, Government of India.
Initiative and Launch Date	Resilience & Logistics Intervention for Export Facilitation (RELIEF), launched on March 19, 2026, under the Export Promotion Mission.
Implementing Agency	Export Credit Guarantee Corporation of India (ECGC).
Insurance Support	95% risk coverage for eligible exporters obtaining ECGC insurance, subject to scheme conditions.
Purpose and Significance	Mitigates export-related financial risks arising from West Asian shipping disruptions, increased insurance costs, war-risk premiums and geopolitical uncertainties.

➤ **Which Union Territory became India's first fully organic Union Territory in October 2026 after banning the sale and use of chemical fertilisers?**

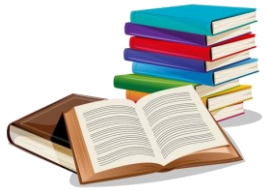

A) Jammu and Kashmir
B) Ladakh
C) Chandigarh
D) Puducherry
E) Lakshadweep

Answer
B) Ladakh.

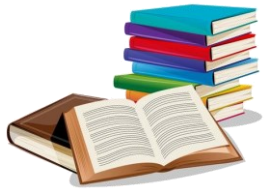

Event and Location:

- **Event:** Ladakh became India's first fully organic **Union Territory** following a ban on the sale and use of chemical fertilisers and initiatives to promote organic agriculture.
- **Location:** Ladakh, India, situated in the Trans-Himalayan cold-desert region.
- **Date:** October **25, 2026**.

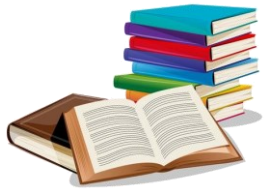

Mandates and Objectives:

- **Mandates: Ladakh Lieutenant Governor Vinai Kumar Saxena** announced the **Union Territory**'s fully organic status following the ban on chemical fertilisers imposed in June **2026**. **Under the Mission Organic Development Initiative** (**MODI**), launched in **2020,** the administration aims to bring all **666** villages under certified organic farming, with a reported budget of **₹500 crore**.

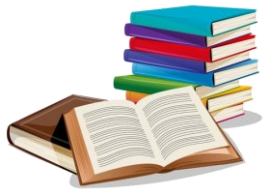

Mandates and Objectives:

- **Objectives:** To promote sustainable agriculture, eliminate dependence on chemical fertilisers, protect soil health and the fragile Himalayan ecosystem, expand organic certification, improve agricultural branding and marketing, and increase farmers' incomes through better prices and value addition.

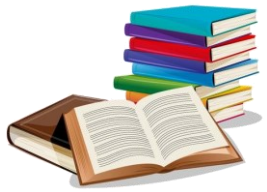

Important Terms Explained:

- **Mission Organic Development Initiative (MODI):** An organic farming initiative launched in Ladakh in **2020** to convert all **666** villages into certified organic cultivation zones through sustainable agricultural practices, bio-fertiliser production, seed supply, protected cultivation and marketing support.

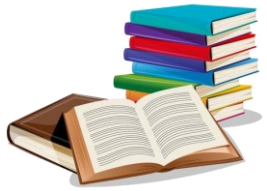

Important Terms Explained:

- **Organic Farming:** An agricultural production system that avoids synthetic chemical fertilisers and promotes natural inputs, soil fertility, biodiversity conservation and environmentally sustainable cultivation.

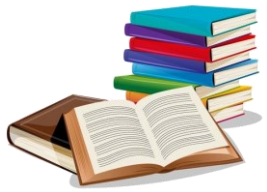

Important Terms Explained:

- **Organic Certification:** A formal verification process that confirms agricultural products and production practices comply with prescribed organic farming standards.

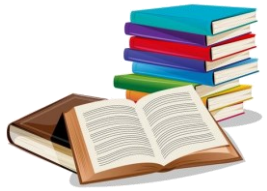

Important Terms Explained:

- **National Programme for Organic Production (NPOP):** **An Indian** programme that establishes organic production standards and provides an accreditation framework for organic certification agencies.

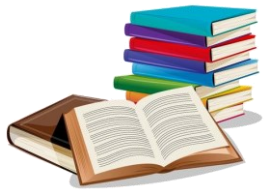

Important Terms Explained:

- **Agricultural and Processed Food Products Export Development Authority (APEDA):** A statutory authority under the **Ministry of Commerce and Industry** responsible for promoting agricultural and processed food exports and implementing **NPOP**.

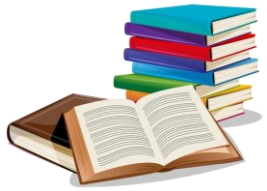

Important Terms Explained:

- **Sikkim State Organic Certification Agency:** An organic certification agency with which Ladakh entered into an agreement in July **2021** to support its transition towards certified organic agriculture.

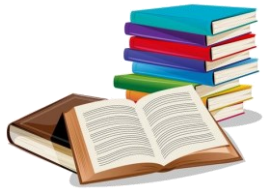

Important Terms Explained:

- Bio-fertilisers: Preparations containing beneficial microorganisms that improve nutrient availability and support soil fertility through biological processes.

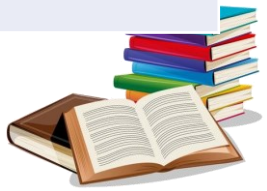

Important Terms Explained:

- **Protected Cultivation:** A farming technique that uses structures such as greenhouses and polyhouses to protect crops from adverse climatic conditions and improve production.

Tabular Summary:

Parameter	Details
Event	Ladakh became India's first fully organic Union Territory.
Announcement Date	October 25, 2026.
Location	Ladakh, Trans-Himalayan region, India.
Key Official	Lieutenant Governor Vinai Kumar Saxena.
Chemical Fertiliser Ban	Sale and use of chemical fertilisers banned since June 2026.
Organic Initiative	Mission Organic Development Initiative (MODI), launched in 2020, with a reported budget of ₹500 crore.
Village Coverage	Target of 666 villages, with 207 revenue villages certified organic before October 2026.
Historical Significance	Ladakh became the first fully organic Union Territory, while Sikkim became India's first fully organic state in 2016.

➤ **In which city did Prime Minister Narendra Modi inaugurate the RBI Data Centre and Cybersecurity Training Institute on October 25, 2026?**

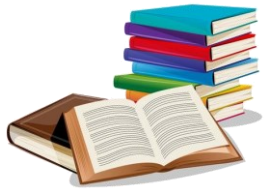

A) Mumbai
B) Hyderabad
C) Bhubaneswar
D) Bengaluru
E) Chennai

Answer
C) Bhubaneswar.

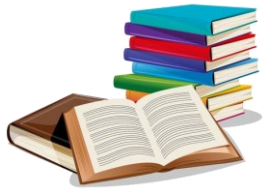

Event and Location:

- **Event: Prime Minister Narendra Modi** inaugurated the **Reserve Bank of India** (**RBI**) **Data Centre and Cybersecurity Training Institute** to strengthen India's digital financial infrastructure, payment systems and cybersecurity capabilities.
- **Location:** Bhubaneswar, Odisha, India.

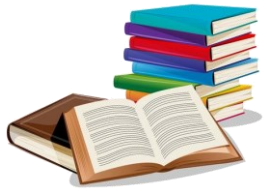

Event and Location:

- **Date:** October **25, 2026**.

Mandates and Objectives:

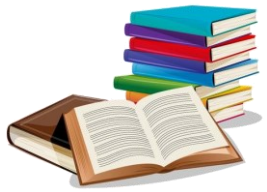

- **Mandates:** The **RBI** established a **Data Centre and Cybersecurity Training Institute in Bhubaneswar** to support mission-critical payment applications, including **Real Time Gross Settlement** (**RTGS**) and **National Electronic Funds Transfer** (**NEFT**). **The Data Centre** will facilitate secure financial data processing, reliable digital transactions and uninterrupted banking services, while the training institute will focus on cybersecurity, **Artificial Intelligence** (AI), threat detection, incident response and emerging technologies.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

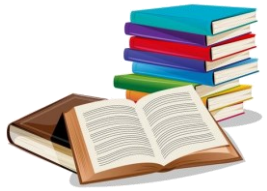

Mandates and Objectives:

- **Objectives:** To strengthen India's digital banking infrastructure, improve the reliability and security of electronic payment systems, ensure business continuity during technological disruptions, protect sensitive financial data, enhance cybersecurity preparedness and develop skilled professionals capable of addressing emerging cyber threats in the financial sector.

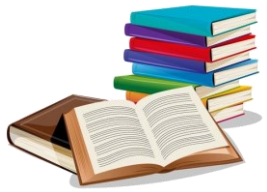

Important Terms Explained:

- **RBI Data Centre:** A specialised technological infrastructure facility designed to support critical **RBI** applications, manage financial system data and improve the operational reliability, security and resilience of India's payment systems.

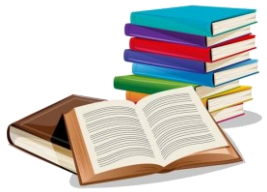

Important Terms Explained:

- **Cybersecurity Training Institute:** A specialised training facility established to develop professional expertise in cybersecurity, artificial intelligence, threat detection, incident response and emerging financial technologies.

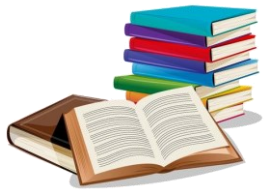

Important Terms Explained:

- **Real Time Gross Settlement (RTGS):** An **RBI**-operated electronic payment system that processes and settles fund transfers individually in real time. The minimum transaction amount is **₹2 lakh,** with no maximum limit prescribed by the **RBI,** and the service is available **24×7**.

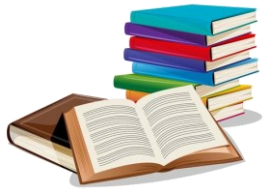

Important Terms Explained:

- **National Electronic Funds Transfer (NEFT):** An **RBI**-operated electronic fund transfer system that processes transactions in half-hourly batches. It operates **24×7,** with no minimum or maximum transaction limit prescribed by the **RBI**.

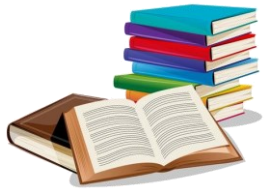

Important Terms Explained:

- **Artificial Intelligence (AI):** Technology that enables computer systems to perform tasks involving learning, pattern recognition and decision-making, including detecting suspicious financial transactions and potential cybersecurity threats.

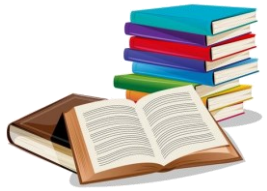

Important Terms Explained:

- **Cybersecurity:** The practice of protecting computer systems, digital networks, financial information and electronic services against cyberattacks, unauthorised access and technological disruptions.

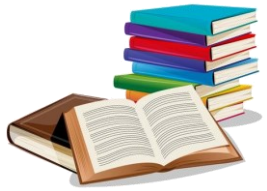

Important Terms Explained:

- **Incident Response:** A structured process for identifying, containing, investigating and recovering from cybersecurity incidents to minimise operational damage and restore essential services.

Important Terms Explained:

- **Financial System Resilience:** The ability of financial institutions, payment networks and supporting technological systems to withstand disruptions, recover from cyber incidents and maintain essential financial services.

Tabular Summary:

Parameter	Details
Event	Inauguration of the RBI Data Centre and Cybersecurity Training Institute.
Date	October 25, 2026.
Location	Bhubaneswar, Odisha.
Inaugurated By	Prime Minister Narendra Modi.
Responsible Institution	Reserve Bank of India (RBI).
Data Centre Functions	Supports RTGS, NEFT, critical financial data management and reliable digital payment operations.
Training Institute Focus	Cybersecurity, artificial intelligence, threat detection, incident response and emerging technologies.
Key Significance	Strengthens India's digital financial infrastructure, payment system security, operational continuity and resilience against cyber threats.

➤ **Which cyclonic storm was forecast by the India Meteorological Department to make landfall along the Andhra Pradesh and Yanam coasts on October 28, 2026, with winds of 115–125 kmph?**

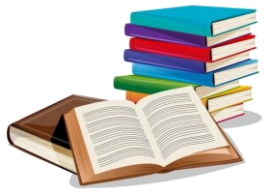

A) Cyclone Dana
B) Cyclone Arnab
C) Cyclone Montha
D) Cyclone Biparjoy
E) Cyclone Remal

Answer
B) Cyclone Arnab.

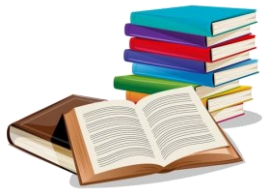

Event and Location:

- **Event: Cyclone Arnab** was forecast to intensify into a very severe cyclonic storm and make landfall along the **Andhra Pradesh and Yanam** coasts, with sustained winds of **115–125 km**ph, gusting up to **140 km**ph.

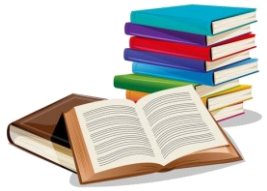

Event and Location:

- **Location:** East-central and adjoining west-central **Bay of Bengal,** with the expected landfall area between **Bapatla and Visakhapatnam in Andhra Pradesh,** including the Yanam coast of Puducherry.
- **Date:** October **26, 2026** (forecast bulletin), with landfall predicted for October **28, 2026**.

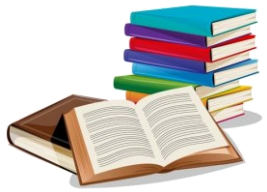

Mandates and Objectives:

- **Mandates: The India Meteorological Department** (**IMD**) issued a cyclone forecast on October **26, 2026,** warning that **Cyclone Arnab** could intensify into a **Very Severe Cyclonic Storm** (**VSCS**) before crossing the **Andhra Pradesh and Yanam** coasts on October **28**. The forecast indicated sustained winds of **115–125 km**ph, gusting to **140 km**ph, along with heavy rainfall and a storm surge of **1.0–1.5** metres above astronomical tide. **Andhra Pradesh Chief Minister** N. **Chandrababu Naidu and Odisha Chief Minister Mohan Charan Majhi** directed their respective administrations to strengthen preparedness, activate control rooms and coordinate precautionary measures.

Mandates and Objectives:

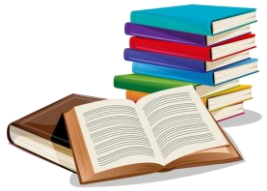

- **Objectives:** To minimise loss of life and property from cyclonic winds, heavy rainfall, coastal flooding and storm surges, ensure timely dissemination of weather warnings, protect fishermen and coastal communities, improve emergency response coordination and maintain administrative readiness in potentially affected districts.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

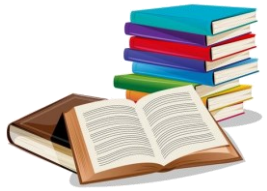

Important Terms Explained:

- **Cyclonic Storm:** A tropical weather system over the **North Indian Ocean** characterised by maximum sustained surface wind speeds of **62–88 km**ph under the **IMD** classification.

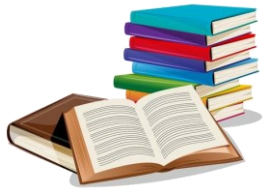

Important Terms Explained:

- **Severe Cyclonic Storm:** A tropical cyclone category with maximum sustained wind speeds of **89–117 km**ph**,** capable of causing significant damage through strong winds and heavy rainfall.

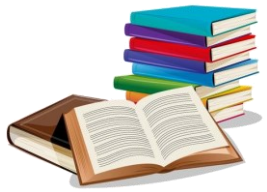

Important Terms Explained:

- **Very Severe Cyclonic Storm (VSCS):** An **IMD** cyclone category characterised by maximum sustained wind speeds of **118–166 km**ph, associated with destructive winds, intense rainfall and possible coastal inundation.

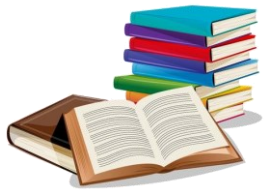

Important Terms Explained:

- **Extremely Severe Cyclonic Storm:** A powerful tropical cyclone with sustained wind speeds of **167–221 km**ph under the **IMD** classification.

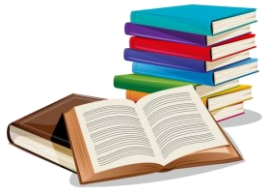

Important Terms Explained:

- **Super Cyclonic Storm:** The highest tropical cyclone intensity category used by the **IMD,** with maximum sustained wind speeds of **222 km**ph or more.

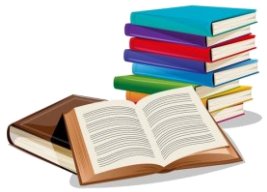

Important Terms Explained:

- **Storm Surge:** An abnormal rise in seawater level caused primarily by cyclonic winds and changes in atmospheric pressure, potentially flooding low-lying coastal regions.

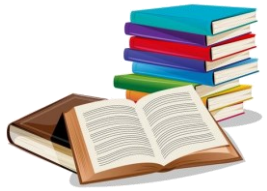

Important Terms Explained:

- **Astronomical Tide:** The predictable rise and fall of sea levels resulting from the gravitational forces of the **Moon and Sun,** against which storm surge height is measured.

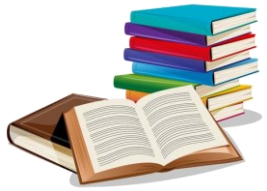

Important Terms Explained:

- **Landfall:** The movement of a tropical cyclone's centre across a coastline from the sea onto land, often accompanied by strong winds, heavy rainfall and coastal flooding.

Important Terms Explained:

- **Coastal Inundation:** The flooding of low-lying coastal areas due to elevated seawater levels caused by storm surges, high tides or extreme weather conditions.

Tabular Summary:

Parameter	Details
Event	Cyclone Arnab forecast to cross the Andhra Pradesh and Yanam coasts as a very severe cyclonic storm.
Forecast and Landfall Dates	IMD bulletin issued on October 26, 2026, with landfall forecast for the forenoon of October 28, 2026.
Expected Landfall Location	Coastal stretch between Bapatla and Visakhapatnam, including Yanam in Puducherry.
Forecasting Authority	India Meteorological Department (IMD).
Cyclone Position	15.4°N, 88.9°E, approximately 650 km east-southeast of Visakhapatnam at 5:30 AM IST on October 26.
Wind Speed and Intensity	Sustained winds of 115–125 kmph, gusting up to 140 kmph, with intensification into a very severe cyclonic storm forecast.
Storm Surge Warning	Sea-level rise of 1.0–1.5 metres above astronomical tide, particularly affecting low-lying coastal areas near Kakinada and Yanam.
Preparedness Measures	Andhra Pradesh and Odisha administrations directed departments to remain alert, establish control rooms, communicate warnings and protect vulnerable coastal populations.

➤ **Which state approved a flight services project by the Kerala Civil Aviation Development Cooperative Society to establish India's first cooperative-sector airline?**

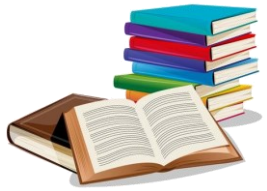

A) Tamil Nadu
B) Karnataka
C) Andhra Pradesh
D) Kerala
E) Telangana

Answer
D) Kerala.

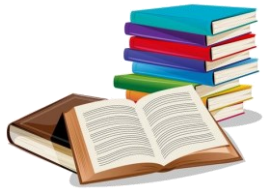

Event and Location:

- **Event: The Kerala Government** approved a flight services project proposed by the **Kerala Civil Aviation Development Cooperative Society,** aiming to establish India's first cooperative-sector airline.
- **Location:** Kozhikode, Kerala, India.
- **Date:** October **25, 2026**.

Mandates and Objectives:

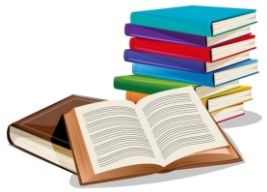

- **Mandates: The Kerala Government** granted approval to the **Kerala Civil Aviation Development Cooperative Society** to develop a cooperative-sector airline project. The approval was announced by V. D. Satheesan, identified as Kerala's **Chief Minister** in the report, during the silver jubilee celebrations of the **Calicut City Service Cooperative Society in Kozhikode**. C. N. Vijayakrishnan, Chairman of the **MVR Cancer Centre and Research Institute,** was named the project leader. The proposed airline, tentatively named Co-Keralam, plans to lease two **72**-seater aircraft and operate regional flights connecting Kochi with cities in Kerala and neighbouring states.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

Mandates and Objectives:

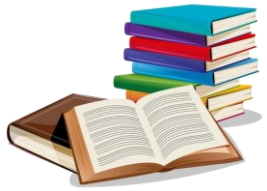

- **Objectives:** To introduce cooperative participation in India's aviation sector, improve regional air connectivity, provide accessible flight services between major **South Indian** cities, diversify cooperative activities beyond traditional sectors and mobilise investments from cooperative societies for aviation infrastructure and operations.

/ Liwin's CA Funsta Subscribe /Liwin's CA Funsta

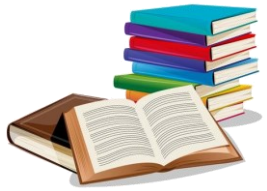

Important Terms Explained:

- Cooperative-**Sector Airline**: An airline project owned, financed or managed through cooperative institutions, enabling participating societies to collectively invest in and support commercial aviation services.

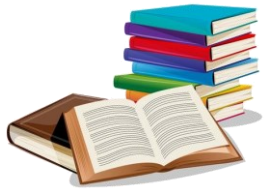

Important Terms Explained:

- **Kerala Civil Aviation Development Cooperative Society:** The cooperative organisation responsible for proposing and developing the airline project approved by the **Kerala Government**.

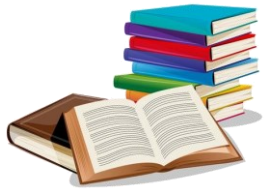

Important Terms Explained:

- Co-Keralam: The tentative name being considered for Kerala's proposed cooperative-sector airline, which aims to provide regional passenger flight services.

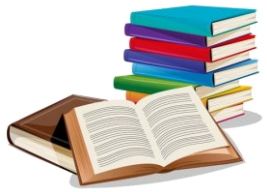

Important Terms Explained:

- **Cooperative Society:** A voluntary association of individuals or institutions formed to achieve shared economic, social or cultural objectives through collective ownership and democratic management.

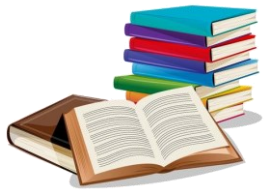

Important Terms Explained:

- **Regional Air Connectivity:** The development of aviation services connecting cities and regions to improve passenger mobility, economic activity and access to transportation.

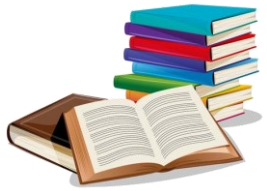

Important Terms Explained:

- **Aircraft Leasing:** An arrangement through which an airline obtains aircraft for operational use from an owner or leasing company without purchasing them outright.

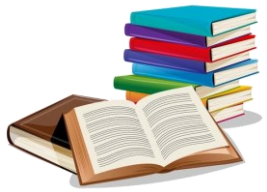

Important Terms Explained:

- **Silver Jubilee:** The celebration of the **25**th anniversary of an organisation, institution or significant event.

Important Terms Explained:

- **MVR Cancer Centre and Research Institute:** A healthcare and research institution associated with project leader C. N. Vijayakrishnan, who serves as its Chairman.

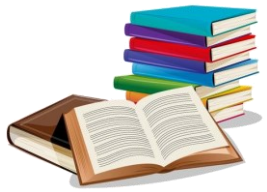

Tabular Summary:

Parameter	Details
Event	Kerala Government approved a project to establish India's first cooperative-sector airline.
Announcement Date	October 25, 2026.
Announcement Venue	Silver jubilee celebrations of Calicut City Service Cooperative Society, Kozhikode, Kerala.
Implementing Organisation	Kerala Civil Aviation Development Cooperative Society.
Key Officials	V. D. Satheesan, identified as the announcing official, and project leader C. N. Vijayakrishnan.
Proposed Airline and Aircraft	Tentatively named Co-Keralam, with plans to lease two aircraft having 72 passenger seats each.
Proposed Routes and Funding	Flights from Kochi to Kozhikode, Kannur, Bengaluru, Mangaluru, Chennai, Coimbatore and Madurai, with a proposal involving 200 cooperative societies investing ₹2 crore each.
Project Status and Significance	Government approval announced, with commercial operations yet to begin, potentially introducing cooperative ownership into India's airline sector.

QUICK RECALL

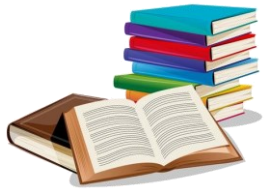

- **The Central Vigilance Commission is observing Vigilance Awareness Week from October 26 to November 1, 2026, under the theme “Probity for Prosperity” to strengthen integrity, transparency and anti-corruption awareness across India.**
